**Sub: Submission of Annual Quality Assurance Report - 2016-17
(LOI Ref. No. KAUNGN-11429) of Yenepoya (Deemed to be University)**

Dear Sir/Madam,

Greeting from Yenepoya (Deemed to be University), Mangalore

Yenepoya (Deemed to be University) has undergone NAAC Assessment during 02nd to 04th November 2015 and was accredited with a CGPA of 3.14 on a four point scale & secured "A" grade.

We have now completed two years of post accreditation period. Please find enclosed herewith a detailed Annual Quality Assurance Report as per the format provided on the NAAC website for your kind perusal and necessary action. Please let us know if any further clarification or details are needed regarding AQAR.

With warm regards,

Yours sincerely,

Dr. M. Vijayakumar
Vice Chancellor

2. IQAC Composition and Activities:

2.1. No. of Teachers

2.2. No. of Administrative/Technical staff

2.3. No. of students

2.4. No. of Management representatives

2.5. No. of Alumni

2.6. No. of any other stakeholder and community representatives

2.7. No. of Employers/Industrialists

2.8. No. of other External Experts

2.9. Total No. of members

2.10. No. of IQAC meetings held

2.11. No. of meetings with various stakeholders: No. Faculty
Non-Teaching Staff Students Alumni Others

2.12. Has IQAC received any funding from UGC during the year?

Yes No If yes, mention the amount

2.13. Seminars and Conferences (only quality related)

(i) No. of Seminars/Conferences/Workshops/Symposia organized by the IQAC

Total Nos. International National State

Institution Level

(ii) Themes

Two day NAAC sponsored National Seminar on “*Quality sustenance and quality enhancement measures in health science institutions*” at Yenepoya (Deemed to be University) on 29th & 30th March 2017.

2.14. Significant Activities and contributions made by IQAC

The IQAC played an active role in internalising a culture of quality within the institution. The quality was maintained and sustained by the following initiatives taken by the cell.

- Co-ordinated UGC visit during 2017-18
- Conducted regular quarterly meetings with specific agenda and review the work done by all constituent colleges
- Emphasised various stake holders about the prime need of quality.
- Carried out feedback Analysis and Recommendations from stake holders.
- Endeavored to streamline and strengthen efforts towards effective documentation and easy retrieval of data.
- All the necessary documentation of data and information was done meticulously through a system of monthly/evaluator reports collected from all departments, colleges, centres, cells and statutory bodies.
- The AQAR for 2015-16 was compiled and uploaded.
- Coordinated visits and orientation sessions of visiting faculty teams from several institutions.
- Conducted periodic discussions with college heads and department faculty to collate the data pertaining to the various activities of the constituent colleges and departments.
- Teacher performance analysis through Performance Based Appraisal System.
- Steps were taken to minimize the environmental degradation through various programmes.
- Enabling better participation from differently abled.
- Participated in Karnataka State University Ranking Framework (KSURF) and secured 3rd position in the category of Young Universities.
- Participated in National Institute Ranking Framework (NIRF) and placed in the range of 100 to 150 under university category.
- The clinical laboratory of the medical college teaching hospital has been accredited by NABL in 2017.
- Granted Pre-Accreditation Entry level certification of assessment of Yenepoya Medical College Hospital from NABH 2017.
- Conducted workshop on NAAC new format assessment with the task force.
- Organised a two days NAAC sponsored National Seminar on “*Quality sustenance and quality enhancement measures in health science institutions*” at Yenepoya (Deemed to be University) on 29th & 30th March 2017.
- ACTS-YEN centre was approved by American Heart Association
- On Screen Marking System was introduced as evaluation reform
- Assisted in NGO Registration - DARPAN
- Assisted in DSIR Application for SIRO
- Digitization of MRD for easy retrieval of hospital data
- Assisted in planning and implementation of new centres/departments/constituent colleges

2.15. Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year*

Plan of Action	Outcome
Submission of information of Yenepoya (Deemed to be University) to Karnataka State Universities Rating Framework (K – SURF)	<ul style="list-style-type: none"> Information was submitted online as per the prescribed format by K-SURF and the same was uploaded on the University website.
Submission of information of Yenepoya (Deemed to be University) for National Institute Ranking Framework (NIRF)	<ul style="list-style-type: none"> Information was submitted online as per the prescribed format by NIRF and the same was uploaded on the University website.
Compilation of data for UGC inspection and submission of data as per the format prescribed by the UGC	<ul style="list-style-type: none"> Formulation of working committee towards the UGC visit. IQAC collected, compiled and prepared data from constituent colleges as per the format along with supporting Annexures. Conducted departmental visit and meetings with the coordinators in view of the UGC inspection. Finalization of report was done by consulting with the coordinators and Heads of the Departments
UGC Inspection –December 8 th , 9 th & 10 th 2017	<ul style="list-style-type: none"> The UGC Expert Committee visited and inspected. The required data's were submitted.
Introduction of innovative methods of teaching – learning	<ul style="list-style-type: none"> At least 3 new teaching methodology and up gradation of E-learning is achieved.
Infrastructure Up gradation	<ul style="list-style-type: none"> Upgradation achieved in the areas of patient care (New OPDs, OTs, Robotic Surgery, Research, MRD, Central Sterile Services Department (CSSD), Hostels, New Centres for skill development).
Increase in the number of conferences and scientific engagement on the campus and collaborations.	<ul style="list-style-type: none"> Significant increase in comparison with previous year. Provided opportunity for external collaborations. Collaboration increased by 20% in comparison with previous year.

Starting of new courses, skill oriented Programme and value added Programme	<ul style="list-style-type: none"> • Started super specialty programmes in Urology and Post Doctoral Fellowship in Urology • Introduction of Under Graduate and Post Graduate programmes in allied subjects • Started Skill enhancement and new certificate programmes in allied subjects • Academic Council & Board of Management has approved the starting of faculty of Homeopathy, Ayurveda, Humanities, Commerce & Management and Social Science Courses under University • One year Post Graduate Diploma Course in Applied Islamics was approved by the Academic Council and Board of Management.
To increase the research output	<ul style="list-style-type: none"> • Increase in quantity and quality of research publication by 30% • Faculty presented 81 papers (Oral/Poster) in conferences/academic programmes etc. • Total 293 papers were published. Out of these 111 were indexed in Scopus and 101 in web of science • 368 faculty members participated in 164 conferences • 23 research awards received by the faculty during this year • 07 Patents were filed during this year
Twinning programme, in Health sciences and other areas	<ul style="list-style-type: none"> • Certificate course in Palliative Care (In Collaboration with MediAcion, Grundstrasse, Hamburg, Germany) • Yenepoya University-Fogarty International Research Ethics Masters Programme for India (Funds are provided for a collaboration with Monash University, Australia) • International Training Agreement with American Heart Association for ACLC and BLS courses
Establishment of incubators for entrepreneurship	Proposal submitted to Govt. of Karnataka under PPP (Public Private Partnership) mode in collaboration with IKP Knowledge Park, Hyderabad.
Establishment of Digital MRD systems	Medical Records are digitized and are in use.

Establishment Robotic Surgery Unit/OT's and renovation of OPD's	6 new OT's have been commissioned & 6 OPD's have been renovated. Robotic surgery unit is nearing completion.
Signing of MoU with industries and institutes for teaching, research and extension	24 MoUs have been signed in the year (<i>Details enclosed in Annexure -1</i>)
Streamlining of online feedback collection and analyses from all the stakeholders	10% online feedback collected from various stakeholders and same analysed for follow up action.
Updation of Website	The University website stands redesigned

*Attach the Academic Calendar of the year as **Annexure - 2**

2.16 Whether the AQAR was placed in statutory body: Yes No

Management Syndicate Any other body

Provide the details of the action taken

Not Applicable

Part – B

Criterion – I

1. Curricular Aspects:

1.1. Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	01	-	01	01
PG	44	-	44	02
UG	11	07	18	01
PG Diploma	03	-	03	01
Post Doctoral Fellowship	02	01	03	-
Advanced Diploma	-	-	-	-
Diploma	-	-	-	-

Certificate	07	-	07	02
Others	13	-	13	-
Total	81	08	89	07

Interdisciplinary	-	02	-	-
Innovative	-	-	-	-

1.2. (i) Flexibility of the Curriculum: CBCS/Core/Elective option/Open options

(ii) Pattern of programmes:

Pattern	Number of programmes
Semester	06
Trimester	--
Annual	59

1.3. Feedback from stakeholders*Alumni Parents Employers Students
(On all aspects)

Mode of feedback: Online Manual Co-operating schools (for PEI)

*Analysis of the feedback in the Annexure - 3

1.4. Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

Yes.

Revision/update of regulation or syllabus	New Courses Introduced
<ul style="list-style-type: none"> • MBBS Regulation/Curriculum – Adoption of MCI pattern and amendment thereto • Postgraduate Diploma in Forensic Anthropology – Amendments to the Syllabus • Introduction of Semester System to BPT Course from the academic year 2016-17 • Amendment to MBBS curriculum for Microbiology, M.S. ENT, B.Sc. Nursing, BDS Course • Amendment to Ph.D Regulations with regards to (1) Eligibility Criteria for registration (2) Application procedure and (3) Eligibility Criteria to become a Co-Guide as per UGC 2016 regulations • Amendment to eligibility criteria for admission to B.Sc (Nursing) Course 	<ul style="list-style-type: none"> • B.Sc. Optometry Course • M.Sc. Course in Computational Biology • M.Sc Programme in Regenerative Medicine • Master’s Programme in Research Ethics under the Ethics Centre of the University • Medical Humanities for Undergraduates • Bachelor of Pharmacy (B.Pharm) • Doctor of Pharmacy (D.Pharm)

<ul style="list-style-type: none"> • Externship programme of PGs in the Department of Ophthalmology • Introduction of Semester System to BPT course • Work – Based Performance Assessment (WBPA) for PG Education (Specialities of Medicine & Surgery) • Regulations & syllabus for B.Sc course in Perfusion Technology 	<ul style="list-style-type: none"> • Bachelor of Homeopathic Medicine and Surgery • Bachelor of Ayurvedic Medicine and Surgery • B.Com (Regular) • B.Com (ACCA)
<ul style="list-style-type: none"> • Based on the recommendation of the curriculum development committee. New modules on skill enhancement were proposed in the Advanced Comprehensive Clinical Training and Simulation Centre (ACTS-YEN), which is now in UG and PG curriculum. • Feedback from students on curriculum was collected and analyzed by the curriculum development committee. • Regulations for B.Pharma, D.Pharma courses were developed & approved by the Faculty of Pharmacy • Regulations for BHMS, BAMS courses were approved • Regulations for B.Com (Regular), B.Com (ACCA), B.Sc. Hospitality Science, B.A. (English/Journalism, Social Work) courses were approved 	<ul style="list-style-type: none"> • B.Sc. Hospitality Science • B.A. (English/Journalism, Social Work) • Post Doctoral Fellowship in Urology • Post Graduate Diploma Course in Applied Islamics

1.5. Any new Department/Centre/Unit/Division introduced during the year. If yes, give details

<p>Yes.</p> <ul style="list-style-type: none"> • Robotic Surgery Unit • Digitization of MRD • 3T-MRI and Advanced Cath Lab • Advanced Comprehensive Clinical Training and Simulation Centre (ACTS-YEN) • Surgical Oncology • Medical Oncology • Nanomedicine - point-of-care diagnostics division • Advanced Surgical Skill Training Centre (Animal and Cadaveric) • Chair in Islamic Studies & Research • PACS - Picture Archiving and Communication System at Radiology • Public Health Department • Rheumatology Unit • Geriatric Unit • New ICCU Unit

Criterion – II

2. Teaching, Learning and Evaluation:

2.1. Total No. of permanent faculty	Total	Asst. Professors	Associate Professors	Professors	Others
	460	105	78	108	169

2.2. No. of permanent faculty with Ph.D 47

2.3. No. of Faculty Positions Recruited (R) and Vacant (V) during the year	Asst. Professors		Associate Professors		Professors		Others		Total	
	R	V	R	V	R	V	R	V	R	V
	19	00	04	00	06	00	78	00	107	00

2.4. No. of Guest and Visiting faculty and Temporary faculty - 10 -

2.5. Faculty participation in conferences and symposia:

No. of Faculty	International level	National level	State level
Attended (Conference/Convention, Workshop/Training, CME/CDE/CNE/CPE, Seminar & Symposium)	127	354	269
Presented Papers	32	26	14
Resource Persons	01	08	10

2.6. Innovative processes adopted by the institution in Teaching & Learning:

- Usage of several small group techniques like tutorials, seminars, journal clubs and case based learning
- Remedial classes for slow learners and development of new teaching strategies for slow learners
- Encourage advanced learners to take part in research projects and presentation of papers at various levels
- Skill based learning components that equip students with requisite skills in the chosen discipline of study using simulation centre (ACTS –YEN)
- Engage- E Learning
- Virtual Classrooms
- Use of ICT in teaching-learning process

- Online test-Evaluation
- OSPE/OSCE
- Model Competition & Presentation
- Software based teaching
- Health Song competition & presentation
- Field based training
- Organization of School health programme
- Survey collection & analysis to learn community survey techniques
- Simulation training on anatomage
- Card system for viva
- Radiology Images & Virtual Anatomy for UG Students
- WBPA performance assessment for students
- Forum activities
- Door to Door Health Care delivery Programme
- Yen Health Care on Wheels
- Training on Family Doctor System
- Health Awareness Talks
- Family adoption programme

Total No. of actual teaching days during this academic year

275

2.7. Examination/Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

- Double valuation for UG examinations. If there is 15% difference in the marks between I and II valuation the system will suggest for III valuation and it is done accordingly. Four valuations for PG Examinations.
- Online multiple choice questions for PhD Entrance examinations.
- Uniform valuation: each staff corrects same question in all papers of the particular test. Summative assessment: As per the YU examination guidelines.
- For the first time, this year “On Screen Marking System” has been introduced on pilot scale.

2.8. No. of faculty members involved in curriculum restructuring/ revision/ syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

252

460

362

2.9. Average percentage of attendance of students

82%

2.10. Course/Programme wise distribution of pass percentage:

(Details enclosed in Annexure - 4)

2.11. How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

Data collection format for teaching learning process has been developed and is circulated to all the departments. The filled in data is collected and analyzed on monthly basis. Suitable interventions are suggested in consultation with the Deans, members of Board of Studies and Centre for Health Professional Education. The relevant suggestions are incorporated and placed in respective Board of Studies and Academic Council and are implemented. All faculty members participating teaching-learning training programmes, conducted by Medical Education Unit and Centre for Health Professional Education on regular basis, till date 13 workshop have been conducted in this year.

- Regular monthly meetings and interaction with faculty.
- Internal audit by IQAC members and Academic review committee.
- Feedback results are used to assist in faculty development programme based on the needs of individual faculty
- IQAC coordinates with the library and IT department for data usage and assessment.
- Teaching learning process is monitored by checking the problem solving ability of the student when they were given an assignment or project.
- It is also evaluated based on the difficulty level of the question paper
- Attainment level in each periodical test.
- Collect and review monthly evaluation reports from all departments and develop learning strategies wherever necessary.
- Outcome Based Education is done for all the courses semester wise to monitor the performance of the students on regular basis
- Remedial Courses for slow learners.
- Parental counseling.
- Frequent meetings are conducted with IT department to ensure e-learning modules are updated and practiced across all the colleges of the University.
- This year, the IQAC has proposed a new initiative namely Academic Corrections and Advisory Committee which advises the slow learners and helps in improving their performance.
- To enhance skills, this year several innovate teaching modules based on simulation were developed. Currently, this is undergoing validation and expert review. This will be introduced in the curriculum by 2017-18.

2.12. Initiatives undertaken towards faculty development

<i>Faculty / Staff Development Programmes</i>	<i>Number of faculty benefitted</i>
Refresher courses	63
UGC – Faculty Improvement Programme	02
HRD programmes	03
Orientation programmes	20
Faculty exchange programme	-
Staff training conducted by the university	95
Staff training conducted by other institutions	25
Summer/Winter schools, Workshops, etc.	12
Others (Conference/Convention, Workshop/Training, CME/CDE/CNE/CPE, Seminar & Symposium)	1396

2.13. Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled temporarily
Administrative Staff	284	Nil	Nil	537
Technical Staff	204	Nil	Nil	95

Criterion – III

3. Research, Consultancy and Extension:

3.1. Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- Orientation programmes on research methodology and statistics for students and staff
- Provide incentive to staff for research and publications
- Research grants – Staff encouraged in writing grant proposals for funding from the National / International research funding agencies
- Necessary infrastructure for research is provided
- Small/large animal house with breeding facility set up as per CPCSEA guidelines and approved by Govt. of India
- Residents/students are given financial support for conducting studies
- Weightage given for research/publication at the time of promotion
- Large-scale up gradation of internet facilities, e journal data base
- Provide information pertaining to seminars and helps to faculty obtain funds either from funding agencies or by the institutions
- Hands-on workshop for skill enhancement
- Faculty interaction meetings with central research lab (Yenepoya Research Centre).
- Financial support for reimbursing publication charges
- Consultancy sharing policy
- Supports for startup are incubation.
- Support for patenting through IPM Cell.
- Support for tie-up with industries through UIIC.
- MoU with industries for placement, training and patient care
- Plagiarisms check software for thesis and research papers purchased and utilized
- Dedicated PhD centre for timely review of progress of PhD Scholars

3.2. Details regarding major projects

M.R.D	398.58

4.2. Computerization of administration and library

The Library is computerised with library management software 'EASYLIB' that allows for bar-coding of the collection and keep records of the collection in all medias, keeps track of current arrivals (serials control) and circulation activities. Bar code labels have been pasted on the books and borrowers cards which facilitates online circulation. Users can access the online catalog which has been upgraded to the 'EPAC' from anywhere 24 x7 to know the resources available in the library. Author, title, editor, subject and keyword searches can be made in the EPAC.

Central library is a part of the campus-wide network connected by optic fibre cable network, supported by 1GBPS internet bandwidth. It is equipped with 34 computers to cater to the needs of faculty members, research scholars and students.

An air-conditioned Digital Library with 25 desk-top computers are available for the users to access e-journals, e-books and online databases at the digital library. Printing, scanning, copying and downloading facilities are available for the students and faculty members.

The library has taken several initiatives to provide Digital Library services to the users. It provides 24 x 7 access to a wide range of e-resources which includes e-books, e-journals and online databases through the EzProxy remote access programme. Users can use the FedGate discovery tool to seamlessly search and access the various databases subscribed. Access to e-journals, e-books and online databases and all library resources is also available through the YENGAGE e-learning portal. Wi-Fi connectivity is available in the library reading halls, facilitating the users to use their lap-tops for uninterrupted access to the library resources.

4.3. Library services:

	Existing		Newly added		Total	
	No.	Value	No.	Value	No.	Value

E-Learning and hospital management system software, Electronic medical records software training provided to students and Hospital faculty.

4.6. Amount spent on maintenance in lakhs :

i) ICT	36.73
ii) Campus Infrastructure and facilities	594.54
iii) Equipments	682.40
iv) Others	992.26
Total	2305.93

Criterion – V

5. Student Support and Progression

5.1. Contribution of IQAC in enhancing awareness about Student Support Services

- IQAC provides information about various Student Support Services available at the institution and other levels.
- Circulation of calendar of events and students information guide is provided for the first year students.
- A general orientation is given at the commencement of the programme which helps students and the parents understand the working of the University and the facilities available.
- Orientation for first year UG and PG students is conducted at the time of admission. The rules and regulations, curriculum, facilities available, etc., are elaborated.
- Orientation programmes on ethical issues and research methodology workshops for the first year PGs are organized.
- Announcements using e-learning portal (Yengage), displayed in notice board and as mobile alert.
- Mentor system is followed. Assigned teachers as student mentors who meet the students regularly and discuss issues if any and provide direction and advice on important matters
- Interaction with students to provide guidance for new opportunities e.g. employment, research fellowships, Summer internships, conferences and workshops
- Students given a proper sensitization on activities that may be classified as ragging, harassment and the associated penalties.
- Yoga, aerobics classes are regularly organized for staff and students.
- Students are actively engaged in health education programmes, community and school health awareness programmes, counseling, dental and medical camps, postings in peripheral centres, NSS, Ashraya etc. They are also actively involved in outreach programmes, door to door health care delivery, Yen health care on wheels, health check up at orphanages, immunization programme etc.

- Guest lectures are conducted by alumni employment cell of the University regarding various opportunities available in health care sector.
- Staff development programmes are organized in the Advanced Comprehensive Clinical Training and Simulation Centre (ACTS – YEN) before entering the clinics
- Various committees namely grievance redressal committee, Anti-ragging committee, disciplinary committee, cultural committee, mess committee etc., are formed and functioning to facilitate student progression.
- Provided special support to avail scholarship
- The campus is made wi-fi and has a digital library which can be used for searching relevant literature, forum activity and social communications.
- Challenging research projects (group) are given for advanced learners.
- Financial support is also provided for presenting research results in conference and seminars.
- Students are provided coaching by invitee NIS qualified coaches before participating in state and national sports event.
- A total of six new cafeteria were opened in the campus
- Stationary shop available in the campus
- Laundry service available in the campus.
- ATM/Bank facility for students
- Sports facility available for students
- Free transport facility for students

5.2. Efforts made by the institution for tracking the progression

- Online Alumni registration and database creation
- Alumni also come back as resource persons and motivate our students.
- The overseas chapters of the Alumni also keep in touch through mailing/whatsApp group
- Regular interaction with parents
- Discussing the students progress with their parents
- Organizing Cultural Activities
- Strong support for remedial courses
- Remedial coaching for slow learners
- Academic counseling to students by Mentor
- Interim reviews of progressing PG projects
- Internal assessment and examinations\Motivational/Guest lectures
- Regular service audit by the departments for academic performance
- In class room student attendance capture using portable biometric devices during the lecture hours eliminating the waste of time by manual paper based role calling

5.3. (a) Total Number of students

UG	PG	Ph. D.	Others
2215	465	96	50

(b) No. of students outside the state

(c) No. of international students

Men	No	%	Women	No	%

5.6. Details of student counselling and career guidance

Counselling:

- Student counselling services are provided by trained counsellor.
- There is a mentoring system in place wherein academic and personal mentoring is made available to the students at various levels.
- The student mentorship programme for I and II year students is of 1:20 mentor student ratio.
- Monthly meetings are being conducted to find out the progress of the students in academic performance as well as problems they face in college and hostel.
- Any personal issues are taken care of by the mentor.
- In special case reference will be taken for professional assistance from the counselor through the Principal.
- 1 new additional student counselor has been appointed.
- 1 campus administrative officer has been appointed.
- 3 new chief wardens have been appointed.

Career Guidance:

- Employment and Placement Cell of Yenepoya University is conducting various career guidance programmes for outgoing students of Yenepoya University.
- Periodic discussion with students about opportunities.

No. of students benefitted

28

5.7. Details of campus placement

<i>On campus</i>			<i>Off Campus</i>
Number of Organizations Visited	Number of Students Participated	Number of Students Placed	Number of Students Placed
03	447	05	442

5.8. Details of gender sensitization programmes

- Internal Compliance Committee of Yenepoya University under the aegis of sexual Harassment of women at workplace (prevention, Prohibition and Redressal) Act, 2013 is conducting Sessions on self defense techniques for the students of constituent colleges.
- Internal Compliance Committee of Yenepoya University under the aegis of sexual Harassment of women at workplace (Prevention, Prohibition and Redressal) Act, 2013.

5.9. Students Activities

5.9.1. No. of students participated in Sports, Games and other events

State/ University level National level International level

No. of students participated in cultural events

State/ University level National level International level

5.9.2. No. of medals /awards won by students in Sports, Games and other events

Sports: State/University level National level International level

Cultural: State/ University level National level International level

5.10. Scholarships and Financial Support

	Number of students	Amount
Financial support from institution	158	2,69,55,000.00
Financial support from government	17	5,29,090.00
	All SC, ST, OBC & low income eligible students getting various schemes, scholarships from the Government of Karnataka. The amount is directly transferred to the students account by the concerned authorities.	
Financial support from other sources	-	-
Number of students who received International/ National recognitions	-	-

5.11. Student organised/initiatives

Fairs: State/ University level National level International level

Exhibition: State/ University level National level International Level

No. of social initiatives undertaken by the students

5.12. Major grievances of students (if any) redressed:

- The water coolers supplied in the hostels were having contamination due to uneven cooling. The grievances were redressed by rectifying the cooler and regular maintenance has been now made mandatory.
- New and additional student welfare officer and counselor were appointed for nursing and physiotherapy colleges.
- Rural health care and development centre was provided with dedicated vehicles for extending health care to rural and outreach areas.
- New buses were purchased for students travelling within the campus and outside.
- Guest lectures and hands on workshops in emerging areas were organized in order to expose students to Research in Medical, Dental and Allied Health Sciences.
- Sports and library facility were significantly upgraded to accommodate student request for space.

Criterion – VI

6. Governance, Leadership and Management

6.1. State the Vision and Mission of the institution

Vision:

- To provide access to quality higher education in health sciences and related areas, ensuring equity, to create a vibrant knowledge capital and to create inspiring leaders of tomorrow who can take this country to the forefront of the developed nations.

Mission:

- To foster academic excellence and global competencies among students in health profession.
- To create an environment for the generation of new knowledge through meaningful research, adopting latest methods of pedagogy and incorporating modern principles of academics integrated with highest ethical standards.
- To extend the knowledge acquired and new knowledge generated for the development of the community in health management.

Vision 2020 of Yenepoya University is to be in the forefront of the top Universities in India in Health Sciences, while contributing to the development of health care sector through quality education, health care delivery to the rural masses, translational medical research and creating leaders who can contribute to national development.

6.2. Does the Institution has a management Information System

Yes. Management Information Systems implemented by the university are;

- Financial Accounting System
- HR Management System
- Purchase and Inventory System
- Library Management System
- Online Attendance
- Online Feedback
- Student Information System
- Patient Management System
- Biometric Attendance System for Teaching & Non-teaching staff
- Interactive Boards

6.3. Quality improvement strategies adopted by the institution for each of the following:

6.3.1. Curriculum Development

Every department has conducted two Board of Studies meetings during last one year and deliberated extensively regarding upgradation of curriculum, examinations, teaching and training methodologies. Each subject-wise Board of Studies has two external experts, who actively participate in the curricular reforms. Based on the recommendation of various boards of studies, the following changes were made and following new courses were evolved.

✚ Starting of –

- Postgraduate Diploma Course in Applied Islamics
- Post Doctoral Fellowship in Urology
- B.Sc. Optometry Course
- M.Sc. Course in Computational Biology
- M.Sc Programme in Regenerative Medicine
- Master's programme in Research Ethics under the Ethic Centre of the University
- Certificate Course in Geriatric Palliative Care

✚ Proposed

- 2 year Critical Care Postgraduate Nurse Practitioner Residency Programme
- Medical Humanities for Undergraduates
- M.Sc in Public Health
- M.Sc. Course in Medical Laboratory Technology
- Regulations for B-Pharma, D-Pharma courses
- Short Term Course in Research Studies
- Post Doctoral Fellowship in Nephrology
- Post Doctoral Fellowship in Surgical Oncology
- Fellowship in Neonatal Science (In collaboration with NNF & IAP)
- Certificate Course in Implantology (Advanced Level)
- Faculty of Homeopathy
- Faculty of Ayurvedic Medicine
- Faculty of Humanities Social Science and Management Studies
- ✚ Externship programme of PGs in the Department of Ophthalmology
- ✚ Amendment to MBBS curriculum, M.S. ENT, B.Sc. Nursing, BDS Course
- ✚ Introduction of new speciality of Human Resources Management
- ✚ Work – Based Performance Assessment (WBPA) for PG Education (Specialities of Medicine & Surgery)

Based on the recommendation of the curriculum development committee, modules were developed by the Advanced Comprehensive Clinical Training and Simulation Centre (ACCTS-YEN), which is now implemented for UG and PG curriculum.

Feedback from students on curriculum was collected and analysed by the curriculum development committee.

6.3.2 Teaching and Learning

Expert Committee has been notified regarding starting of certificate course in HPE (Health Professional Education). Monthly lecture series are organised, by inviting guest faculty on the relevant topics. The topic for these lectures ranges from pedagogy to simulation.

The Centre for Health Professional Education regularly organizes workshops on Basic skills training, MCQ development, assessment tools, public speaking, conflict solving, integration of head and heart. This centre also publishes quarterly newsletter. This center also has collaborations with other Centres for Health Professional Education in the country for exchange of information, literature and advanced training.

Workshops on “Workplace Based Assessment” are conducted regularly. E-Learning portal “Yengage” which was developed in-house, was implemented systematically across all academic departments. The forum discussions are regularly held between faculty and students. The IT department has successfully implemented the Yengage, E-Learning platform for Ph.D Programme. Academic calendar is prepared and distributed among students as a hand book. Internal audit was conducted and several innovative teaching-learning methods were adopted and implemented.

- Introduction of E-learning
- Structured seminars
- Participatory approaches (Focus group discussion, Mapping) in community diagnosis
- Family adoption programme by medical and dental students
- Student research projects
- Role plays and skits
- Reflective teaching and narratives
- Micro teaching for post graduates
- Problem based learning
- Integrated teaching
- Skill training using simulation
- OSCE, OSPE based teaching methods
- Continuous evaluation for postgraduates
- Card system for viva
- Health Song competition & presentation
- Organization of School health programme
- Physical examination of school going children
- Online test-Evaluation
- Model Competition & Presentation
- CAD- CAM Technology
- Simulation Oriented Teaching
- Computer Assisted Learning
- Compulsory Training on BCLS/ACLS for students

6.3.3 Examination and Evaluation

Online marking systems was used on experimental basis. The viva-voce examination and re-evaluation was carried out as per the university rules. Periodic assessment, question bank for internal examinations, Choice based essay question, Exit Examination, Continuous Assessment for PGs, New question paper format, introduction of variety of segments such as MCQs, OSCE and OSPE etc. Upgradation of examination manual and Computerization of examination processes were done.

6.3.4 Research and Development

Annual budget of more than 15 crores has been earmarked for promotion of research activities. YU-IOB Centre for Systems Biology and Molecular Medicine, Regenerative Medicine and Stem Cells Research Division were the new centres inaugurated with state-of-the art facility. Incentive programme, seed grants, and reimbursement of publication charges schemes were revised and implemented. Research exchange programme was introduced and Industrial research collaborations were introduced. Facilitated inter disciplinary proposal from clinical side for funding, research awards were initiated, IPM Cell was upgraded and 26 patents were applied, AMHS journal was listed in indexing services such as DOAJ and Index Copernicus. Institute was recognized as SIRO by DSIR, Govt. of India. 33 students were admitted for Ph.D Programme in this year.

293 research papers with impact factor ranging from 0.366-12.124 were publishes. The H-Index of the publications was 1-248 and 07 patents have been filed in this year. To facilitate research collaborations 24 MoU have been signed in the year. 12 PhD students have been awarded this year.

- YRC houses several multidisciplinary divisions including biotechnology, molecular biology, nanoscience, biostatistics and bioinformatics. Two Advanced Research Centres were recently added – Stem Cell and Regenerative Medicine Centre and Center for Systems Biology and Molecular Medicine (CSBMM). Yenepoya (Deemed to be University) has been awarded “Biotechnology Skill Enhancement Programme” grant by the Government of Karnataka to conduct one year ‘Post-Graduate Diploma in Multiomics Technologies’.

A multiomics driven approach to assemble and annotate the Indian sandalwood (*Santalum album*) genome has been published in *Plant Physiology*, which stands testimony for our efforts in this domain of science

- **Yennovation** acts as an incubator which shall enlighten and mentor the students in conducting research of their interest and also in realising their research output. This will act as a centre where the ideas shall be generated and appropriate/novel topics will be pursued and research goals met. It will be a medium where the students shall be mentored by Mentors from respective clinical departments, pure basic researchers and PhD students/ scholar.

- **Yenepoya University Clinical Research Unit:**

This centre is proposed to oversee and conduct the clinical trials in the university. This will be a centralized unit where the trials that are sponsored or internal will be managed by providing the facilities for the smooth running of the clinical trials. The capabilities shall span across many disciplines and provide services, including data management, site management, project management and statistical design and analysis.

6.3.5 Library, ICT and physical infrastructure/instrumentation

Library:

- Campus was made completely Wi-Fi enabled in order to facilitate the online journal access 24x7 at department, hostels and cafeteria.
- Online feedback collection and analysis was introduced.
- Computers, printers, scanners and photocopying machines were installed in the library.
- Remote access to the online resources of library is facilitated to dedicated software.

6.3.6 Human Resource Management

- Saral TDS new software was installed for income tax payments.
- Payroll software was implemented for payroll and salary slips.
- Recruitment through video conferencing
- Interview letter through emails
- Revision of salary and incentives for all cadres
- Performance based promotion for faculty
- Collection of Self-Appraisal forms annually
- Biometric software for faculty and students
- Promotion for non-teaching staff based on seniority/suitability.

6.3.7 Faculty and Staff recruitment

- Recruitment through video conferencing
- Induction/ orientation programme and on-job training for staff and students from ProTrack Education Training Centre for professional and personality development was implemented.
- Confidential reports and annual appraisal reports were collected for faculty and staff regarding professional conduct.
- The selection and appointment of staff and faculty are carried out by the selection committee headed by the Vice Chancellor.
- 106 new faculties and 632 non-teaching staff appointed for this year.

6.3.8 Industry Interaction/Collaboration

- Trial of Zika vaccine in healthy volunteers is being conducted by the department of Medicine in collaboration with Bharat Biotech international Limited from Hyderabad.
- Projects in collaboration with Novartis Healthcare Private Limited, Sanofi Synthelabo (India) Private Limited etc. Are being finalized.
- University has signed 24 MoUs with universities and industries for teaching, research and extension activities.
- A joint patent (US, Australian, and Indian) with industrial partner, Oxford Gene Technology, Malaysia was applied for the Immunome array for detecting oral cancer biomarkers.
- University was applicant for BiSEP finishing school in Omics Technologies from the department of IT, BT and ST, Govt. of Karnataka.

6.3.9 Admission of Students

- Online counselling was introduced since a year. Most of the students have received scholarship and 20 students were provided free seats in Medical, Dental, Nursing and Physiotherapy colleges in this year.
- Fee fixation committee was notified this year with retired high court judge as the chairman.
- For all the courses under Faculty of Medicine and Faculty of Dentistry, the National Eligibility- Cum- Entrance Test (NEET) is adopted as qualifying- cum- Entrance Examination. The NEET-UG is conducted by the Central Board of Secondary Education for admission to MBBS/BDS courses, while the NEET-PG is conducted by the National Board of Examinations for MD-MS/MDS courses and NEET-SS is conducted by the National Board of Examinations for super speciality courses. The All India Rank list, prepared by the Central Board of Secondary Education and National Board of Examinations is transferred to the Directorate General of Health Services (DGHS) New Delhi, who have the responsibility to conduct online counselling and allot seats to Yenepoya University based on the merit list and reservation policies of Government of India.

6.4 Welfare schemes for

Teaching	34.64
Non teaching	50.55
Students	323.30

6.5 Total corpus fund generated

6.6 Whether annual financial audit has been done Yes No

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	MCI, DCI, INC, NABL, NABH (Granted Pre - Accreditation Entry Level) & UGC	No	-
Administrative	No	-	No	-

6.8 Does the University/Autonomous College declares results within 30 days?

For UG Programmes Yes No

For PG Programmes Yes No

6.9 What efforts are made by the University/Autonomous College for Examination Reforms?

- CC TV surveillance for theory and practical examinations.
- Biometric for Entry and Exit
- New additional facility has been created for central evaluation using On Screen Marking System
- Computerization of examination procedures, secured processing of tabulation of exam marks, result declaration and marks card printing
- Marks card with following security features was introduced:
Invisible logo, Microline, Scanned letter, Copy feature, Printed water mark logo, Penetrating number, scanned design on front and currency stripe of static fusion screen on back side.
- Degree certificates with following security features: Scanned design, Y.U. logo in water mark, micro letter cover border, Photo in colour, Hologram Hot Stamping, Embossing the seal of the University, Fusion screen lower part.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

- A separate dedicated office with HR interface was created in constituent colleges in order to facilitate autonomy in manpower recruitment in hospital, medical and dental colleges.
- A dedicated college wise alumni unit was formed.
- Complete autonomy in academics, research and other processes has been initiated.

6.11 Activities and support from the Alumni Association

- Yenepoya University in association with the Yenepoya University Alumni Association (YUAA) conducted a career guidance Programme “Yen to Aspire” on 4th January 2017 at Yenepoya University campus Deralakatte. Alumni Guest Speaker - Dr Padma Gadiyar, Dental Surgeon/Business Associate, Sarina Dental Care Queensland, Australia.
- The first reunion of Yenepoya University Alumni Association (YUAA) – Emirates Chapter was held at Rayhaan Rotana, Al Ghurair, Dubai on 10th February 2017. YU Alumni from the various Emirates of the UAE attended the programme. Chief Guests- Mr. Thumbay Moideen, Mr. Farhaad Yenepoya, Dr. Shripathi Rao and Dr. Sham S Bhatga nostalgic and insightful talks. Dr. Shahul Hameed and Dr Mohammed Saad Fairouz represented the YUAA from India. An executive committee was formed with Dr. Mohamed Salim- President, Dr Ibrahim Khaleel- Vice President, Dr. Mehnas KK – Secretary, Dr Sheharban- Joint Secretary and Dr Shamvil-Treasurer. The family session was concluded with entertainment programmes and games.
- EC Meeting Held at YUAA Office, Yenepoya University Campus Deralakatte Mangalore on 13th March 2017.
- The first reunion of Yenepoya University Alumni Association (YUAA) - KSA Chapter was held at Riyadh on 14th April 2017. YU Alumni from the cities of Makkah, Jeddah, Abha, Al Bisha, Al Ras, Buraidhah, Dammam, Al Khobar, Majmah and Al Kharj attended the programme. Chief Guests- Dr. Luqman and Dr. Shaik Abdul Rahim gave nostalgic and insightful talks. Dr. Shahul Hameed delivered the presidential address. Dr. Mahmood, Global Coordinator, YUAA-KSA, shared how YUAA is growing rapidly. An executive committee was formed. Dr. Luqman was elected as president, Dr. Shahul Hameed - vice-president, Dr. Dilshad - secretary, Dr. Bahija - joint secretary. The family session was concluded with entertainment programmes and games.
- EC Meeting Held at YUAA Office, Yenepoya University Campus Deralakatte Mangalore on 20th April 2017.
- Yenepoya University in association with the Yenepoya University Alumni Association (YUAA) conducted a career guidance Programme “Yen to Aspire” on 22nd May 2017 at Yenepoya University campus Deralakatte. Alumni Guest Speaker – Dr Mohammed Raees Tonse, Senior Research Fellow in Neuro Oncology, Department of Radiation Oncology, Tata Memorial Centre, Mumbai and Sumitha

Nazar Ahmed. BDS, MSD, Director of DDS Pre-Clinical Curriculum in Operative Dentistry, School of Dentistry, University of North Carolina at Chapel Hill and Dr. Shahnaz .S.

- The Annual Alumni Meet was organized by the Team YUAA on 23rd July 2017 on the eve of the 25th year Celebration of Dental College. Over 100 Alumni from various batches visited the Yenepoya University. Office bearers of the Duabi and Kingdom of Saudi Arabia chapters presented the report of the alumni meet that was held at Dubai and Kingdom of Saudi Arabia respectively.

6.12 Activities and support from the Parent – Teacher Association

- Distribution of Mentees College wise during the year 2017
- Orientation programme conducted to Mentors and Mentors Coordinators of constituent College of Yenepoya University
- Regularly organized meeting for undergraduate students
- The mentors, subject coordinators and the class coordinator discussed the performance and attendance status of the students with parents.
- The class coordinators obtained feedback from the parents regarding the programme curriculum discipline and the facilities etc.
- Feedback is collected regarding academic standard, disciplinary, quality of teaching, availability of teaching facilities and student support system. The suggestions are effectively addressed.
- Mentorship programme is all offered 1st and 2nd year students.
Detailed report attached as Annexure - 6

6.13 Development programmes for support staff

- Internal Compliance Committee of Yenepoya University under the aegis of sexual harassment of women at workplace (Prevention, Prohibition and Redressed) Act, 2013 organized various programmes for support staff.
- ALL@Y training programmes is conducted for students & staff by Protrack Education Pvt. Limited, Bangalore
- ALL@Y aims to facilitate generation of creative ideas and achieve a shared vision among the admin and non-teaching staff of Yenepoya University and hospital.

Objectives of the ALL@Y

- Coactive engagement of all constituents to evolve a shared long term vision
- To facilitate better understanding of the shared goals and culture among the core constituents

6.14 Initiatives taken by the institution to make the campus eco-friendly

- Ban of use of plastics inside the campus
- Ban of large vehicles inside the campus
- Use of solar panels for cooking and hot water
- Observation of days related to environment
- Observation of Vanamahotsava
- Guest lecture by the eminent environmentalists
- Student participation in environments activities through “Environ Club”
- Certificate Course on Environmental Science
- Planting of medically important trees
- Expansion of vermin composting to public (training and production)
- Additional sewage treatment
- Landscape gardening and water harvesting ponds were expanded
- Expansion of green cover
- Adopted a tree programme
- Swach Bharath Abhiyana

Criterion – VII

7. Innovations and Best Practices

7.1. Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Robotic Surgery - *Details are enclosed as Annexure – 7*

7.2. Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Plan of Action	Outcome
To introduce innovative methods of teaching-learning	At least 3 new teaching methodology and up gradation of E-learning is achieved
Evaluation and declaration of results	Results are declared within 20 days after the conduct of exams
Upgradation of Infrastructure	Upgradation achieved in the areas of patient care (New OPDs, OTs, Robotic Surgery, Research, Hostels, new centres for skills development etc.)
To Increase number of Conferences and scientific engagement on the campus and collaboration	Significantly increased in compare to previous year and this as provided opportunity for external collaborations.

Starting of new courses, skill oriented programme and value added Programme	New super speciality Programmes, introduction of Undergraduate and Postgraduate Programmes in allied subjects were started. Skill enhancement and new certificate Programmes in allied subjects were started. Proposal to start faculty of Homeopathy, Ayurveda, Medical Humanities, Social Science were approved. Approved for Post Graduate Diploma Course in Applied Islamic
Starting of new centres in emerging areas	<ul style="list-style-type: none"> • New centres namely ROBOTIC Surgery Centres, Digital MRD System are started • The 3 Tesla Magnetic resonances imaging was added in addition to the previously installed 0.4 Tesla MRI machine, The Cath Lab has been refurbished with the latest technologies available in the market
Chair in Islamic Studies and Research	The University has established the chair for Islamic Studies and Research with a sole objective to integrate and facilitate social, cultural and scientific dimensions of Islamic practices into the teaching and research programmes of University and establish scientific basis for the Islamic practice through research at all levels including cellular, molecular and genetics
To increase the research output	The quality and quantity research publication increased by 20%. 07 Patents, 01 book and 01 chapters in edited book, faculties presented 81 papers (oral/poster) in conferences/seminars etc.
Participation of faculties and students in extension activities in rural areas	754 camps and 1589 Programmes such as Door to Door Healthcare Delivery Programmes, Health awareness Talks, Blood Grouping and Blood Sugar Check Ups, Health Check Up at Orphanages, School Health Check Ups etc. were conducted in this year. Most of the faculties and students participated in these programmes.
Improving the feedback mechanism	The feedback on faculty, infrastructure, academic programme, patient services and overall rating increased significantly.
Silver Jubilee	The Silver jubilee of Yenepoya Dental College was celebrated on the 24 th of July 2017. The programme was a theme based event and was called “YENSTELLAR” a day among the stars. Interaction with the chancellor and the alumni’s began at 9:00 A.M, over high tea. The formal function began at 10:00 A.M with an invocation by Dr. Ahmed Shafi who is a first batch alumni. The Chief guest Dr. P. Mohammed Ali & The Guest of honour Dr. Anil

	D'cruz and the other dignitaries addressed the gathering. The Yenepoya University felicitated our Patrons, Pioneers and also bestows an honour to the senior teaching and non-teaching faculty. A total of 750 Alumni's of Yenepoya Dental College attend the silver jubilee celebration. A Family get together followed by a banquet dinner for the Alumni's was arranged in the evening at City Beach, Bolar, Mangalore.
Swachh Bharat Abhiyaan	National Service Scheme (NSS) of Yenepoya University organized National Integration camp from 01 st to 07 th May 2017. In this context 500 students for 19 states had participated in this Swach Bharat Abhiyan for 7 days at our University campus and nearby villages.
Cancer Awareness Outreach Programme/National Integration Camp	<i>Details are enclosed as Annexure – 8</i>
Introduction of a software to record and store case history in a mobile/wed based applications (soft copy) along with copies of all the supportive documents/photographs saved for instant future reference at finger tip apart from the usual manual recording of files. YENGRAM app was proposed for the same	<ul style="list-style-type: none"> • Easy monitoring of day to day cases on just one tap • Creating a consolidated group for the departments faculty to view each PG students work progress at finger tip • Quick and easy access or transfer of data from the files for research purpose • Provides an overview treated in a day
Contribution to National Development	<ul style="list-style-type: none"> • The Rural Healthcare and Development Centre have 29 sub- centres, 9 Dental Peripheral Centres, and a Physiotherapy Rehabilitation Centre. In order to make healthcare delivery affordable to rural communities, all healthcare delivery systems are made free of cost. Door- to- Door Healthcare Delivery Programme, Yen Healthcare on Wheels, Training on Family Doctor System, Yen Health Cards, etc. are the innovative programmes evolved by the University for Delivering Healthcare at the door steps of the community • The University has been a part of all the National Healthcare programmes and Insurance schemes. <ul style="list-style-type: none"> a. The University has developed a compressive “Danta Bhagya Yojane”, which was launched by the Chief Minister of Karnataka, Mr. Siddaramaiah under the chairmanship of Dr. Ganesh Shenoy Panchmal at Vidhana Soudha, Bengaluru, for the State of Karnataka. This has been now adopted as the state policy.

	<p>b. The University has developed a state-of-the-art research centre and facility, wherein many research projects of national importance are conducted.</p> <p>c. The University has established a separate centre for Health Professional Education, which has introduced several innovative curricular changes and enrichment and teaching-learning evaluation methods for all UG and PG programmes. OSCE, OSPE card system for viva, etc., have been introduced for the UG teaching programmes. Training on Hospital Information System and Learning have been made an integral part of the curriculum.</p>
--	---

7.3. Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

1. Advanced Comprehensive Clinical Training and Simulation Centre (ACTS-YEN)
2. Yenepoya Research Centre

Details are enclosed as Annexure - 9

7.4. Contribution to environmental awareness/protection

- **“National Energy Conservation Day”** was observed on 17th Dec. 2016. Prof. S. Shrihari, Professor at Department of Civil engineering, NITK, Suratkal delivered a lecture on ‘Energy conservation and resources’ on this occasion.
- Centre for Environmental Studies celebrated Vanamahotsava on 07.07.2017 by distributing fruit saplings of Pomegranate, jackfruit, guava, jamun fruit, Graviola fruit, mango, chikoo, pineapple, Gooseberry etc. to students and staff of the University. A total of 130 fruit saplings are distributed on that occasion.
- Certificate course on Environmental Science
- Ban of use of plastics inside the campus
- Use of solar panels for cooking and hot water
- Drugs and tobacco free campus

7.5. Whether environmental audit was conducted?

Yes

 √

No

 -

7.6. Any other relevant information the institution wishes to add. (for example SWOT Analysis)

SWOT Analysis:

- NAAC “A” grade institution
- NABL Accredited clinical lab
- Granted Pre - Accreditation Entry Level certification of Assessment of Yenepoya Medical College Hospital from NABH
- Establishment of Robotic Surgery unit
- The 3 Tesla Magnetic resonances imaging was added in addition to the previously installed 0.4 Tesla MRI machine
- The Cath Lab has been refurbished with the latest technologies available in the market
- PACS - Picture Archiving and Communication System - for storing, retrieving, presenting and sharing images produced by various medical hardware modalities, such as X-ray, CT scan, MRI and ultrasound machines.
- University has 29 rural and outreach sub centres and 09 dental rural centres, around 50,000 populations covered under this centres
- The Medical Records have been digitized and the data can be accessed using the Backbone software.
- Research in emerging areas related to health sciences.
- Establishment of state of the art simulation centre
- Several innovative schemes namely Yen arogya card, door to door health care delivery, Yen health care wheels, Training on family doctor system have been initiated
- Cancer awareness programme was launched in the year and dedicated onco surgery ward has been commissioned.
- State of the art facilities like imaging facilities student support system, semi automated kitchen, yendurance zone are available.
- Free fabricated international style hostel and transport for staff and students are available.

Weakness:

- Incomplete implementation of e-governance across all the departments.
- Feedback mechanism to be further strengthened and communicated to the concerned stakeholders in order to help to further improve the Professional competency of teachers.
- Organizing more workshops/training programmes for staff of the University.
- Setting up of innovative mechanism for performance evaluation of faculty and staff, continuous assessment and benchmarking of the academic and administrative processes.
- To make campus facilities more friendly for differently abled.

- Difference in the research outcome in terms of patents, publications in very high impact journals and research projects across the departments to be verified.
- Absence of Long Term Epidemiological data from the nearby Communities and sub-centers
- Implementation of curricular reforms and implementation of CBCS in all the departments due to limitations with statutory frame works.
- Non recognition of Centers and Departments by the Governmental agencies for funding or for receiving aid.

8. Plans of institution for next year

- Establishment of Comprehensive Cancer Centre
- Starting of super speciality courses namely MCh in Surgical oncology, DM in Neurology and DM in Nephrology
- Starting of new courses/faculty in the areas of Pharmacy, Ayurveda, Homeopathy, Medical Humanities, Social Sciences and Management
- Twinning programme in health sciences and other areas
- Starting of M.Sc course on Bioscience
- Establishment of Bio banking facility
- Establishment of Genomics division
- Establishment of molecular diagnostic division
- Recruitment of overseas students and faculty
- NABH accreditation of the hospital
- Establishment of incubators for entrepreneurship
- Implementation of online feedback collection and analysis from all the stakeholders
- Sign MoU with industries and institutes for teaching, research extension & placement
- Increase extramural funding
- Some of the new and innovative initiatives (*Detailed lists are enclosed as Annexure – 10*)

YENEPOYA UNIVERSITY
Calendar of Events
May 2016 to April 2017

MAY	
02.05.2016	Commencement of Classes for MD-MS/MDS Courses
02.05.2016	Commencement of the Certificate Courses in Biostatistics, YRC
03.05.2016	CNE Seminar –World Asthma day, Dept. of Medical Surgical Nursing, YNC
03.05.2016	"World Asthma Day", Dept. of Respiratory Medicine, YMC/H
05.05.2016	International Midwives day- Poster Competition/Quiz- Dept. of OBG Nursing, YNC
05.05.2016	Yenepoya University Research Committee Meeting, YRC
05.05.2016	Encircle (Ethics Club of Yenepoya University) Centre for Ethics
1 st week	Guest Lecture/Special Lecture/Frontier Lecture
1 st week	Library Orientation Programme for 1 st year MD-MS/MDS (2016-17)
1 st week	District level inter collegiate UG competition, Dept. of Physiology, YMC
16.05.2016	Last date submission of Synopsis to Ethic Committee MPT 2 nd Batch 2015-16
17.05.2016	Observation of World Hypertension Day, Depts. of Community Health Nursing in association with Medical Surgical Nursing, YNC
2 nd week	Purchase Committee Meeting
2 nd week	Students Mentorship Meeting
2 nd week	Commencement of the Certificate Courses in Molecular Techniques, YRC
19.05.2016	Vitiligo Day – Dept. of Dermatology, YMC/H
3 rd week	Ph.D Program - Call for applications, July 2016 batch
3 rd week	Workshop on Aerobics & Pilates, YPC
3 rd week	Vice Chancellor's Advisory Council Meeting
3 rd week	Guest Lecture/Special Lecture/Frontier Lecture
3 rd week	Commencement of the Short Term Course in Chromatographic Techniques, YRC
23.05.2016 to 27.05.2016	Contact Program 3 & 4 (PGDBEME)(2016 batch) Continuing Professional Development Programs: Intensive Summer Workshop on Ethics and Research (I-SWEAR) } Centre for Ethics
24.05.2016	World Schizophrenia Day Celebration - Dept. of Psychiatry, YMC/H
28.05.2016	CDE- Dept. of Prosthodontics, YDC
28.05.2016	Board of Post graduate Teaching & Research Meeting
31.05.2016	Last date for submission of Synopsis to University MPT 2 nd Batch 2015-16
31.05.2016	World No Tobacco Day – YMC,YDC, YNC,YMC/H
4 th week	Surgical Talk by External Faculty- Dept. of General Surgery, YMC/H
4 th week	JRF, PDF and Seed Grant Progress Review Meeting, YRC
May 2016	Qualitative Research & Regression Analysis/Survival Analysis – Dept. of Community Medicine, YMC
May 2016	Respiratory Medicine Update - Dept. of General Medicine, YMC/H
May 2016	Approach to Gross Pathology– Dept. of Pathology, YMC
May 2016	Intercollegiate Postgraduate Academic Programme – Dept. of Community Medicine, YMC
JUNE	

01.06.2016	Last date for receipt of application for admission to MPT & BPT 2016-17, YPC
01.06.2016	Commencement of the Short Term Course in Cell Culture Techniques, YRC
02.06.2016	Workshop on Research Methodology for first year PG students, YRC
02.06.2016	Encircle (Ethics Club of Yenepoya University) Centre for Ethics
05.06.2016	World Environment Day, Centre for Environment Studies
1 st week	Guest Lecture/Special Lecture/Frontier Lecture
1 st week	Second Module of PG Diploma Course in Forensic Anthropology, Dept. of Forensic Medicine, YMC
1 st week	Meetings of various Boards of Studies
09.06.2016	CME – Dept. of Anatomy, YMC
12.06.2016	World Day against Child Labour – Depts. Of Paediatric Nursing, YNC & MSW, YMC/H
2 nd week	YENMIND – 4, CME - Dept. of Psychiatry, YMC/H
2 nd week	Purchase Committee Meeting
2 nd week	Faculty Meetings – YMC, YDC, YNC, YPC
2 nd & 3 rd week	Extension Activities – Museum Visits by School Children, Dept. of Anatomy, YMC
14.06.2016	Mass Health Education on World Blood Donation Day, Depts. Of Medical Surgical Nursing, Community Health Nursing, YNC
15.06.2016	Entrance test for B.Sc, P.B.B.Sc. & M.Sc (N) course, YNC
15.06.2016	Entrance test for admission to MPT & BPT 2016-17, YPC
15.06.2016	Ph. D Program – Submission of Half Yearly Progress Reports for the March 2009, September 2009, March 2010, July 2012, January 2013, January 2014 and July 2014 batches
3 rd week	Vice Chancellor's Advisory Council Meeting
3 rd week	Guest Lecture/Special Lecture/Frontier Lecture
21.06.2016	World Yoga Day, Centre for Environment Studies
21.06.2016 & 22.06.2016	Sports Quota Selection
22.06.2016	CDE YENPEDO – Topic "Research/Funding"- Dept. of Pedodontics, YDC
21.06.2016 to 27.06.2016	World Continence Week – Dept. of Urology, YMC/H
28.06.2016	Observance of International Day Against Drug Abuse And Illicit Trafficking, Dept. of Psychiatric Nursing, YNC
30.06.2016	Dissection Competition- Dept. of Anatomy, YMC
4 th week	JRF, PDF and seed grant progress review meeting, YRC
June 2016	CDE- Dept. of Periodontics, YDC
June 2016	Joint case Conference planned with Psychiatry Department and other Medical Colleges
JULY	
01.07.2016	Doctors Day, YDC
01.07.2016	Commencement of Classes for MPT 2016-17 Batch, YPC
01.07.2016	Study Holidays for BPT (tentative)

01.07.2016	Hands on training programme on Flowcytometry, YRC
05.07.2016	Student Mentorship meeting at University, YPC
05.07.2016	Vanamahotsava, Centre for Environment Studies
07.07.2016	Encircle (Ethics Club of Yenepoya University) Centre for Ethics
1 st week	Guest Lecture/Special Lecture/Frontier Lecture
1 st week	Library Orientation Programme for 1 st year M.Sc. Nursing & MPT(2016-17)
11.07.2016	Observance of World Population Day – Health talk on family planning among postnatal mothers – Dept. of OBG Nursing, YNC
12.07.2016	Sports Committee Meeting
2 nd week	Commencement of Yenepoya University Examinations for: I year MPT / I year M.Sc (N), II year MPT & II year M.Sc (N) I,II,III, BDS, IV BDS (Part-I) (Regular & Additional Exam) I, II & Phase III (Part – I & Part –II) MBBS (Regular & Additional Exam) I,II, III & IV B Sc. (N) (Regular & Additional Exam) I,II,III & IV BPT (Regular & Additional Exam) I & II P.B.B.Sc. (N) Regular & Additional Exam) M.Sc. (Medical) Regular MSW II Semester & IV Semester, M.Ch. Urology, B.Sc. (Tech.) Allied Health Sciences
2 nd week	Academic Council Meeting
2 nd week	Purchase Committee Meeting
2 nd week	Finance Committee Meeting
2 nd week	Board of Management Meeting
2 nd week	CPR Programme – Dept, of Anaesthesiology, YMC/H
2 nd & 3 rd week	Extension Activities – Museum Visits by School Children, Dept. of Anatomy, YMC
15.07.2016	Commencement of classes for I BPT, (2016-17 batch),YPC
3 rd week	Vice Chancellor's Advisory Council Meeting
3 rd week	Guest Lecture/Special Lecture/Frontier Lecture
28.07.2016	Observation of World Hepatitis Day, Dept. of Medical Surgical Nursing, YNC
29.07.2016	ORS Day- Dept. of Paediatrics ,YMC/H
31.07.2016	Ph. D. Program – Last date for submission of application for July 2016 batch
4 th week	Vacation after the exam for B.Sc (N), P.B.B.Sc (N), M.Sc (N), YNC
July-August 2016	KISACON -16 – Dept. of Anaesthesiology, YMC/H
AUGUST	
01.08.2016	Commencement of Classes for MBBS/BDS Courses
01.08.2016	Oral Hygiene Day Celebration, YDC
01.08.2016	Pre-Ph. D. course work for the January 2016 Batch
01.08.2016 to 07.08.2016	"Nutrition & Breastfeeding Week" –Dept. of Community Medicine, YMC
01.08.2016 to 07.08.2016	Breast Feeding- Depts. Of Paediatric Nursing, OBG Nursing & Community Health Nursing, YNC

02.08.2016	Commencement of the Short Term Course on Grant Proposal Writing, YRC
04.08.2016	Encircle (Ethics Club of Yenepoya University) Centre for Ethics
1 st week	Commencement of Classes for MHA, MPH,MSW, M.Sc. Medical
1 st week	Commencement of Classes for B.Sc (N), P.B.B.Sc (N) & M.Sc (N), YNC
1 st week	Breast Feeding Week – Depts. of Paediatrics, YMC/H & Paediatrics Nursing, YNC
1 st week	Guest Lecture/Special Lecture/Frontier Lecture
13.08.2016	Ph. D Program – Entrance exam for July 2016 batch
15.08.2016	Independence Day Celebration
16.08.2016	Ph. D Program – Last date for submission of Half Yearly Progress Reports for the January 2011, July 2011, January 2012 batches
2 nd week	Purchase Committee Meeting
2 nd week	Ph. D Entrance
2 nd week	Yenepoya University Research Committee Meeting, YRC
2 nd week	IAP Quiz - Dept. of Paediatrics, YMC/H
2 nd week	Library Orientation for 1 st Year MBBS/BDS/B.Sc.(N) (2016-17) Students
2 nd week	YENDOCON- CDE- Advanced courses for the House Surgeons, Dept. of Conservative Dentistry, YDC
2 nd week	Guest Lecture/Special Lecture/Frontier Lecture
17.08.2016 to 23.08.2016	Inter Collegiate Indoor Games
18.08.2016 To 20.08.2016	Contact Program 3(1) – PGDCE (2016 batch), Centre for Ethics
19.08.2016 & 20.08.2016	Contact Program 5 (PGDBEME)(Batch 2016, Centre for Ethics
22.08.2016	Commencement of Classes for II,III & IV BPT, YPC
3 rd week	CME/Workshop – Mechanical Ventilation , Dept. of Respiratory Medicine, YMC/H
3 rd week	Progress review for the March 2009, July 2011, January 2012, July 2012, January 2013, July 2013, January 2014 batches.
3 rd week	Vice Chancellor’s Advisory Council Meeting
3 rd week	Library Orientation Programme for 1 st year Post Basic B.Sc. & GNM, Nursing (2016-17) Students
3 rd week	Guest Lecture/Special Lecture/Frontier Lecture
24.08.2016	Workshop on Deep Sedation, Dept. of Pedodontics, YDC
25.08.2016	Eye Donation Fortnight, Dept. of Medical Surgical Nursing, YNC
25.08.2016 to 08.09.2016	Eye Donation Awareness fortnight – Dept. of Ophthalmology, YMC/H
29.08.2016	Ph.D. Program – Results of the Entrance Exam July 2016 batch
31.08.2016	Workshop –Brain Sectioning and Staining, Dept. of Anatomy, YMC
4 th week	Ph. D Program: Pre-Ph. D Examination –July 2015 batch (paper I, II and III)

4 th week	Library Committee Meeting
August 2016	CME – Dept. of OBG, YMC/H
August 2016	Vacation for BPT after the last day of practical exam till 21 st August 2016, YPC
August 2016	Field Epidemiology, Dept. of Community Medicine, YMC
August 2016	CME – Dept. of General Surgery, YMC/H
August 2016	CDE- Dept. of Oral Medicine & Radiology, YDC
SEPTEMBER	
01.09.2016	Commencement of the M.Sc. Course in Computational Biology (First Semester), YRC
01.09.2016	Encircle (Ethics Club of Yenepoya University) Centre for Ethics
01.09.2016 To 07.09.2016	Nutritional Week- Dept. of Community Medicine, YMC
05.09.2016	Teacher's Day Celebration- Dept. of OBG, YMC/H
05.09.2016 to 08.09.2016	Workshop on Integrated Manual Therapy, YPC
1 st week	Guest Lecture/Special Lecture/Frontier Lecture
1 st week	Observation of Nutrition Week –Depts. Of Paediatric Nursing & Community Health Nursing, YNC
08.09.2016	World Physiotherapy Day, YPC
10.09.2016	Intercollegiate Quiz – Dept of Ophthalmology, YMC/H a) Under Graduate Ophthalmology Quiz b) Intercollegiate Post Graduate Ophthalmology Quiz
10.09.2016	"World Suicide Prevention Day Celebration" Depts. Of Psychiatry, YMC/H & Psychiatric Nursing, YNC
10.09.2016 to 15.09.2016	Prostatitis Awareness Week, Dept. of Urology, YMC/H
11.09.2016	CME – Dept. of Ophthalmology, YMC/H
12.09.2016	"Restorative Conclave" CDE Programme , Dept. of Conservative Dentistry, YDC
14.09.2016 to 20.09.2016	"World Prostate Cancer Awareness Week" Dept. of Urology, YMC/H
2 nd week	Commencement of the Short term Course on Grant Proposal Writing, YRC
2 nd week	Commencement of Yenepoya University Examinations for: IV BDS (Part – II) (Regular & Additional Exam)
2 nd week	Planning and Monitoring Board Meeting
2 nd week	Purchase Committee Meeting
2 nd week	Progress Review for the September 2009, March 2010 & January 2011, July 2014 & January 2015 batches.
2 nd week	Guest Lecture/Special Lecture/Frontier Lecture
2 nd week	CME - Dept. of Dermatology, YMC/H

16.09.2016 & 17.09.2016	2 days Workshop on " 3D Imaging" Speaker Dr. Thomas Mall from Netherlands, Dept. of Orthodontics, YDC
17.09.2016	World Nutrition Week- Dept. of Paediatric Nursing, YNC
19.09.2016 to 28.09.2016	9 th B.S.A Kumar Basketball Tournament (M&W) 3 rd Yen Cup Volleyball Men and Women
20.09.2016	Workshop on Research Methodology, Dept. of Pedodontics, YDC
21.09.2016	World Alzheimer's Day - Depts. Of Medical Surgical Nursing, Psychiatric Nursing & Community Health Nursing, YNC and Psychiatry, YMC/H
3 rd week	Ph. D Program- Interview for the eligible candidates- July 2016 batch. Contact Program for the provisionally selected candidates in the interview
3 rd week	Ph. D. Program – Pre-Ph. D Exam (Paper IV): Presentation of Synopsis July 2015 Batch
3 rd week	Workshop/Hands on training programme, YRC
3 rd week	Vice Chancellor's Advisory Council Meeting
3 rd week	Guest Lecture/Special Lecture/Frontier Lecture
3 rd week	CME – Dept. of Microbiology, YMC
3 rd week	CME- "Bone Tumour"- Dept. of Orthopaedics, YMC/H
22.09.2016 to 28.09.2016	BPH Awareness Week, Dept. of Urology, YMC/H
29.09.2016	World Heart Day- Depts. Of Community Medicine, YMC & Medical Surgical Nursing, YNC
4 th week	Commencement for PG Diploma course in Statistics and Analytics, YRC
September 2016	6th Annual Convocation
September 2016	CME- YEN – RADCON -2016, Dept. of Radiology and Medical Imaging, YMC/H
September 2016	Joint case Conference planned with Psychiatry Department and other Medical Colleges
September 2016	CME/Workshop, Lectures and Slide Seminars – Dept. of Pathology, YMC
OCTOBER	
01.10.2016	"World Urticaria Day"- Dept. of Dermatology, YMC/H
01.10.2016	Observation of World Elderly Day – Dept. of Community Health Nursing, YNC
05.10.2016	Student Mentorship meeting at University, YPC
06.10.2016	Encircle (Ethics Club of Yenepoya University) Centre for Ethics

9. Suggestions to improve the curriculum in the course

Question: Suggestions to improve the curriculum in the course

Question Type: Essay

Users Answered: 84

Users Skipped: 0

Given Answers:

- Frequent assignments on different concepts for better understanding must be given
- .
- 2 way teaching is better than just reading powerpoint
- cancer could have been taught in more depth. studying from vasudevan and satyanarayana didnt give enough concepts in cancer. Rest was really good
- nothing much
- Additional information can be provided in class
- Excellent
- PPT is required for every lesson.
- the teaching was really good.
- more tests
- relevant and more information about clinics
- pls provide more importance on clinics
- nothing
- good
- extra information related to pg in regular classes
- very good
- Try making the topics more interesting.
- can make more interactive sessions for students
- more research assignments.
- all good
- maintain same pace
- AVOID ERIC LOBO
- more practical required
- should contain more practical applications
- .
- give more tips
- they should be given with some clinical cases after every chapters so that students can know how to apply their knowledge and can make them more interested in studies.
- More practical applications
- make it more interesting
- the curriculum is good . need more tests to evaluate
- Can upload daily ppt on portions finished.
- give the micro-plan earlier to students before college starts
- Can cover some topics a little more deeply.
- More of clinical exposure to analyse patients and understand the applications of various topics.
- make the subject more interesting.
- conduct test papers often
- relate topics to practical situations
- nil
- more of things required for a clinician should be included rather than sticking to pure chemistry
- everything was good
- very good
- .

Yengage Online

- more discussions
- no
- less forum questions
- a little more of group activities are required otherwise it was a great experience
- more on interaction with students
- Make it more interactive
- no suggestions
- -
- nothing
- more video demonstrations would be nice
- No Suggestions.
- can improve more
- more exams
- please teach from practical point of view
- nice experience in biochemistry department
- Nothing much., The curriculum is pretty good.
- Teachers has to maintain a good rapo with students
- Everything was well . i dont have anything to tell on improvement.
- work more on conceptual feeding to students
- keep doing the same
- no
- Nothing much
- Nothing
- field trps
- very good
- no suggestion
- good
- more of explanation
- good
- good
- add more test on each chapter
- classes must be taken inn an intresting way so that the students gets intrest
- should orient more on the clinical aspects
- give more interesting ways to teach the subject.
- all good
- allow the students who are late to class
- very good
- More emphasis must be given to clinical biochemistry.
- give simpler notes and simpler text
- practical demonstrations can be improved
- no comments
- -

9. suggestions to improve the curriculum in the course

Question: Suggestions to improve the curriculum in the course

Question Type: Essay

Users Answered: 114

Users Skipped: 0

Given Answers:

- providethemethodforpreparingforexams
- make little interactive practical demonstrations
- the classas should be made interactive
- applies exercise should be added more that can help more and we will be able to correlate
- more revision required
- Try to include more applied exersises and thus corelate it to the clinical practice
- Nothng
- Better clinical approach towards each chapter
- nothing
- please provide us important questions
- More Practical Demonstration
- It would be a great to read microbiology ,only when we can understand the clinical side of the subject. it should be added with more clinical scenarios than the text book teaching.
- More clinical focused problem solving.
- It would be much better if its more clinically co- related
- conduct student seminar, quize..
- more group activities
- please correlate more clinical problems with the topics so that we will get an better idea about the disease
- Revision
- the discussion of clinical problems would be more beneficial
- it was not taught to us how to study the subject in the beginning. and what all are important by the time we understood how to study the subject it was the end of fourth term so please brief on how to study the subjetc in the beginning
- just wanted to know what is important and which one is not from the side of clinics and exam point of view ..
- exam point of view slides should be kept or discusses exam point's and how to writer or present in exams
- clinical based teaching
- A good interaction with students
- generating interest by inspiration and showing how it is related clinical side.
- It is going great. No suggestions.
-
- Teach same topics in practicals as in theory class. And general microbiology should be taught with the practicals, it'll be easier as we can see what we are studying.
- wish there was more practical classes where they would show the microscopy andd demonstrate better .
- the course as it is good .i like the teachers and their way of teaching
- clinical case based teaching should be included. MCQs should be included in teaching.
- it will be more good if basic is added to the contents
- revision classes needed
- MCQ discussion required.
- more of clinical based classes
- Nothing
- -should have an interactive class
- -teachers should be patient enough to understand a student feeling.
- nil
- ITS THE BEST ! KEEP GOING AS THE WAY YOU ARE :) ALL THE BEST
- none
- By making the teaching more interactive.
- It's good
- Nothing .
- Could have shorter classes for about 40 minutes instead of 60 minutes and in the remaining time there could be an interactive session
- nothing
- good department

Yengage Online

- innovative teaching
- No comments.
- Power point presentation pictures of the clinical symptoms associated with the microbes!
- nothing
- no suggestions
- revision classes are required
- More student interactive activities/
- no improvements to be made. good department.
- none
- everything is satisfactory.
- some more applicable things in clinics
- -
- nil
- add number of testes
- all good
- Subject is good as well as students
- More theory classes in practical for more individual attention.
- give more imporatnce to clinical features than life cycle of parasites
- overall its good
- Dedicated teachers but could be friendly to students .
- conduct test papers
- using of board
- Some shortcuts to remember the details, especially bacteriology, will be helpful
- No suggestions
- individual attention to be given, make sure the students get enough knowledge on the base of the subject.
- Need to give important questions
- Remebering the whole stuff after studying is slightly difficult.
- make the subject more intersting as we know ,microbiology is a kind of dry subject.And make it more practical
- everything is satisfactory

- ..teaching is clear....General microbiology is tough..please make it easy..
- More of student activities to brought up, like in terms of seminars.
it would have been better if the usual chalk and board teaching could be done and powerpoint used to put up pictures, flowcharts, diagrams etc.
- Thing is students are not completly using the lecture,praticals or seminar to make it beneficially . So make them to prepare for using the class and praticals etc. for beneficially.
- Industrial and lab visits should be included
- More Revision on particular unit (bacteriology, virology, parasitology)
Conduction of serious test
Providing mutple choice question, that would be helpul in NEET entrance examination.
Not >1 topic in one class
- Little interactive
- Little interactive
- More study materials
- ..
- ..
- Nil
- Nothing more suggestions..
- No suggestions.
- Nothing its very Good
- More interactive
- No suggestions
- Already amazing
- Revision class is required after completing one topic
- .
- If the teachers could make groups of students n ask them to present on an important topic....where everybody has a role in it.....I think students will learn better
- No particular suggestions
- Very good and friendly faculty members
- The micro department is good
- Better practical education
- More interactive classes like the ones conducted in practicals. More clinical applications and practical hands on training.
- More notes since vast information is given in the text books and it's hard to understand it
- .

Yengage Online

- Include more real life examples..
- Good
- Please give important questions.
- More clinical problems would be helpful.
- explanation is more important than asking questions to students who are unable to answer
- Need revision for general microbiology
- more experiments
- everything is ok

- Satisfactory
- ADD SOMETHING IN EACH CLASS WHICH WE CAN APPLY IN CLINICAL MEDICINE.
- More clinical scenarios to be discussed, on each topic atleast 2 or 3 cases during theory classes additional to the practical case charts so we might get accustomed to it, also we'll be more interested in listening to classes by paying increased attention to the details of individual interest.
- More interactive classes utilising facilities provided by the simulation lab.
Conducting student seminars during the tutorial classes.
- Nil

Extension Activities and Institutional Social Responsibility (ISR)

Extension of curriculum from institutional level to community:

As per the regulations laid down by various national regulatory bodies, extension of part of curriculum to the community is an essential requirement. At YU sensitization on Institutional social responsibility is done through class room teaching as well as providing direct exposure to the community. Accordingly for MBBS, community medicine is one of the subjects. Similarly community dentistry and community health nursing components are prescribed in the curriculum. The constituent colleges of YU have made elaborate arrangements by way of infrastructure, faculty, support staff, learning resources etc. to enable these departments to carry out curricular activities to sensitize the students to community environment. During exposure to the community both students and faculty members are involved in health care delivery, health education, health check up camps and house to house visits. These activities not only give them the rationale for institutional social responsibility but also reinforcement of social welfare values and concepts.

Details of social outreach programmes undertaken by the university:

Centre for Rural Health Care and Development: YU is a minority institute and is located in panchayath area. It has the commitment to take medical education and health care delivery to the less privileged classes of the community. To satisfy this objective, University has started a dedicated Centre for Rural Health care and Development in addition to routine community departments of the constituent colleges. The centre is playing a pivotal role in sensitizing its faculty and students to the social responsibilities envisaged through certain unique programmes as detailed below.

- **Door to Door Health Care delivery Programme:**

University has established 29 Sub centers and 09 Dental rural centres in the rural and outreach areas in and around the campus (details enclosed as **Appendix-1**). The 29 sub centres cover the entire population of the 10 Panchayaths and the centres concentrate on primary health care for those who require investigations and treatment beyond the primary care referred to the YMCH. While implementing this programme, it was noticed that many of the villagers were illiterate and under-privileged and did not understand the necessity of utilizing the services available for their health needs. They approach these centres only when they fall ill. To tide over this problem, the RHCD came out with a programme of Door to Door health care delivery where doctors, medical students and para-medicals form different groups make house to house visits, identify the public health problems faced by them and help them to solve these problems. This programme of health care delivery has been widely appreciated. The last two year details are enclosed as **Appendix 1 (A)**.

Name of the Programme	No of Beneficiaries under the RHCD		
	2016	2017	Total
Door – Door Health Care Delivery	9,059	8,972	18,031

- **Yen Health Care on Wheels:**

In spite of establishing 29 sub centres, we could identify some outreach areas where centres could not be established. For these areas of the University conceived the idea of health care on wheels and titled it as ‘Yen Health Care on wheels’. Ambulances and dedicated vehicles which are specifically designed, furnished and equipped to function as mobile medical and

dental outpatient departments where groups of medical/dental personals constituting of doctors, students, nurses and paramedics are posted on these mobile clinics, which visit these outreach areas and conduct clinics regularly. The last two year details are enclosed as **Appendix 1(B)**.

Name of the Programme	No. of Beneficiaries under the RHCD		
	2016	2017	Total
Yen Health Care on Wheels	1,824	2,143	3,967

- **Training on Family Doctor System:**

In the context of globalization where health care delivery is highly complex and expensive YU considered introduction of family doctor system as a most effective method through which the country can ensure all the families are covered under the health care delivery system. Accordingly the University took a strategic decision to train its students on family doctor system. The Centre for Rural Health Care Development in collaboration with Community Medicine and Public Health Dentistry has designed a programme where clusters of families in the outreach areas are assigned to group of students who will look after the health care requirements of these families thereby creating a mindset conducive to become family doctors of tomorrow.

- **Yen Health Cards:**

The patients referred by the personnel engaged in the family doctor systems and the patients referred through the aforesaid projects for advanced investigations and treatments are all provided with the Yen Health and Arogya cards which will enable them to avail these facilities either free or at heavily subscribed rates. The details are enclosed as **Appendix 1(C)**.

Name of the Programme	No. of Beneficiaries		
	2016	2017	Total
Yen Health Card	607	410	1,017
Yen Arogya Card	24	100	124

- **Routine activities:**

The routine activities conducted include Health screening camps, detection Camps, Immunization Camps, Treatment Camps, Blood donation camps etc. In last two years several such programmes have been organized by the departments of Community Medicine, The Centre for Rural Health Care and Development and Department of Medical Social Work.

Health Awareness Talks:

Health awareness programmes are conducted at community level regarding various communicable diseases and methods of prevention regarding water and food borne disease like gastroenteritis, infective hepatitis, mosquito borne diseases like Dengue, Chickengunia, Malaria, Filariasis etc. Emphasis is given with regard to the relationship between personal hygiene, environmental hygiene etc, with the maintenance of health.

School health education programme to ensure that school children, parents and teachers are aware of good practice in maintaining the physical and mental health of children in a proper way.

Name of the Programme	No. of Beneficiaries		
	2016	2017	Total
Health Awareness talks	4,848	6,218	11,066

School & College Health checkups:

School health check-up programmes are being done in different schools in order to prevent malnutrition, underweight, anemia etc. if any.

Name of the Programme	No. of Beneficiaries under the RHCD		
	2016	2017	Total
School & College health check ups	1,069	3,641	4,710

Blood grouping & Blood sugar checkup camps:

Blood grouping and blood check up camps are being done in different schools and colleges and in the sub centres.

Name of the Programme	No. of Beneficiaries		
	2016	2017	Total
Blood check ups	4,811	13,341	18,152

Major Camps:

Outreach activities like special medical camps in association with local organization, self help groups etc. are being done in all the sub centres.

Name of the Programme	No. of Beneficiaries		
	2016	2017	Total
Major camps	1,133	4,445	5,578

Immunization Programme:

Pulse Polio immunization given for under 5 year children during pulse polio immunization day.

Name of the Programme	No. of Beneficiaries under RHCD		
	2016	2017	Total
Immunization	295	202	497

The aforesaid activities have created remarkable impact on the social output of students and they themselves take the initiatives to constitute and organize their own program called **Ashraya**. Ashraya mobilizes funds through various activities (e.g., Art for Charity) and helping hand is extended to the suffering patients from the less privileged sections of the society.

Role of the university in promotion of neighborhood network and student engagement:

The University has also entered into MoU's with non- governmental organizations to provide services for specifically mentally and physically disadvantaged groups like mentally retarded children, psychiatric patients, physically challenged, orphans and destitute.

All the above said activities apart from ensuring health care delivery sensitizes the faculty and students to unique health problems faced by the village communities in the neighborhood and contributes to the holistic development of the students and thereby creating a new generation with a right attitude towards the rest privileged in the neighborhood.

University through its various organs described has already pledged its commitments towards implementation of all the national health programmes and contribute to reach at the Millennium Development goals related to health care delivery.

The Department of Medical Social Work in collaboration with the Department of Ophthalmology plays a major role in the implementation of National Programme on eradication of blindness in association with non-governmental service organization like Lions club international, Rotary club etc.

Regular monthly camps organized by the Medical Social Work Department are used to train the interns in the curative health services to the poorer and disadvantaged section of the society.

Regular camps on blindness detection, diabetes, cancer detection etc. are conducted by the University for building a healthy society by giving easy access to the modern healthcare.

Dental trauma awareness programme conducted in schools around Mangalore where a large number of locals along with students have benefitted (Auto rickshaw driver, bus drivers, social workers, physical trainers, play home staff etc.)

Blood check up camps for detection of Anemia, Diabetes, Malaria and Filariasis with facilities for routine blood investigation and blood grouping; School health check up programme for early detection of diseases and timely treatment and prevention of diseases through well planned immunization programme are contributing to build and strengthen interface between the University and the neighborhood community.

Students and faculty in extension activities:

NSS was established by the University in 2010 and at present has 5 Units distributed among the four constituent colleges. Every unit organizes its activities under the established norms of NSS namely, regular activities and special camps. Under the regular activities in collaboration with the Centre for Rural Health Care and Development, NSS has organized several medical camps and awareness programmes and adopted villages for comprehensive health care delivery. As part of these activities NSS has focused on the less privileged sections of the society like physically challenged, mentally retarded and those with visual and hearing impairments etc. Mechanical Aids and wheel chairs were procured and distributed to these unfortunate ones. Special camps were also arranged to sensitize the students to mental and physical problems faced by the people living in tribal areas high range. Camps for National Integration are conducted in campus and in selected localities around the campus. NSS volunteers are actively involved in the activities of the **Centre for Environmental Studies** in the green auditing of Flora and Fauna of the University Campus and help in keeping the green campus and clean doing full justice to the concept of **Swachh Bharath**. As part of this exercise, NSS had erected sign boards displaying the relevance of prevention of substance and maintenance of personal and environmental cleanliness in and around the society.

University has created dedicated Centre for the Prevention of Substance abuse apart from declaring the campus substance free. NSS and Youth Red Cross organized several programs on the deleterious effects alcohol, tobacco, ganja and drugs. The Centre also conducts awareness programmes in the neighboring educational institutions and voluntary organizations for students, teachers and members.

Under **Youth Red Cross**, University has a red ribbon club that has created a list of student blood donors with their blood groups. The red ribbon club provides donors at the time of necessity in a systematic way.

Smile Train Programme:

University in collaboration with Smile Train, USA and Germany has established a dedicated **Centre for the Craniofacial Anomalies**. These anomalies which include cleft lip and palate and spectrum of complex craniofacial anomalies are always been a treatment challenge where various specialists namely, Oral and Maxillofacial Surgeons, Plastic Surgeons, Neurosurgeons, ENT Surgeons, Ophthalmologists, were to be coordinated depending on the nature of Anomaly. This could be solved to a great extent through the emergence of a dedicated specialty namely craniofacial surgery. YU has been fortunate enough to have well qualified and competent team of specialists in these complex interdisciplinary areas for thousands of unfortunate patients at a totally free of cost with the help of Smile Train. The detail about the beneficiaries programme is given in **Appendix- 1 (D)**.

The Centre has already come out with a post- doctoral programme in this interdisciplinary area for surgeons from different specialties like oral and maxillofacial surgery, plastic surgery, ENT etc. to specialize in the surgery of acquired and congenital craniofacial anomalies. ICMR has recognized this centre as one of the National Centres for treating Craniofacial Anomalies.

Institution also actively participates in the programmes of national importance namely pulse polio programme, breast feeding programme, vector borne disease control programme, HIV/AIDS programme, blindness control programme, nutrition programmes etc.

Institution also observes all the important days and weeks outlined by WHO, Union of India, Govt. of Karnataka.

Yenepoya Institutions under YU have collaboration with various government departments for specific purposes which include:

- YMCH and Hospital collaborate with the District Health and Family Welfare Department in organizing health care education and also in epidemic control in the designated taluks of D.K. District depending on need.
- YMCH extends services to the public through ICTC (Integrated Counseling & Testing Centre) for voluntary blood testing for detection of HIV which is established by Karnataka State Aids Prevention Society.
- DOTS Centre under RNTCP of Government of India is also function at YMCH which provides free testing and dispensing of drugs for treatment of Tuberculosis.
- With a vision to make cataract free zone YMCH with financial grant from District Blindness Control Society is undertaking cataract screening and surgery camps in the 12 PHCs in Mangalore and Bantwal Taluks allotted by the DBCS of Dakshina Kannada.

- To further women and child health YMCH has joined hands with Nirmala Charitable Hospital Ullal by posting specialists and PGs in OBG and Paediatrics disciplines on regular basis.
- YMCH collaborate with the District Child Welfare Committee of Dakshina Kannada (CWC) in conducting health check up programme at fixed intervals in the six Orphanages affiliated CWC in Mangalore Taluk.
- YMCH collaborate with the District Health and Family Welfare Department in organizing monthly health check up clinics in Community Health Centre Moodbidri for the families affected from Endosulphan spray.
- YMC collaborates with the District Health and Family Welfare Department of Dakshina Kannada for conducting MBBS rural posting in Kotekar and Kurnad PHCs.
- YMCH collaborate with the District Health and Family Welfare Department in compulsory immunization, pulse polio, family planning and control of communicable diseases.

Details of social surveys, research or extension work undertaken by the institution to ensure social justice and empower the underprivileged and the most vulnerable sections of society:

Most of the departments under the university conduct survey (social) based research as part of community engagement and extension of medical education from the hospital environment to the community environment.

Community Medicine Department has initiated above twenty research projects related to epidemiological aspects of various diseases. Various departments in the Nursing College have taken up Survey based research projects as shown below.

Sl. No.	Name of the Department	No. of the UG Projects	No. of the PG Projects
1.	Paediatric Nursing	11	-
2.	Medical Surgical Nursing	06	12
3.	OBG Nursing	09	07
4.	Mental Health Nursing	08	-
5.	Community Health Nursing	09	04
	Total	43	23

Further details are enclosed as Appendix 1 (E)

RHCD Centre has taken up several projects that include two survey based research projects. Details of unique and the routine projects taken up by the centre are enclosed as **Appendix 1 (F)**.

There are two ongoing researches on emerging challenge on non communicable disease such as diabetes and hypertension.

They are-

Project title	Population	
	Healthy	Diabetic
HbA1c level in diabetic and healthy population	215	87
		Hypertensive
Triglyceride level in hypertensive and healthy population	212	100

Medical Social Work department in the hospital is actively involved in extension activities like conducting awareness programmes, medical camps, screening camps, immunization

camps, treatment camps, blood donation camps etc. Details of the activities carried out by the Dept. MSW are enclosed as **Appendix 1 (G)**.

The outreach programmes namely Door to Door Health Care Delivery, Health Care on Wheels, Training on Family doctor System, Yen Health Card Programmes etc. implemented through the Centre for Rural Health Care and Development are also contributing to social justice and empowerment of the underprivileged.

Community Medicine Dept. also conducts awareness programs, screening camps, immunization camps, treatment camps etc. apart from rehabilitation initiatives and research activities mentioned above. For these activities in the rural areas the department has dedicated rural centres and an urban health centre specifically for the sake of the less privileged poor in the society. Details of the camps/activities carried out by the Department of Community Medicine are enclosed as **Appendix 1 (H)**.

Public Health Dentistry also has 7 peripheral centres to coordinate their extension activities in the rural and outreach areas. This centre also demonstrates its responsibility of bringing up the new generation with appropriate oral health through camps conducted in the nursery and primary level schools. The Department of Pedodontics also joins with Department of Public Health Dentistry in carrying out these activities directed towards maintaining the oral health among school going children. Departments of Public Health Dentistry and Paedodontics have conducted 715 school screening camps and other oral health care programmes. Details of such programmes are enclosed as **Appendix 1 (I)**.

Community Health Nursing: Community and family based Nursing Care is a new area being introduced in the nursing. Accordingly, they also join the University's endeavour to take health care profession and health care delivery to the community at a family level. 32 awareness camps, rehabilitation camps, road shows, runs etc. were conducted at this end. Details are furnished in **Appendix 1 (J)**.

To help the physically challenged people, University has come out with different programmes through NSS and NGOs like Smile Train. While NSS mainly concentrates on locomotors hearing and visual disabilities, Department of Craniofacial Surgery in collaboration with Smile Train takes care of craniofacial anomalies. 102 complex craniofacial anomalies are corrected surgically as a collaborative endeavour during the last two years totally free of cost. The centre has started two postdoctoral programmes to bring up a new speciality as a separate entity so that the different process of coordinating different specialists for the surgical treatment or a single surgical intervention can avoid further complexities in the future. This centre has conducted several community based programs to create awareness regarding the availability of free treatment for those unfortunate children with such deformities and should be appraised about the necessity of resort into the treatment at the right time.

Mechanism for tracking the students' involvement in various social movements/ activities that promotes citizenship roles:

Student involvement in various community and educational based service activities is closely monitored by the faculty. University has a system of conveying departmental meetings where the curriculum is critically reviewed and the student participation in community based activities is discussed in detail. Participation in activities that promote citizenship roles

among students is part of the curriculum and attendance is mandatory. To monitor the student involvement in community based activities organized by the Centre for Rural Health care and Development, MSW Dept., NSS and Youth Red Cross a very effective mentorship programme is in place where the students are divided into small groups and it is the responsibility of the mentor faculty to ensure adequate participation of the students in all social movements and activities that promote citizenship roles. In general we found an overwhelming participation of students in implementing a spectrum of projects being implemented either as part of curriculum or as a part of beyond the curriculum projects.

To enable the students to play citizenship roles, the University observes several national and international days like World environmental day, No tobacco day, World health days etc. In connection with these days, street plays, skit, walkathon, marathon, quiz, debate etc. are conducted and add-on courses are offered to mould each student through personality development, including sessions on behavioral and social skill, so as to enable him/her to play his/her roles as a good citizen of this country.

The University has a dedicated Centre for Environmental Studies to sensitize the students to the emerging threats to the environment and to prevent them. Add on course is offered in this regard as prescribed by the UGC.

Involvement of the community in its outreach activities and contribution to community development by the University:

Wide spectrum of community based activities have been initiated to take healthcare education and health care delivery to the rural and outreach areas and thereby contribute to community development.

Centre for RHCD, Dept. of MSW, NSS, Youth Red Cross play a major role to ensure the involvement of the community in these outreach activities. The starting of 26 sub-centres in out reach areas, starting of 6 dental peripheral centres, initiation of house to house health care delivery programme, initiation of health care on wheels programme, initiation of the training programme in family doctor system etc. stands eloquent testimony to the endeavors made by the University to ensure the involvement of the community in the outreach areas. The following activities are being carried out on a regular basis in the vicinity of the institution, surrounding areas of Dakshina Kannada and also neighbouring districts such as Hassan, Chickmagalur, Shivamogga, Davanagere, Chitradurga and Kasargod districts by the respective departments/ Institutions.

1. Community Medicine
2. Public Health Dentistry
3. Community Health Nursing of YNC
4. Physiotherapy
5. Rural Health Care and Development Project (RHCDP)
6. Medical Social Work
7. Ophthalmology
8. NSS

1. Community Medicine:

The following activities are conducted:

- Razia Rural Health Care and Training Centre at Harekala is functioning under the supervision of department of Community Medicine of YMCH. This hospital is catering to the health needs of about 50,000 populations. Inpatient and outpatient facility, dental and physiotherapy services are made available to the public through this hospital. 750 families are covered under 100% free treatment facility at YMC Hospital in collaboration with Hydrose Haji Charitable Trust Harekala. Weekly clinics, health education, implementation of national programmes like pulse polio, malaria control, TB control, sanitation in selected clusters are conducted through this hospital.
- YMC has taken up an innovative programme of village adoption for total health care. Accordingly Kotepura ward of Ullal Municipality has been adopted where a sub centre under RHCD provides free health check up facility for the community. Health education, immunization and school counseling services are also conducted. Dept. of Community Medicine supervises and monitors this programme by deputing its faculty, MBBS students and CRIs.
- Regular health check up in the two orphanages affiliated to Child Welfare Committee (CWC) of Dakshina Kannada.
- Urban Health Centre at Bunder Mangalore catering to the health needs of Bunder, Kudroli, and Bengare population through outpatient services, health camps, health education and implementation of national programmes.
- Rural postings of 4th, 6th, and 7th term MBBS students through Family Care Programme.
- Postings of PGs to conduct weekly clinics at Balepuni Satellite Centre.

Public Health Dentistry:

Dept. Public health dentistry of YDC which is the key link between the college and the community has been undertaking number of dental health care programmes since the establishment of the YDC. Key programmes are

- Dental check up and treatment camps in the community with support from local service organizations.
- School dental screening camps.
- Dental education programme through talks, video shows, posters and exhibitions.
- Rural Dental Satellite Centres with support from NGOs and Institutions.

Details of the extension activities are furnished under the section 1 (I).

Community Health Nursing of YNC:

The department administers rural postings of students in the selected villages at regular intervals. Health education, health screening camps and celebration of national programmes are being conducted through interdepartmental coordination.

Details of the extension activities are furnished under the section Appendix 1 (J).

Yenepoya Physiotherapy College:

YPC plays a key role in extending physiotherapy activities in the village community through rural postings of students in the selected villages and shelter homes; health education, disability screening camps, free distribution of rehabilitative aides and celebration of national days with the involvement of students, interns and PGs.

The YPC runs physiotherapy clinics at Olavinahalli Social Service Centre for the benefit of the inmates of Old Age Home.

RHCD Project (RHCDP)

YU is implementing a separate project titled **RHCD** in the vicinity of the campus. The following activities are conducted in the selected village clusters:

- Sub centres – regular health screening clinics
- Coordinating family focused health care by MBBS and BDS students
- Health education camps
- Celebration of national events
- Implementation of national programmes like pulse polio, malaria control, TB control, leprosy eradication etc.
- School health programme - health check up, counseling, health talks
- Health cards for unprivileged populations
- Conduct research studies on topics of significance
- Linkages with local governance bodies, NGOs and associations for issue based collaboration.

Detailed list of the extension activities carried out by the RHCD during the last two years is enclosed as **Appendix 1 (K)**.

Medical Social Work Department

- Coordination of camps – Medical, Dental, Ophthalmology, blood donation, diabetes detection in the semi urban and rural areas ongoing basis.
- Coordination of weekly clinics at Balepuni Satellite Centre
- Coordination of monthly health check up clinics in collaboration with District Family Welfare and Family Planning department of Dakshina Kannada and CHC Mudbidri for the Endosulphan affected families.
- Coordination of Yen-Sahayog initiative of YMCH to extend health care on free basis to Old Age homes, Psycho-Social Rehabilitation Centres and Residential schools. At present 41 NGOs, 5 residential schools and 8 Orphanage adoption Programs in Dakshina Kannada, Uttara Kannada, Kasargod and Kannur districts.
- Implementation of Blindness Control Programme in the 12 PHCs allotted by the District Blindness Control Society of District Health and Family Welfare department.
- Coordination of regular health check up in the four orphanages affiliated to Child Welfare Committee (CWC) of Dakshina Kannada.
- Rehabilitation support to needy patients and clients in the community through mobilizing local resources.
- Assistance in epidemic control and health education programmes conducted by colleges/departments of YU.
- Assistance in popularizing various patient friendly health programmes like Yen-Arogya in the community with the intention of reaching out to vulnerable sections in the society.

Details of the extension activities are furnished under the section Appendix 1 (G).

Ophthalmology:

- Coordination of Blindness Control Programme in the 12 PHCs allotted by the District Blindness Control Society of District Health and Family Welfare department.
- Observance of days like National Blindness Control, National Eye Donation etc.
- Blindness Screening camps in the community.
- School Children Eye Screening camps
- Health Education.

NSS Unit

- NSS has taken up national integration as a priority area and motivates the students to actively take part in the national integration camps. NSS also conducts cultural programmes in association with various national and international voluntary organizations like South Indian Cultural Centre, Folklore Academy, where artists from other parts of India come out with their native form of arts.

Awards received by the university for extension activities and/contributions to social/community development

- Dr. RN Sujeer, Director of RHCD, YU was awarded “Excellence Award” by Khidmathul Islam Milad Committee, Kedumbady for his creditable service towards the improvement of health care of community of Kedumbady Village, Vorkady Panchayath.
- Award for the social work done at Ullal/Tailors Association, DK. District, Thokkottu.
- “Environment Award 2015” from District Administration and Karnataka State Pollution Control Board on the occasion of World Environment Day.

Overall development of students:

Mentorship programme: Under the mentorship programme, a group of 15 to 20 students belonging to both Urban and Rural areas and belonging to different communities are brought under a faculty mentor. The mentor identifies the academic, and social and the language gaps found between the rural and urban areas bridge courses are conducted. The University has also started an add-on course READY programme, for the holistic development of the students, which directly promotes the overall development of students from rural and tribal backgrounds.

The students from rural backgrounds are provided free seats, free accommodation, free food, book bank facility, empowerment programmes and employment after accomplishment of degree and entrepreneurship placement through UIIC.

Social-justice:

Ashraya: To promote social justice and good citizenship among the students, University initiated a programme namely Ashraya to motivate the students to develop the right attitude towards the less privileged sections of the society. Ashraya mobilizes funds in different ways to the needy patients seeking services of YMCH. The fund mobilization was first started in the hostels by bucket collection method at hostel and registered as charitable organization in 2003. So far 655 poor patients are benefited through this programme. Apart from the benefit to the patients the Ashraya also promotes feeling of social justice and good citizenship among its students.

Training on Family doctor system: Under this programme clusters of students are made in-charge of clusters of families living in the rural and outreach areas. Apart from catering to the health care requirements of these families the programme could inculcate a feeling of brotherhood with the poorest of the poor leaving in the villages of India and could season them to respond positively in meeting the health care requirements of these people and thereby promoting their sense of social justice and good citizenship.

Centre for RHCD: Through the activities of the centre namely health care on wheels, door to door health care delivery programme etc. the students are sensitized to the health care

challenges faced in the rural population of India and thereby promoting social justice and good citizenship among them.

Dept. of MSW conducts various types of camps in the rural areas which are specifically connected with the extension programmes of various departments of Ophthalmology, Paediatrics etc. They also take the students and familiarize them to the sad conditions in which the rural populations of India live.

Substance Free Campus: University has declared the campus as totally substance free and created a dedicated centre namely, Centre for Substance Abuse Prevention. The centre has conducted 23 awareness programmes against various substances like alcohol, tobacco and drugs. Placards are displayed in the campus with slogans of preventing tobacco and alcohol in the campus and this is being strictly implemented with the help of mentors and faculty.

Environmental Consciousness: University has been meticulously orienting our students to become environment conscious through various programmes organized by University Centre for Environmental studies. Accordingly several awareness programmes on Global Warming, Waste disposal including solid waste disposal, liquid waste disposal, and bio-medical waste disposal. University has elaborate facility to handle this waste and minimize the impact. The Liquid wastes are treated through STP and ETP and the effluent water after treatment is used for Gardening and Flushing purposes. The solid waste, after outsourcing the biomedical waste for disposal, all other waste including organic waste including food waste, garbage, dry leaves are subjected to vermi-composting and the compost is distributed for agriculture purposes. In this way we have already proved to our students that nothing can be considered as waste and the so called waste if properly collected and treated can be recycled effectively. Special classes are arranged by the Centre for Environmental Studies on all these aspects. The centre also conducts green auditing of the campus systematically collecting the spectrum of flora and fauna in the campus in which the students take an active role.

To make sure that the personality of the student imbibes all the qualities of the good citizen, university conducts a unique programme called Ready programme, where interactive sessions are conducted by experts to impart all the qualities of the good citizenship into the young minds.

The Student Welfare Department and the NSS units conduct special programmes on national integration, value system, human rights etc. apart from conducting various cultural programmes to strengthen the affective domain of the student with deliberate intention of molding them into ideal and good citizens of tomorrow.

To create intimacy and affection to the suffering patients, from the second year onwards specific number of beds are allotted to each student who prepares his case for presentation before the faculty and at the same time groom them into matured health care provider with the qualities of an ideal citizen/doctor.

All such activities are planned and executed with wholehearted cooperation of faculty and other staff.

Institutional alignment itself with the annual themes/programs of WHO/ICMR:

University has made it a regular practice to observe various days on relevant health themes like World Aids Day, World Health Day, Mental Health Day and Week, No Tobacco Day,

Doctors Day, World Nursing Day, Breast feeding week, Nutrition week etc. There is a theme associated with each day and week. University arranges panel discussions and invited lectures on these themes and takes up the challenges in the themes for further follow-up.

Several students and faculty projects are undertaken in the thematic areas outlined by ICMR.

Role of the institution in the following extension activities

*** Community outreach health programs for prevention, detection, screening, management of diseases and rehabilitation by cost effective interventions:**

The routine programmes consisting of awareness creation programme, screening/detection camps, treatment camps, immunization camps, and rehabilitation endeavours and unique programmes like door to door health care delivery programme, health care on wheels, immunization programme, training programme on family doctor system, Health Card distribution, are meant for prevention, detection, screening, management of diseases and rehabilitation totally free of cost or provided at highly subsidized rates. These services can be described as cost effective.

- Awareness creation regarding potable water supply, sanitation and nutrition.
- Awareness creation regarding water-borne and air-borne communicable diseases.
- Awareness creation regarding non-communicable diseases - cardiovascular diseases, diabetes, cancer, mental health, accident and trauma, etc.
- Awareness creation regarding the role of healthy life styles and physical exercise for promotion of health and prevention of diseases.

Awareness creation has always been an integral part of our extension activities carried out by different agencies of the University.

- **Awareness creation regarding AYUSH Systems of medicines in general and / or any system of medicine in particular.**
- **Complementary and alternative medicine.**
- **Pharmaco economic evaluation in drug utilization.**

YU has been so far running academic programmes on modern medicine, nursing and allied health sciences. But, now the University has considered the possibility of diversifying the areas of specialization to the systems of Alternative medicine as well. Accordingly, University has approved Yenepoya Homeopathic and Ayurveda College and Hospital at its new campus located at Kinya. Several awareness creation programmes have been conducted for our faculty and students on the alternative systems of medicine. In addition to awareness creation, our academic departments and University research center has been conducting some integrated research programmes. A separate faculty of Ayurveda and faculty of Homeopathy has been created to facilitate the establishment of AYUSH courses and Hospital.

Hospital information system covers entire hospital including the pharmacy. Periodic evaluation of the drug utilization from Pharmaco-economic point of view is undertaken to make the treatment cost effective. A drug policy including antibiotic policy has been evolved by the hospital administration and a drug formulary has been created with cost effective and high quality brands of all important molecules. The department of Hospital Administration makes a systematic review on the judicious utilization of the drugs using the data available through the Hospital Information Systems periodically.

- **Participation in national programs like Family Welfare, Mother and Child Welfare, Population Control, Immunization, HIV/AIDS, Blindness control, Malaria, Tuberculosis, School Health, anti tobacco campaigns, oral health care, etc. and Promotion of mental health and prevention of substance abuse.**

University has taken extra care to extend the medical education and health care delivery to the community and the family level. In that process importance is given to implement National Health Programmes like Family Welfare, Mother and Child Welfare etc. In fact the unique programmes initiated as beyond the syllabus academic activity is a training programme on the Family Doctor System to groom the next generation of health care providers well trained on family doctor system, which is the only method of ensuring health care delivery and welfare at the family level including mother and child welfare. University centres like centre for Rural Health Care and Development and Department of Medical Social Work along with the academic departments like ophthalmology, dermatology, OBG, General Medicine, Chest Medicine etc. all play their due roles in the implementation of National Health Programmes like Blindness control, HIV AIDS, Malaria, TB, and Population Control etc. The Center for Rural Health Care Development and Dept. of MSW along with Paediatrics and Pedodontics conduct regular dental and general health check-ups in different schools, destitute homes, orphanages etc. Anti-tobacco campaigns is one the main programmes adopted by the Center for Prevention of Substance Abuse. University has established 6 dental peripheral health care centres apart from various camps conducted in other areas as mentioned. As recognition to our commitment towards oral health care the Head of the department of Public Health Dentistry has been chosen by the Govt. of Karnataka as the special officer to evolve a comprehensive oral health policy for Govt. of Karnataka.

Mental health remains to be one of the major challenges to be addressed in the field of health care delivery. While the indicators related to the physical health have all shown improvement, mental health has been deteriorated. While physical health problems like infant mortality, maternal mortality, problems due to infectious diseases etc. are faced by developing countries, mental health issues are the burning problems in the developed world. University has already recognized the increased incidences of mental health problems in the society and has evolved different programmes and personnel to handle the additional burden in addition to the functioning of the mandatory department of Psychiatry. The department of Psychiatry has a clinical psychology branch that handles patients with a spectrum of mental health problems below the level of psychiatric illness. The department of Paediatrics also has a Child Psychology wing headed by a highly acclaimed faculty in psychology. All these units conduct several awareness programmes apart from offering counselling sessions in consultation with qualified psychiatrist in the psychiatry department. Already the department has PG and doctoral programmes in Psychiatry and related areas. Now the department has come out with a new post- doctoral certificate programme on Psychiatric rehabilitation in collaboration NIMHANS Bangalore.

It has been observed that one of the worst problems that the present generation faces is the mental health problems associated with the substance abuse and addiction. The peaceful atmosphere of the educational institutions is often adversely affected by a small group of students who are habituated or addicted to the substances, including alcohol and drugs. Understanding the need of the time, University took a policy decision to create a dedicated centre to create awareness and thereby to prevent substance abuse. The Center for Prevention of Substance Abuse has conducted several awareness programmes. The Center has declared

the University campus as substance free campus. The details of the programmes organized by this Centre are enclosed as **Appendix 1 (L)**.

- **Adoption of population in the geographical area for total health care:**

As an institution deemed to be University situated in the Village panchayath, University has taken up the responsibility of reaching a target of health for all in the geographical areas surrounding the University by 2020. To achieve this target at the inception itself University has created a dedicated centre that established 29 sub-centres in these areas and adopted 12 villages for total health care.

- **Research or extension work to reach out to marginalized populations.**

All the extension activities are carried out by various units of the University namely, Centre for Rural Health Care and Development, Department of Medical Social Work, NSS, Community Departments, YRC etc. are aimed at marginalized populations living in the rural and outreach areas. Now the Centre for Rural Health Care and Development has come out with various community based research programs on communicable and non-communicable diseases in collaboration with the Community Medicine department of the University.

Participation of faculty members in community health awareness programs:

Faculty plays the most important role as resource persons and organizers in the various types of community health awareness programmes regularly.

Institutional participation in National program for prevention and control of diseases:

YU through its constituent institutions takes active participation in the implementation of national programmes for prevention and control of diseases. This is done mainly through awareness generation programmes and extending services through opening of government supported patient support units in the YMCH. Such units include:

DOTS: is a community programme of prevention and treatment of Tuberculosis. The unit is managed by the Department of Pulmonary Medicine. The patients are being referred from Primary Health Centers in and around Mangalore.

District Tuberculosis Center- Collaborates with Dept. of Pulmonary Medicine for the implementation of the RNTCP, Govt. of India. Students are regularly posted to the RNTCP unit that provides exposure to a spectrum of Tuberculosis related problems like MDRTB and XDRTB.

ICTC:

Integrated Counseling and Testing Centre under the supervision of District Health and Family Care Officer is functioning in the Dept. of OBG providing testing and counseling services for prevention of HIV transmission from mother to child. ICTC also conducts awareness programme for the general public.

Immunization clinics:

Departments of Paediatrics and Community Medicine conduct free immunization clinics (DPT, BCG, Polio etc.) both in the tertiary care hospital as well as in the rural and urban health centers.

Extension of services during epidemic outbreak:

YMC is an active collaborator with District Health and Family Welfare Department striving for the control of diseases during epidemic outbreaks (dengue, malaria, chikungunya etc.) in the district. Health education, blood smear test, clinics are part of such interventions.

Blindness control:

Dept. of Ophthalmology with support from Dept. of MSW conducts regular eye screening camps in the remote villages as part of national blindness control programme. Recognizing this service District Blindness Control Society has allotted 12 PHCs to YMCH for organizing eye screening camps with support from the respective PHCs and to perform cataract surgeries on patients identified through these camps in the tertiary care hospital.

In addition to this awareness is created on importance of eye donation during the eye donation awareness fortnight observed from August 25th to Sept. 8th every year.

Details of Centre for Craniofacial Anomalies:

The Centre for Craniofacial Anomalies is much emphasized and focused in treating craniofacial deformities, comprehensively, *visa viz.*, a multi disciplinary approach.

The Centre is equipped to provide comprehensive care for the variety of complex, craniofacial deformities that includes congenital, developmental and post traumatic. The treatment for cleft lip and palate is provided free of cost by Yenepoya Management under University Social Responsibility.

The Centre also provides ‘Cosmetic Surgery’ in view of the growing demand amongst the younger generation. The formidable team of the Centre includes Maxillofacial Surgeons, Orthodontists, Speech Pathologist, Paediatricians, Anesthesiologists and Neuro Surgeons.

Due to the core competency of this Centre it attracts patients from distant areas of Andhra Pradesh, Kerala and Karnataka.

The Centre keenly participate in academic activities has completed Four studies and there are Seven studies in the pipeline. The activity of the Centre is remarkably significant, that it has been awarded National best awards for Paper presentation since inception. We are soon going to Launch a foundation – "Zulekha Cleft Foundation" to serve better.

Highlights of the Centre:

- Invented and patented Max Gym, a new approach to correct mid face deficiencies in growing individuals.
- Developed an innovative method of doing Naso Alveolar Moulding.

The Centre runs a fellowship programme in “Cleft and Craniofacial Surgery” and proposes to start a Fellowship programme in “Cleft Orthodontics”.

2. Details of Meetings Conducted for the student Mentoring and Support during 2017

Details Meetings Conducted for the student Mentoring and Support during 2017		
Sl. No	Date of Meetings	Reports
1.	31 st Meeting – 10/05/2017 in the Board Room of Principal YMC Academic Block	<p>The Committee members were informed that the Parent-Teacher-Student Meet was conducted on 2nd, 3rd and 4th May 2017 for the students of I MBBS, II MBBS and I BHA and I BSc. Technology Programs respectively.</p> <p>The Mentor Coordinators of I MBBS and II MBBS briefly explained the highlights/observations of the PTS Meet. The feedback/suggestions put up by some of the parents were discussed and are as follows:</p> <ol style="list-style-type: none"> (1) Facility for accessing Online students information individually by the parents of the students. (2) To have fixed calendar for Parent-Teacher-Student Meet, preferably after 1st Internal Assessment Examination. (3) Collection of money from Junior students for Ashraya Charity purpose by the Senior students. <p>These were discussed by the members and recommendations made are:</p> <p>Point (1) – Regarding Online Students Information, the Chairman informed the members that the matter shall be sent to Mr. Rajesh Karkera, Deputy Director, IT to explore the possibility.</p> <p>Point (2) – In regard to this, the Committee decided to have the following fixed calendar for conducting PTS Meetings in different constituent Colleges in future.</p> <p>YMC and YDC : 1st year MBBS and BDS students : 1st meet in December 3rd week 2nd meet in April 3rd week 2nd year MBBS and BDS students: 1st meet in April 3rd week 2nd meet in August 3rd week YPC : In November for 1st year BPT students</p>

		<p>In March for 2nd, 3rd and 4th year BPT students</p> <p>YNC : In December for 1st, 2nd, 3rd, and 4th year B.Sc and M.Sc. Nursing students in February for Post Basic Nursing students</p> <p>Point (3) – It was decided to refer the matter to the authorities for necessary action. Further strict Rules for donations from students and transparent system of electing members of Ashraya Charity need to be framed by the University.</p> <p>University Results: Dr. Sham S. Bhat, Vice Principal & HOD, Paedodontics, YDC suggested that University result need to be sent to individual parents.</p> <p>It was decided to refer the matter to the University authorities for consideration.</p> <p>As discussed in the previous meeting, it was decided to have Student/Mentor meetings for the students in all the Constituent Colleges as per the dates fixed in previous meeting. Accordingly, the schedule was drafted and issued to all the concerned members by the Chairman, Student Mentorship Program & Dean, YMC.</p> <p>It was decided to allot IR students to existing Mentor(s) and if student numbers exceed beyond the limit, then new Mentor(s) need to be nominated, by concerned Principals for approval by University.</p> <p>It was pointed out that the Mentors/Coordinators are not receiving the Special Allowance from quite some time. This needs to be taken up with Registrar, YU for necessary action</p>
2.	29 th Meeting- 30/01/2017 in the Board Room of Principal YMC Academic Block	<p>(1) Terms of reference of Student Mentorship Programme need to be prepared and communicated to the University authorities, to ensure smooth and focused transaction of business by Committee.</p> <p>(2) The Committee shall report to Hon. Vice Chancellor, YU through the Registrar, YU.</p> <p>(3) It was decided to organize Orientation Programme for all the Mentors of all the Constituent Colleges of YU for making them aware of their responsibility/duty as Mentors. Mrs. Obeida Shoukath, Student Welfare Officer was given responsibility to arrange the program.</p> <p>(4) In order to interact with the assigned students, each Mentor shall conduct minimum of 02 meetings with the mentees in a month in the College. The Chairman suggested time between 3.30 pm to 4.00 pm at least once in a week wherever possible.</p>

		<p>(5) Mentors shall be required to maintain a register for recording the minutes of the meetings, regarding student's academic/personal/hostel etc. issues if any and Mentors shall help the students to address the problems, if any at their own level, in case this is not within their competence/authority, they should seek the help of Coordinators.</p> <p>The Mentors shall send their report to the Mentor Coordinator. Mentor Coordinator shall examine the report and take action wherever possible. This shall be followed by sending a brief report to the Principal concerned.</p> <p>The matter which cannot be handled by the Mentor(s) shall be sent to Mentor Coordinators for necessary action. In case the matter requires support from the Head of the Institution, they should bring the matter to Principal concerned. The action report shall be sent to the Chairman, Student Mentorship Programme.</p> <p>In case intervention by University is required on any matter, on monthly basis, the matter shall be referred to Hon. Vice Chancellor through Registrar/Asst. Registrar by the Chairman of the Committee.</p> <p>(6) Mentor and Mentor Coordinators shall meet atleast once in a month and discuss the Mentorship Programme.</p> <p>(7) Mentor Coordinator shall report to the concerned Principal every month with a brief report.</p> <p>(8) In order to make the Student-Mentor book more specific and reasonable, the Principal, Yenepoya Physiotherapy College was requested to suggest the modification required in the book and was requested to present his recommendations in the next meeting.</p> <p>(9) The Student Mentorship Programme Committee decided to meet on 1st Wednesday of the month of every 03 months between 12.30 PM to 01.30 PM in the YMC Board Room (YMC Academic Block).</p>
--	--	--

3. Orientation program conducted to Mentors and Mentors Coordinators of constituent College of Yenepoya University

<p>Details Meetings Conducted for the student Mentoring and Support during 2017</p>
<p>Reports</p>
<p>Orientation and Responsibilities for Mentor & Coordinators of Constituent college of Yenepoya University was conducted on 25th February 2017 at 12:00 noon under the Chairmanship of the Principal / Dean YMC in Lecture Hall 1.</p> <p>The following mentors were present:</p> <p>YMC</p>

1. Dr Roopa P Nayak – Mentor Coordinator
2. Dr Qudusiya Sultana , Asst Prof –Anatomy
3. Dr Greeshma B , Asst Prof –Physiology
4. Dr Padmini T, Asst Prof-Physiology
5. Dr Meera Jacob , Asst Prof –Anatomy
6. Dr AswiniDutt , Assoc Prof - Physiology
7. Dr Raghavendra , Assoc Prof – Biochemistry
8. Mr Anwar , lecturer – Physiology
9. Dr Madhavi Bhargava , Asst Prof –Community Med
10. Dr Subhan Ali , Asst Prof –Pathology
11. Dr PrabhakarAdake , Asst Prof –Pharmacology
12. Dr Varun , Asst Prof –Community Med
13. Dr RouchelleTellis , Assoc Prof –Microbiology
14. Mrs Faseela T S , Asst prof –Microbiology
15. Dr Pracheth R , Asst Prof – Community Med

YDC

1. Dr Hassan Imran Mohtesham ,Reader - Oral Pathology
2. Dr Karkala Sayed Suhaim , Lecturer – Oral Pathology
3. Dr ShruthiNayak , Lecturer-Prosthodontics
4. Dr Fahad Mohammed ,Lecturer-Prosthodontics
5. Mr Jayaprakash K , Lecturer –Dental Materials
6. Dr Mohammed Nooh Ismail Kazia, Lecturer – Conservative Dentistry
7. Dr Pradeep Kumar, Lecturer - Conservative Dentistry
8. Dr Shravan Kini , Lecturer –Conservative Dentistry

YNC

1. Prof Umarani J , Prof –Paediatric Nsg – Mentor Coordinator
2. Mrs Vineetha Jacob , Assoc Prof – Psychiatric Nsg– Mentor Coordinator
3. Mrs Renita Priya D Souza , Asst Prof –PaediatricNsg
4. Mrs Anju Asokan , Lecturer – Med SurgNsg
5. Ms PriyaReshmaAranha , Asst Prof – Paediatric Nsg
6. Ms Laveena Rodrigues , Lecturer – Psychiatric Nsg

YPC

1. Ms VeenaPais , Assoc Prof –Physiotherapy – Mentor Coordinator
2. Mr Shaik Rasheed , Lecturer –Physiotherapy
3. Ms Nigat Fatima P A , Asst Prof -Physiotherapy
4. Mr Sajjad A R Ebrahim , Asst Prof, Physiotherapy
5. Mr ShemjazArakkalManiyat , Asst Prof –Physiotherapy
6. Mrs Smitha D , Assoc Prof – Physiotherapy

Ms ObeidaShoukath- Student Welfare Officer welcomed the Mentor co-ordinators and mentors.

The Chairman of the Student Mentorship Programme the Principal / Dean of YMC wanted the confirmation of the day and number of times the mentors would meet the mentees.

It was stated as follows by the mentor co-ordinators:

MBBS 2nd year mentees – Wednesday 3:30 – 4:00 pm (2015)

MBBS 2014 IR mentees – Saturday 3:30 – 4:00 pm

MBBS 2015 IR mentees – Mentors are yet to be allotted
MBBS 1st year mentees –Monday & Wednesday – 3.30 -4.00 PM
BDS 1st & 2nd year mentees – Mondays & Wednesday 1:30 – 2:00pm
YNC 1st & 2nd year mentees – Fridays 11:00 – 12:00 noon
YPC 2nd year mentees -Wednesday 3:00 – 4:00 pm
A few queries were answered by the Chairperson.
It was decided that the Irregular batch of students will be assigned mentors shortly. A PPT was done by Ms. SunitaPrabhu – Student Welfare Officer

4. **Details of Parent Teachers Meet held by the constituent college of Yenepoya University during the year 2017**

Yenepoya Medical College:

Parent Teachers Student Meet conducted on 02/05/2017 for I MBBS students:

Yenepoya Medical College conducted a PTS meeting for I MBBS students (2016 Batch) on 02/05/17 at Indoor Auditorium, Academic block between 9.30 am to 3.30 pm. 86 students and their parents have attended the meeting. 23 parents have emailed about their inconvenience to attend the meeting and they wish to come some other day. 05 student's parents came and met all HODs and concerned mentors before the scheduled day. All parents have expressed their happiness about the mentorship programme. A structured feedback has been given to them with different grades. The following suggestions to be taken in consideration:

1. The parents would like to attend the PTS meeting immediately after the first sessional examination.
2. They wish to have an online portal for accessing student information and internal marks especially those who are staying in abroad.
3. Few of them have expressed their unhappiness regarding excess collection of money from their wards in the name of Ashraya by senior students.

Parent Teachers Student Meet conducted on 03/05/2017 for II MBBS students:

The PTS meeting of the II MBBS students (2015 Batch) was conducted in Indoor Auditorium on 3rd May 2017 between 9.30 am to 3.30 pm. 35 students & their parents attended the morning and afternoon session meeting. All the Mentors, Coordinators & HODs discussed in detail the academic performance of all the students. Attendance was also shown to the parents. They also met Hostel Wardens and Student Welfare Officer. Many parents had informed their inability to attend the meeting through email & phone. The meeting concluded at 3.30 pm.

Parent Teachers Student Meet conducted on 04/05/2017 for BSc Para Medical and BHA students:

50 student's parents of Bsc Para Medical courses attended the meeting. All the BHA students were present except one Parent. The BHA students had no complaints.

Yenepoya Dental College

Parent Teacher Meeting was held on 12th & 13th April 2017 for I BDS (2016 Batch) and II BDS (2015 Batch) students in the 5th Floor of Dental Auditorium. 40/77 parents of I BDS students attended the Meeting on 12.04.2017 & 34/98 parents of II BDS students attended the Meeting.

Yenepoya Nursing College

PTS Meeting will be held during the month of 3rd week December 2017

Yenepoya Physiotherapy College

PTS Meeting will be held during the month of 02 December 2017

Annexure - 7

ROBOTIC SURGERY IN YENENOYA UNIVERSITY

Robotic surgery is the most modern, technologically superior and safe surgical procedure performed by highly trained and experienced surgeons. This system, which is superior to the existing laparoscopy system, enhances the capabilities of surgeons to perform complex major surgeries, by offering greater surgical precision, range of motion, dexterity, visualization and access. This translates to several advantages for patients such as small incision, less pain, faster recovery, shorter hospital stay, early return to normal activity and better cancer clearance.

Yenepoya University Hospital is among the few hospitals in India and the first and only one in this region to offer robotic surgeries. The teams of expert surgeons perform procedures related to several specialties like Urology, Oncology, Gynecology, Thoracic and GI surgery. The da Vinci Robotic System was installed in 2016 and they have completed one hundred and thirty two such complex surgeries in a short span of one year. Patients not only from Karnataka, North Kerala, Goa and Maharashtra but also from other countries including Middle East and Africa have been treated. Those treated, have experienced and greatly appreciated the benefits of this procedure as compared to laparoscopic and open surgeries.

NATIONAL SERVICE SCHEME

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969, with primary focus on the development of personality of students through community service

Objectives:

The broad objectives of NSS are to:

- Understand the community in which they work
- Understand themselves in relation to their community;
- Identify the needs and problems of the community and involve them in problem solving process;
- Develop among themselves a sense of social and civic responsibility;
- Utilize their knowledge in finding practical solution to individual and community problems;
- Develop competence required for group living and sharing of responsibilities;
- Gain skills in mobilizing community participation;
- Acquire leadership qualities and democratic attitude;
- Develop capacity to meet emergencies and natural disasters and
- Practice national integration and social harmony.

The motto or watchword of the National Service Scheme is: 'NOT ME BUT YOU'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme. The symbol of the National Service Scheme, as appearing on the cover page of this Manual is based on the 'Rath' wheel of the Konark Sun Temple situated in Orissa. These giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space. The design of the symbol, a simplified form of the Sun-chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and upliftment. MOTTO NSS SYMBOL National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969, with primary focus on the development of personality of students through community service.

National Integration Camp at Yenepoya University

- National Service Scheme Yenepoya University In association with National Youth Project Organized National Integration camp for youth at Endurance Yenepoya University from May 1st to May 7th 2017
- Participants:- 500 students from 19 states

Inauguration of National Integration Camp at Yenepoya University

NATIONAL INTEGRATION CAMP REPORT

Last week was full of action, learning and devotion for the country. The campers were given a warm welcome by Dr. Ashwini Shetty and her capable team on 30th April and the boys and girls got quickly acclimated to the beautiful campus. The inaugural ceremony was a grand affair and the highlight was the felicitation of Dr. S.N Subba Rao, Director of NYP and Colonel Nitteguthu Sharath Bhandary, Chairman of Rubber Planters federation. 350 campers 290 from 19 states of India and rest of from Yenepoya University participated in the camp. The day starts very early with the youth song at 4.55 am, this is followed by fitness exercise from 6.30 am and the flag salutation from 6.30 to 6.45 am. Each day there would be a chief guest and one of the students conducting the ceremony. Many of the campers and even the guests were very happy to learn the current way of tying the flag and hosting it. The campers would then be briefed about the days schedule and allotted duties. After a quick breakfast they were off for their 1¹/₂-2 hours of manual labour. There were four projects they worked on in this camp.

1. Painting the exteriors of the Govt School at Chethana Nagar Kampala

2. Cleaning the campus

3. Cleaning the beach at Ullal

4. Painting exteriors of the Govt School Babbukatte.

There would then be an hour of language learning followed by lunch after an hour's rest, the campers would assemble for their group activities. Each state deliberated on their vision for India and how they would strive to achieve it after the camp. One participant from each state presented their views. Evenings would be live for mass games where everyone participated and not just winning was the motto. Talent exchange saw some campers teach others unique talents they had bihu dance, karate and self defense, Bengali songs, spinning khaadi and many other items were taught. 6pm was the time for the evening all religions prayers. After the prayers it was time for cultural exchange. Every day saw different dances from all the states participating. On 5th evening, the campers went on a rally from Milagres Church to the forum mall singing songs of unity in diversity and slogans on national integration wearing traditional costumes. At the end of the rally was a public meeting at the Forum Fizza Mall. 6th May was a day out. All the campers visited Shree Kshetra Dharmasthala at the invitation of the Dharmadhikari Veerendra Heggade. They were introduced to the rural development initiatives of the institutions and taken around the temple and premises. The high point of the camp was when people of all religions, states, languages, castes including many Muslim students and professors of Yenepoya University visited the temple and had lunch at the Annapurna Hall. This according to me was a very important and resounding message to the citizens of the country by showing the real and tolerant face of Islam in these days when wings of Islamophobia is blowing in the country and the world.

HIGHLIGHTS OF THE NSS UNIT

MAJOR PROJECTS:

Project on Cancer Awareness Programme for early detection:

- Project on Cancer Awareness Outreach Programme as general convenor –trained 9,085 NSS Volunteers of Dakshina Kannada, Kodagu and Udupi Districts.

Project on -Establishing Medicinal Plant Garden in the campus:

- In 60 cents land -planted 85 species of medicinal plants having medicinal properties.

Project on women empowerment:

- Trained around 2,500 women on parenting skill and women health awareness programme

Project on Disaster Management:

- Trained 1,083 students on disaster management.

Project on Ill effects of tobacco chewing and smoking and drugs:

- Trained around 2,000 students of high school and colleges on ill effects of tobacco and smoking

Annexure - 9

Advanced Clinical Training through Simulation – Yenepoya University Centre

(ACTS YEN)

Yenepoya University Simulation Centre was conceptualised in 2016. ACTS YEN is a major step towards Yenepoya University's vision of providing and promoting excellence in clinical care, competency based health professions education, ethical student training and paving the road towards improved patient care, safety and satisfaction.

BENEFITS OF SIMULATION TRAINING

Integrating simulation, in graduate and post graduate curriculum, should facilitate more ethical training with least harm and discomfort to patient. Multi-disciplinary & team training for emergency situations will result in better team dynamics, communication and behavioural skills and more realistic training.

Simulation based learning helps to mitigate errors and maintain safety in medical field where there is zero tolerance for any deviation from the Standard protocols. It provides opportunity for training to be conducted for inter-professional team of health providers rather than in isolation. The simulation centre - ACTS YEN provides reproducible and on-demand access to patients and clinical experiences through the simulators and task trainers.

FACILITIES OFFERED AT ACTS YEN

The centre is housed in the Emergency Medicine Department Building on the 8th floor. It boasts of a state of the art infrastructure, centrally air conditioned complex spread over more than 5,000 square feet, well equipped with a wide range basic task trainers to high fidelity mannequins, anatomage and virtual reality simulators, an indoor auditorium with capacity of 250 and two debriefing rooms.

The Anatomage Table- A technological masterpiece - *Anatomage*, first one in India offers an opportunity to learn anatomy in a very different & unique manner. It provides three dimensional virtual dissection of the human body. It

is also a powerful radiology workstation, tool for surgical & pathological case review.

High fidelity simulators incorporate computerised mannequins that closely mimic anatomy & hemodynamic physiology of a human body. The centre houses a variety of high fidelity simulators including infant, paediatric, adult (Metiman and HPS) and Maternal Fetal simulator. These can imitate clinical and medical conditions such as heart attack, shock, trauma, normal & difficult labour, post partum haemorrhage, drug overdose just to name a few . The mannequins respond to drugs, procedures (like intubation) and actual equipment (like defibrillator). Advanced resuscitation equipment, medications, anaesthetic gases and imaging monitor display capability are some of the essentials incorporated into the design of the Simulation Centre.

The **Virtual Reality Simulators** like endoscopy trainer, laparoscopy trainer, cathlab, ultra sound, Ophthalmic and Otosopic viewers allows trainees or surgeons to practice procedural skills to perform minimally invasive surgeries, including bronchoscopes, upper and lower gastrointestinal endoscopies, cardiac valve replacements, transthoracic ultra sound and so on. The **blue phantoms** mannequins allow training for regional anaesthesia.

Beneficiaries include health professional – graduates, post graduates, degree or diploma students to practicing general physicians, specialists and super specialists, nursing faculty as well as para-medical members of team as well as health professionals.

Human Patient Simulator Anatomage Table

Trauma scenario with Metiman

YENEPOYA RESEARCH CENTRE

ABOUT YRC

Yenepoya Research Centre (YRC) was established in 2008 considering the ever increasing demands for research in Yenepoya University. Since then, in addition to taking the interdisciplinary research and contributing to the research output, YRC is serving as a central research support system for the constituent colleges of Yenepoya University. YRC strives towards strengthening the research activities, establishing the research facilities and building capacity among students and research scholars. The centre has the major aim of engaging in high quality research activities in the interdisciplinary/multidisciplinary areas and creating specialized research units and groups to take up research studies to meet the contemporary challenges.

VISION

To generate new knowledge towards national development through quality research integrated with highest ethical standards.

MISSION

- To engage in high quality research integrating fundamental and applied knowledge in inter/multidisciplinary research areas of biomedical sciences
- To popularize research in emerging areas among students
- To conduct research oriented courses, training programmes and workshops, and to participate in the research promotional activities of the University
- To cultivate critical thinking that can spark creativity and innovation among students and young researchers

BIOTECHNOLOGY

In the division of biotechnology we focus on research on cellular and biomolecular processes to develop products, process and technologies to help in improving the healthcare delivery. The major thrust of this division is to drive innovations by engaging in technology oriented research. Some of the

key focuses are; bioprospecting and product development, alternative strategies for targeting antibiotic resistance, nano-biosensing, quorum sensing, biofilms, bioprocess development for microbial products, application of biotechnology for alleviation of toxicity.

MOLECULAR BIOLOGY DIVISION

This division works in diverse areas of Cancer biology, Cellular physiology, Immune disorders, Haematopoiesis, Genomic instability and Genetic engineering with special focus on development of radio sensitizing agents, angiogenesis inhibitors and gene manipulation approaches towards cancer therapy; pulmonary diseases (Chronic Obstructive Pulmonary Diseases and pulmonary fibrosis); effects of environmental pollutants on modulating the genes involved in antibody receptor diversity, chromosomal translocations and epithelial to mesenchymal transitions.

NANO SCIENCE DIVISION

This division mainly focuses on cutting edge research on the development of novel nano-prodrugs for targeted delivery, bio-imaging, bio-medial polymers for bio-sensing, electrocatalysis, and sensing by employing novel nano-carbon materials. The group is funded by National agencies for the development of paper analytical device for point-of-care diagnostics.

STEM CELLS AND REGENERATIVE MEDICINE

Focus of this division is research on regenerative and cancer stem cells from human (clinical and cell lines) and rodents (primary stem cells). Research involves CD34+/45- regenerative stem cells from different lineages for cell therapy applications, ocular surface stem cells and its stress-induced damages, the effect of fluoride on muscle stem cells and dental pulp stem cells for tissue engineering in regenerative medicine. Dietary ingredients and Wharton's jelly mesenchymal stem cell-based approaches for targeting breast and colon cancer stem cells.

SYSTEMS BIOLOGY AND MOLECULAR MEDICINE

The YU-IOB Center for Systems Biology and Molecular Medicine is an academic research center jointly established by Yenepoya University, Mangalore and the Institute of Bioinformatics, Bangalore. This center was established for planning and carrying out multidisciplinary science and fostering research collaborations between clinicians, practitioners of traditional medicine and scientists using advanced OMICs platforms. For achieving this, the center is equipped with state-of-the-art mass spectrometers (Orbitrap Fusion Tribrid (Thermo Scientific) and QTRAP 6500 (SCIEX) mass spectrometers) to carry out proteomic & metabolomic investigation to enable discovery and validation of biomarkers and therapeutic targets for human diseases. These mass spectrometers are used for global proteomic, phosphoproteomic, acetylomic and glycoproteomic analysis of cancers, human pathogens, body fluids and experimental models. Research is conducted using multidisciplinary approaches employing high-throughput genomics, proteomics, metabolomics and molecular biology tools to maximize discovery, always with intent to translation.

BIOINFORMATICS AND BIOSTATISTICS

The division works to understand the living cells and their function at molecular level by analyzing sequence and structural data. Bioinformaticians use software like Proteome discoverer, mZime, HiSAT2, Gene Spring, Compound discoverer etc to analyze high throughput data that are the result of Next generation sequencing based genomics, mass spectrometry based proteomics and metabolomics in areas like human brain proteome, eye proteome, metabolites, sandal wood genome annotation, human genome sequencing, transcriptome and exome data for clinical applications.

Biostatistics division is actively engaged in teaching and consultancy activities. Statisticians provide consultancy on research design, sample size determination and data analysis to researchers at all levels.

OUTCOME

- Major funding sources for the centre are DAE-BRNS, DBT, DST, ICMR, VGST and MoEF
- Number of Intramural projects: 09
- Number of Extramural projects: 17
- Number of publications are 155 (since 2009)
- Centre has 29 full time and 2 visiting faculty of which most are internationally trained
- Since 2010, 30 candidates are registered for PhD and 6 awarded

ACADEMIC PROGRAMMES

1. Ph.D. [Faculty of allied health and basic sciences] (3–5 years)
2. MSc in Computational Biology (2 years)
3. Certificate course in biostatistics (6 months)
4. Certificate course in molecular techniques (6 months)
5. Short term courses in cell culture techniques (1 month)
6. Short term courses in chromatographic techniques (1 month)
7. Short term course in grant proposal writing (1 month)
8. Short term course in biostatistics (2 months)
9. Research internships

Proposed programs

10. MSc in Bioscience (2 years)
11. Post-graduate diploma in OMICs technology (1 year)
12. Post-graduate diploma in integrated analysis of OMICs data analysis (1 year)

Annexure - 10

Proposed Plan of Action for the Year 2018

Following 125 point action plan for the year 2018 outlines some of the new and innovative initiatives which can be taken up in addition to already ongoing programmes.

Sl. No	Teaching-Learning & Evaluation	
	Proposed plan of action	Implementing agency
1	Curriculum design and restructuring with extra emphasis on Skilling, research and Community orientation	Chairman of Respective Board of Studies and Faculty
2	Establishment of Academic Correction Board in Each College for reviewing the examination outcomes and suggest remedial measures	Constituent Colleges
3	NABH Accreditation for Dental College and Nursing Services	YDC and YMCH, Nursing Staff
4	<ul style="list-style-type: none"> • DM & MCh Programmes (Super Speciality Programmes) in Medicine. • MCI- New programme, increase in annual intake, recognition of degree, re-recognition after five years, recognition for increased seats etc. 	YMC, and YMCH
5	Extended postings of Intern students at casualty, blood bank, Injection for skill oriented training	YMC and YMCH
6	Postings of Nursing MSc. Students in Robotic and Oncology wards for skill training	YNC and YMCH
7	Implementation and Training on Electronic Dental Records System (EDRS)	YDC and IT
8	Submissions of the course outline on time and Clinical rotation plan	Constituent Colleges
9	One National Conference on Robotic Surgeries to provide more exposures (A dedicated committee to implement this programme - tutorials, workshops etc.)	Robo Unit and YMCH
10	Implementation of MOOC of HRD	IT and Constituent colleges
11	Integrated programmes in Medicine and Basic sciences	Constituent Colleges, Ph.D Directorate and

		YRC
12	Training of all faculty in Central Simulation lab	Constituent Colleges
13	Implementation of CBCS for PhD programme	DD Ph.D
14	Core and elective options for PG programs which are not under statutory bodies and Internships outside India	Constituent Colleges and Centres
15	Model question paper department - wise and review & revision of existing question papers	Controller of Exams, Constituent colleges and departments
16	Diploma Programme in clinical psychology	Collaboration between Dept. of Psychiatry and MSW
17	Open book exams (internal) in Dentistry	YDC for feasibility
18	Online quiz for students	Dept. of IT and Constituent Colleges
19	Automation of feedback system (twice a year)	Dept. of IT and Constituent Colleges
20	Establishment of course committee and Course mentors	Constituent Colleges
21	Establishment of Centre for International Programmes	Board of Management
22	Auto email alert through software for book circulation status	IT and Librarian
23	Online reservation of books	IT and Librarian
24	Optional Foreign language courses in Japanese, German, Spanish to improve communication in non-regulatory courses.	Student welfare office
25	BLS course and fire safety to all staff	ACTS-YEN
26	Internship courses for PhD students abroad	Ph.D Center and YRC
27	Certificate course in counselling	MSW Dept.
28	Child health safety (for Anganwadi workers)	MSW and RHDCD
29	Anti -Drug Policy	Campus and SWO's
Research, Consultancy & Extension		
30	Artificial intelligence in medicine – lecture series	YRC, and Constituent Colleges
31	Sensitisation to research for newly recruited faculty and students. Continued recruitment for all the Centers while focussed high recruitment at YRC for deploying in emerging areas and patient	CHPE, YRC and DDPh.D

	relevant Clinical Research	
32	Training on statistical package SPSS	YRC, CHPE
33	Assessment of healthcare delivery in Rural Areas by the departments and centres of the University	RHCDC, MHA, MSW Etc.
34	Dedicated day for Research & Development in a week for faculty	Constituent colleges of the University
35	Establishment of a cytogenetic lab	YRC and YMCH Lab
36	Evidence and clinical oriented research	YRC, Constituent Colleges
37	Mandatory publication as joint responsibility of faculty and students	Constituent Colleges
38	Staff and students publications in Scopus, ISI Web of science, and Indian citation indexed journals to be monitored through guidelines (need to develop one)	YRC and Constituent Colleges
39	Measures to be taken to publish earlier data	Constituent Colleges
40	Policy on publication during course duration by the student	Constituent Colleges
41	“Emerging Area Group” to be formed in every department with faculty and students	YRC and Constituent Colleges
42	Publication benchmarking and publication Policy programme	YRC, Constituent Colleges. Policy by the research committee
43	Mini projects for UG, PG and Ph.D’s with JRF fellowships	Constituent Colleges, YRC and Ph.D Centre
44	UG research projects for MSc Nursing in addition to the thesis (3-4)	YNC to specifically implement
45	Motivation policy to attend conferences by students and publish their research work journal	Constituent colleges, YRC and HR of the University
46	Implementation of “Yennovation” research Modules	YRC in collaboration with Constituent Colleges
47	More than 40% of the Projects to focus on social issues	Constituent Colleges
48	Improving funding through CSR and Government through evolving an incentive sharing model	Constituent Colleges, YRC and Centres
49	Monetisation of Research & Development through collaboration with Pharma companies	YRC, Clinical Research Unit, Centres and Constituent Colleges
50	Significant upgradation and capacity building in computer architecture to fulfil	IT and Finance

	the Hospital data and Bioinformatics research data demands of centers	
51	Conduct of hackathon in collaboration with Industrial clusters	YRC and Centres
52	Speed up doctoral programme	DD Ph.D
53	Planning and policy on Research on high and direct impact on community	YRC, DD Ph.D and Constituent Colleges
54	Each faculty to submit at least one research proposal and communicate one research paper in a Year Policy and implementation	Constituent Colleges, YRC and DD Ph.D
55	Faculty development programme/ Refresher courses in collaboration with academies (2 weeks duration).	CHPE, DD Ph.D
56	Organising more number of Research seminars/ workshops etc	YRC, DD Ph.D and Constituent Colleges
57	Structuring Research & Developments for Translation	YRC, DD Ph.D and Constituent Colleges
58	National conference on organ transplantation (Doctors, Nurses, Transplant- coordinators, Social workers, Donors, Recipients etc. to be invited	YMCH, YMC and YNC
59	More quiz programme in basic science	DD Ph.D and Constituent colleges
60	Value based lectures and Introduction of legend programme	Constituent Colleges and Guest lecture coordinator
61	Interdisciplinary student projects and Live in Lab Programme for the students, who are interested for internship at lab Experiments	Constituent Colleges, YRC and DD. Ph.D to evolve policy
62	Establishment of Virtual labs	Constituent colleges to identify space and implement.
63	Separate wing for finance management and auditing of Research & Developments projects	Finance office to come up with a detailed proposal
64	Individual/Group research by faculty to made mandatory and specified for promotions	Vice Chancellor, and BoM to decide the matter
65	New Fellowship schemes, Introduction of Summer and Winter School training for outsiders	YRC, Constituent Colleges to Implement

66	Project log book to monitor projects	Constituent Colleges
67	Systematic Department-wise Patient Data collection and Analysis and Classification of Diseases and converting the data to E Format and Linking the data to a proposed Bio-banking facility	YRC-Constituent Colleges to form a team and initiate this programme with one Department preferably Orthopaedics and Pulmonary medicine.
68	Faculty encouragement to take up Ph.D	Constituent Colleges
69	Establishment of Student Research fund	Vice chancellor to implement this programme in consultation with Colleges and centres
70	Subscription to Research databases like Science direct, Scopus etc. and plagiarism software	IT and Librarian
Learning Resources & Infrastructure		
71	Say no to Drugs- lecture series	Student welfare office and Campus officer
72	Entrepreneurship talk	Employment and Placement Cell, YRC
73	Establishment of Yenepoya Joint Replacement Center	Dept. of Ortho and YMCH
74	Dedicated CHPE (6000 Sq. Ft) and Research center Buildings	Finance committee
75	Cyber knife centre – radiotherapy (Precision) and Photon beam therapy	Cancer centre
76	TB Free Mangaluru and Tobacco free homes Programme	Centres, YMCH and Other community Departments.
77	Women and cardiac health	MSW YMCH
78	Autism Spectrum Disorder Research Centre	Peadodontics, YDC
