Research activities
a. Research projects
- Completed no. (last 5 years )-
  - 1. Evaluation of efficacy of microwave irradiation in disinfection of derived dental cast”.-Dr. Vidya Bhat
  - 2. Oral and Prosthetic status of patients visiting dental care centers in Mangalore-Dr.Mallika Shetty
  - 3. Evaluation of Oral Health awareness among non-teaching staff in a health institution in Dakshina Kannada -Dr.Mallika Shetty
  - 4. Acceptance of partial denture among geriatric inmates in an old age home- Dr.Mallika Shetty
- On going no.
  - 1. Study on minimizing and distribution of stress at the Implant Abutment Interface- A Finite element study- Dr. Hasan Sarfaraz
  - 2. Evaluation of the variation in relative parallelism of occlusal place to ala tragus line in young dentulous subjects and relate in to the various intraoral anatomical variations in the maxillary arches- Dr. Sanath Shetty
  - 3. Evaluation of oral status, prosthetic need and quality of existing prosthesis among adult rural population of Mangalore taluk- Dr. Mallika Shetty
  - 4. Studies on the recycling of base metal casting alloys used in dentistry and evaluation of their properties with reference to environmental and economical aspects”- Nandish B

b. Grants / patents (If any)
c. Publication - (full list for last 5 yrs in the department)
  National
  International
d. Authorized / Contribution in Books

PUBLICATIONS:

Dr. K Kamalakanth Shenoy
Professor & HOD
Year 2015

2. Dr.Kamalakanth Shenoy, Hasan Sarfaraz, Savitha, Mallikarjun, Anoopa. Reshma. A simplified

Year 2014
