YENEPOYA NURSING COLLEGE, MANGALURU

LABORATORY FOR PRACTICING CLINICAL SKILLS

Yenepoya Nursing College has various laboratory facilities for practicing clinical and nursing skills for the students. It has Nursing Foundation Lab, OBG nursing lab and Child health nursing lab facilities. Nursing Foundation Lab was established in 2002 during the establishment of the college. Maternity and child health lab was also established in 2002 and in 2014 this lab was separated and two separate laboratories were made, namely OBG nursing lab and Child health nursing lab. All these labs are situated in the first floor of the Yenepoya Nursing college building.
