## Article 7

Following mutual consultations, the partners may agree upon the inclusion of other international Centers of Excellence. A review and assessment of scholarly and clinical excellence is the pre-condition for the inclusion into the cooperation. In this case, additional partners will have to sign an amendment to this agreement to become equal partners with all rights and duties.

## Article 8

The parties' liability regarding the conduct of this contract is limited to gross negligence and willful misconduct. No party shall be responsible for any lost profits, lost opportunities, or other consequential damages.

If any provision of this Agreement shall be found to be void, invalid or unenforceable, such provision shall be enforced to the maximum extent permissible by applicable law so as to effect the intent of the Parties, and the remainder of this Agreement shall continue in full force and effect. The Parties shall negotiate in good faith an enforceable substitute provision for any invalid or unenforceable provision that most nearly achieves the intent and economic effect of such provision.

Any changes or additions to this Agreement shall be made in writing. The same applies to any amendment of the clause stipulating the requirement for the written form itself.

Signed by its duly authorised representatives, this agreement becomes valid on February 15, 2016.
