Dear Mr. Alok Jha,

Please find the attached file. The third sheet of the excel file is filled by us for the student details.

Please note that 2 of the students are from BiSEP Batch 1; 3 others are Ph.D. students from Yenepoya Research Center, who opted to appear the exam. As suggested by you, we canvassed for extra candidates outside BiSEP system, and we got three. I have to take separate classes for them now. When will be the exams conducted?

Is it possible to conduct exams for out two BiSEP students in Bangalore, as they are taking the internship there? We also need to conduct at Yenepoya as we have three students from here also.

The details such as Grade and Frequency of feedback in excel sheet needs clarification from LSSSDC.

Please see below the payment of fees transferred to LSSSDC certification of students from Yenepoya (Deemed to be University).
