Hello Sir,

Greetings for the day, hope you are doing well.

We have answered your queries in the attached document, please find attachment and let us know your further inputs.

Thanks and Best Regards,
Naveen

Quoting Keshava Prasad <keshav@ibioinformatics.org>:

Hi Naveen,

I have gone through initial pages of the proposal. Please do not hurry up and submit this. It will not fly. There are many loopholes in the grant proposal. There is no clarity in the flow. You should act on your strength.

1. People have worked on active compounds from this plant. Why are you not starting with active principles?
2. Anticancer activity is well established. Start with active compound.
3. Are you doing RNA-Seq analysis of plant or cancer cell lines?
4. You cannot identify biosynthetic pathways by RNA-Seq of plants as you will get normal expression profile of plant.
5. Normally, tumor suppressor gene will not express in cancers. How you identify them with treatment?

There will be many such issues in the further part of this grant.

Please do not submit in a hurry.

Thanks,
Keshav

Background

Yenepoya University, Mangalore, India

Yenepoya University is the first deemed to be private university in the district of Dakshina Kannada, recognized under Section 3(A) of the UGC Act 1956 and accredited recently by NAAC with 'A' grade. The professional courses offered by the university include M.B.B.S & B.D.S., M.S /M.D/M.D.S., and skill based courses like Masters in Hospital Administration among others. Yenepoya Research Centre (YRC), Yenepoya University is engaged in high quality research that integrates both basic and translational research across multiple disciplines, driving towards therapeutics of human health. The

Registrar
Yenepoya (Deemed to be University)
University Road, Deralakatte
Mangalore 575 018, Karnataka.

centre has state-of the art facilities to support high quality research in interdisciplinary/ multidisciplinary areas to meet the contemporary challenges.

The Center for Systems Biology and Molecular Medicine (CSBMM; <http://csbmm.yenepoya.edu.in/>) is a new centre in the Yenepoya Research Centre, Yenepoya University, which is established to carry out research and development and manpower training in the area of genomics, proteomics and metabolomics with an integrated OMICs approach. The Center is equipped with high resolution mass spectrometers including Orbitrap Fusion Tribrid and QTRAP 6500. CSBMM also hosts faculties with immense experience in multiomics analysis. Recently, investigators from CSBMM and YRC have been awarded "Biotechnology Skill Enhancement Programme" by the Department of IT, BT and S&T, Government of Karnataka to impart training to a selected set of students in multiomics technologies including genomics, proteomics and metabolomics. In addition, Yenepoa University will also consider this program as a PG Diploma course in MultiOMICS Technology. The students undertaking the course will be trained in cutting-edge areas of genomics, proteomics and metabolomics.

Background

GenEclat Technologies, India

GenEclat Technologies, India has innovative solutions and training programs dedicated to data analysis generated from OMICs approaches. The company has invested in the development of several tools and databases for life science research. Also offered are analysis methods for drug discovery. The company has collaborations with academic institutions on several projects.

1. Purpose of this Agreement

- Both the parties have come together to provide an ecosystem for skilling / up-skilling of fresh / existing talent. The 'Yenepoya University, Mangalore, India' shall conduct the LSSSDC approved courses and GenEclat Technologies, India shall provide infrastructure to fulfil the need of practical part of the course.
- This is a non monetary agreement. No party has monetary obligation on other party towards sharing of resources.

2. Roles

A. Yenepoya University, Mangalore, India

1. All the infrastructure support required by 'Yenepoya University, Mangalore, India' is defined in Annexure I of this MoU. Both the parties have discussed and have mutual consent over Annexure 1.
2. Shall conduct only practical sessions in the company premises.

ATTESTED

Ue
Dr. Gangadhara Somayaji K S
Registrar
Yenepoya (Deemed to be University)
University Road, Deralakatte
Mangalore 575 018, Karnataka.

3. Once a batch is formed 'Yenepoya University, Mangalore, India' shall send a list of students / trainees to company and seek permission for the given list at least a month prior to the proposed date of commencement of practical session.
4. Shall obtain a formal written approval from the company.
5. Shall provide the schedule of the training, i.e. TDP (Training Development Plan)
6. Yenepoya University, Mangalore, India shall nominate a person to supervise the conduct and working of the set of trainees thus sent for the practical purposes.
7. Supervisor (in co-ordination with company representative) shall be responsible to implement and monitor the agreed schedule.
8. He / She shall be in contact of the company representative on daily basis to monitor the progress of the trainees.
9. Only on receipt of "Letter of Completion of Practical Session" from the company, shall the training be considered as complete.
10. It will be 'Yenepoya University, Mangalore, India' responsibility to get the due diligence done of the company and it shall provide all the support required for the same.

B. GenEclat Technologies, India

1. Company has approved the requirement of 'Yenepoya University, Mangalore, India' as stated in the "Annexure 1" of this MoU. Both the parties have discussed and have mutual consent over Annexure 1.
2. Shall revert within 10 days of receipt of list of candidates from 'Yenepoya University, Mangalore, India'.
3. Shall nominate a representative to co- ordinate activity with Supervisor from 'Yenepoya University, Mangalore, India'
4. Shall abide by the TDP provided by the 'Yenepoya University, Mangalore, India'
5. One guide per trainee(s) shall be nominated for guidance and coaching.
6. He / She shall regularly communicate with Trainee's supervisor regarding their progress.
7. Company shall maintain an authentic attendance record of the trainees. This record must display number hour spent by each trainee on each day during the training period at the company.
8. The company shall not engage the trainee in any other activity apart from the curriculum.
9. At the end of the Practical session, a "letter of completion of practical session" duly signed by the guide of that trainee, shall be issued. Without which the training shall not be considered as complete.
10. Company agrees to get the infrastructure inspected by the accreditation assessor, as directed by 'Yenepoya University, Mangalore, India'
11. Company agrees to support the audits as and when required by the LSSSDC.

ATTESTED

Dr. Gangadhara Somayaji K S
Registrar
Yenepoya (Deemed to be University)
University Road, Deralakatte

3. Term

This MoU shall commence on the date of signature and shall endure for a period of five years.

It may be terminated by either party upon giving no less than three months notice in writing.

This Memorandum of Understanding is a document of good faith and Implementation of the MoU would be monitored on a six monthly basis.

4. Communication

Both parties agree to:-

- Communicate regularly – telephonically or via emails.
- Meet formally at least once a month to review progress.
- Update their respective Senior Managers/Heads of progress.

5. Status

5.1 Notwithstanding the terms of any other provisions of this MoU, this MoU is not legal binding and nothing contained in this MoU shall impose any legal obligations on either party whatsoever.

5.2 This MoU may be amended by agreement of both parties in writing.

5.3 No change can be made to this MoU without written consent and duly signed by both the parties. Additions, deletions and/or alterations to this MoU may be effected with the written agreement of both the parties to this MoU concerning the changes. Documents containing such additions, deletions and/or alterations and signed by both the Parties shall form addenda to this MoU, and be deemed to be part of this MoU.

5.4 Any changes must be brought in notice of LSSSDC within 7 days

6. Force Majeure:

Neither party shall be liable to the other for failure or delay in the performance of any of its obligations under this MOU for the time and to the extent such failure or delay is caused due to acts of God, natural disaster, fire, floods, explosions or earthquake, epidemic or quarantine restrictions, serious accidents, war, insurrection or riots, strikes, legal necessity or labour troubles, or any other cause beyond the affected party's reasonable control, provided that sufficient notice of such occurrence of force majeure is communicated to the other party.
