### 4.1.1- Teaching- Learning and skill acquisition facilities in the institution

DESCRIPTION	TOTAL
<b>TEACHING LEARNING</b>	
ICT enabled classrooms	108
Seminar halls with audio-video facilities	38
Auditoriums with audio-video and Wi-Fi facilities	6
Demo rooms	60
Audio visual aid room	2
Central library	1
College libraries	6
Departmental libraries	63
E-learning centre	1
<b>CLINICAL LEARNING</b>	
Departmental museums	46
Dissection halls	3
Hospital beds *(YMCH, YAMCH, YHMCH, YNYSCH)	1265
Operation theatres *(YMCH-15, YAMCH-1, YHMCH-1)	17
Robotic assisted surgery unit	1
Minor operation theatre *(YMCH-2, YDC-2, YAMCH-1)	5
Medical Intensive Care Unit	1
Neonatal Intensive Care Unit	1
Paediatric Intensive Care Unit	1
Cardiac Care Unit	1
Surgical Intensive Care Unit	1
Magnetic Resonance Imaging	1
Computed Tomography consol	1
Cath laboratory	1
Cone beam CT	1
Dental chairs (Dental college 425 + Ayurveda 1)	426
Laboratories	80
Computer laboratory	3
CAD-CAM laboratory	1
Central diagnostic laboratory (Biochemistry, Microbiology and Pathology)	1
Diagnostic laboratory (Ayurveda Medical college)	1
Blood bank with Aphaeresis facility	1
Organ transplant unit	1
Casualty *(YMCH, YAMCH)	2
Ambulances	5

## **ASSEND – Advanced Surgical Skill Enhancement Division, Yenepoya (Deemed to be University)**

Our ASSEND started with the view to enhance the surgical skills for the budding surgeons. In current century minimal invasive surgeries are gaining upper hand day by day. The reasons behind this are minimal incision, fast healing, less tissue damage, less or no identifiable scar, less post op care and early discharge from the hospital.

In ASSEND the minimally invasive surgical techniques like Robotic, in collaboration with Intuitive surgical private limited and Laparoscopic surgical skill training, Transplantation techniques with respect to Liver and Kidneys are also being imparted. After getting the clearance from the Government of India, we started our first internal program on 23<sup>rd</sup> April 2019 and external program on 12<sup>th</sup> June 2019. Till 31<sup>st</sup> December 2020 a total of 27 laparoscopic training sessions are conducted, out of which 3 programs were in collaboration with Verwandeln Institute, Kochi, and more than 122 surgeons from various parts of India and one from UAE have attended. On 23<sup>rd</sup> of October 2019 our first robotic skill training program was started. Till 31<sup>st</sup> December, a total of 15 training programs have been conducted and in each training single surgeon has been trained along with 4 assistant surgeons. A total of 42 programs have been conducted and 143 surgeons have been benefitted till 31<sup>st</sup> December 2020.

Currently we have approval for 5 training protocols under laparoscopic surgery, robotic surgery, liver transplantation, renal transplantation, ARDS model.

This unit is under the direct supervision of our Vice Chancellor Dr. M. Vijayakumar, who is a senior surgical oncologist

Our team consists of ;

1. Dr. Suprith Surya, Consultant Veterinary Surgeon and In-charge, ASSEND YU, who has been trained specially at Intuitive Tokyo Training Centre, Japan.
2. Dr. Abhishek M.S, Consultant Veterinary Surgeon, ASSEND YU
3. Mr. Yogesh S.K, OT Technician, ASSEND YU
4. Mr. Kirana, Attender cum animal handler, ASSEND YU

## ADVANCED COMPREHENSIVE CLINICAL TRAINING AND SIMULATION CENTER

### 1. INTRODUCTION

Advanced Comprehensive Clinical Training and Simulation Center (ACTS-Yen) is a unique Centre and the largest state-of-the art simulation facility in the country with the latest simulators in the offering. Integrating simulation, in graduate and post graduate curriculum, should facilitate more ethical training with least harm and discomfort to patient. Multi-disciplinary & team training for emergency situations will result in better team dynamics, communication and behavioral skills and more realistic training. It's bring the gap between technology and use of technology in advanced teaching in healthcare. It emphasis the cardinal objective of healthcare system to focus on more patient safety and it can achieve only by reducing medical errors . It is state of the art facility with high fidelity manikins 'and task trainers for end to end hands on skill training for all the kinds of healthcare providers. Yenepoya University aims at integrating skill development and simulation training into the existing curriculum by using innovative technology.

ACTS YEN caters to all students and faculty health care professional of Yenepoya University and also aims to impart basic skills like Basic life support to the community at a large. The focus is on providing skills training which leads to value addition.

### 2. 2 Infrastructure and location

Yenepoya University Simulation centre and skills laboratory - **Advanced Comprehensive Clinical Training And Simulation Centre (ACTS YEN)**, was commissioned in January 2016. ACTS YEN is located in the Emergency Medicine Department Building on the 8th floor. It boasts of a state of the art infrastructure, centrally air conditioned complex spread over more than 9,000 square feet, well equipped with a wide range high fidelity mannequins and virtual reality simulators. It also has an indoor auditorium with capacity to accommodate 250 people and two debriefing rooms.

**ATTESTED**

Dr. Gangadhara Somayaji K.S.  
Registrar  
Yenepoya (Deemed to be University)  
University Road, Deralakatte  
Mangalore - 575 018, Karnataka

There are five High fidelity simulators, three Virtual Reality Simulators and several blue phantoms mannequins, adult and baby half body mannequins for basic and advanced cardiac life support training, Opthosim, Otosim and Ultra sound simulators. ACTS YEN also houses Anatomage or Virtual dissection table. Several task trainers are also available for improving the skills of students and trainee health professional.

### 3.1 Organization structure

#### Core team of ACTS-YEN

1. Two chief coordinators  
Dr.Meghna Mukund  
Dr.Rashmi Jain
2. Two biomedical engineers cum Admins  
Ms.Kajal KK  
Ms.Sreya M
3. One attender  
Mr.Rupesh Kumar

#### Reporting structure

Chief coordinators are reporting to Dean, Yenepoya Medical College and others in team reports to chief coordinators.
