

**YENEPOYA  
(DEEMED TO BE UNIVERSITY)  
MANGALORE**

**Report of achievements which lead to Institutional  
excellence**

## INTRODUCTION

Yenepoya (Deemed to be University) focuses on bringing novelty in teaching-learning process, achieving excellence in research, enhancing the healthcare facilities to reach the common man, strengthening of faculty and infrastructure, effective resource management, establishing strong interaction with society and industries, involving the alumni in academic and developmental activities. Ever since the establishment of Yenepoya (Deemed to be University), constant efforts are laid to improve the quality of education in general and health sciences in particular by adopting new methodologies in teaching and high throughput technologies in research.

The Yenepoya Dental College was transformed into Yenepoya (Deemed to be University) in the year 2009 which over the years, grown to have eight constituent colleges imparting education in different disciplines viz. Natural Sciences, Health Sciences, Allied Sciences, Social Sciences and Commerce and Management. The Yenepoya (Deemed to be University) has established quite a few centers to augment research in different facets of Science, Social Sciences and Medical Sciences. The constituent units and hospitals are striving hard to cater the needs of the people through their health care programmes and inclusive policy. It was our privilege to serve the Society during the Covid 19 pandemic by establishing a Covid testing centre approved by ICMR with trained personnel and hospital and care centers managed by the experienced medical and paramedical faculty.

Today, the Yenepoya (Deemed to be University) has on its rolls more than 7000 students. More than 500 teaching faculty and 2300 supporting staff are working under this umbrella. The University has developed its transport facility for both students and its employees. The 24x7 internet and Wi-Fi connectivity keeps the campus connected throughout.

It is a proud statement that an Institution with less than 13 years of its establishment was accredited by NAAC with an “A” grade and CGPA points of 3.14. Yenepoya has been ranked 86 among the top 100 universities in the country as per the NIRF Rankings 2020 published by the Ministry of Human Resource Development, Government of India and persistently within 100 since the inception of NIRF ranking in 2017.

Yenepoya Dental College has secured 20th rank among the top Dental Institutions in the country by NIRF. Yenepoya (Deemed to be University) also listed in 301 to 400 bands on “Times Higher Education” (THE) global Impact ranking.

The University envisions developing into a robust platform for students, researchers, and teachers to pursue their academic goals and career in a beneficial ambiance. Besides the University also plans for the establishment of more stand lone centers of excellence such as Molecular medicine and oncology research, Traditional Medicine Research, neglected Tropical Disease Research, Data Analytics and Bioinformatics and Bio Bank facility. The existing centers will be taken to the next level of research, thus improving their visibility at National and international levels. The University will make every effort to foster more national and international collaborations for research and attract students from both developed and developing countries.
