Report:

Clinical Skill Assessment: Heart of Assessment in Health Sciences

As a part of Basic Course in Technology Enriched Emerging Pedagogical Methods under Gurudakshata (Faculty Induction Program), the 4th webinar on “Clinical Skill Assessment: Heart of Assessment in Health Sciences” was conducted on 25th August 2020 between 1.30- 4.00pm. The webinar started with the welcome address and overview of the webinar by Dr. Abhay Nirgude, Deputy Director, CHPE, Professor of Department of Community Medicine, Associate Dean, Yenepoya Medical College. Followed by the opening remarks by Dr. K .S Gangadhara Somayaji, Registrar, Yenepoya (deemed to be University). He enlightened the importance of assessment of clinical skills.

The first session on assessment in a simulated environment {(OSCE/OSPE) [Online and hospital settings]} was delivered by Prof (Dr.) C V Raghuvver, Pro Vice Chancellor, Yenepoya (Deemed to be University). He highlighted on the importance of OSCE, OSPE, and how to assemble OSCE/OSPE stations. The second session was dealt by Dr. Mary Joseph, Professor, Department of Ophthalmology, St John’s Medical College Hospital, Bengaluru. She delivered a talk on Assessment in working environment. The importance of various methods of assessment including MiniCex & DOPS was enumerated. The last session was delivered by Dr. Meghna Mukund, Associate Professor, Anesthesia department & Dr. Rashmi Jain Additional Professor in Ophthalmology department, Yenepoya Medical College, Yenepoya (Deemed to be University). They talked about the effective use of skill lab and how it can be used in various scenarios, including integrated teaching for undergraduate students and in postgraduate learning, Dr. Rashmi Jain also explained about the purpose and models of feedback, moving from feedback to feed forward and the technologies to deliver the feedback.

The session came to an end at 3.45 pm. The webinar was held using google meet platform. All the 152 participants who had enrolled for the basic course in technology- enriched emerging pedagogical methods attended the event. This session was also live streamed on youtube for participants from outside Yenepoya (deemed to be university). The webinar was coordinated by Dr. Rashmi Jain Additional Professor in Ophthalmology Department and Dr. Hrushikesh Udupa, Assistant Professor, Department of Community Medicine, Yenepoya Medical College Mangaluru.

Report:

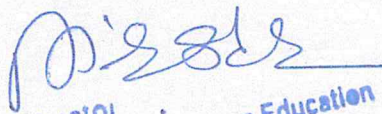

Report on Webinar-5:

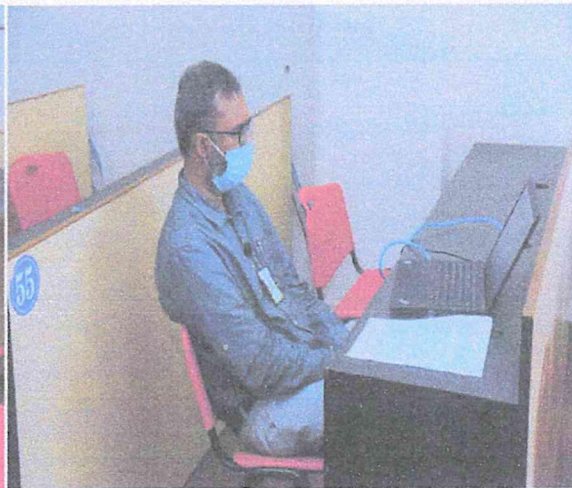

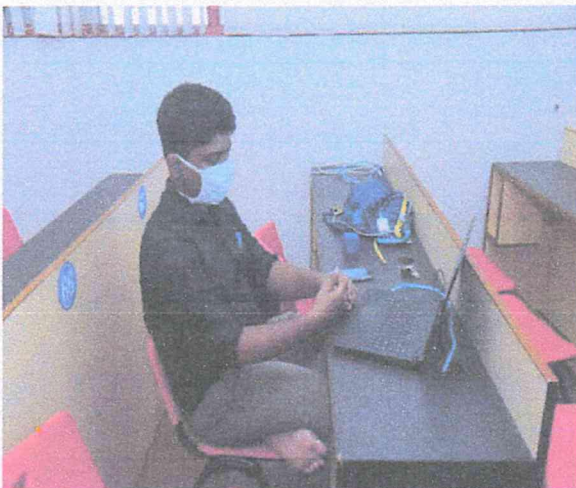

Transforming Challenges to Opportunities by appropriate use of ICT

The “Basic Course in Technology Enriched Emerging Pedagogical Methods” under Gurudakshata (Faculty Induction Program), concluded with the 5th webinar of the series Transforming Challenges to Opportunities by appropriate use of ICT, conducted on 01.09.2020 from 1.30-3.30 pm. Dr. Abhay Nirgude, Deputy Director, CHPE, Professor of Department of community medicine, Associate Dean, Yenepoya Medical College, delivered the welcome address and gave a brief overview of the webinar. This was followed by the opening remarks by Mr. Rajesh Karkera, Deputy Director IT, Yenepoya (Deemed to be university). He stressed upon the importance of self learning by exploring the various tools available. The guest speaker for the webinar was Dr. Nikhil Kumar Rajput, Assistant professor, Department of Computer Science, Ramanujan College, University of Delhi. He delivered the key note address on the “Utility of MOOCS in online learning”. It was an enlightening session on different online portals available for MOOCS and also spoke about the importance of creating our own MOOCS. The 152 participants who had enrolled for the basic course in technology- enriched emerging pedagogical methods attended the event. The second session was conducted by Dr, Aswini Dutt on online assessment. He showed us how innovative ways of assessment can ignite the minds of students and want them to do more every single time. The third session was taken by Dr. Janardhana Aithala P. on self directed learning. He elaborated about the different ways in which SDL can be effectively implemented when teaching learning happens online. The last session of the day was taken by Dr. Imran Pasha. He spoke about the role of ICT in facilitating the interprofessional education. The webinar concluded with the valedictory remarks by Dr. B H Sripathi Rao, honourable pro vice chancellor, Yenepoya (Deemed to be University).

Report of Faculty Development Programme

Four day induction programme was organized by The Yenepoya Institute of Arts, Science, Commerce and Management for the training of newly recruited faculty's members of Commerce and Science.

Objective:

- To make the new faculty members aware about institutional development, various departments' activities, Academics, good governance and training so that the role of faculty at various levels will be understood and their contribution to the institutional development will increase.

Day 1 started with a briefing by Principal Dr. Parvadhavardhini G on the institution, followed by a session by guest speaker Dr. Vinita Bloor, Professor, Yenepoya Dental College, who led on the formation of the lesson plan. Individual exercises for faculty to establish lesson planning related to intended results were included in the session, as well as group activities to prepare active learning tactics.

Day 2 started with a session by Dr. Lakshminarayan, Associate Professor, Yenepoya (Deemed to be University) on developing qualitative PPT's and how the PPT's have been validated at the Yenepoya University.

Day 3 started with a session conducted by Dr. Shareena P, who guided participants through the use of Yengage and presented research insights. During the session, there were discussions, debates, and group reflections. The session also linked fundamental principles and ideas to real classroom situations.
