| ACM/38/06/2020 | <p>Proposal to start Certificate course in Assessment and Management of Vestibular disorders in the Department of E.N.T.</p> | <p>The Proposal to start Certificate course in Assessment and Management of Vestibular disorders in the Department of E.N.T. was <b>deferred</b> with the following suggestions:</p> <ol style="list-style-type: none"> <li>1. Vestibular disorders include peripheral conditions like BPPV, Meniere's disease, cochlear otosclerosis etc and various central nervous system complex conditions.</li> <li>2. There is gross disparity in the qualifications of learners varying between B.Sc. Audiology, BPT to DM</li> <li>3. No mention of which branch or specialty of MS and DM would be eligible amongst the medical faculty.</li> <li>4. A course should have learners with similar qualifications so that the trainer will adapt appropriate teaching learning methods and assessment for the learners.</li> <li>5. Course of 5-7 days may not be able to achieve desired objectives of such complex conditions and with such disparity in learner's qualification and competence.</li> <li>6. List of books suggested should be in Vancouver format.</li> <li>7. The department may consider having two courses: <ol style="list-style-type: none"> <li>a) One exclusively for medical personnel with MS in ENT or MD in Medicine (or equivalent) with experience in vestibular disorders or a candidate with super speciality degree DM in Neurology:</li> <li>b) Second for technicians with few years of experience in vestibular or related field</li> </ol> </li> </ol> |

**Observations/Remarks of the hon'ble external members**

1. The hon'ble external members placed their appreciation on record for the arrangements made by the University to conduct the meeting online. IT Department headed by Mr. Rajesh Karkera was given the credit for carrying out the meeting without any technical problems. The members also expressed their gratitude to the IT department for the technical assistance and training given to them.
2. All the amendments proposed are prospective in nature.
3. It was suggested to include a brief description of progress on the resolutions passed be included in the action taken report.
4. The external members felt that there should be a curriculum committee in the University which will go through the curriculum of all the new courses proposed to be kept for approval of the academic council, vet it and then submit the same to the University to be placed in front of AC
5. The curriculum for the various BSc technology courses may be prepared as per the model curriculum designed by Ministry of Health and Family Welfare.
6. MCQs, if at all used for the assessment, should be adequate in number.
7. The list of reference books in any curriculum should be listed in Harvard/Vancouver style
