**Feedback of OriYent 2018**

Feedback was collected for the students on various aspects of the course. Overall course feedback was also taken. Some of the aspects of feedback are mentioned below.

**General overall feedback** - There was positive response from students regarding the topics covered. They felt, that following this program, they are better prepared to study and work following this. The students were highly satisfied with all the facilitators and the content of their talks.

**Course ratings:**

The students were asked to rate the following aspects on a scale of 1-5, where 1 represents unsatisfactory and 5 represents highly satisfactory

S No	Criteria	Response Range
1.	Overall rating of the sessions	3- 5
2.	Course objectives were achieved	4- 5
3.	Learning from this programme	4- 5
4.	Sequence of the programme	4- 5
5.	Usefulness of the programme	4- 5
6.	Programme created interest about the course	4- 5

**Some of the challenges faced during the program were as follows:**

1. Short attention span
2. The students felt that they needed such programs periodically (Once in 3/6 months)

**Suggestions to include the following topics:**

Medicine as a career or service	Cadaver as learning resource	Public speaking	body language
Miracles of medical field	Role of healthy diet and lifestyle	Psychology of understanding students	Right choice of friends
Importance of sleep	Overview of internship programme	Self confidence	Medical inventions
Leadership qualities	Teenagers' issues and how to cope	Hostel management	How to study during exams

## Suggestions related to programme schedule:

Need more gap between sessions	More time for lunch break	To show more videos in presentations
Short sessions preferred	To include more activities	Cultural activities to be a part of this
Self introduction in the beginning	Icebreaking session	Group activities to be added.

## Suggestions from resource faculty

- A debriefing meeting was held on 13<sup>th</sup> August 2018, where the members of organising team including overall program coordinators and day coordinators presented the analysis of feedback.
- The team discussed the organization and lesson learnt from this maiden course offered by Yenepoya Medical College.
- They were overall happy with the schedule and planning of sessions. They felt the attention span of students is less; hence the sessions need to be shorter with gaps in between.

**Feedback of IntersegmYent 2018**

Feedback was collected for the students on various aspects of the course. Overall course feedback was also taken. Some of the aspects of feedback are mentioned below.

**General overall feedback** - There was good response from students regarding the topics covered. They felt, that following this program, they are better prepared to transition over to the para and clinical subjects from the basic science subjects. The students were highly satisfied with all the facilitators and the content of their talks.

**Course ratings:**

The students were asked to rate the following aspects on a scale of 1-5, where 1 represents unsatisfactory and 5 represents highly satisfactory

S No	Criteria	Response Range
1.	Overall rating of the sessions	4- 5
2.	Course objectives were achieved	3- 5
3.	Learning from this programme	4- 5
4.	Sequence of the programme	4- 5
5.	Usefulness of the programme	4- 5
6.	Programme created interest about the course	3- 5
7.	Venue comfort	3- 5

Some of the challenges faced during the program were as follows:

1. They wanted more hands on activities
2. More sessions on communication skills

Suggestions to highlight the following topics:

Medicine as a career or service	Leadership qualities	Public speaking	How to make notes
Use of digital media for learning	Developing self confidence	Learning from patients	Importance of extra curricular activities

Suggestions related to programme content:

Icebreaking session, hands on skill learning session, Group activities to be added.

Suggestions from resource faculty

The resource team was overall happy with the schedule and planning of sessions. They felt the need for adding more hands on activities.
