ADD-ON COURSES FOR STUDENTS

ATTESTED

Dr. Gangadhara Somayaji K.S.
Registrar
Yenepoya (Deemed to be University)
University Road, Deralakatte
Mangalore- 575 018, Karnataka

Preamble

Professionally qualified graduates with a sound knowledge of their core disciplines and expertise will have more employment opportunities in the future. Industry demands professionally graduates who possess adequate skills.

Scope and Need

Nursing is a complex and challenging profession. Nursing professionals must learn and practice multiple skills as they move from beginner to advanced level in their career. At the basic level, nursing students must learn the psychomotor skills to perform various procedures and treatments. At higher level, working nurses need to apply the theoretical and evidenced based information that underpins task performance. Offering value added courses are the best measures to identify the interest of graduating nurses and to equip them with essential skills

Career prospects

Pursuing add-on/value added courses will definitely add more value to a candidate's transcript and curriculum Vitae. The candidate is more likely to be considered for the job.

Courses offered:

Add on course gives an opportunity to obtain additional certificates during the B.Sc(N) programme.
