## PREAMBLE

The Constitution of India is the supreme law of India. Indian Constitution helps to maintain integrity in the society and to promote unity among the citizens to build a great. Hence there is a need to keep emphasizing the importance of the constitution of India in educational institutions.

## SCOPE AND NEED

The introduction of value-added courses to the nursing curriculum will enhance the all-round development of students, providing the necessary tools and knowledge to understand and participate in day-to-day activities. By studying this course at their undergraduate level they will learn to solve the dispute in a non-violent way. This also enables students to maintain harmony among students belonging to different socio-economic statuses, communities, caste, religions or regions and contribute towards the peaceful environment in the campus and society.

## EVALUATION

- Examination for 'Constitution of India' will be conducted by Yenepoya Nursing College affiliated to Yenepoya (Deemed to be University).
- Criteria for the pass: Minimum 35% marks.
