Progress Report of Research Incubation Program as on 27th May 2020 from CL Educate Ltd.

As per the agreement between Yenepoya University and CL Educate Ltd. regarding student research at undergraduate level CL Educate completed the following points till now.

1. Conducted meeting with all the HEAD(s), faculty mentors, coordinators and students of the all respective Colleges of Yenepoya University viz., Medical, Dental, Physiotherapy, Pharmacy, Nursing, Homeopathy, Ayurveda, and Degree College (Forensic Science department) and briefed them the aim and objective of the program.
2. Conducted the Research Aptitude Test (RAT) for screening of the students for all the Colleges.
3. Collected the syllabus, Academic calendar, master rotation plan from the colleges to prepare a robust execution plan for the program. The coordinator from respective Colleges is also identified and regular class (UG research class) has been scheduled for all the colleges.
4. Exploratory lecture class has been completed for all the Colleges of the Yenepoya University.
5. Demonstration classes on use of different search engines to search research papers have also been completed for all the Colleges of Yenepoya University.
6. Art of reading research articles, capturing information from research articles and writing summaries after reading a research paper avoiding plagiarism has also been discussed in UG research classes for students of all the Colleges of Yenepoya University.
7. Considering the current situation, regular class has been shifted to online classes for all the Colleges.
8. Literature search has been started at all the Colleges either on finalized topic or to identify and finalize the topics.

Details have been given in tabular form below.
