Introduction:

As part of the E-Governance initiative of the Yenepoya (Deemed to be University) the Examination section, has extensively integrated the ICT to meet the contemporary technological advancement in the evaluation processes. This is expected to bring transparency by avoiding excessive human interventions in the various stages of examinations. The examination section accordingly has been automated completely with appropriate software. The updates of the technological reforms introduced in the last five years are summarized in the table given below.

Reforms in the conduct of Evaluation and Examination
