Subject: Appointment as consultant at the Inventland Research Laboratories Pvt. Ltd.

Dear Dr. Datta,

Greetings from Inventland Research Laboratories Pvt. Ltd.

I am delighted to confirm your appointment, as a **consultant at our organization**.

This is made in recognition to your contribution to establish academia-industry partnership and to help our organization to improve its business and scientific outreach. We acknowledge your sustained effort in capacity building through research and skill development. We also appreciate your contribution to our organization in terms of access to skilled human resource from your academic employer, Yenepoya University.

This appointment is from **01 June 2021 to 31 Dec 2022**.

There are a number of benefits associated with the appointment and these are outlined below:

- Full operational access to the *Formulation and Development* Laboratory
- Full operational access to the *Analytical Development* Laboratory
- Limited access to various confidential documents related to ongoing projects

ATTESTED

Dr.Gangadhara Somayaji K.S.
Registrar
Yenepoya(Deemed to be University)
University Road, Deralakatte
Mangalore- 575 018, Karnataka

Your appointment will be reviewed prior to the end of that period by our board of directors who will be responsible for deciding whether to renew the appointment for a further period.

Your appointment may be terminated by either you or the Organization at any time, by giving one calendar months' written notice. The Organization may terminate the appointment with immediate effect in the event that you are in breach of any of the provisions of this letter or if your conduct brings yourself or the Organization into disrepute. If you have any concerns about this, please feel free to communicate with us.

Please note that as a consultant you are not an employee or a member of the Organization's staff and as such there is no entitlement to remuneration and associated terms and conditions of employment.

Confidentiality

In the course of your engagement, you may be exposed to information about the Organization and its suppliers, customers, employees or interns which is confidential or is commercially sensitive and which may not be readily available to other organizations or the general public. You shall not, except in the proper course of your duties and without due permission, either during this appointment or after its termination (however arising), use or disclose to any person, company or other organization whatsoever any confidential information. This includes (but is not limited to) financial information, personally identifiable details of employees, suppliers, customers or interns and any information which you have been told is confidential or which you might reasonably expect to be confidential.

Finally, I welcome you to this position and look forward to a continuing association that is mutually rewarding.

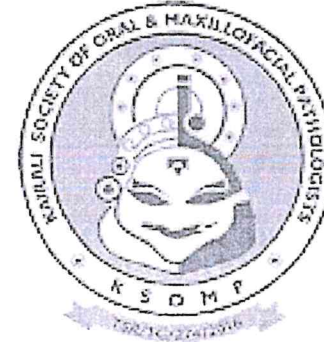

Yours sincerely

Subject: Regarding participation in the Technical Advisory Group, USAID supported MUKTI project on TB-Nutrition

Dear Dr. Bhargava

USAID in collaboration with Child Fund (an international NGO), the Central TB Division, Ministry of Health of Family Welfare, and the state of Madhya Pradesh implements a project called 'Mukti' on TB-Nutrition in Dhar district of Madhya Pradesh. This is the first ever pay-for-performance model on TB-Nutrition, that will provide valuable insights for the National TB Elimination Program (NTEP).

The intervention is complemented with a strong impact and economic evaluation to assess its cost-effectiveness that will enable scale-up across states in the country. A Technical Advisory Group (TAG) consisting of experts in the field of TB, public health, nutrition, and economic evaluation, was constituted in August 2020, to guide the intervention, and the study.

Given your extensive expertise and experience in TB-Nutrition, we invited you to be the lead member of the TAG. We are thankful to you for your participation in all meetings held so far and the invaluable insights provided towards strengthening the data analysis plan and the project interventions.

We look forward to your continued support and guidance to the initiative until it's logical conclusion, as it has the potential to influence the TB-nutrition program of the country and save many lives.

Sincerely

Sangita Patel

Dear Dr. Poonam,

I am glad to announce that the 16th GSMC-FAIMER REGIONAL INSTITUTE will be held ONLINE from 2nd April 2021 to 19th June 2021.

I am pleased to invite you as Project Advisors for each fellows. You will facilitate the fellows from day one to develop projects with strong scientific rigour. I am enclosing the programme schedule for your reference.

In the sessions related to programme evaluation and project development discussions, you will be contributing to enrich the deliberations with your experience and expertise. There will be project discussions on one to one basis. We also invite you to be present on the day when your advisee will be presenting the project to other faculty members and 2019 fellows. Thereafter when your advisee will be implementing the project in his/her institution you will be the first contact person to solve any difficulties, guide in development and analysis and reporting. Your contribution should be of the level to be acknowledged as a contributor in the scholarship which arises out of this work. We will send you details of the project on Google classroom.

With warm personal regards,

Peter Ackland Scholarship from the Peek Vision Foundation

Dear Soujanya,

Thank you again for applying to the Peter Ackland Scholarship. We are delighted to inform you that your scholarship application has been successful and we will cover all your entrance fees to join the International Eye Health short course online which also includes an electronic certificate on completion of the course from the London School of Hygiene & Tropical Medicine.

Please note if you are unable to attend in full we would be grateful if you could let Robin Percy robin@peekvision.org know by 23rd October so a place may be offered to someone on the waiting list.

We look forward to welcoming you to the course,

With best wishes,

Andrew Bastawrous

Dear Arnab,

It is with great pleasure that I invite you to join the Editorial Board of Renal and Epithelial Physiology as Review Editor for Frontiers in Physiology based on your expertise as well as your excellent publication record.

As a Review Editor you would be a member of the Editorial Board and act as a regular reviewer for the journal of Frontiers in Physiology. You would be responsible for assessing the rigour and validity of the research, and work collaboratively with authors and editors to improve the manuscripts, ensuring only high-quality content is published.

Frontiers acknowledges the significant contribution of our Review Editors by publishing their names on the articles they endorse.

If you would like to accept this invitation, please click on the following link:

<https://www.frontiersin.org/digital-editorial-office/editors/invitation/5e121f4f-a0cf-456a-93eb-fbf559802b02/accept>

To decline this invitation, please click on the following link:

<https://www.frontiersin.org/digital-editorial-office/editors/invitation/5e121f4f-a0cf-456a-93eb-fbf559802b02/decline>

(If clicking on the link doesn't work, try copying and pasting the relevant link into your browser).

Please do let me know if you have any questions, and I hope to welcome you on board soon.

With best regards,

Syed Jalal Khundmiri
Associate Editor, Renal and Epithelial Physiology
www.frontiersin.org

If you do not want to receive any updates from Frontiers, you can unsubscribe by forwarding your request to support@frontiersin.org.

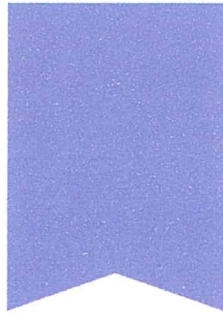

About Frontiers:

Frontiers is an award-winning Open Science platform and leading Open Access scholarly publisher. Our mission is to make high-quality research results openly available to the world, thereby accelerating scientific and technological innovation, societal progress and economic growth. We developed our platform in-house to empower scientists with radically improved tools to review, publish, evaluate and disseminate research results, including enhancing quality control in peer review and making it efficient, transparent and accountable.
