## SUMMARY

### I. Department of Medical Social Work (MSW) *A department over and above the regulatory requirements*

MSW is a department dedicated to the extension of healthcare services to the community as a part of its social responsibility. The camps are either conducted in collaboration with Govt. and Non-Govt. Organizations, social welfare groups and groups like Indian National Congress, Youth Congress, Airport authorities, etc. The areas covered include villages and sub-urban areas of Dakshina Kannada district, Bantwal, Surathkal, Mudabidri, Manjeshwara, Uppinangady. All the camps were conducted following COVID appropriate behavior. The extension activities include

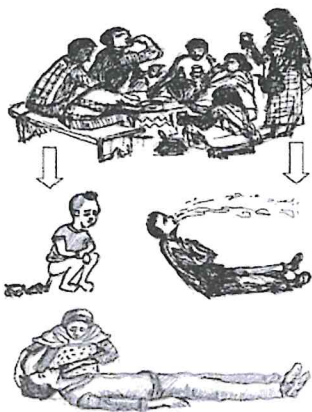

1. **Blood donation camps (45)** to encourage blood donations among healthy volunteers among residents of rural and semi-urban areas of
2. **Eye screening (5):** These camps were conducted for detection of common eye problems in the residents of villages in and around Mangalore.
3. **Medical health check-up camps (2):** Multispecialty health check up camps
4. **Specialty camps for Endosulfan affected villages (2):** These camps specially meant for villages in Uppinangady who are affected with Endosulfan exposure.

### II. Rural Health Care and Development Centre *RHCDC- A unique initiative towards the institute's social responsibility*

The Rural Health Care Development Centre (RHCDC) provides comprehensive health services free of cost to the rural and semi-urban population, through the 30 satellite centers. A dedicated team of health professionals including medical officers, medical social workers and technicians implement the activities with support from all the clinical departments and specialists. It conducts camps in association with the village Panchayaths, Anganwadi centers, Municipal council, non-governmental organizations with active involvement of students.

### III. Department of Community Medicine

The Department of Community Medicine strives to promote health in the communities. The camps conducted include special outreach camps, cancer screening camps, general health check-up and screening camps and school health check-up camps.

Medical camps are conducted in association with Anganwadi centres, Village Panchayaths, schools, Urban Primary Health Centres, Rural health care and training centres, non-governmental organizations and industries. The extension activities are conducted in Dakshina Kannada and Udupi districts. The target populations include residents of rural and urban areas and school/college children.

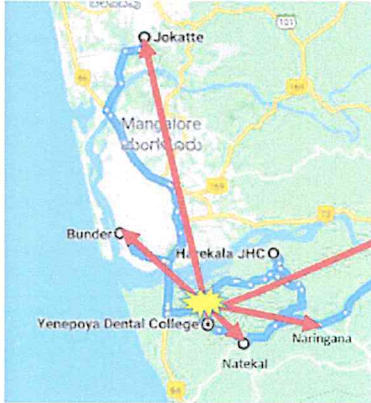

**Special Outreach camps (19)** are conducted in collaboration with the Governmental District Health Authorities and involve consultants from various specialties. The focus of special out-reach camps is non-communicable diseases and infections like dengue and malaria.

ATTESTED

Dr. Gangadhara Somayaji K S  
Registrar  
Yenepoya (Deemed to be University)  
University Road, Deralakatte  
Mangalore, Karnataka.

**Investigation of epidemic and other extension activities (5):** Apart from these camps, the department of Community Medicine has conducted investigations of epidemic outbreaks, pulse polio immunization program and health-check up camps.

**IV. Public Health Dentistry and Department of Pedodontics**

As a part of their responsibility to promote oral health, the Department of Public Health Dentistry (PHD) organizes dental care services at individual and community level. The extension activities of the department are in line with the MoUs signed with Gram Panchayath Balepuni, Anjuman Quvalthul Islam (NGO), Sri Krishna Hospital, Kakkinje, Navachethan Friends Club, Chetan Nagara, Mangaluru, Sri Subramanya Mahaganapathy Sports Club® Thokur, and Olavinahalli Rehabilitation Centre, Kinya. The department also has adopted 3 Primary Health Centres Kotekar, Natekal and Kurnad for the conduct of continuous free dental camps with due permission

from the Government of Karnataka, Dakshina Kannada District Panchayath. The PHD conducts daily camps in 5 centers- and weekly camps in 5 centers of Dakshina Kannada district. The camp services include identification of dental problems, treating them at the centers and refer them to the Dental College whenever required. The daily and weekly camps involve dental check-up, restoration of teeth, and extraction of teeth and scaling of the teeth for the residents of the rural areas on a routine and consistent basis. Whenever required, patients are referred to Yenepoya Dental College Hospital for further management. Apart from these satellite centers, the department also conducts screening and dental check up camps in various districts in association with other medical and dental departments in and around Dakshina Kananda in association with governmental and non-governmental organizations.

The Pedodontics department also conducts regular camps.

**V. Yenepoya Ayurveda Medical College**

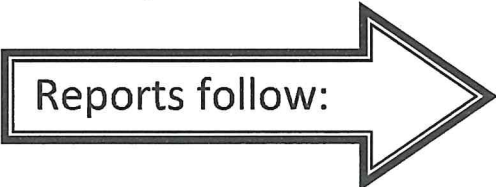

Yenepoya Ayurveda Medical College conducts camps particularly for the rural communities for Ayurveda treatment of conditions. Many of the camps are specifically targeted for conditions like ano-rectal disorders, joint disorders, headache, child health, skin

disorders, infertility, obesity, eye conditions, rhinitis and geriatric care. Most of the camps are meant for local residents, whereas some of the camps are specifically targeted for factory workers or old age homes. The beneficiaries include general public.

**VI. Yenepoya Homoeopathy Medical College**

The Homoeopathy College conducts regular camps particularly for homoeopathic treatment for geriatric conditions, immune booster distribution and for sexual and reproductive disorders. The target populations are residents of villages, old age home.

Paediatrics and OBG, nursing aid and a laboratory technician conducted the camp. The doctors examined and treated the beneficiaries. Laboratory investigations like random blood sugar and rapid test for COVID-19 were conducted. Most of the beneficiaries were children followed by adults who came for hypertension and diabetes mellitus screening. Anthropometric measurements like height and weight were carried out for all the children beneficiaries by the Anganwadi Worker and the helper. Drugs like analgesics, antipyretics, H2 blockers, and anti-hypertensives were dispensed. Beneficiaries who needed referral, were given a referral slip and advised to take further treatment in the higher center. The camp closed at 12.30 pm.

This was followed by observation of World Daughters Day by the Anganwadi Worker. Two girls who were former beneficiaries of the Anganwadi inaugurated the programme by lighting the lamp. The Anganwadi Worker spoke about the significance of the day. This was followed by a brief talk by Dr. Pracheth.

PULSE POLIO IMMUNIZATION AT RHTC, HAREKALA

**Organized by:** Department of Community Medicine, Yenepoya Medical College and District Health & Family Welfare Office Dakshina Kannada

**Date:** 31/01/2021

**Time:** 8 am Onward

**Venue:** Razia Rural Health care and Training Center, Harekala

**Faculty in charge:** Dr. Akshaya K. M., Associate Professor, Yenepoya Medical College

**Health staff who attended:**

- 1) Dr. Vineetha S, Postgraduate, Department of Community Medicine
- 2) Mohini Saff Nurse

**Total number of beneficiaries:** 60

**Brief summary:**

Pulse polio immunization was conducted at Razia Rural Health care and Training Center, Harekala on 31/01/21. A total of 60 under 5 children were vaccinated. Necessary precautions were made to ensure that the polio vaccine was maintained between the temperature +2 to +8 degree celsius. Two drops were given to the children with proper precautions taken, such that the vials did not touch the mouth of the children. The beneficiaries were inked on their left little finger. Social distance and other hygiene etiquettes were maintained during the immunization.

**INVESTIGATION OF GASTROINTESTINAL DISEASE OUTBREAK AT YENEPOYA  
JEPPU HOSTEL**

<b>Organized by:</b>	Department of Community Medicine, Yenepoya Medical College
<b>Date:</b>	25-02-2021
<b>Time:</b>	10:00am – 12.30pm
<b>Venue:</b>	Yenepoya Jeppu Hostel, Jeppu Road, Mangalore
<b>Faculty in-charge:</b>	Dr Pracheth R., Associate Professor, Department of Community Medicine
<b>Postgraduate:</b>	Dr. Subhashree Nandy
<b>Other team members:</b>	Dr. Srinivas S P, Medical Officer, RHCDC

**Brief report**

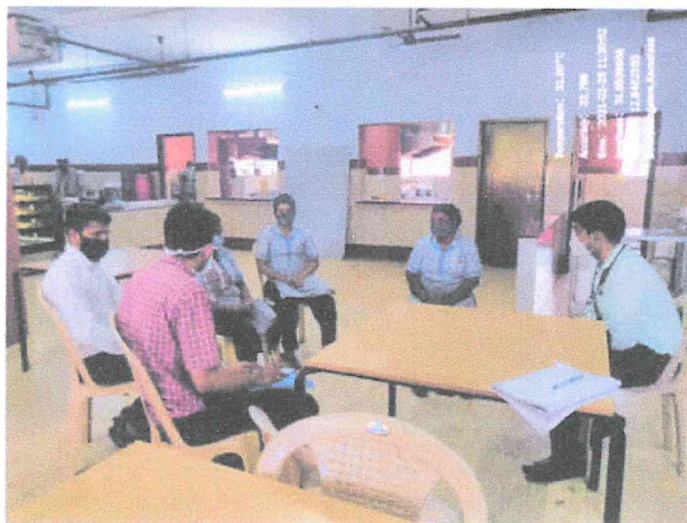

An investigation was carried out in view of an outbreak of Gastrointestinal disease at the Yenepoya Jeppu Hostel for boys and girls. Several students started to complain of fever, loose stools and vomiting from 23-02-2021 evening. The number of sick students rose to approximately 100 in 24 hours. Therefore an investigation was carried out headed by Dr. Pracheth R. Several students were interviewed and brief history of their illness was taken. The hostel mess, kitchen, water filters and water coolers were visited to check for their cleanliness and maintenance. The wardens, kitchen staff, servers and managers were interviewed too. Following this, water sampling was done from several drinking water points. A report was compiled thereafter.
