AIMS AND OBJECTIVES

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969, with primary focus on the development of personality of students through community service

The broad objectives of NSS are to:

- Understand the community in which they work
- Understand themselves in relation to their community;
- Identify the needs and problems of the community and involve them in problem solving process;
- Develop among themselves a sense of social and civic responsibility;
- Utilize their knowledge in finding practical solution to individual and community problems;
- Develop competence required for group living and sharing of responsibilities;
- Gain skills in mobilizing community participation;
- Acquire leadership qualities and democratic attitude;
- Develop capacity to meet emergencies and natural disasters and
- Practice national integration and social harmony.

NSS BADGE

The NSS symbol is embossed on the NSS badge. The NSS Volunteers wear it while undertaking any programme of Community service. The Kodak wheel in the symbol has eight bars which represent the 24 hours of the day. The Red colour in the badge indicates that the NSS Volunteers are full of high spirit. The Navy Blue colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of mankind.

NSS LOGO

The symbol of the NSS is based on the 'Rath' wheel of the Konark Sun Temple situated in Orissa. These giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space. It stands for community as well as change and implies the continuous striving of National Service Scheme for social Transformation & upliftment.

NSS MOTTO

The motto of NSS is 'NOT Me But You'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings.

NATIONAL INTEGRATION CAMP REPORT

Last week was full of action, learning and devotion for the country. The campers were given a warm welcome by Dr. Ashwini Shetty and her capable team on 30th April and the boys and girls got quickly acclimated to the beautiful campus. The inaugural ceremony was a grand affair and the highlight was the felicitation of Dr. S.N Subba Rao, Director of NYP and Colonel Nitteguthu Sharath Bhandary, Chairman of Rubber Planters federation. 350 campers 290 from 19 states of India and rest of from Yenepoya University participated in the camp. The day starts very early with the youth song at 4.55 am, this is followed by fitness exercise from 6.30 am and the flag salutation from 6.30 to 6.45 am. Each day there would be a chief guest and one of the students conducting the ceremony. Many of the campers and even the guests were very happy to learn the current way of tying the flag and hosting it. The campers would then be briefed about the days schedule and allotted duties. After a quick breakfast they were off for their 1¹/₂-2 hours of manual labour. There were four projects they worked on in this camp.

❖ Painting the exteriors of the Govt School at Chethana Nagar Kampala

❖ Cleaning the Village

There would then be an hour of language learning followed by lunch after an hour's rest, the campers would assemble for their group activities. Each state deliberated on their vision for India and how they would strive to achieve it after the camp. One participant from each state presented their views. Evenings would be live for mass games where everyone participated and not just winning was the motto.

Talent exchange saw some campers teach others unique talents they had bihu dance, karate and self defense, Bengali songs, spinning khaadi and may other items were taught. 6pm was the time for the evening all religions prayers. After the prayers it was time for cultural exchange. Every day saw different dances from all the states participating. On 5th evening, the campers went on a rally from Milagres Church to the forum mall singing songs of unity in diversity and slogans on national integration wearing traditional costumes.

At the end of the rally was a public meeting at the Forum Fizza Mall. 6th May was a day out. All the campers visited Shree Kshetra Dharmasthala at the invitation of the Dharmadhikari Veerendra Heggade. They were introduced to the rural development initiatives of the institutions and taken around the temple and premises. The high point of the camp was when people of all religions, states, languages, castes including many Muslim students and professors of Yenepoya University visited the temple and had lunch at the Annapurna Hall. This according to me was a very important and resounding message to the citizens of the country by show casing the real and tolerant face of Islam in these days when wings of Islamophobia is blowing in the country and the world.

Students also had opportunity to visit Ayush Expo, International tourism expo, Agricultural Technologies implements and rice expo, and international craft mela –rich showcase of regional and international craft and traditions.

The team from YU was representing the state of Karnataka, and therefore performed the ‘Kamsale’ folk dance popular in Kollegal, Nanjangudu and Bengaluru Taluks. It is a highly energetic and acrobatic dance form with songs sung in praise of Lord Shiva. It derives its name from the Brass cymbals (Kamsale in Kannada) that clang rhythmically to the upbeat tempo of the song. The performance of our students was highly appreciated and very well received by the audience.

International teams from Fiji, New Zealand, Japan, Russia etc performed their folk dances and enthralled the audience. There were superb performances by teams representing all the states and Union Territories of India. Students had opportunity to interact with International Delegates. A local sightseeing trip to the land of the Mahabharata, Kurukshetra was also organized by the people of NIFAA. The mega event concluded on the 29th October with the valedictory function.

The students found this experience to be really good ,exciting and totally new and unexpected as this was the first time they had an opportunity to mingle , interact and exchange views and ideas with like minded youth from across India and the World . Such interactions should be strongly encouraged in the future also, so that the students get a different perspective of things and a chance to greatly enhance their life skills.

INTER STATE YOUTH EXCHANGE PROGRAMME REPORT HELD ON 03.12.2017 – 06.12.2017

Nehru Yuva Kendra Mangaluru in association with National Service Scheme Yenepoya Deemed to be University organised “**Inter State Youth Exchange Programme**” on 03.12.2017 – 06.12.2017 at Yenepoya University campus. It was a different experience for 51 youths of Uttarakhand who were on an “**Inter State Youth Exchange Programme**” under the initiative of “**Ek Bharath Shreshtha Bharath**” of Nehru Yuva Kendra sanghatan in Karnataka and Govt of India.

- ❖ The skyscrapers of Bengaluru and Mangaluru and the palace and KRS dam in Mysuru, beaches and Kambala in Mangaluru and travel by train covering six states gave them a different experience all together.
- ❖ Speaking at an interaction with media persons here at Mangalore Vibhu Krishna from Almora District of Uttarakhand said that Uttarakhand is a hilly area with extreme cold weather throughout the year. We were excited to get a glimpse of beaches in Mangaluru.
- ❖ A journey by train too has been a new experience. A visit to Bengaluru looked like we are visiting a new country,
- ❖ We loved Kambala in Mangaluru instead of Roti and Dal, and we have started liking idly, Sambar Dosa and Vada.
- ❖ **They said “The Youth Exchange Programme”** has helped us to show case the rich heritage and culture, customs and traditions of the state enabling people to understand and appreciated the diversity of India.
- ❖ They are stating that there are no job opportunities in Uttarakhand. She said that there are ample opportunities in Karnataka. The Youth clubs in Dakshina Kannada are over 50 years old while in our state it’s hardly four to five years old. Because of the industries in the region the youth clubs get CSR funds to sustain as well. Further, Gram Panchayat buildings in Dakshina Kannada have good buildings, which is absent in our native,
- ❖ She said that Uttarakhand lags behind sector as well. People have to travel for a long distance to avail health care facilities.
- ❖ For CS Danu, the people of Mangaluru are friendly and cooperative as they attempted to converse with them in Hindi unlike other South Indian states like Tamil Nadu. He felt that corruption is rampant in Gram Panchayats in Uttarakhand.

ATTESTED

- ❖ For Rachana, “The weather in Mangaluru made her wonder how she will survive with this humidity. Now she is adjusted to it. People respect each other in Mangaluru, which they liked a lot”.

WHY THIS PROGRAMME ORGANIZED?

TO PROMOTE LEARNING

Nehru Yuva Kendra coordinator and NSS Coordinator Dr. Ashwini Shetty said to the media that 50 youth from Karnataka will leave for Uttarakhand on December - 25. The Youths from Nainital, Uttarakashi Alamora and pauri Garhwal are attending this exchange programme. The exchange programme is being organised to create an environment which promotes learning between states by sharing best practices and experiences. Through this innovative measure, the knowledge of culture, tradition and union territories will lead to an enhanced understanding and bonding between that states, thereby strengthening the unity and integrity of India. Students from Uttarkhand had hands on experience at Yenepoya deemed to be University on Basic Life Support. Mr. Arun and Dr. Meghna Mukund coordinators of the ACTS YEN explained the youths the facilities there and about their regular training programmes.

As part of the Exchange Programme the Youths from Uttarakhand interacted with Yuvaka Sangha, Thokur Vidya Vinayaka Yuvaka Mandala, haleyangady, Yuvaka Mandala, Sasihithu, Sasihithu NMPT, and MRPL interacted with students of Govinda Dasa PU College, Yenepoya university and Mangala Grameena Youth Club Konage. They also interacted with Sanooru GP members visited Thousand Pillar Basadi, Gomateshwara Gudde, Attur Church, Syed Madani Daargh, Gokarnanatha Temple, and St Aloysius Chapel and Youths also interacted with Vice Chancellor of Yenepoya Deemed to be University. They interacted with youths of Yenepoya University related to education, courses offered at university, about the climate, Enviornmement, culture tradition of Mangalore.

Respected Sir,

Subject: Report of the training on Self Defense for the female students of 6th and 7th Term MBBS on 25/11/2017.

On your directions, the NSS unit of Yenepoya Medical College in association with Department of Community Medicine organized the training on Self Defense Techniques on 25/11/2017 between 3 pm and 5pm at Yendurance zone, Yenepoya University campus. Around 80 female students from the 6th and 7th term MBBS participated in the training. Mr. Nadeem, a black belt Karate Master trained the students in the self defense techniques. The programme was well appreciated by the students and many were willing to take up a formal course in future. Dr Navya N, Assistant Professor, Community Medicine coordinated the conduct of the programme.

There was also a sensitization session on "Gender sensitization" for the male students of 6th and 7th term MBBS during the same period. About 50 students participated in this session. This session was conducted by Dr Varun N and Dr Madhavi Bhargava, Assistant Professors in Community Medicine.

Dr Akshaya KM, NSS Programme Officer and Associate Professor, Community Medicine and Dr Ashwini Shetty, NSS coordinator, Yenepoya University organized the programmes.

Day 1:

- The Day one started with registration of the programme Officer and volunteers at the office where each and every student was made to write their name and phone number and address in their own hand writing.
- The afternoon there was a lecture on basics in mountain climbing and precautions to be taken and rules of mountain climbing.
- There was also a session on the basics in knots practice and there was a practical demonstration on the same. We all had to demonstrate our skills in the knotting practice on a piece of rope.
- The day ended well with the all the teams from Pondicherry and Kerala introducing themselves and getting to know with each other.

Day 2:

- The day 2 started with all teams preparing for the morning exercise and it was done in indoors as it was raining.
- The team of the instructors took us out to the Shir Kote it was our first experience in the wild climbing the jungle routes with full confidence, and it was amazing in the jungle enjoying the fresh air with our full gear on with wind sheeters protecting us from the rain in no time we reached the summit. The entire journey went in explaining the flora and fauna of the jungle. We reached the peak of 10000 feet we had climbed. There was excitement everywhere with all team members taking photos with each and every

member, and some on the social media screaming out loud and informing their feat to all.

- I also felt the sense of relief after climbing the peak and started enjoying the moment with all.

Figure 2: The Shirkoot Peak, Narkanda- 8500 feet

Day 3:

- The day 3 started with gloomy outlook as it was raining heavily and phone calls received and messages from the near and dear ones on the situation in Narkanda after hearing about the flash floods in the kulu manali area.
- As it was raining the instructors pulled an innovative gig by occupying us by demonstrating us on how to make modified stretchers and rescue operations in the jungle. All the teams exhibited their skills.
- Though it was raining, the team Kerala came out with an excellent cultural performance and enthralling all of us with their creativity and also team Pondicherry also showed their talents. The event also with all programme officers singing in the day.

Day 4:

- The day 4 started with an exercise sessions outside the building first time with sun coming out for the first time since we had arrived in the Narkanda.
- The team went out to chichard jungle, it was experience on its own again the flora fauna of rhe Himalayas was amazing.
- The instructors explaining the highs and lows of climbing with all team members walking like an Ant one after the other and then taking pictures all of a sudden was amazing to see. The word watch out, be careful and chalo age bado was amazing.
- As we went on a trekking there was a point where i and Dr. Satheesh had belay the other participants and then i asked sir to move forward to help the people ahead.
- After sometime the entire slope was slippery, where our volunteers from Yenepoya and Kerala team displayed a presence of mind.
- And then the instructors Mr. Jampa Negi coming and telling us to cross without fear and all the team members crossing the sloppy ridge without support was amazing.
- And then we had a stream of water crossing and our instructors making sure that we do a river crossing exercise or valley crossing which was an amazing experience. The first crossing was done by Dr. Rekha Shenoy which was amazing.

W ATTESTED

- As usual i went second last with Feroze from Yenepoya coming in the last to do the river crossing indeed it was an amazing experience with all team members crossing the river with no injuries or harm. The second half of crossing was amazing as we saw heavy downpour which dint ditter the volunteers or the programmes officers as we continues to do crossing in the rain. After the river crossing there was debriefing on the exercise.
- It also followed the demonstration on how to rescue people during floods, which was amazing.

Day 5:

- The day 5 Started with a high hopes on the mind and more energy.
- After the breakfast we went for a trek on to the oddi it was and downhill first with we reaching the apple orchard farms with everybody thinking about plucking the apple from the farm. It was my first time to see apple in the trees. Amazing site and watery mouth we left the apple orchard to a place where we were asked to sit and explain the experience of our for about an hour. Everyone wanted to continue the journey without rest what came afterwards was huge climb uphill which tested the strength of everyone in the team.

ATTESTED

- The climb was steep with every one panting and sitting and walking.
- In the debriefing session we found out that we had walked for about 12 Kilometres without any effort.

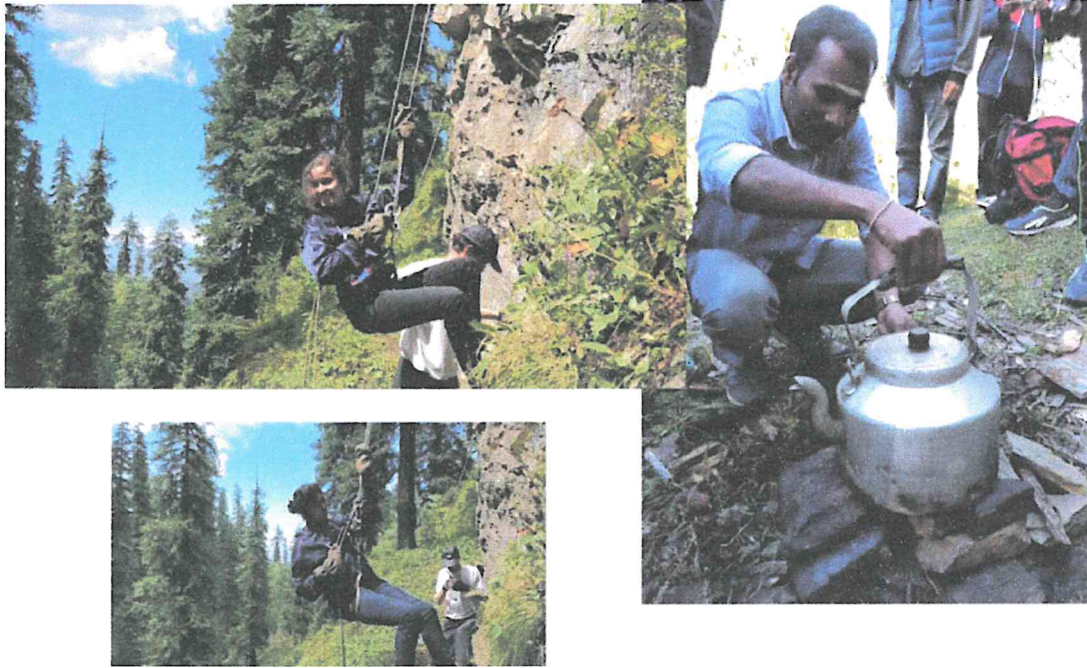

Day 6:

- Day 6 started with a walk to the uphill where we did our morning exercise and Jampa sir demonstrating an exercise where he walked past all of us and we didn't even realise that he walked past us.
- The day started with a trekk and we reached a summit the team were divided into two teams and were given a task of making the tea with every team finding the source of water and firewood and it was an task with amazing experience with the instructors setting us up with an task of rappelling and the task was Amazing with the steep and the look down below was dangerous with rocks sharp and water flowing downwards.
- I was confident of doing it easily but once u had the rope in your hand and started rappelling and was feeling very happy and excited that we completed the task. And again the trekk towards the uphill amidst the river was amazing.

Day7:

- The morning was sunny and bright and it was an usual morning with exercise and walk.
- It was a surprise in the morning with route map drawn team divided into 5 teams and all were explained to reach back to hostel with the help of the map. The route was very much confusing going through routes we had already trekked few are new. The clues were amazing with the bathing dog, huts and streams and u turn with lots of confusion points.
- Only drawback was the programme officers were the mute spectators, and half to patiently wait at the points for time verification.
- The two teams took short cut and one team followed all the routes and the other two were lost and had it be rescued but all the teams continues the task and finished it.
- The debriefing was fun with all teams discussing what went wrong.

- All students got up early and were ready for the big walk. The day started with the teams getting all dry rations and geared up.
- We walked and walked and walked but the destination was still far, the milestone was showing the 5 kilometers and 1 and we took short cuts through the jungle to reach the hatu temple.
- Finally there was a sense of relief and achievement in all of the faces of volunteers and the programme officers as all have achieved the feat.

Day10:

- The days which all were thinking not come had come. All the participants were busy packing and saying the final good buy. The team Mangalore which was suppose to leave in the end bid teary farewell to Team Pondicherry and Team Kerala.
- We left our destination on 5.00 PM towards Delhi.

Respected Sir,

Subject: Permission to conduct NSS special camp from 05/04/2019 to 07/04/2019 at Mudungarkatte Government School, Balepuni

As per communication received by Regional Director of NSS Bangalore, Karnataka, dated 21/03/2019, all NSS units are directed to organize special camps. A fund of Rs.30,000 has been credited to each NSS unit of the university through PFMS. If the funds remain unutilized, it will have to be returned back to the Regional NSS Office. The communication from Regional Director of NSS is attached (Ref:2018-19/605)

In this regard, after consultation with the NSS Coordinator of the university, a special camp is being planned by NSS Unit-2, Yenepoya Medical College, from 05/04/2019 to 07/04/2019 at Mudungarkatte Government School, Balepuni.

The main purpose of this special camp is to provide a hands-on experience for the NSS volunteers in delivering community service.

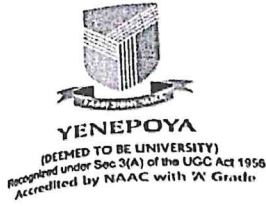

Simultaneously, the NSS Unit of Yenepoya Degree College are planning to conduct their special camp in the same place from 05/04/2019 to 11/04/2019. Both the NSS units have decided to conduct some of the activities at the camp site from 05/04/2019 to 07/04/2019 in collaboration.

PADDY PLANTATION PROGRAMME AT KATTATHILA, ON 4TH AUGUST 2019

Rice is the most important food crop of India covering about one-fourth of the total cropped area and providing food to about half of the Indian population. To create awareness of cultivation of paddy, National Service Scheme (NSS) and Karaseva of Yenepoya (Deemed to be University) in association with Krishi Vigyan Kendra organised a paddy plantation programme at Kattathila, Salettur on 4th August 2019.

Totally 53 students and faculty of Yenepoya (Deemed to be University) in Mangaluru, have made a commendable effort in growing their own food. The best part is that not only did these students successfully cultivate rice on land which was fallow; they will also use the field rice to feed government school students of kattathilla.

The paddy programme was inaugurated symbolically by planting paddy in the field by the dignitaries and NSS and Karaseva volunteers were present on the occasion. Dr. Ashwini S Shetty, Programme Coordinator, NSS Spoke on Importance of NSS Volunteers involving in social activities. Dr. Chetan, Scientist Fisheries and Incharge Head Krishi Vigyan Kendra Highlighted the importance of Farming. Ms. Tejaswini Gave brief on Karaseva trust and their contribution to the Govt school Kattathila and Karaseva trust president Mr. Anmol and Mrs. Aishwarya, Dr. Umakulkarni Prof. Ophthalmology, Dr. Shripad Prof. Dept of Anaesthesia Dr. Mallikarjun Scientist Soil Science, Dr. Kedarnath Scientist, Plant Pathologist from ICAR, Krishi Vigyan Kendra, Headmistress of the Govt school Kattathilla Dr. Imran NSS Programme Officer and Dr. Vishnu Faculty Yenepoya Homeopathy college were present on this occasion.

Farming Activities for students are great, because,

- It exposes them to the long and tough process of bringing food from the field to the plate.
- It helps to break certain perceptions or misgivings that any student might have had, with regards to farming.
- It is a very important activity that students can indulge in, without a laptop, a mobile phone and the internet
- Students prepared themselves to level the field; plant seedlings, remove weeds, and finally harvest their produce. Villagers were impressed by student's efforts, some villagers; farmer leaders of the villages—joined and helped the students

- It helps the students to empathise with farmers, and acknowledge the hardships they face. Farming encourages students not to waste food, given the effort taken to grow it..
- It's important to know that agricultural scenario is becoming less attractive every day, and an initiative like this will help to rekindle an interest towards farming, among students. One quintal rice which will be produced will feed the 36 students Govt students of Kattathila till the end of the current academic session

Strengthening the bond between Uttarakhand, State

50 youths from northern State visit Dakshina Kannada

SPECIAL CORRESPONDENT MANGALORE
About 50 youths representing different youth organisations in Uttarakhand, through its Nehru Yuva Kendra, participated in a Youth Exchange Programme between January 24 and January 27 in Dakshina Kannada district.

A dialogue with the representatives was organised at the auditorium of the Information and Public Relations Department here on Monday, in association with Nehru Yuva Kendra, National Service Scheme and Yenepoya University.

The programme was intended to strengthen the bond between the residents

of Uttarakhand and Karnataka by knowing their language, culture, lifestyle, education and other aspects of social life.

The representatives vividly described the rich natural beauty of the coastal district and the life here, while Arapp, one of the representatives, sang "Solligala Sooji Mullige", a Kannada folk song. Another member, Jayathi, wore the traditional costume of her State and explained its significance. All the representatives shared the experience they had gained during the programme on the occasion.

During the four-day district tour, the representatives visited many places of

importance in Mangaluru, including Kadri Sri Gokarna-matha Temple, Ullal Syed Madani Dargah, St. Alexius Chapel, Athur Chapel and the beaches. The team also participated in the Republic Day celebrations at Alvas College, Moodbidri, on Sunday, besides visiting the Yakshagana Study Centre at Alvas.

They met Deputy Commissioner Sindhu B. Ramesh on Monday. Kendra district convener Raghunath Suterpet, District Information Officer R.A. Khader Sha, Yenepoya University's NSS coordinator Achmini Shetty and others were present at Monday's programme.

Sir,

Sub: Organizing Inter State Youth Exchange Programme under 'Ek Bharath Shreshta Bharath Scheme' by Nehru Yuva Kendra Sangathan, Bangalore.

Nehru Yuva Kendra Sangathan, Ministry of Youth Affairs & Sports, Government of India is organizing the Inter State Youth Exchange Programme under 'Ek Bharath Shreshta Bharath Scheme' in all the States and UTs for 15 days involving 100 participants. The programme will be very useful to link various States and Districts that will connect people through exchanges in areas of culture, tourism, language, education, trade etc., and citizens will be able to experience the cultural diversity of a much larger number of State/UTs while realizing that India is one.

NYKS is organizing the programme from 20.01.2020 to 03.02.2020 involving 100 young participants from Dehradun, Uttarkhand and Karnataka.

We propose to take 50 participants from Uttarakhand on an exposure tour to Mangalore from 24.01.2020 to 27.01.2020, during which they will be interacting with the local Youth, exposure will be given on the rich cultural heritage and advancements taking place in Mangalore and will be taken on a local exposure visit.

We seek simple Boarding and Lodging facility and transportation facilities for these 50 participants in Mangalore for the above dates from Youth Esteemed Institution, and an Auditorium wherein these 50 Youth can interact with 50 Youth from your esteemed institution.

Expecting your kind and favorable action.

Thanking you,

Yours faithfully,
