YENEPOYA INSTITUTE OF ARTS SCIENCE COMMERCE AND MANAGEMENT
Report of Rotaract Club

Rotaract focuses on the development of young adults as leaders in their communities and work places. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world. "Rotaract" stands for "Rotary in Action", although the name originally comes from a combination of "Rotary" and "Interact" (International + Action), the high school level program created by Rotary International in 1962.

Most Rotaract activities take place at the club level. Rotaract clubs hold formal meetings, usually every two weeks, which feature speakers, special outings, social activities, discussions or visits to other clubs. Club members get together on designated days for service project work, social events, or professional/leadership development workshops.

To be eligible for membership, prospective members must be 18–30 years of age, show that they are committed to Rotaract, and show that they are of good standing in the community. After being approved by the club, prospective members are 'inducted' to become members, also known as 'Rotaractors'. The avenues of service include Club Service, Community Service, International Service and Professional Development. Rotaract is the platform which connects the youth from all over the world, and help them to grow their professional career.

YENVIRON VENTURE 2020
(AWARENESS PROGRAM ON NATURE AND REPTILES)

Rotaract Club of the Yenepoya Institute of Arts, Science, Commerce and Management organised seminar on “The Nature and reptiles” under the program named “Yenviron Venture 2020” on 12/02/2020 at lecture hall 06, YIASC. The Seminar was conducted by Mr. Xavier Kiran Pinto (Snake Kiran Mangalore). The session was very interactive and more informative to the gathering as the students were given brief knowledge about all type of snakes in and around our surroundings and also few live species of Snakes were given to them to hold in their hands, to take out their inner fear of the snakes and to dispel the Myths that all snakes are poisonous. By this it gives a knowledge to the students to be friendly in touch with the natural habitat of the ecology. It included the information on first aid of snake bite.

Dr. Bhagya B. Sharma, The Assistant Director of Centre for Environmental Studies, Yenepoya (Deemed to be university), Ms. Veena, Forest Guard, Forest department Mangalore, Rtr. Vinod Dsouza, Chairman Rotaract Committee, Rotary club of Mangalore, Ms Lakshmi B.M and Mr Mervin Vas, Rotaract Club Coordinators, Mr Munim Shabandari, President and Ms Fathima Suhaila, Secretary and 60 rotaract Volunteers and faculty of YIASC were present in the seminar.
