Dear Bipasha Bose,

It is my privilege to introduce to you Amity Institute of Molecular Medicine & Stem Cell Research (AIMMSCR) which is a part of Amity University Uttar Pradesh, Noida, a leading private University in Delhi NCR Region. AUUP has the distinction of being awarded Grade 'A' by NAAC in 2012. The vision behind AIMMSCR is to initiate high quality innovative research and teaching in interdisciplinary science to develop specialized manpower, academicians and intellectual leaders and scientists with excellent professional skills in stem cell technology, molecular medicine and cancer biology. In these programs we are teaching both basic as well as applied subjects in frontier areas of molecular oncology and stem cell science.

We take pride in introducing to you one of our bright and talented student Ms. Athira VS. Enrollment No.: A14588017006, Roll No.: SST/17/006, who is a student of 2nd Semester of 2 years M.Sc. (SST) (Batch 2017-2019). As part of her course curriculum she is required to undergo Summer Internship. The Summer Internship can be done between 3rd week of May 2018 and 1st week of July 2018 in Academic Institutions/industries in the area of advanced science & technology as a part of requirement for partial fulfillment for the award of M.Sc. degree.

Ms. Athira VS has gone through a course work in specialized subjects such as Animal Cell Culture & Cell Engineering, Biomedical Toxicology, Stem Cell Biology, Genome Engineering, Molecular Oncology, Basic and applied Immunology, Medical Genetics as well as in the allied area along with value added courses. Her performance in the past semester has been highly satisfactory.

In view of the vast expertise and contribution of your Institute in the area of science, technology and innovation, I shall highly appreciate if you kindly accommodate one of our students for training at your Institute.

I am confident that this association will be mutually rewarding for us.

With warm regards,

Bhudev Das
