**Subject: ERS Short-Term Research Fellowship STRTF201804-00368**

Dear Dr. Gerald Burgstaller,

We are pleased to inform you that Mr. Mahesh Manjunath Gouda has been awarded with an ERS Fellowship. According to his application, Mr. Mahesh Manjunath Gouda will be hosted at your institute for 3 months to complete his research project. We wish you all success in this scientific undertaking.

Please consider that both the Scientific Council of the ERS and the ERS Office will be happy to cooperate and support you on any matter you think could be useful.

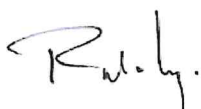

From an ERS perspective, publication(s) on this project's results and on the ERJ in particular, would be appreciated. However the Journal is the choice of the authors and ERS will not interfere with that. The only requirement related to the acknowledgement of ERS support is an appropriate referencing, such as:

**'We acknowledge the support of the European Respiratory Society (Fellowship STRTF201804-00368)'**

As time for publication is longer than the duration of the fellowship, updates on what has been done and achieved should be shared with ERS. Therefore, an end of project report (no later than 3 months after the end of the fellowship) are expected from the fellowship recipient and the Host Supervisor. Information is available on [ERS ST Fellowship website](#).

We thank you for your commitment and support to cooperate with the Scientific Activities of the ERS and remain at your disposal for any clarification you may require, [fellowships@ersnet.org](mailto:fellowships@ersnet.org)

Yours sincerely,

Dr. Rory Morty  
ERS Fellowships and Awards Director
