Dear Sir/ Madam,

Amity Institute of Behavioral & Allied Sciences (AIBAS), Amity University Mumbai is appreciative of the opportunity offered to our student by your esteemed Organization/ Institute.

To facilitate experiential learning students are required to undergo field training in hospital, schools, college, rehabilitation institutes, NGO's, Corporates, etc. The internship is a crucial part of the course for the students to get first - hand experience of real -life settings and develop professional skills required. The internship is purely based on observation/experiential learning of all aspects - case history compilation, interviews, therapy sessions, behavioral training, etc.

We request you to kindly consider Ms.Aadhisha Shirish (PSY BSc 18001) to work under the guidance of one of your professionals for the period of two months. The students will maintain a daily diary of the work assigned and where patients/case observation is involved complete anonymity will be maintained.

The person designated as student supervisor at your organization will assess the student on five Point grading scale i.e. Poor-1, Average-2, Good-3, very Good-4, Excellent-5

On completion of the internship, you are requested to issue a formal letter or certificate stating that student have completed their internship at your organization/institute/clinic with the respective grade as assigned by you.
