**Agenda 3: Subscription for Scopus database :** The proposal for subscription for Scopus which is the world's largest abstracting and citation database was placed before the committee. It indexes content from 24,600 active titles and 5,000 publishers. Scopus empowers institutions to strengthen their research performance, rank and reputation as NIRF, QS World ranking, Times ranking uses Scopus for assessment of publication metrics It optimizes analytic powers of researchers and value of their output. The total annual subscription cost of Scopus after discount is \$19,187/- ie Rs 14,00,651 + 18% GST . Last year we had subscription to Web of Science. The Committee has recommended that the opinion of the Deans and research cell may be taken to finalise if Scopus and/or Web of Science was required as cost of subscription to Web of science is approx 22 lakhs. Pro Vice Chancellor advised that budget may be allotted for the same.

**Agenda 4: Stock verification-report of books missing in Library:** During the stock verification conducted recently, it was found that thirty-eight (38) books were missing from the library. The total cost amounts to Rs.60,648.97 and included twelve (12) books from undergraduate section, seven (7) of postgraduate medical section, sixteen (16) from postgraduate dental section and three (3) from nursing section..According to the policy on Loss of books, 'Loss of ten volumes per 1000 volumes consulted/circulated on loan in a year may be taken as permanent value/un-service able and it may be considered for write off'. The committee has recommended that these books may be written off. However some preventive measures needs to be taken up to prevent these occurrences like grills/mesh for the windows, possibility of RFID technology etc...

**Agenda 5: Migration of Library software from Easylib to Koha:** At present, EASYLIB software installed in the year 2010 is being used. Initially data of four constituent colleges were installed in the software. As the number of colleges and courses are growing there is a need to upgrade the software to accommodate this. It has been proposed to migrate to the Koha software, which is an open source

software. Approximate cost of installation (on local Yenepoya server) and data migration amounts to Rs. 1,59,000. A server needs to be available for the same. The committee has recommended and approved the same.

**Agenda 6: Library website creation is in progress :** The structure and layout for the library website has been developed. The theme has also been selected. The content for the website is being created at present.

**Agenda 7: Upgradation and migration of Dspace institutional repository**  
Institutional repository with Dspace open source software which was created in the year 2011 has faculty publications, previous years question papers, theses & dissertations. There is a need to upgrade and migrate to new version of DSpace software, cost of which is approximately Rs.80,000 to Rs.1,00,000/-. The committee has recommended and approved the same.

**Agenda 8: RFID Technology, mesh for windows, Open access system:** At present barcode technology is being used for books and membership cards. Scanner is used for circulation activities. It is recommended to implement RFID technology for quicker circulation operations and anti theft detection system in the library. Total cost for RFID technology may be approximately 10 lakhs. The windows in the library needs to be provided with grills/mesh before implementation of this technology. Total cost for the same may be approximately 3 lakhs. Registrar has advised that budget may be allotted for the same. The committee has recommended and approved the same.

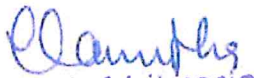

**Agenda 9: Digital documentation system for library files :** There are old receipt books of photocopying charges, fine etc. old files from the year 1992 onwards and old copies (extra) of IQRA magazine. Permission was sought to weed these items since there is space constraint in the library. The committee has recommended that receipt books for the last one year may be retained, files can be digitised for record keeping and extra copies of IQRA magazines may be disposed after retaining ten copies in the library.

**Agenda 10: Physical reorganisation of Central Library:** The library space has been re-organised to make optimum use of the available space as there is space constraint to shelve books, journal archives etc in the postgraduate section of the library. Hence the postgraduate section has been shifted to the ground floor with shelving of PG medical and dental books in this area. Outside Reading area has been shifted to the basement with separate entry from outside for undergraduate and postgraduate students. Current journals, bound volumes of journal (archives) and theses and dissertations of medical, dental, nursing physiotherapy and other allied subjects have been shelved in the basement in one wing. Circulation desk has been newly fabricated and shifted near the library entrance.

The meeting ended at 1.15 pm with thanks to the chair.

The committee approved the purchase of various journals proposed for subscription for the year 2016.

It was pointed out that since a huge amount is spent for purchase of journals, the usage of these journals should be monitored. The librarian pointed out that usage of journals is monitored and the users are required to sign on the usage monitoring sheet pasted on each issue of the journal. It was also pointed out that most of the users do not make an entry in this sheet. It was decided that signing of the usage monitoring sheet should be made mandatory. In this connection, instructions need to be displayed at the journals section and library noticeboards.

Dr Arun Bhagwat pointed out that since Yenepoya University will be going for the National Institutional Ranking Framework (NIRF) of Universities, online databases like Web of Science, Scopus may be subscribed for the University.

The library committee approved the suggestion and decided to earmark the amount under 'University budget' head proposed in the earlier agenda.

**Agenda 4: Subscription/renewal of World Health Organization (WHO)- Global Subscription for the year 2016.**

The committee approved for the subscription for World Health Organization (WHO) publications which includes periodicals, book series and non-book series from Global Subscription series, WHO, Geneva from Caxton publications, Cochin for the year 2016, costing Rs 72,325/-
