Respected Sir,

As per my meeting with you last week DAMS would like to conduct classes for NEET PG at Yenepoya Medical College campus and we can assure you it will immensely benefit the students preparing for MD/MS entrance examination.

DAMS has been in existence since 1999 and is the No. 1 choice for coaching among students all over India who aspire to get their dream PG seat

We have been successfully running the classes for MD/MS entrance at Mangalore centre for last 5 years and our students are now pursuing post graduate studies in premier institutes across India. Many of those students also are from your medical college. Every year we have more than 90% of students who qualify NEET Pg examination.

Now with DAMS classes running at the door steps, the students of your university will have great advantage which will help in bringing laurels to both you and our institutions.

Now we propose to run DAMS Pre-Foundation (suitable for II MBBS) and foundation course (suitable for III MBBS).

The above mentioned courses are having following features

1. Classes on selected weekends by our esteemed team of faculty members. We have a pool of passionate teachers carefully selected from the best of the institutes across the country.
2. High yielding study material equipped with MCQs (online and offline)
3. Evaluation with regular online exams with All India Based Ranking.
4. Interactive app/online medium for doubt clearing.

The course will help for 2nd and 3rd MBBS students (we will conduct classes of 2nd and 3rd MBBS subjects)

All these classes will be held on weekends (Friday Saturday and Sunday or other holidays) and we will require approximately 10 weekends spread over 10 months from January to October (once week end a month)

Courses for final year and Intern students may be conducted as on need basis.

To take these things forward we would like to request you to permit us to conduct "Orientation towards NEET PG" an interactive session for approximately 2 hours which will help students to get to know the exam patterns and how to prepare for it. This will be an open session for all MBBS students (From I MBBS to Interns). Please let us know a convenient date and time for the same.

Thanking you.

Hoping to hear more in this regard

Sincerely
Firoz

Subject: DAMS NEXT EXAMINATION Orientation

To: <principalymc@yenepoya.edu.in>, <yenoffice@yenepoya.edu.in>

> Respected Sir,

>

> This mail is with reference to our meeting with Ms. Shirley regarding conducting special ORIENTATION SEMINAR for MBBS students of your college about the proposed NEXT Examination.

>

> As we know that the govt. of India has passed the NMC bill and in this bill there is a provision for an EXIT EXAM after MBBS, Henceforth referred as NEXT (National Exit Test).

> Clearing NEXT is mandatory to be awarded MBBS Degree and the same will also serve as PG entrance examination. There have been lot of confusion amongst the students regarding applicability of this exam, the pattern of exam and when it will come into existence and also on how to prepare for it.

>

> We would like to conduct "Be NEXT Ready" - An Informative Seminar by one of our renowned faculties, Dr Sanjeev Chitragar (MBBS, MD AIIMS, New Delhi) who has mentored many students to clear the erstwhile NEET, AIIMS and other competitive PG entrance examination.

> The seminar will address the following :-

>

> - When will NEXT be held?

> - From which batch it will be made compulsory ?

> - What will be the pattern?

> - How and when to start preparation?

> - Current scenario (NEET PG) until when it will be continued?

> - Followed by Q & A session.

>

> As discussed we would request to have a slot on September 4th, from 2 pm to 4 pm at your institute.

>

> Hoping to hear from you at the earliest.

>

> Thanking you.
