I. Introduction

Established: 09.08.2010

The Internal Quality Assurance Cell (IQAC) was established in the year 2010 as part of the quality sustenance, improvement and enhancement activity. The IQAC is leading the implementation of quality standards of Institution by identifying, internalizing and institutionalizing quality practices. The IQAC has been reconstituted adhering to the norms of its composition as per the NAAC Guidelines with the Vice Chancellor as the Chairman of the committee with external members nominated from local society, Students, Alumni, Employer, Industrialists and stakeholders. The other internal members represent various academic/administrative sections/units of the University along with student representation from various constituent units.

Dr. Arun Bhagwath
Dy. Director
Quality Assessment & Compliance

II. Vision and Mission and objectives of IQAC

Vision

To provide access to quality higher education in health sciences and related areas, ensuring equity, to create a vibrant knowledge capital and to create inspiring leaders of tomorrow who can take this country to the forefront of the developed nations.

Mission

- To foster academic excellence and global competencies among students in the health profession.
- To create an environment for the generation of new knowledge through meaningful research, adopting latest methods of pedagogy and incorporating modern principles of academics integrated with highest ethical standards.
- To extend the knowledge acquired and new knowledge generated for the development of the community in health management.

Objectives

- To enhance the quality of activities in the institution towards academic excellence.
- Participatory activities towards attaining quality
- Developing intervention strategies to remove deficiencies and enhance quality.

I. Introduction

Established: 09.08.2010

The Internal Quality Assurance Cell (IQAC) was established in the year 2010 as part of the quality sustenance, improvement and enhancement activity. The IQAC is leading the implementation of quality standards of Institution by identifying, internalizing and institutionalizing quality practices. The IQAC has been reconstituted adhering to the norms of its composition as per the NAAC Guidelines with the Vice Chancellor as the Chairman of the committee with external members nominated from local society, Students, Alumni, Employer, Industrialists and stakeholders. The other internal members represent various academic/administrative sections/units of the University along with student representation from various constituent units.

Dr. Arun Bhagwath
Dy. Director
Quality Assessment & Compliance

II. Vision and Mission and objectives of IQAC

Vision

To provide access to quality higher education in health sciences and related areas, ensuring equity, to create a vibrant knowledge capital and to create inspiring leaders of tomorrow who can take this country to the forefront of the developed nations.

Mission

- To foster academic excellence and global competencies among students in the health profession.
- To create an environment for the generation of new knowledge through meaningful research, adopting latest methods of pedagogy and incorporating modern principles of academics integrated with highest ethical standards.
- To extend the knowledge acquired and new knowledge generated for the development of the community in health management.

Objectives

- To enhance the quality of activities in the institution towards academic excellence.
- Participatory activities towards attaining quality
- Developing intervention strategies to remove deficiencies and enhance quality.
