ABOUT THE UNIVERSITY

Genesis

Yenepoya (Deemed to be University) is sponsored by the Islamic Academy of Education, which is a not-for-profit trust committed to promoting education among minorities. The Academy was established in 1991 under the chairmanship of the philanthropist, Mr. Yenepoya Abdulla Kunhi.

The Academy was focused on health sciences since it would not only promote education but also the health and well-being of society. With this vision, the Academy started Yenepoya Dental College in the year 1992. The commitment of the Academy was to serve the entire spectrum of the student population. This was envisaged by starting Yenepoya Institute of Nursing Sciences in 1994, followed by Yenepoya Medical College in 1999, Yenepoya Nursing College in 2003, and Yenepoya Physiotherapy College in 2004.

Commitment to quality of education encouraged the Academy to consolidate and upgrade the affiliated colleges to the status of a national University. The efforts of the Academy bore fruits in 2008 when the then Ministry of Human Resource Development of the Government of India on the recommendation of the University Grants Commission notified the formation of Yenepoya University comprising four constituent units viz., Yenepoya Dental College, Yenepoya Medical College, Yenepoya Nursing College, and Yenepoya Physiotherapy College.

Yenepoya University became the first private University in the Dakshina Kannada district of Karnataka State. The University was renamed Yenepoya (Deemed to be University) in 2018.

Logo

The Yenepoya University adopted the logo of 'Rabbi Zidni Ilma' meaning 'O Lord increase me in knowledge'.

The logo reflects the rich ideals and the core values upon which the very foundations have been built. The colours on the shield are a salutation to the three key facets of the University – the mentor, the materials and the medium – through which this increase takes place, and are also representative of them.

Green embodies life and the giver thereof. Green is the colour of paradise, the ultimate destination for all knowledge seekers. Just as the azure sky, wraps the Earth, blue symbolizes protection. Blue is synonymous with scholastic achievements and the success the institution has to its credit. And last but not the least, grey symbolizes stability and dependability. It stands for the staunch guiding (governing) principles and discipline that our students and our institutions are known for.

The shield, symbolic of a reputed seat of learning is adorned with (emblazoned with) the motto 'Rabbi Zidni 'Ilma' on the ribbon below. The words in Arabic, taken from the Holy Quran, literally translate into the meaningful phrase – 'Lord, increase me in knowledge' – indeed the very frame, the life plasma and the purpose of the institution, all its faculties and facilities.

Milestones

The University, with a vision to diversify its academic offering, started Yenepoya Pharmacy College and Research Center and Yenepoya Institute of Arts, Science, Commerce and Management in 2017. Further on, the health sciences discipline was expanded by starting Yenepoya Ayurveda Medical College and Hospital and Yenepoya Homeopathic Medical College and Hospital in 2018, Yenepoya Naturopathy and Yogic Sciences College and Hospital in 2020 and Yenepoya School of Allied Health Sciences in 2020.

Vision

The vision of the University is to be at the forefront of the top Universities in India in the field of education, particularly in Health and Allied Sciences, while contributing to the development of the healthcare sector through quality education, healthcare delivery to the rural masses, translational research, and creating leaders who can contribute to national development.

Mission

- To foster academic excellence and global

competencies among students in the professional front related to Health, Science and Technology, Social Sciences and Commerce and Management such that regional, national, and global educational needs are met.

- To create an environment for the generation of new knowledge through meaningful research, adopting the latest methods of pedagogy, and incorporating modern principles of academics integrated with highest ethical standards.
- To extend the knowledge acquired and new knowledge generated for the development of the community
- To achieve excellence in education by offering learner-centered education, patient-centered service, and community-oriented research.
- Care for the needs of a diverse community and serve the underserved.
- Serve as a leader in the education sector.
- To achieve academic excellence and impart global competencies among students.
- To proactively create an environment for the generation of new knowledge.

MILESTONES OF YENEPOYA (Deemed to be University)

MESSAGE

Dr. Yenepoya Abdulla Kunhi
Chancellor

I am delighted to note that Yenepoya (Deemed to be University) is bringing out its Annual Report for the academic year 2023-24 summarizing the academic and administrative achievements. As we complete 15 years after receiving recognition from the University Grants Commission, it is gratifying to record that the university is continuing to scale up in all facets of its activities. The University has been consistently placed within top 100 ranks in the National Institutional Ranking Framework of Universities. These accomplishments stand as testament to our collective commitment to quality and our continuous efforts for improvement in educational processes.

Alhamdulillah.

I believe that these accomplishments are a result of the grace and blessings of Almighty Allah. It is through His benevolence that the University has rapidly progressed to realize the vision of our founder, Al Haj Yenepoya Moideen Kunhi, in gaining global appreciation.

The expansion of academic prospects with the addition of Faculty of Engineering and Technology, besides Online and Distance Learning have further diversified the educational offerings. The research achievements have been commendable with several research projects ongoing funded by national and international agencies. Moreover, the incubation center has emerged as a catalyst for innovation, mentoring startups and winning national accolades.

Our commitment to community service remains unwavering and the outreach programs reached close to one lakh beneficiaries. The students and faculty of the University have been actively participating in these initiatives, reflect the spirit of compassion and service that underpins our mission.

I extend my sincere appreciation to the entire Yenepoya community for their dedication, passion, and resilience in making this a remarkable year. I am pleased to compliment the editorial team for meticulously compiling the contents of this Annual Report.

As we move forward, let us continue to strive for excellence, innovation, and service for transforming and creating a sustainable impact on society.

MESSAGE

Dr. M Vijayakumar
Vice Chancellor

I am pleased to present the Annual Report for the academic year 2023-24, a year marked commendable growth and accomplishments for Yenepoya (Deemed to be University) in academic, research, and community engagement. The University with its NAAC accreditation grade A+ has been awarded the 'Category II University' status by the UGC which entitles greater autonomy for its core activities. Furthermore, the University secured 95th rank in the NIRF 2024 reflecting its unwavering commitment in providing quality education. The addition of the Faculty of Engineering and Technology and the launch of Online and Distance Learning programs have broadened our academic landscape, enabling us to reach more learners and meet the demands of a rapidly evolving world.

The faculty and researchers have continued to excel in performing exciting and cutting edge research with publications, with majority of them appearing in top-tier journals elevating the H-index of the University to 47. Moreover, the incubation center's recognition as the "Best Incubation Centre among Tier II Cities of India" underscores the innovative spirit driving in the University.

In alignment with our mission to serve the community, the university's extensive outreach programs have touched the lives of nearly 97,000 beneficiaries. These initiatives, encourage the active participation of the students highlight our commitment for developing socially mindful and responsible citizens.

The University has extended global partnerships through memoranda of understanding for academic and research collaborations. I sincerely acknowledge all these achievements are the result of, dedication, and hard work of our faculty, staff, students.

As we look ahead, I am confident that we will continue to build on these successes and strive to set new benchmarks in education.

EXECUTIVE SUMMARY

This report summarizes the status and the achievements of Yenepoya (Deemed to be University) during the academic year 2023-24 (01-Jul-2023 to 31-Jun-2024), which marks the 15th year since its recognition by the University Grants Commission in 2008. The institution is currently in the second cycle of NAAC accreditation with a CGPA of 3.47 and an A+ grade with validity till August 2027. The significant achievement of the year was to receive 'Category II University' status from UGC. Furthermore, the University received 95th rank in the NIRF 2024.

The total number of faculties of study was increased to 12 with the addition of a faculty for Engineering and Technology. The new Faculty of Engineering and Technology received permission from AICTE for starting 6 new programs with a combined intake of 360 students. Furthermore, the University has started offering programs under the 'Online and Distance Learning' mode with the permission of UGC.

The University offered 130 degree programs across eleven disciplines in the academic year 2023-24. The student strength was over 15,000. The gender ratio among students was almost 1:1. The student-teacher ratio was 1:17. The University conferred degrees to 2277 students in the 13th Annual Convocation of the University. The overall graduation rate within the minimum duration of the program was 96%.

The teachers received 465 honors for professional excellence. The teachers published 425 research articles in UGC-approved journals and 80 books/chapters. Nearly 64% of these papers were in quartile

one or quartile two journals. Notably, 12 research articles were published in the Lancet group journals during the year. The H-index of the institution grew to 47 (Web of Science) during the year. There were 56 extramural research projects from national and international research agencies under various stages of execution during the year.

Contribution towards innovation was represented by the publication of 15 patent applications and the grant of 15 new patents. The incubation center of the University is currently mentoring 43 start-up companies. The impact of the work carried out by the incubation center was recognized through receiving important national awards. The incubation center was selected as the "Best Incubation Centre among Tier II Cities of India" for the year 2023 by DBT-BIRAC. The incubation center also received the Bronze Award at the TechEDU India Awards 2024, organized by the 'Economics Times' newspaper.

Institutional social responsibility was carried out through 878 outreach and extension programs covering 97052 beneficiaries. Students were engaged in these activities through curricular community posting, National Social Service scheme, and Youth Red Cross scheme. Impact of the outreach work was recognized through awards received by the students, teachers, and centers of the University.

A digitization covered the management of student affairs, learning activities, conduct of examinations, and hospital services. The internet bandwidth was increased from 3.0 to 5.0 Gbps and the wifi access points were increased from 1110 to 1210.

Good governance was observed through the preparation of the Academic Calendar linking all stakeholder activities. The Board of Management met five times during the year and approved a total of 68 decisions. Fiscal responsibility was exercised through the preparation of a budget plan and external audit of expenditures. The total budget for the corresponding financial year was Rs. 585.7 crores.

Efforts were made to strengthen academics, research, and outreach programme through collaboration with other organizations. There were 257 memoranda of understanding that were functionally active during the year. These collaborations have benefitted a total of 3633 students and 295 teachers. The University received several international academicians and students from countries such as the USA,

Canada, the UK, Germany, Italy, Ireland, Singapore, Iran, Brazil, Argentina, and Australia. This is in addition to the international students enrolled in the various programs offered by the University.

The Student Councils of the Constituent Units together conducted a total of 47 events. The college committees conducted 102 events covering sports and culture. The students won 91 prizes for extracurricular activities organized by external bodies.

Value-based education was promoted through the programs of the Gender Sensitization Cell, Center for Substance Abuse, Center for Ethics, and Center for Environmental Studies. Furthermore, 177 national and international commemorative days, events, and festivals were conducted.

Deeksharambh

The "Deeksharambh - Student Induction Program" was successfully conducted across all constituent units of Yenepoya (Deemed to be University) with the primary goal of helping new students' seamless transition into their academic journey. The program aimed to foster a welcoming environment, instill the institution's ethos and culture, facilitate bonding among peers and faculty, and encourage self-exploration and a broader sense of purpose.

The Deeksharambh program for the 2023 batch commenced within each respective unit immediately upon the students' arrival, before the start of regular classes. The induction began with an introduction to the university's policies, processes, practices, and values. In alignment with UGC guidelines, the program encompassed various activities designed to cover essential aspects such as Socializing, Associating, Governing, and Experiencing. The activities were meticulously planned to ensure that new students were thoroughly oriented to the university's Code of Conduct, rules and regulations, and the provisions available for student support.

During deeksharambh, new students had the opportunity to interact with senior students, the students' union, and faculty members,

fostering a sense of community. Campus tours and visits to key departments relevant to their study programs, along with explorations of local areas, were organized to familiarize students with the facilities and surroundings. A notable highlight of the induction was a series of lectures delivered by distinguished speakers on topics such as study skills and universal human values. Moreover, the program introduced students to the university's mentorship initiatives, where mentor groups were formed, and interactive sessions were held to encourage meaningful discussions. The program also featured a wide array of small-group activities, including physical exercises, creative and performing arts, and literary sessions, in which all students actively participated, making the induction a holistic and enriching experience.

Yenepoya Dental College organized Deeksharambh - the "Students Induction Program for the 2023 BDS Batch" from September 4th to 9th, 2023, at the YDC Auditorium. Over the course of six days, the new students were introduced to the field of dentistry, familiarized with the values and ethos of the college and university, and sensitized to a range of important topics.

On day 1 of the program, sessions covered an introduction to the various departments, institutional protocols, statutory bodies, examination patterns, and evaluation systems. Additionally, topics such as anti-ragging policies, creative arts, and cultural activities at YDC were introduced. The college's code of conduct and mentorship program was also discussed, with mentors engaging students in conversations about their aspirations and family expectations.

On day 2, 5-09-2023, students were introduced to the evaluation system followed in the Yenepoya dental college throughout their undergraduate studies by the student

evaluation board. In addition other topics such as skill to good dentistry, stress management & psychological issues in students, library, red cross, talk by interns & post graduates, introduction to YUAA. The day ended with Mentoring with the mentors where group discussion on gratitude towards people helping me was conducted.

Topics on 3 day mentoring with the mentors on human needs of self and body, importance of communication in student life, introduction to information, technology and communication for learning, introduction to hospital facility & NSS were covered.

Topics on 4 day were Yoga & its benefits, social responsibility of dentist towards the community, substance abuse & prevention, building your life style through human values, sports & mentoring with mentors on topic peer pressure

Topics on 5 day were fine tuning, the personality for maximum efficiency in student life, mentoring with the mentors on topic prosperity & cultural programme by students & distribution of certificates.

On the 6th day Mentors conducted a group discussion on relationships following which students were divided into four batches and sent for campus tour and visit to the dental clinics.

Deeksharambh ended with cultural program where new students showcased their talents.

Deeksharambh-2023 - The "Students Induction Program for the 2023 batch of MBBS students" was conducted from September 1st to September 25th, 2023, spanning 18 days at the Yendurance Zone and Indoor Auditorium, organized by Yenepoya Medical College and Hospital. The program was designed to align with UGC guidelines for Deeksharambh and the Foundation Course requirements as per the NMC. During this period, important topics were addressed through guest lectures, small group discussions, and student-centric activities, introducing and sensitizing students to a variety of relevant issues.

Days 1 to 5 of the *Deeksharambh-2023* program were dedicated to completing admission formalities in batches and orienting the new MBBS students to the university's zero-tolerance policy on ragging. Members of the Anti-Ragging Cell at Yenepoya Medical College conducted sessions on the anti-ragging measures implemented at the institution, ensuring students were well-informed and aware of the strict regulations in place.

Day 6 covered many important topics such as overview Yenepoya Medical College, introduction to hospitals and facilities at YMCH, introduction to Yenepoya (Deemed to be University), rules and regulations at campus including hostels, overview of MBBS course, Indian medical graduate, role of doctors in the society, substance abuse prevention and sports at Yenepoya campus.

On day 7 The Director IT department introduced the students to ICT facilities following which iPads were distributed to the students and related formalities were completed.

On day 8 orientation to foundation course, overview of learner doctor program in MBBS, ice breaking batch of 23, introduction to AETCOM, overview of student mentorship programme, selection of class representatives,

introduction to orientation of sports facility available at University campus were taken up.

On day 9, topics such as drug addiction prevention, suicide helpline services, and the role of physicians at different healthcare levels were discussed. Students were oriented to quality assurance (NAAC), skill documentation in logbooks, IQAC feedback collection, library facilities, and early clinical exposure, alongside the importance of community engagement skills. These sessions aimed to prepare students for holistic healthcare education and practice.

On day 10 covered principles of family practice, skill of writing reflection, skill in giving and receiving feedback, know the coastal city of Mangalore including local languages, orientation to alternate systems of medicine, sports.

Topics on 11th day were altruism as a virtue of a physician with case discussion, consequences of unprofessional and unethical behaviour, overview of professionalism and ethics for medical graduate, different methods of self-directed learning and SDL group activity, history of medicine and quiz, sports.

Topics included on 12th day were overview of disability competences, awareness of documentation in patient care and the proper method of documentation, skill session-effective use of AV media for learning and preparation of power points, working in a health care team with group presentation and discussion, sports.

Topics on 13 day included importance of time management and group work using the "action priority matrix", community orientation-national health goal and policies, understanding of the importance of interpersonal relationship while working in a health care team with a group activity.

From Days 14 to 17, students participated in

field visits to community health facilities to understand the history of outbreaks, epidemics, pandemics, biomedical waste segregation, effective hand washing, and PPE usage. On Day 15, they were oriented to the skill lab, bio-safety, and universal precautions, while Day 16 covered immunization requirements for healthcare professionals and technology de-addiction.

On day 17, the significance of interpersonal communication and listening skills for becoming a successful clinician was emphasized.

On the 18th day, the focus was on positive mental health, where students learned about stress management techniques and the role of yoga and meditation in maintaining personal well-being, along with a yoga practice session.

Deeksharambh 2023 concluded on 25.09.2023 with a white coat ceremony and the cadaveric oath, marking a significant milestone in the students' medical journey.

Yenepoya Nursing College conducted Deeksharambh 2023 for the 2023 batch from 04.09.2023 to 09.09.2023 at the Yendurance Zone. The six-day program was thoughtfully designed to introduce new students to their chosen courses, the policies of the college and university, and to raise awareness on various important issues, helping them smoothly transition into their academic journey.

Day 1 of Deeksharambh 2023 began with an inauguration attended by the university's statutory officers and senior faculty from Yenepoya Nursing College. Following this, sessions were held on healthy lifestyles, IT orientation through Yengage, environmental management at Yenepoya, anti-ragging policies, and communication skills, delivered by experienced resource persons.

On Day 2, topics included student introductions and interactions, gender sensitization and women's safety, qualities of an ideal student, library orientation, healthcare benefits, and scholarship opportunities for students.

On Day 3, students were introduced to the student code of conduct, hostel rules and regulations, the student mentorship program, substance abuse prevention, sports, and yoga. Day 4 included an orientation to the central library, Yenepoya Medical College Hospital's central kitchen, and laundry facilities. On Day 5, the new students enjoyed a visit to

Someshwara Beach, accompanied by seven faculty members.

The final day of Deeksharambh was dedicated to familiarizing students with the physical setup of Yenepoya Nursing College, introducing them to faculty members, college-level committees, and providing an overview of the various subjects they would study.

This marked the conclusion of the orientation program, ensuring students were well-prepared for their academic journey.

Yenepoya Physiotherapy College and Yenepoya School of Allied Health Sciences jointly conducted the Students Induction Program, Deeksharambh, for the 2023 batch of BPT and Allied Health Sciences students from 11.09.2023 to 15.09.2023 at the Yendurance Zone. The four-day program aimed to introduce new students to the campus and sensitize them to various important issues.

Deeksharambh began with an inaugural function attended by the university's statutory officers, teachers, parents, and students.

Following the inauguration, students were introduced to the various facilities available at Yenepoya University, the student code of conduct, library resources, gender sensitization, and the internal complaints committees, ensuring they were well-informed about campus life and policies, smooth transition into their academic and professional journey.

On Day 2, topics covered included managing digital life, an orientation to the National Service Scheme (NSS), refining student life, psychosocial perspectives on ragging, and study skills and learning techniques. On Day 3, sessions focused on time management, using the learning management system (Yengage) and SMS portal, substance abuse prevention, and sharing real-life experiences.

On Day 4, important topics covered by eminent speakers included the importance of a healthy lifestyle for students, stress management strategies for finding calm in chaos, and the relationship between attitude, motivation, and success. The afternoon session included orientations to SWAYAM courses, the Youth Red Cross, sports facilities, and Samraksha, a student organization.

Yenepoya Pharmacy College conducted the "Students Induction Program - Deeksharambh" for the 2023 batch of B-Pharm, D-Pharm, Pharm D, and M Pharm students from 21.08.2023 to 26.08.2023 at the YPCRC seminar hall. The six-day program effectively oriented students to their new campus and chosen programs while sensitizing them to various issues.

On the first day, students were introduced to university facilities, healthcare benefits, and the code of conduct. Day 2 covered time management and goal achievement, followed by familiarization with the zero ragging policy, gender sensitization, internal complaints committees, and alumni activities.

On Days 3 and 4, renowned resource persons spoke on study skills and learning techniques, cybercrime and self-defense, enhancing student life, maintaining a healthy lifestyle, and communication skills. The afternoon sessions included orientations to scholarship opportunities, the student council, the student mentorship program, as well as the library, sports, cultural facilities, and the training and placement cell.

In addition to introductions to first-year subject departments like Pharmacology, Pharmacognosy, and Pharmaceutical Chemistry, students were oriented to the Youth Red Cross. On Day 6, they were introduced to the remaining departments, including Pharmaceutics and Pharmacy Practice, and briefed on academic and research facilities, funding schemes, and short-term courses. The six-day program concluded with a valedictory event on 26.08.2023.

Yenepoya Ayurveda Medical College and Yenepoya Naturopathy & Yogic Science College & Hospital jointly conducted Deeksharambh for the 2023 batch of BAMS and BNYS students from 06.11.2023 to 21.11.2023, held over 11 days at the 4th floor Auditorium, Naringana, AYUSH campus. The program introduced students to the institution's ethos, available facilities, and campus rules and regulations. Each day included a dedicated one-hour session on Sanskrit, highlighting its integral role in Ayurveda and helping students understand the language's significance in their studies.

On Day 1, students were welcomed by the reception and registration committee, completed admission and library registration, and then, along with their parents and faculty coordinators, toured the AYUSH Campus before attending the inaugural program of the Transitional Curriculum.

On Day 2, students were introduced to various systems of medicine, campus facilities at Yenepoya University, and the orientation of regulatory or governing bodies.

On Day 3, students received an overview of the BAMS curriculum and the first-year syllabus, anti-ragging awareness, and information about institutional officials and their roles. Day 4 focused on stress management and learning methods, complemented by cultural events like pick and speak, solo songs, and group performances. On Day 5, experienced resource persons covered topics such as ASUS medical systems and their roles in primary health care, public health and disease prevention, national health status, goals and policies, and gender sensitization.

On Day 6, topics included higher education in Ayurveda, job opportunities and entrepreneurship, library resources and services, goal setting, and an introduction to ICT at Yenepoya. Day 7 focused on

communication skills and team-building activities. On Day 8, students learned about the scope of Ayurveda, Basic Life Support (BLS) and first aid, public speaking skills, and the balance of Ayurveda in yoga. Day 9 covered drug abuse prevention and an overview of Samhita in the BAMS curriculum, and included a visit to campus facilities such as the central kitchen, laundry, and Yendurance indoor stadium.

On Day 10, the focus was on the scope of Ayurveda abroad, demonstrations of procedures, a motivational speech, and personal health and hygiene. Deeksharambh for the 2023 BAMS students concluded on 21.11.2023, with students given the opportunity to provide feedback on the transitional curriculum.

Deeksharambh-2023 for the BHMS batch was organized by Yenepoya Homeopathic Medical College from 06.11.2023 to 22.11.2023 at the College Auditorium. Over

these 13 days, the program effectively introduced new students to the university and addressed various issues. On Day 1, students were welcomed, introduced to the institute's vision and mission, the BHMS course of study, and given the opportunity to meet first-year faculty members and tour campus facilities.

On Day 2, topics covered included first aid principles and techniques, and adult learning principles. Days 3 and 4 focused on homeopathic practice, including the importance of observation and documentation, the history of medicine and homeopathy, the current state of homeopathy globally, national health priorities and policies, and primary community care.

On Days 5 and 6, topics included healthcare systems and delivery, various recognized healthcare systems in the country, the concept of pluralistic healthcare, communication in different social and professional settings, and Basic Life Support. Day 7 focused on demonstrations and presentations of Basic Life Support and first aid principles and techniques.

On Day 8 of Deeksharambh, topics included mental health, breaking the taboo and stigma surrounding mental illness, and mental hygiene practices. On Day 9, students learned about the role of sports and physical activities in mental health, stress management, and team working, guided by eminent resource persons.

On Days 10 and 11, topics included the mission and role of homeopathy and homeopaths in society, showcasing the effects of homeopathy, the concept and practice of mentoring, patient safety, biomedical hazards, universal precautions, vaccinations, and medical ethics. Days 12 and 13 focused on constitutional values, equality, gender sensitization, the university's zero ragging policy, and the importance of computer and language skills.

Newly joined students of **Yenepoya Institute of Arts, Science, Commerce, and Management** were oriented to campus life and their chosen program of study through a 10-day Deeksharambh, held from 17.07.2023 to 29.07.2023 at Yendurance Zone.

On Day 1, topics included handwriting analysis, graphotherapy, signature writing, and the campus launch of Kalvium. Day 2 covered student engagement through NSS at YDU, insights into NEP and curriculum, a healthy lifestyle, and an introduction to the AVDC industry and AID. On Day 3, students explored flag codes and careers in the Indian Army, mind matters, speed painting, and digital 3D modeling and sculpting.

Day 4: Covered code of conduct and anti-ragging measures, preparation strategies for civil services and competitive exams in India, and

insights into undergraduate degree programs.

Day 5: Focused on life vs. general legal issues, and the importance of financial literacy for graduates.

Day 6: Included IT orientation at YDU, fostering a positive mindset for self-development, and a practical Zumba session by Group EX Fitness from Bangalore.

On Day 7, topics included orientation to Youth Red Cross, "Dare to Fail," and cyber crime & self-defense. Day 8 focused on managing stress and listening to your body, assessment and student support systems, substance abuse prevention, and the power of positive thinking. On Day 9, students learned about personal branding, taking charge of digital life, TCS courses at YIASCM, and an overview of courses. Day 10 covered environmental sustainability and effective use of technology.

Convocation

The 13th Convocation of Yenepoya (Deemed to be University) was held on the 28th October 2023. The Hon'ble Chancellor, Al Haj Yenepoya Abdulla Kunhi presided over the function. The Vice Chancellor Dr. M. Vijayakumar, the Members of the Board of Management and Academic Council, Registrar Dr. Gangadhara Somayaji K.S, Controller of the Examinations, Dr. B.T. Nandish and all the statutory officers were present.

Prof. Dr. Azad Moopen, Founder Chairman & Managing Director of Aster DM Healthcare was the Chief Guest.

The Vice Chancellor presented the Annual report.

The Deans of various Faculties of Study presented the candidates on whom the degrees/diplomas were to be awarded. On the request of the Vice Chancellor, Hon'ble Chancellor conferred the degrees/diplomas on 2277 eligible students. Those students excelled in academic performance were presented with medals and certificates.

The Hon'ble Chancellor dissolved the Convocation and this was followed by the National Anthem.

CONSTITUENT UNITS, CENTRES AND CELLS

YENEPOYA DENTAL COLLEGE

Dr. Sham S Bhat
Dean (Faculty of Dentistry)

Dr. Laxmikanth Chatra
Principal

Dr. Mohammed Hasan Sarfaraz
Vice Principal

Yenepoya Dental College, established in 1992, conducts undergraduate, postgraduate, and doctoral degree programs, a Diploma and a fellowship program. Among the total enrolment of 678 students, 510 students are undergraduates (BDS). 72% are from outside Karnataka State with 20% males and 80% females. Among the 154 postgraduate (MDS) students, 79% are from outside Karnataka with 36% males 64% females. Students admitted to Diploma in Dental Mechanics stood at 12 with 92% from outside the State with equal gender equity. One student from outside the State was admitted to Fellowship in Implantology. The 27th Graduation day was held on 24.11.2023.

The faculty strength during the year was 116, with a balanced gender ratio of 52% males and 48% females, resulted in a Teacher-Student ratio of 1:5. The teachers received 148 recognitions for professional excellence. This includes an outreach award (1), election to the office bearer of professional society (1), editorial board of scientific journals (1), invitations to serve as assessor of institutional standards (1), Professional awards (2), external expert of an institutional committee (1), best scientific presentation in conferences (30), delivering a scientific talk (14), chairing of scientific sessions (55), and to assist as a resource person for a scientific events (42).

A total of 93 research articles were published in the calendar year 2023. Teachers were

awarded with 13 patents for the applications filed in the previous years. In addition, 6 new patent applications were filed during the year.

There were 11 extramurally funded research projects active during the year with sanctioned amount totaling Rs. 3.8 crores. One

Postgraduate student and four undergraduate students received ICMR financial support for Postgraduate dissertation work and Short Term Study.

Institutional social responsibility was demonstrated through outreach and extension programs, involving students and staff in community service. A total of 171 health camps were conducted covering 25,701 beneficiaries. Dr. Sheikh Sadaf, BDS student was selected by NSS for training from 01st to 31st January 2024 and participated in the Republic Day Parade at New Delhi. Dept. of Oral Medicine was awarded Community Service 2023 Group Award by the Indian Academy of Oral Medicine & Radiology.

Collaborations with other organizations and institutions were initiated to strengthen academics, outreach programs, faculty and student exchange with (12) active memoranda of understanding.

The Student Council organized 3 events, encompassing sports, culture, and tradition. Value-based education and quality mandate was promoted through Deeksharambh, Finishing touches and programs by the Center for Substance Abuse Prevention. Postgraduate and Undergraduate students presented papers in National conferences and won 4 best paper and a Best Table Clinic Award. A total of 16 national and international commemorative days, events, and festivals were celebrated.

In NIRF 2023 Yenepoya Dental College was

ranked 28th in India. In the India today rating 2023, the college secured the 31st rank in the country. In THE WEEK rating 2022, the College secured the 23rd rank in the country. In the

Outlook-ICARE rating 2024, the College secured the 9th rank among private dental colleges in the country.

YENEPLOYA MEDICAL COLLEGE

Dr. Abhay Nirgude
Dean, Faculty of Medicine

Dr. M. S. Moosabba
Principal, YMC

Dr. Prakash Saldanha
Vice Principal, YMC

Dr. Habib Rahaman A. A.
Medical Superintendent

Yeneploya Medical College and Hospital was established in 1999. The college offers 41 degree programs at the undergraduate, postgraduate, doctoral, and post-doctoral levels. During the academic year, 1586 students were enrolled. Among them, 63% were female, 37% were male, and 79% were from outside the state. National Medical Commission (NMC) enhanced the UG student intake to 250 from 2023-24 onwards.

The total faculty strength was 262 (male 59% and female 41%) with a student-teacher ratio 1:6. The college conducted 54 faculty development programs. The college regularly conducts monthly scientific society meetings for discussion and deliberations on unique clinical case presentations and research findings.

The teachers received over 199 honours for professional excellence. This includes a world record (1), travel award (1), extracurricular (1), an Outreach award (1) election to the office bearer of a professional society (2) the editorial board of scientific journals (2), Professional Awards (4), to assist as an external expert in an

institutional committee (7), Best Scientific presentation (2), delivering of scientific talk (43), chairing of scientific sessions (26) and to assist as a resource person for scientific events (109).

The teachers published 145 research articles in indexed journals. There were 8 extramural and 19 intramural research projects ongoing during the year. The college is having 40 active memorandum of understanding for academics, research, and outreach activities.

Student council and clubs conducted a good number of activities. The college observed 27 national and international commemorative days, events, and festivals this year. Yeneploya Medical College, as part of the Silver Jubilee Celebration, has conducted various academic and cultural programs. The unveiling of the Silver Jubilee Logo was done on March 4, 2024. Various events included Marathon for organ donation awareness, the Champyans cricket tournament, music and cultural show, a green initiative, an HPV vaccination drive, and first aid training for school teachers. School-based programs like screening, health check-ups, awareness, and sports activities in schools. More events are planned ahead of Silver Jubilee finale such as Yoga Marathon session aiming entry to the Golden Book of World Records. Silver Jubilee celebrations, felicitation of Teaching Staff, Non-teaching staff, Alumni and NGOs for their contributions in the journey of medical college.

The teaching hospital of the college provides quality services at an affordable cost to all

sections of patients hailing from Karnataka, Kerala and also other parts of the country. The hospital services range from speciality and super speciality services with adequate state-of-the-art facilities and support services to provide one-stop medical care to all. The hospital and the diagnostic laboratory are accredited by the National Accreditation Board for Hospitals and Healthcare Providers and the National Accreditation Board for Testing and Calibration Laboratories, respectively.

The hospital has initiated High-Dose Iodine Therapy Services this year. An HPV vaccination drive was also conducted, where the vaccination was provided at subsidized rates. In September 2023, the cardiac surgical team successfully performed a difficult heart surgery on a patient with a rare congenital heart defect called Ebstein's anomaly of the tricuspid valve. The Haemato-oncology team at Zulekha Institute of Oncology, YMCH, has done the first Adult and Paediatric Allogenic Bone Marrow Transplant in the district.

The hospital is empaneled with various Central, State Government and Social Security Schemes and major private insurance schemes. The hospital has additionally been empanelled by 4 schemes, namely Ayushman Bharat- Pradhan Mantri Jan Arogya Yojana with National

Portability, Arogya Bhagya Yojane – Karnataka State Officers, Arogya Bhagya Yojane – retired Karnataka Police Officers and Medisep Scheme. Amma Scheme, a new initiative to promote institutional deliveries, maternal and child nutrition was started with monetary benefits of rupees Five Thousand to mothers along with free delivery services.

The hospital has had an MOU with UCHC Ullal, a secondary-level government healthcare facility, since November 2023, providing OPD services in 14 clinical departments, including super speciality services. Following the MOU and augmented facilities, the OPD beneficiaries increased fivefold. A new health Centre started at Natekal village to provide primary healthcare services with free medicines as a part of strengthening of extension activities.

NMC has given permission to Increase MBBS intake by 100 and start 02 PG programs, namely MD Radiation Oncology and MD Emergency Medicine. Also University has given permission to start 04 Fellowship Programs. Series of academic, research, extension and social events on the occasion of the Silver Jubilee celebrations of the Yenepoya Medical College are some of the Key highlights for this academic year.

YENPOYA NURSING COLLEGE

Dr. Leena K. C.

Principal and Dean Faculty of Nursing

Dr. Priya Reshma Aranha

Vice Principal

Yenepoya Nursing College, established in 2002, conducts 4 programs viz., B.Sc. Nursing, Post Basic B.Sc. Nursing, M.Sc. Nursing, and Ph.D. under the Faculty of Nursing. During the academic year 2023-24,

the college had 517 students on the roll, with a gender distribution of 17% male and 83% female, including 3 international students. The college offered Value-added / Add-on courses benefiting 287 students.

The faculty strength adhered to the norms set by the regulatory council, and they received several accolades. These included award for the best scientific presentation at conferences (1), invitations to serve as assessor of

institutional standards (1), external expert of an institutional committee (2), to assist a scientific event as resource persons (5). One of our teachers was elected as the Vice President of Nursing Research Society of India. Additionally, teachers served as a member Board of Studies (BOS) in other university, inspector for the Indian Nursing Council, assessor for National Assessment and Accreditation Council (NAAC) and National Accreditation Board for Hospitals (NABH). In the calendar year 2023, the faculty published 19 research articles in indexed journals.

The college actively contributed to institutional social responsibility through various outreach and extension programs, facilitated by the National Service Scheme (NSS), Youth Red Cross, Red Ribbon Club, Eco club and

community postings. In total, 13 outreach healthcare extension programs were conducted, covering over 948 beneficiaries.

The Student Council and the Sports Cell organized events encompassing sports, culture, tradition, arts, literature, and 8 commemorative days. The Alumni Cell hosted a football competition. Furthermore, the college entered into two Memoranda of Understanding with other organizations for clinical training, internships, and outreach services.

A significant achievement for the year was the recognition received for the outreach and extension efforts led by the Red Ribbon Club of the college. The **District Best Officer Award** was bagged by program officer of the Red Ribbon Club.

YENPOYA PHYSIOTHERAPY COLLEGE

Prof. Lourdhuraj I.
Principal

Dr. Asir Samuel John
Vice Principal

Yenepoya Physiotherapy College was established in 2003. The college conducts undergraduate (BPT), postgraduate (MPT), and doctoral programs. The total student strength for the year was 567. Among them 46% was male and 54% was female and 88% was from outside the state. During the year, the college has expanded with increased class rooms in 7th floor in addition to the existing 6th floor of YPC to enhance teaching-learning process.

During the academic year, intake for the MPT program was increased from 40 to 60. Furthermore, postgraduate students were admitted on the revised curriculum of the MPT program which was aligned in accordance with National commission for allied and

healthcare professions Act, 2021.-

The faculty strength is 20 during the year. The teachers received over 10 honors for professional excellence. This includes an editorial board of scientific journals (3), Professional awards (3), delivering a scientific talk (1), and to assist as a resource person for a scientific event (3). The teachers published 9 research articles in indexed journals and registered four (04) copyright with government of India as an intellectual property rights (IPR).

The college's Student Council organized Physio Premier League, Intramural Athletic Meet, and Intramural Sports Meet (ATHLETINE 24) and two cultural events, MERAKI 2023 and VYUHAM 2024. College's NSS Unit held two outreach programs. NSS student volunteers also organized a blood donation camp and ran the YEN-RUN to promote cancer screening. On September 10, 2024, YPC held a post-

conference workshop on "Vestibular Rehabilitation" with Dr. Seng Kwee Wee, Principal Senior Physiotherapist, Tan Tock Seng Hospital and Associate Professor, Singapore Institute of Technology. YPC officially launched physiotherapy services in Karkala's Vijetha Special School on December 7, 2023, with a screening camp in partnership with YPC-NSS to celebrate IDPD, Fifth YPC extended service unit. Intellectual conversation at Yuva Samvad - India @2047 on February 26, 2024, was successful. Srinivasan Nandagopal, Former Senior Correspondent, The Times of India, Co-Founder, Centre of Integrated Learning, gave an in-depth Panch Pran lecture. Former Indian Army officer Captain (Mr.) Brijesh Chowta's Yuva Vichar Manch Competition interactive session was outstanding. Along with Chethana Special School in Karkala celebrated Children's Day

with special needs students, and Other commemorative days observed were Constitution Day, World Environment Day, International Day Against Drug Abuse and Illicit Trafficking, and International Day of Yoga 2024. The unique sessions included a guest lecture on "Wealth Management" on November 23, 2023, and a career advising session on "Profile Building and Exploring Global Perspectives in Physiotherapy" on June 5, 2024.

The key accomplishments during the year were to expand the clinical service by adding a new center (Vijetha Special School, Karkala Tq.) under the extension program. Furthermore, integrative service with ayurvedic medicine was initiated by starting OPD service at the Yenepoya Ayurveda Medical College and Hospital.

YENEPOYA PHARMACY COLLEGE AND RESEARCH CENTRE

Dr. Mohammed Gulzar Ahmed
Dean and Principal

Dr. Rokeya Sultana
Vice Principal

The Yenepoya Pharmacy College & Research Centre was established in 2017. The college moved to new premises in 2022. Yenepoya Pharmacy College & Research Centre offers a Diploma in Pharmacy (D.Pharm.), undergraduate programs like Bachelor in Pharmacy (B.Pharm.) and Doctor in Pharmacy (Pharm. D.) & Postgraduate programs like Master's in Pharmacy (M.Pharm-Pharmaceutics), and doctoral degree programs (Ph.D.) in the Faculty of Pharmacy. The total enrollment of students is 427. Among all the students who were admitted, 52% were from outside Karnataka with 30% males and 70% females. The 2nd graduation day was

held on 31.10.2023 for the B.Pharm 2019 & D.Pharm 2020 batches.

The faculty strength stood at 33, with a gender ratio of 27% males and 73% females, providing a student-teacher ratio of 1:13.

The teachers received over 4 honors for professional excellence. This includes invitations to assist as external expert in an institutional committee (1), best scientific presentation in conference (1), and for Chairing of scientific sessions (2).

The teachers have published 53 research articles in peer-reviewed journals in the calendar year 2023. They have published 11 books and 6 book chapters in the calendar year 2023. The teachers filed (3), published (3), and awarded (5) 11 patents. Among them, 5 were design patents (2-Indian, 3- United Kingdom).

The students of the college received awards in the Oral and Poster Presentation (3), Athletics Competition (2), and Painting Competition (2). Institutional social responsibility was fulfilled through outreach programs involving students and staff in community service. One MoU was made with the Dept. of Pharma Technology, JIS University, and Kolkata.

Different college committees conducted many events (38), including training supporting and technical staff on 'Staff Development Program for Non-Teaching Staff & Teaching Staff on Soft Skills & Good Laboratory Practices', Gurudakshtha-2024, Pharma Pulse 3.0 - A Simulation Workshop, and a Campus Interview, which encompassed sports, culture, and tradition.

Value-based education was promoted through Deeksharambh 2023 and programs by the Center for Substance Abuse Prevention. A total of Six commemorative days, events, and festivals were celebrated including National Pharmacovigilance Week, World Pharmacist Day, National Pharmacy Week, International Men's Day, International Women's Day, and National Girl Child Day.

During the year, our college has achieved several milestones, including receiving the

"Appreciation Award" for the Pharmaceutics department. Dr. Mohammed Gulzar Ahmed was awarded the "Appreciation Award for the Best Researcher," while Dr. Soumya Narayan, Dr. Arfa Nasreen, , Dr. Mohammed Gulzar Ahmed, Dr. Rokeya Sultana, and Mr. B H Jaswanth Gowda received the "Best Paper Award", Dr. Ayesha Sultana & Mr. Sourav Mohanto received "Best Researcher" award from Yenepoya (Deemed to be University) during National Science Day-2024. Additionally, a two-day National level workshop on Research Methodology was conducted on 24th and 25th April 2024. Mrs. Haleema Shahin received the Dr. A. P. J Abdul Kalam Memorial Researcher Award for the E-poster competition at Al Shifa College of Pharmacy. Mr. Mohammed Asif Iqbal C, Assistant Professor at YPCRC, was recognized with the "Best Performing Unit" award by the NSS unit at Yenepoya (Deemed to be University). Mr. Umer Afsan Ali (B.Pharm 2019 Batch) was presented with the "Best Performing NSS Volunteer" award for exemplary service in the field of NSS. Furthermore, Yenepoya Pharmacy College & Research Centre received approval from PCI to launch a new M.Pharm program in Pharmacology.

YENEPOYA INSTITUTE OF ARTS, SCIENCE, COMMERCE, AND MANAGEMENT

Dr. Arun A. Bhagwath
Principal and Dean, Faculty of Science

Dr. Shareena P
*Vice Principal and Dean,
Faculty of Commerce and Management*

Dr. Jeevan Raj
Mr. Narayan Sukumar
Vice Principals

The academic year 2023-24 was a key milestone for Yenepoya Institute of Arts,

Science, Commerce, and Management (YIASCM) in its pursuit of academic excellence and societal contribution. YIASCM introduced 46 programs during the year including an AICTE-approved Open Distance Learning system, enrolling 458 students, and creating a diverse learning environment. With 5484 students and 177 qualified teachers, the focus remained on quality education. The teachers received over 12 honours for professional excellence. This includes an outreach award

(1), Professional awards (4), chairing of scientific sessions (1), and to assist as a resource person for a scientific event (6). Faculty also published 29 research papers and 4 conference proceedings 7 book chapters, while faculty development programs promoted continual learning.

Students achieved world records and the institution upheld its commitment to community service through clubs and social responsibility initiatives like Youth Red Cross and NSS, organizing blood drives, charity programmes, and old age home visits. Three NSS officers and one Youth Red Cross officer were honoured with outstanding outreach awards 5 residential annual camps and 72 outreach activities of the NSS were held. In accordance with best practices, Youth Red Cross organised 7 activities during this academic year. Specialized centres like the Apple Innovation Lab, YEN-REFINED, and YU-HUB emphasized innovation and entrepreneurship. YEN-REFINED published 4 hosted 9 workshops, 15 knowledge sessions, and 23 guest talks, earning 6 awards. YU-HUB

supported start-ups with consultations, workshops, and talks by renowned entrepreneurs.

Students received employment placements and internship offers from prominent industries, business houses and hotels in India and abroad. Furthermore, in order to increase student employability and industry participation upskilling programs and seminars were organized. In their substitute, workshops on resume construction and expert talks were conducted. Students excelled in sports, securing the overall championship in the Intercollegiate Sports Competition. YIASCM also aligned with the National Education Policy (NEP) to foster inclusive education through infrastructure development and governance improvements.

In summary, 2023-24 highlighted YIASCM's achievements in academics, research, social responsibility, sports, innovation, and governance, reflecting its commitment to holistic education and community engagement.

YENEPLOYA AYURVEDA MEDICAL COLLEGE AND HOSPITAL

Dr. Gururaja H.
Dean and Principal

Dr. Shubada V. I.
Vice Principal

Yeneploya Ayurveda Medical College and Hospital, established in the year 2018, conducts an undergraduate program (BAMS). A total of 100 students were enrolled during the year for the BAMS program, taking the total student strength to 597. Among them 28.5% are male and 71.5% are female. 72.2 % of the total strength are from outside the state. The first batch of students are undergoing the

compulsory rotatory internship programme during the year.

The faculty strength of 49 was maintained as per the regulatory council norms. Nearly 89% of the teachers underwent training as the part of faculty development program. The teachers received 32 recognitions for their professional excellence. These achievements included an invitation to serve as assessor of institutional standards (4), best scientific presentation in conferences (10), delivering a scientific talk (4), chairing of scientific sessions (4), and to assist as a resource person for scientific events (10).

There were 7 intramural seed grant projects and 4 extramural research projects which included ICMR, VGST, SMART of CCRAS and TULAH consultancy projects. There were 4 research publications in indexed journals and 19 in non-indexed journals. In addition, the teachers contributed 3 book chapters and 3 patents.

The college organised a major national conference on integrated approach to cancer (YEN-CAN 2024) which was attended by nearly 300 delegates from across the country.

The social responsibility of the college was addressed by active participation in various outreach and extension activities. Students were involved in these initiatives through community posting and National Social Service (NSS) programs. Outreach programs were organized through health camps (28) covering

about 3009 beneficiaries.

The college observed 24 commemorative days and 2 national festivals and Literary and Cultural Fest and various sports events. The students of the college won 3 awards in extracurricular events organised by external institutions.

The major achievement during the year was that 5 of our students received support from the Central Council for Research in Ayurveda Sciences (CCRAS) under the scheme of 'Studentship Programme for Ayurveda Research Ken' (SPARK). Furthermore, based on the placement track record, the Open Magazine has placed the college at 7th rank among the Private Ayurveda Colleges in Karnataka and at 11th rank among the South Zone Private Ayurveda Colleges.

YENPOYA HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL

Dr. Shivaprasad K.
Dean and Principal

Dr. Vijayendra Itagi
Vice Principal

Yenepoya Homoeopathic Medical College and Hospital was established in 2018. The college conducts BHMS program. During the year, the first batch of students passed out from the College after completing of 1 year internship.

The total student strength during the year was 376. Among these students, 15% were male and 85% were female students and also 85% were out of state students. There were 26 teachers in the college during the year. A total of 15 research articles were published by the teachers in scientific journals. Several teachers were recognized for their professional

excellence in various areas, including serving on the editorial board of scientific journals (1), presenting the best scientific papers at conferences (4), delivering scientific talks (3), chairing scientific sessions (2), and assisting as resource persons for scientific events (7).

During the year, the College observed 6 National Commemorative days and conducted 25 health and awareness Camps. The Student Council organized 6 events including Intercollegiate Integration Day, Sports (2) and Cultural Events (2). The students won 2 prizes in extracurricular events organized by external institutions.

The students are actively involved in health care and awareness programs in Peripheral Health Centers and AYUSH Hospital at the District Wenlock Hospital Campus.

The major achievement of the College during

the year was to launch 'HomoeOmics', a database study in collaboration with the University's Centre for Integrative Omics Data Science (CIODS). This initiative has drawn the attention of the Central Council for Research in Homoeopathy, New Delhi, and a memorandum of understanding has been inked to undertake joint activities in the novel

area. Furthermore, 3 student proposals were selected by Central Council for Research in Homoeopathy, New Delhi for support under Short Term Student research in Homoeopathy (STSH) Project' scheme. In addition to this, 5 student research projects were under progress in collaboration with the University's Yenepoya Research Center.

YENEPOYA NATUROPATHY AND YOGIC SCIENCE COLLEGE

Dr. Puneeth Raghavendra
Dean & Principal

Yenepoya Naturopathy and Yogic Science College and Hospital (YNYSCH) was established in 2020. It is recognized by Central Council of Research in Yoga and Naturopathy (CCRYN) under the Ministry of AYUSH, Govt. of India & National Institute of Naturopathy (NIN), Govt. of India. The college is proud to be the first Naturopathy and Yoga Medical institution brought up by southern India at Karnataka state Deemed to be University.

The college conducts 5½ years BNYS (Bachelor of Naturopathy & Yogic Sciences) program. The Teaching Hospital provides clinical education and training. The total student strength stood at 184, consisting of 147 girls and 37 boys.

The faculty strength was maintained as per the guidelines. Nearly 80% of our teachers underwent training as part of faculty development program. One faculty had been a resource person for scientific event.

Institutional social responsibility was discharged through outreach and extension programs. Students were engaged in these activities through community posting and the National Social Service (NSS) Program. Extension on healthcare was carried out through 24 health camps covering over 3049 beneficiaries.

The college conducted a total of 8 events covering sports (2), cultural (1), Tradition day, Rashtriya Poshan Maah, Constipation awareness month, National Naturopathy day, National Youth day, International Day of yoga along with the celebration of 6 commemorative days, events and festivals.

The key achievement of the year was the organization of a National level workshop "Prakruti Vijnana- The science of Naturopathy Diagnosis in collaboration with National Institute of Naturopathy, Pune with the participation of 145 delegates and a National Level Virtual Conference "Prakruti Chikitsa Siddhanta with 285 delegates from across the country.

YENEPOYA SCHOOL OF ALLIED HEALTH SCIENCES

Dr. Sunita Saldanha
Dean and Principal

Dr. Mamatha Kunder
Dr. Beena H. B.
Vice Principals

Yenepoya School of Allied Health Sciences was established in 2020 and conducts undergraduate, postgraduate, doctoral programs and a Postgraduate diploma in Counseling (specialization in Child, Corporate and Guidance).

During the academic year a total of 1200 undergraduate, 101 postgraduate, 20 PG diploma students were enrolled taking the student strength 2815. Among the undergraduate students, 30% were males and 70% were females, among the postgraduate students 13% were males and 87% were females, among PG diploma students 35% were males and 65% were females. Out of state students were 90%.

There were 83 teachers on roll during the year. Some of the teachers were recognized for their professional excellence. This includes delivering of scientific talks (2) and to assist as a resource person for scientific events (4). The School conducted 6 faculty development programs, 14 guest talks and webinars, 7 hands-on workshops and 2 national conferences to promote the sharing of knowledge and expertise in the recent developments. The teachers were actively involved in research and had published 14 articles in indexed journals.

The school carried out several extension and outreach activities. NSS Units (19) and Red

Cross volunteers (12) organized various outreach activities which included awareness programs, health screening camps, blood donation drives, and first aid and BLS trainings. Furthermore, 38 national and international days of importance were observed during the year.

A total of 17 sports (7) and cultural (10) events were conducted for fostering holistic development of the students. The students also participated and won prizes in intercollegiate sports and cultural events. The school organized the first South India Intercollegiate Allied Sports Fest (ASTRA24) on 13th May 2024 with representation from 11 colleges from across south India. One of our students won first prize in a state-level Bushidokai and Kick Boxing Championship.

The school has 62 active Memoranda of Understanding to strengthen academics (2), clinical training (55), and research (1). The Employment and Placement Cell of the school organized 7 sessions bringing organizations of national and international repute to the campus for placement and higher education opportunities.

The National Credit Framework was adopted for all the undergraduate and post graduate programmes to provide more flexibility in skill acquisition for enhancing professional competence.

The school organized two national conferences during the year on the themes "Artificial Intelligence and Future Prospects of Medical Imaging" and "Revolutionizing Dialysis Practices".

CENTRAL LIBRARY

Dr. K. S. Ali
Chief Librarian

With a modest beginning in 1992 as a college library, it transformed and transcended into a University library in the year 2008. Currently, the library milieu in Yenepoya (Deemed to University) includes the central library and the libraries of the constituent units, departments and centres. The central library is located in an air-conditioned building, and it is the central hub for information. The central library has adopted new technologies and is enabled with Wi-Fi connectivity, Radio Frequency Identification (RFID) and with Closed Circuit Television surveillance.

All the operations in the central library are computerized, and it implemented the open-source Integrated Library Management Software (ILMS) KOHA software in July 2022. A biometric access control system is available to monitor the entry to users of the library. The library resources include books, journals, e-resources and ancient scripts. It provides off-campus access 24*7 to a wide range of ebooks, ejournals, and online databases through the Knimbus remote access tool. The library is a member of the National Cancer Grid Consortium of e-resources and the DELNET resource-sharing network. The Library has a team of well-qualified and experienced staff. Total number of staff in the Libraries is 43 which include Chief Librarian, College Librarians (4) Assistant Librarians (17), Library Assistants (4), with support staff (15).

The library has built a collection of about 65,079 books, with an addition of 4,432 books in the year to last year's collection of 60,647 books. The library subscribed to 130 national

and 53 international print journals. There are 10,016 journal back volumes, 3360 theses and dissertations. The Online Public Access Catalog (OPAC) can be accessed at <https://opac.yenepoya.edu.in/> to find the library resources. During the year, footfall in the library was 1,89,763.

The Digital Library section is equipped with computer facilities for online browsing, printing and scanning and audio-visual needs. The library has subscribed to online resources, namely, Web of Science, Up-to-date, ProQuest, Clinical Key, Ovid and 242 e-journals, e-Books, and online databases.

The library supports the research and publication prerequisites by providing full-text articles, suggesting suitable journal selection for publications, plagiarism check (iThenticate/Drillbit), IRINS-Faculty Profile platform, Indexed journals list, and Reference Management Tool, etc.

The library organizes user education and information literacy programs regularly for the newly inducted students to create awareness about the library resources for their optimum usage. Author workshops and orientation programs are conducted for faculty members, research scholars, and students to prepare and submit manuscripts and use and access online resources. More than nine user awareness Training programs have been conducted during 2023-24.

In addition, the library has conducted webinars, workshops, product demonstrations for the benefit of the staff of the library, and guest lectures on the occasion of Librarian's Day.

YENEPOYA RESEARCH CENTRE

Dr. Rekha P. D.
Director

Yenepoya Research Center (YRC) was established in 2008 to nurture a vibrant research culture among the faculty and students of the constituent units of the University. Currently YRC functions as a multidisciplinary research centre promoting translational research complemented by research in basic and fundamental sciences. The centre houses state-of-the-art facilities and has been recognized by the Scientific and Industrial Research Organisation (SIRO) by the Department of Scientific and Industrial Research (DSIR). The research operations comply with ISO17025:2017 and GLP.

The thrust areas of research are promoted through eight divisions, namely, (i) Cancer Research and Therapeutics, (ii) Centre for Systems Biology and Molecular Medicine, (iii) Cell Biology and Molecular Genetics, (iv) Data Analytics, Bioinformatics and Structural Biology, (v) Microbiology and Biotechnology, (vi) Neuroscience, (vii) Stem Cells and Regenerative Medicine, and (viii) Smart Materials and Devices. The research is driven by 25 faculty members along with Post-Doctoral Fellows (PDF)/Research Associates (RA) (07), Junior/ Senior Research Fellows (SRF/JRF) (98) and Technical Support staff (09).

During 2023, YRC received 12 extramural grants from ICMR, DST, DBT, VGST, and other non-government agencies. The research output from the centre included 147 research articles in reputed journals, 11 books/chapters, eight patents filed and four granted patents.

The centre has two Postgraduate (PG) programs (i) MSc Bioscience and (ii) MSc Computational Biology & Bioinformatics (by Research), along with the PhD program. In the academic year 2023-24, 12 PhD, and 8 PG students have successfully graduated. Presently, 16 postgraduate and 98 PhD students are pursuing their studies at the

center. In addition, the centre offers skill training in terms of research project internships, and 85 graduate and undergraduate students from 13 institutions have been trained at YRC.

The facilities established in the center are extended to provide services and undertake consultancy projects. A total of 75 consultancy projects have been completed in the areas of proteomics and metabolomics, analytical, microbiology, and cell and molecular biology. Six new collaborations were established through Memorandum of Understanding (MoU) to augment the research outputs through networking.

Other activities of the center for the year included 20 scientific events. The important events were, the National Conference "MiCON-2024" on January 23rd to 24th, 2024, the National Science Day celebration on February 28th 2023, World Food Day on October 16th 2023, and the International Symposium on Innovative Approaches in Global Health: Linking Epidemiology and Biomarkers" on 9th December 2023.

The students and faculty of the center are actively involved in various outreach activities in terms of community awareness camps and voluntary social services in association with NSS to inculcate positive values among the students and the neighbourhood. The YRC strives to align its activities with the United Nations Sustainable Development Goals (UNSDGs).

Guest lecture by Dr. Ashok P. Giri, Sr. Scientist at CSIR-National Chemical Laboratory, Pune, July 6, 2023

CENTER FOR ETHICS

Dr. Vina Vaswani
Director

Centre for Ethics (CFE) is a One-Stop-Centre for education in Bioethics, Research Ethics, Clinical Ethics and other diverse domains in ethics. Since 2011, at a time when the health care regulatory bodies had not even mentioned the word "Bioethics" on their website, the Centre had the unique distinction of offering first in India programs such as Post Graduate Diploma in Bioethics and Medical Ethics and Post Graduate Diploma in Clinical Ethics. Besides academic teachings, the Centre has been actively involved in ethics committee training, analytical workshops, community engagement programs, advisory projects and internship opportunities and field visits for students.

During the academic year 2023-24, a total of 114 participants from four institutions benefited from ethics committee training program. Eight workshops focusing on analytical skills for ethical conduct of research were undertaken benefiting 301 participants. A community engagement program benefiting 5 transgender community members were conducted to empower them on their legal rights and educational opportunities. One student from Mumbai completed her internship and 25 PGDBEME students visited HIV rehabilitation and Ave Maria palliative care center as part of field visits.

Dr. Vina Vaswani, Director, CFE is a member of the advisory board for Indo-EU joint initiatives such as "INDIGO" and "ENDFLU," which aim to develop effective and affordable flu vaccines globally. She also contributed to the CHIS (Controlled Human Infection Studies) advisory committee, where she helped formulate national guidelines for CHIS. Additionally, Dr. Vina is part of the Hevolution Foundation Global Ethics working group at NYU Langone Medical Centre in Riyadh. She is serving as a

visiting faculty member at the Impact and Policy Research Institute (IMPRI), and at the Board of Directors of the International Association of Bioethics (IAB) since July 2022. CFE is an institutional member of the IAB since then.

CFE has established nine partnerships with both national and international institutions, including Narayana Dental College and Hospital, Narayana College of Nursing, and Sree Narayana Nursing College. CFE recently signed a Memorandum of Understanding (MoU) with Manicaland State University of Applied Sciences in Zimbabwe. It has entered into an agreement with the University of Oslo, Norway, to support the PhD Fellowship of Dr. Naheeda Hamza, Tutor at CFE. In addition, CFE is a member of the Coalition for Advancing Research Assessment (CoARA). CFE has also secured a no-cost extension of its NIH Grant, USA, until August 2025. Between 2023 and 2024, CFE published 3 research articles and 2 have been accepted for publication in international journals.

In June 2024, Dr. Vina presented two papers titled Armed conflict, War and Healthcare; and Controlled Human Infection Model (CHIM) at the 17th World Congress of Bioethics (WCB) at Doha, Qatar. Four MSc Research Ethics alumni received travel fellowships to attend the WCB, Qatar. Currently, the Centre is hosting a seed grant project to investigate the impact of adverse childhood experiences on school children. Other ongoing projects include "An exploratory study on healthcare professionals' knowledge and attitudes towards planetary health"; "An examination of the ethical and socio-cultural implications of new methods in last rites, and research on dead bodies".

Ms. Khadeejath Farseenah, Tutor at CFE, has been selected for the NIHR (National Institute for Health and Care Research) Pre-Doctoral Fellowship Program at the University of Bristol, UK.

CENTER FOR NUTRITION STUDIES

Dr. Anurag Bhargava

Head

Dr. Madhavi Bhargava

Deputy Head

Established in 2017, the Center for Nutrition studies was a step in the University to engage with nutrition as a core and cross-cutting issue for research on healthy and malnutrition aspects. The Center consistently collaborates and engages with national and international agencies, policy makers and civil society for scientific research and evidence generation on relevance of healthy nutritional practices. The team comprises a physician, a public health specialist, basic science researcher, and a research assistant.

Over the years, the Center has published 135 research articles in high impact journals. There were 20 high-quality publications in the year 2023-24 with two publications in journal with impact factor of 98.4.

The major milestone of the year was the simultaneous publication of the RATIONS trial in the Lancet and the Lancet Global Health in Aug 2023. This was covered widely in national and international media. A dissemination event was held jointly by the Secretary MoHFW and DG-ICMR in Sept-2023.

Dr. Madhavi and Dr. Anurag from the Center made presentations to University of Witwatersrand, and Dept of Health in South Africa, World Conference of Lung Health in Paris (the Union), London School of Hygiene and Tropical Medicine, Boston University, Liverpool School of Tropical Medicine, Desmond Tutu TB Centre, South Africa, ICMR-NIE (Chennai), CDC TB-Immersion seminar series, Public Health Conference by MoH, Myanmar, and the Gates Foundation.

Presentation was also made for the Global Coalition Against TB (GCAT) that includes

Parliamentarians, policy makers, public health experts.

Both Drs Madhavi and Anurag were profiled in the Lancet, they are the third couple globally to be profiled in the prestigious journal. They were also awarded the inaugural K.V. Desikan Award by the Lepra Foundation in February, 2024.

Important key-note addresses delivered included the MSF South Asia TB day observation in Kathmandu and P.D. Hinduja Respiratory update conference in Mumbai.

The Center for the first time organized an online TB-Nutrition course for McGill Summer Institute Global Health Program in May, 2024 which was attended by 72 participants from 18 different countries and had 8 course faculty from Yenepoya, LSHTM, Brown University, ICMR-New Delhi, ICMR-NIE Chennai, St John's Research Institute, University of Milan.

The evidence from the RATIONS trial has led to the initiation of revision of WHO 2013 guidelines on TB and Under nutrition and Drs Anurag and Madhavi were invited as experts and made presentations for the WHO – Guideline Development Group (WHO-GDG). Dr Anurag was appointed as a member of WHO Strategic and Technical Advisory Group for TB (STAG-TB) for the next 3 years. Dr Anurag also visited Bangkok, Thailand for WHO South East Asia Region STAG-TB and Geneva, Switzerland for the WHO STAG-TB meeting in June 2024.

V Desikan Award by LEPRA Society, Hyderabad to Dr Anurag and Madhavi Bhargava.

ADVANCED COMPREHENSIVE CLINICAL TRAINING AND SIMULATION CENTRE

Center Heads

Dr. Meghna Mukund

Dr. Rashmi Jain

The center was established in 2016. This provides skill-based training. During the academic year 2023-24, the center conducted a total of 61 training programs which were certified programs including American Heart Association (AHA), Rajiv Gandhi University Certified (RGUHS). The Centre also conducted training program for the teaching faculty by the international trainers to enhance the quality of simulation based training for the students.

American Heart Association (AHA) certified Basic Life Support (BLS) course was conducted for 263 interns, postgraduates and staff. Similarly, AHA certified Advanced Cardiac Life Support (ACLS) course was conducted for 91 students.

In addition to training, the center was also involved in the examination process by providing support for the conduct of OSCE examinations of YMC, YNC, and YASHS.

Furthermore, Basic and Advanced Cardiac life support training was conducted for the students of YPC, YDC, and YAMCH. In addition, the training was also conducted for the nursing and clinical staff as a part of the NABH compliance. Code Yellow mock drill conducted in the emergency medicine department.

The 5th Finishing School Program was conducted for the 4th year nursing students benefitting 98 students.

The center organized the "Integrating Simulation into CBME" for the simulation educators. The session was led by Dr. Makani Purva, Hull University, United Kingdom.

The 'Medical Moulage' competition was conducted for the 4th time on the Halloween day for various healthcare institutions in Mangalore. A total of 27 participants from various institutes participated in the competition.

The center conducted outreach program for the school students and public covering 242 beneficiaries. The session was mainly on the reproductive system and reproductive health. The center also conducted Compression Only Life Support (COLS) training for the teaching and non-teaching staff of YIASCM.

Acts Yen conducted emergency Nursing Life Support (ENLS), Cardiac care Life support (CCLS) & Safe transport & Life Support (STLS) workshop in collaboration with Jeevaraksha. Acts Yen also conducted value added courses (surgery), NALS training, PALS training, Basics of ECG training, CPR training and other departmental workshops.

Integrating simulation into CBME Workshop

ADVANCED SURGICAL SKILL ENHANCEMENT DIVISION

Coordinators

Dr. Suprith Surya

Dr. Shodhan K. V.

The Advanced Surgical Skill ENhancement Division (ASSEND) was initiated in the year 2018. It is one among the few surgical training facilities on animal model available in private healthcare sector across the country. It is well furnished with advanced equipments for surgical training like Basic Endo-trainers, Minimally Invasive Laparoscopic instruments, Robotic setups, surgical microscope unit and variety of open surgical instruments, and a well competent team of trainers, veterinary surgeons, technicians and additional staff for facilitation of programs.

This year a total of 161 training sessions/workshops were conducted with 430 beneficiaries that included postgraduates from various departments of Yenepoya University such as ENT, Ophthalmology, Orthopaedics, OMFS, General Surgery, OBG, Urology and Surgical Oncology. In addition, training was also availed by surgeons from various parts of India and few foreign. Various associations and organisations like Intuitive Surgicals Pvt. Ltd., Verwandeln Institute Kochi, Association of Gynaecological Robotic Surgeons (AGRS), Association of Minimally Access Surgeries in India (AMASI), Torrent Pharmacy conducted surgical workshops using live porcine.

Of the total programs, 78 were conducted for external organizations/ trainees. This has generated revenue of over 78 lakhs. Annual summary for the trainings conducted from July 2023 – June 2024 is presented below.

Module	Programs	Participants
Robotic assisted training	70	125
Laparoscopic assisted training	60	182
Cadaveric training	07	72
Dry lab modular training	24	51
	161	430

YENEPOYA FOUNDATION FOR TECHNOLOGY INCUBATION

Asim Syed Sheeraz
Chief Executive Officer

Fostering Healthcare Innovations for a Better Tomorrow

Yenepoya Foundation for Technology Incubation (YTI) continues to advance healthcare innovation, supporting 45 startups with a total funding of INR 18 Crores. These startups have filed 92 patents of which 13 are granted 16 are commercialized and two successful technology transfers. The ISO 13485 certified MedTech Design and Rapid Prototyping Facility, supported by Biotechnology Industry Research Assistance Council (BIRAC), offers advanced resources including 3D printing and PCB fabrication.

The Early Technology Accelerator has facilitated the development of five healthcare products, each receiving BIRAC funding of INR 200 lakhs. The SPARSH Social Innovation Program, focusing on maternal and child health, has facilitated follow-on funding of INR 130 lakhs, leading to nine startup spin-offs. The MSME Idea Hackathon at YTI provided INR 89 lakhs for prototype development, with five startups awarded in the Startup Karnataka Elevate Program.

YTI collaborates with Indian School of Business (ISB) Hyderabad on the I-Heal Accelerator Program, and with Centre for Cellular and Molecular Platforms (C-CAMP) Bangalore on the Inter-Institutional Biomedical Innovation Program (CIBIP), for addressing healthcare challenges.

YTI has been honored with the "Best Incubation Centre among Tier II Cities of India" (2023) by BIRAC and a Bronze award by The Economic Times at TechEDU India Awards'24 - Higher Education for "Distinguished Digitally

Integrated Incubation & Accelerator Program".

Department of Electronics, IT, Bt and S&T, Government of Karnataka has conferred The Smart Bio Award for the startup Papersens Private Ltd., "**Best Campus Company of the Year Award 2023**" for their outstanding achievements in Research & Technology at the Bengaluru Tech Summit in Dec. 2023.

YTI team receiving 'Best Incubation Centre – Tier II Cities of India Award' at the Global-Bio-India 2023 event.

*The Smart Bio Award for the startup Papersens Private Ltd., "**Best Campus Company of the Year Award 2023**"*

YTI has also conducted ideation sessions, IP sessions, and three healthcare hackathons, fostering innovation. YTI has been re-selected as a **SPARSH Center of BIRAC**, focusing on Public Health and Farm to Plate, reinforcing facility's commitment to impactful healthcare solutions.

Center for PhD Program

Dr. Vinitha Ramanath Pai
Director

Dr. Yashodhar P. Bhandary
Assistant Director

The Center for Ph.D. Program was established in the year 2015 to streamline the Ph.D. programs offered by the University besides providing necessary guidance to the aspirants. The main focus of the center is on the administrative aspects of the Ph.D. program. The center facilitates the admission notification (twice a year), the conduct of entrance examinations, the allocation of research supervisors, and the constitution of doctoral committees. Since inception, the University has awarded a total of 150 Ph.D. degrees.

During the academic year 2023-24, 92 scholars were enrolled in the Ph.D. program in two sessions. With this, the total number of Ph.D. scholars on the roll of the university was 346

(Male 32%, Female 68%). All the students enrolled were allocated with a research supervisor and a doctoral committee was constituted as mandated to facilitate their study progression. During the year, 21 scholars completed the prerequisites for the award of the degree.

The students enrolled for the Ph.D. program in the previous years published 23 research articles in indexed journals.

PhD Scholar receiving degree from the Chief Guest and the Hon'ble Vice Chancellor during the Convention held on 28.10.2023.

YENEPOYA CENTRE FOR FACULTY DEVELOPMENT

Dr. Abhay S Nirgude
Deputy Director

Dr. Imran Pasha
Convenor

YEN-FDC Members:

29 members from all Constituent Units

YEN-FDC Resource Faculty Members:

15 resource faculty

The Yenepoya Center for Faculty Development was established in 2010. During the year, the centre conducted a total of 13 faculty development programmes which focused on OBE, use of ICT tools, assessment tools, preparing lesson plans, blueprinting and teaching learning methods for competency based education, Faculty induction programme. A total of 953 faculty members

from various constituent colleges were the beneficiaries of these programmes.

The centre also felicitated 21 faculty members with 'Teacher of the Year award 2022' and 11 departments awarded with 'Academic excellence award' as a part of Teacher's Day celebration in the university. The awardees were selected after a thorough feedback and interview from various stakeholders of the constituent colleges.

CENTRE FOR CRANIOFACIAL ANOMALIES

Prof. Akther Hussain
Center Head

The center was established in 2010 for providing state-of-the art comprehensive care for craniofacial anomalies. The center is recognized by Akhila Bharatha Mahila Seva Sangha, India for receiving grants towards patient treatment. During the year 2023-24, the center catered to 54 beneficiaries. In addition, the center organized 2 scientific programs. The research work of the center resulted in one publication during the year.

The faculty of the center, Prof Akhter Husain was honored by the Royal College of Physicians and Surgeons of Glasgow with the Fellowship of the faculty of Dental Surgery.

CENTRE FOR ENVIRONMENTAL STUDIES

Dr. Bhagya B. Sharma
Deputy Director

The Centre for Environmental Studies was established in 2014. It is dedicated to promote environmental awareness and sustainability through environmental education. Its primary objectives include fostering active engagement in environmental "action" projects, cultivating responsible values and attitudes toward the environment, and nurturing sustainable skills and practices for environmental protection.

During the academic year 2023-24, the centre organized (21) programs, such as guest lectures and green community project. The centre commemorated events of environmental relevance viz. World Water Day, World Environment Day and Vanamahotsava. In addition, the centre is involved in teaching elective courses for various undergraduate programs such as Environmental Science and Vermitechnology. The centre also engages in reporting the environmental audit of the university.

Further, four guest lectures with the participation of 372 staff and students were organized by the centre. Special emphasis was placed on the celebration of National and International days of relevance through tree planting activities and organized events aimed at promoting water conservation and soil erosion.

Vanamahotsava (14-Jul-2023)

World Environment Day

World Environment Day was celebrated at Vidyaratna English Medium School, Deralakatte on 03.06.2024.

The Centre for Environment Studies at Yenepoya (Deemed to be University) celebrated World Environment Day with a campus-wide plantation drive on June 5.

World Environment Day guest talk at Yenepoya Ayurvedic Medical College and Hospital on 05.06.2024.

World Environment Day guest talk in the Dept. of Public Health and MSW on 06.06.2024.

World Environmental Day celebration in collaboration with Yenepoya Research Centre on 11.06.2024. A guest talk by P. Shridhara was organized on "Global Warming".

Plantation of saplings in the road divider area from YU towards Kuttar on 29.06.2024. A total of 250 saplings were planted. Faculty from Yenepoya Medical College and 2nd Semester students of Dental Technology participated in the program.

INFORMATION AND COMMUNICATION TECHNOLOGY

Mr. Rajesh Karkera
Director

Founded in 2011, the Department of Information and Communication Technology (ICT) enhances digital learning and e-governance across various areas, including administration, finance, student support, and examinations. Our team consists of skilled engineers, technicians, software developers, and network administrators. In the 2023-24 academic year, we improved our ICT infrastructure through network expansion, and enhanced audio/video setups. We supported over 214 online events by providing technical assistance.

Network Expansion with Audio / Video setup:

- Networking, Wi-Fi and Audio – Video setup of all classrooms/staff rooms of YIASCM Kuloor with audio video, display, internet and LAN connectivity.
- Networking, Wi-Fi and Audio – Video setup of all classrooms/staff rooms of YPCRC Ayush Campus, Bangalore Campus and YMC 250 seater class rooms.
- Networking, Wi-Fi and Audio – Video setup of OBG, Surgery & ENT departments at the MRD Block.
- Networking, Wi-Fi and Audio– Video setup of Radiation Oncology department at ZYIO.
- Networking, Wi-Fi and systems installation, Internet and Backbone HIMS connectivity setup at Natekal Health Centre.
- Networking, Wi-Fi and systems installation and Internet and Backbone HIMS connectivity setup at Bhadravathi Health Centre.
- Networking, systems installation, Internet and Backbone HIMS connectivity setup done at six peripheral health Centres of YMC.
- Networking, systems installation, Internet and Dental Diary software setup done at six peripheral health Centres of YDC.

Network and Wi-Fi:

The University has well-distributed data network across the campus, coupled with an extensive Wi-Fi infrastructure featuring 1,210 access points that cover approximately 90% of living areas, teaching spaces, and hostel rooms. With a user count of 3895.. The ICT Centre is committed to ensure a seamless experience for students, providing support for laptops and other essential learning tools.

Internet Connectivity:

The University's internet bandwidth was upgraded from 3.0 Gbps to 5.0 Gbps.

Firewall Upgrades:

Sophos Firewalls upgraded at YSAHS Mudipu, AYUSH campus and Techbay hostel, Jeppu.

Online workshops/ Webinars/ hybrid meetings:

83 - Online workshops/Webinars were assisted by the Department and managed 131 - Online/hybrid meetings.

CENTER FOR SUBSTANCE ABUSE PREVENTION

Dr. Maji Jose
Deputy Director

Dr. Shruti Nayak
Faculty Coordinator

The Centre for Substance Abuse Prevention (CFSAP) at Yenepoya (Deemed to be University), established in 2014, spearheads initiatives to uphold the University's 'No Substance Use Policy' and educate all stakeholders about the harmful effects of substance abuse. CFSAP ensures that all new students are introduced to the university's policy and substance use issues during Deeksharambh orientation sessions, which are further reinforced by class-wise awareness activities led by student representatives.

In the 2023-2024 academic year, CFSAP organized 27 programs, including guest talks and awareness sessions for university students, school children, and the public. Additionally, satellite units of all constituent colleges conducted various activities to observe commemorative days. These efforts reached a total of 9,580 individuals, comprising 9,326 students, 254 teachers, and 302 others, including non-teaching staff of Yenepoya (Deemed to be University) and members of the public. Six of these programs were conducted in collaboration with external agencies, and five were organized in partnership with NSS units of the university. Through these initiatives, CFSAP effectively raised awareness about the adverse effects of substance abuse.

The Centre observed 'World No Tobacco Day' with impactful activities, including an awareness talk in the local language for 40 non-teaching staff at the AYUSH Campus. University students performed mime role plays to educate the public on tobacco's ill effects. Additionally, 2,000 students and 50 teachers from various University units participated in an anti-tobacco oath-taking ceremony, reinforcing their commitment to a tobacco-free environment.

Mime and Role Play by students on World No Tobacco Day

On June 26, 2024, students and staff across all constituent units participated in the Narcotic Bureau's E-pledge campaign, 'Say Yes to Life, No to Drugs.' Around 2,500 students took part in class-wise oath-taking ceremonies. Two additional programs were also held to extend the campaign's reach to other institutions.

Oath taking

The Centre offers a value-added course on Tobacco Dependency Intervention specifically for dental professionals. This year, 42 dental interns were trained in prevention and cessation strategies. Additionally, the Tobacco Cessation Facility of the Centre provided cessation services to 591 patients struggling with tobacco addiction, supporting them in their journey to quit.

Value added course for dental professionals

CENTER FOR YEN MEDIA

Dr. Ashwini Shetty
Assistant Director

The Center for Yen Media, established in 2022, is an advanced learning and support center that provides equipment, training, and technical support for the creation of audio-visual material for teaching, learning, and awareness programs. Some of the major equipment available at the center includes camcorders, DSLR cameras, wireless microphones, and video editing software, along with a fully equipped green screen studio.

During the year, the center supported the production of over 200 projects, including 126 academic, 14 awareness, 9 conference, 22 events, 6 promotional, and 2 online value-added courses for the Department of ENT and the Department of Pediatrics of Yenepoya Medical College. The center also assisted faculty in creating videos for conference presentations and was involved in video documentation of various events conducted at the university. Additionally, videos on life skills and personal development for the Jeevan Kaushal Program were produced.

The center organized MeraYuva Bharat Training in collaboration with NSS and IT Department as a part of outreach efforts in the area of e-learning. The University was selected by the Digital India Corporation, New Delhi, to conduct this program in the Dakshina Kannada district. The purpose of the program was to train the trainers in essential digital skills. The program benefitted 60 participants.

The photographers of the Centre for Yen Media provided photography services for more than 240 events, including CMEs, workshops, seminars, conferences, guest visits, faculty photoshoots for websites, and student photos for ID cards etc.

Lecture capturing at Yen Media

INTERNAL QUALITY ASSURANCE CELL

Dr. Sharath B.
Deputy Director

IQAC met four times during the year and considered 17 agenda items. Three major quality initiatives were undertaken during the year involving the mentorship program, academic development, and annual performance of the constituent units.

The student mentorship program was revised in collaboration with the Directorate of Student Affairs. The purpose of this revision was to enhance clarity in the objectives of the program. This was undertaken as the effectiveness of the program was compromised due to overlap with the grievance redressal system. The mentorship program was revised to focus on the academic

and personal development of the students. And, grievance redressal was classified to the student welfare office and grievance redressal committee. In addition, a handbook was formulated to support the mentors. Furthermore, a methodology for monitoring the usefulness of the program was also formulated. The impact of the revision was assessed six months after implementation and perceivable benefit was noticed.

The streamlining of academic development was undertaken in collaboration with the Directorate of Academics. Foremost, a routine methodology for the Student Satisfaction Survey was prepared, including a mechanism

for formulating corrective action at the level of constituent units.

The annual reporting format of the constituent units was revised. The previous format was focused on the enumeration of details, while the revised format is focused on the summarization of achievements. The revised method is expected to provide an internal benchmark to measure year-on-year improvement in performance. An internal benchmark is important as comparison with other constituent units or with external peers is subjective due to variability in the circumstances like opportunities and challenges.

INTERNATIONAL STUDENT CELL

Dr. Maji Jose

Dean, Student affairs & Chairperson

The cell was established in the year 2019. The cell provides a single window system to provide support for the international students with services that they require from the time of their admission to the completion of their study in the University. The cell was reconstituted during 2023-24 and is chaired by the Dean of Student Affairs.

International Student Enrolment

During the year, there were 13 international students enrolled in the University. Of these, 9 students were enrolled in Yenepoya Nursing College, 2 in the Department of Public Health, 1 in the Department of Library Science, and 1 in the Centre for Ethics. These students represent a mix of nationalities, including 6 from Nepal, 1 from Bhutan, 4 from Nigeria, and 2 from Gambia.

International students meet

The International students were offered opportunity to learn Kannada language to enable them to interact well with the patients and others.

Spoken Kannada classes for international students

International Student Exchange

Students from **Adams School of Dentistry, University of North Carolina, USA**, visited Yenepoya Dental College in July 2023 for gaining clinical and community exposure. This was as a part of UNC collaboration. During their 5 days postings, from 24th July 2023 to 28th July 2023 in various departments in the Dental College, the students were given opportunity to get to know the dental education systems in India. In addition, students visited the peripheral health centers to get an insight in to the community health delivery system. Students gave a very good feedback about their experience in the university Campus, both academic exposure and hospitality extended to them.

Students from Adams School of Dentistry, University of North Carolina, USA visiting YDC.

Students and teachers of **State University of New York (SUNY), USA**, visited Yenepoya Medical College in July 2023 for gaining exposure to community medicine practice.

Students and teachers of State University of New York (SUNY), USA visit to Department of Community Medicine, YMC.

A student from the **University of Leipzig, Germany** visited the Centre for Ethics on 12-03-2024 for interaction with the bioethicists. A research scholar from the **Charité-Universitätsmedizin, Germany**, attended the two day PhD Dissemination workshop in centre for Ethics on 29-05-2023 to 31-05-2023.

Student from University of Leipzig, Germany visit to the Centre for Ethics.

GENDER SENSITIZATION CELL

Dr. Leena K. C.
Convener

Dr. Gladys Rida Colaco
Secretary

The Gender Sensitization Cell was constituted to create positive social norms in the campus that value every individual, irrespective of their gender. It aims to engage gender champions to challenge and shift gender norms in the society which are not positive towards girls under the guidance of teachers. The cell aims to strengthen students' potential to be responsible leaders, who facilitate an enabling environment, where girls are treated with dignity and respect, advocating for gender equality and monitoring progress towards gender justice.

Objectives:

- To sensitize about social/cultural constructions of gender in society.
- To create awareness about gender equality.
- To identify & train gender champions who advocate for gender equality.

Activities conducted during the year by the Gender Sensitization Cell through the constituent units:-

A drawing competition was held in recognition of International Men's Day with the Theme "an ideal man in my point of view" on 17th November 2023 by Yenepoya Physiotherapy College, at Naringana Campus.

Men's day was observed by the gender cell of Yenepoya Pharmacy College on 30th November 2023. A guest talk was delivered by Dr. Ravichandra Karkal, Professor, Department of Psychiatry, YMCH on the topic "Zero male suicide".

Yenepoya Nursing College observed World Aids Day 2023 on 20th November to 1st December 2023. An awareness talk on "Prevention of sexually transmitted infection" was held in Spandana Trust Jeppu, Mangalore. Activities such as a Placard competition on the theme "Remember & commit", an Intercollegiate Quiz competition on "let community lead", a Mime competition on "End inequality End AIDS", a Poster competition on "Let community lead", and a walkathon from St.Aloysius College to SDM College were organized.

On the occasion of Human Rights Day, Yenepoya Dental College held an essay competition on 11th December 2023 with the topic "Balanced role of gender in decision making and its perspectives in life". The winners were awarded cash prizes out of 28 entries.

GSC of Yenepoya Ayurveda Medical College organized an awareness talk on "Menstrual Health & Hygiene" on 30th January 2024. The awareness was given by Dr. Hafsa P Ahmad, Asst. Prof. dept. of Prasuthi Tantra & Stree Roga, YAMCH.

An outreach programme on "men's work or women's work" was conducted by Yenepoya Institute of Arts, Science, Commerce and Management on 31st January 2024 at Sri Srinivasa Pathashala oriented school, V.T. Road Mangalore. The students were oriented on gender based occupations by administering

the occupation list.

GSC of Yenepoya Medical College held an outreach programme in a higher primary school, Ranipura on 9th February 2024. Various programs such as a drawing competition on the theme "me and my family", an elocution competition on "gender equity", an awareness talk on health, mental health, medicine safety and sportsmanship were held. Program on a theme "Gender equality & equity"

The Gender Sensitization Cell (GSC) from Yenepoya (Deemed to be University) organized a program to mark the 'International women's day' on 11.03.2024 at Yendurance Zone of the University. Dr. Gladys R Colaco, secretary of GSC presented the program report for the year 2023-24. The guest of honor, Dr. Maji Jose, Dean, Student Affairs, (Yenepoya Deemed to be University), and Professor Yenepoya Dental College, emphasized the need for gender equity amongst both men and women for a better world. The best woman employee award was presented by the dignitaries to Smt. Sujatha Shetty, from Biochemistry department, Yenepoya Medical College, who has served the esteemed institution for over a period of 27 years. The chief guest, Dr Loveena Lobo, Associate Professor of Social Work and Director, PG Programme, St Aloysius (Deemed to be University) Mangaluru, highlighted the need to embrace equity at the levels of family as well as workplace. Presidential Address was

given by the Convener of Gender sensitization cell, Dr Leena K.C. There were around 300 participants including 200 students, 25, gender teachers, 20 gender champions and invited guests. Ms. Mrinal Karkera, Assistant Professor of clinical psychology welcomed the gathering and Dr Amar Sunil Lobo, Associate Professor, Dept of Microbiology, proposed the vote of thanks. The programme was concluded with cultural programmes from the students of various constituent colleges.

Feliciation Non-Teaching Staff

A Self Defense Hands on Workshop was organized by the Gender Sensitization Cell of YHMCH on 13th March 2024, at the Seminar Hall (3rd Floor for IV BHMS 2019-2020 Batch). Inauguration function was held followed by the training session were the guest Mr. Renshi Mohammed Nadeem Karate along with his team demonstrated self defense techniques required during the life situation especially during travelling, if somebody attacks how to self defend, cases of acid attack, need to escape. The session was an interactive one, where the trainer demonstrated on students by giving live demonstrations on them. The guests were honored by the Dean with a memento. E-certificates were given after feedback link was shared to the IV BHMS Students.

On 28th March 2024 GSC of YPC&RC organized "Reels/AD competition on the theme "Girls Education" to mark 'National girl child day' to the staff and students of constituent colleges

of Yenepoya (Deemed to be University). There were five teams participated and the winners were awarded with prizes.

On 30th March 2024 GSC of YPC&RC visited an old age home "Sevashrama" at Deralakatte with the objective of creating health care awareness on the importance of hand wash, hygiene, and cultural enrichment. First year students of 'D Pharma' students performed the skit. The interactive session, demonstration and discussion were held. A total of 100 persons attended this programme.

On 30th March 2024 GSC of YPC&RC observed international women's day at seminar hall of YPC&RC with the theme "Invest in women: Accelerate progress". As a part of the programme a guest talk by Dr. Madhavi Bharghava, Associate Professor, Department

of Community Medicine, YMC, felicitation for the women of the year 2024 award for non teaching employee was organized. A total of 96 persons attended this programme.

International Women's Day

The Gender Sensitization Cell successfully organized programmes for a diverse group of students in the constituent units under Yenepoya (Deemed to be University).

SPORTS COMMITTEE

Dr. Amar Lobo
Chairman

Sujith K. V.
Member Secretary

During the academic year 2023-24, the Sports Committee of the University organized and participated in a total of (20) tournaments and championships at national level (6), State level (8), district level (2), and regional level (4). The events were in the area of football, badminton, cricket, volleyball, fencing Athletics and best physique. Furthermore, the sports teams from the University won a total of 15 prizes at national level (3), state level (6), and district level (2) regional (4). All the prizes were for the sport of football. During the year 1 Football Turf 11 aside at Ayush campus, were added to the infrastructure facility at the campus.

The Yenepoya (Deemed to be University) has successfully hosted the South East Zone Inter University Football (men) Tournament from 11th to 15th December 2023 at Yenepoya University Campus.

This tournament provides a vibrant platform for all the participating universities to showcase their athletic prowess and sportsmanship.

1st place winners of South East zone Inter University Football Championship Yenepoya (Deemed to be University) Mangalore, Karnataka. National Level (Dec 2023)

The Yenepoya (Deemed to be University) Football team winners of the 2nd Joseph Raise Memorial Intercollegiate Football Tournament held at Corporation Ground, Thrissur. National Level (Dec 2023)

2nd position Runner's up of the TATVAM 2024 Futsal (Football) held at JSS Medical College Mysore. State level (Jun 2024)

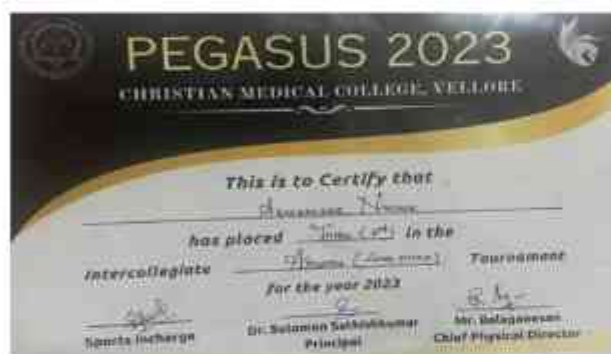

Secured 3rd position (Bronze medal) in AIU South West Zone Inter University Fencing Tournament a national meet sponsored by the Association of Indian Universities hosted by the Department of Physical Education, MGM University, Chatrapati sambhaji nagar, Maharashtra National Level (Dec 2023)

1st place winners of TATVAM 2023 Badminton held at JSS Medical College Mysore, Karnataka. State level (2023)

Winners of Badminton Men's, Bronze medal in Long jump in Pegasus 2023 badminton and athletic tournament organized by Christian Medical College, Vellore, Chennai State level (Sep 2023)

Yenepoya (Deemed to be University) won bronze medal in 4th place in 4x100mts relay (Sep 2023)

Sri Nataraja Vedike, Vamanjoor organized MAT KABADDI Regional level tournament 2024-25, Yenepoya (Deemed to be University) Winners of this tournament (May 2024)

Won 1st Place in football tournament held at Nehru Stadium Mangalore organized by Armed Memorial DK District A Division. District Level

Runners of the badminton tournament INVICTUS 2024 organized by KMC Medical College Organized by Yenepoya Medical College secured 2nd place in Badminton. State Level (Apr 2024)

Runners of SILHOUETTES AIIMBT 2024, Inter Medical College State Level Football Tournament held at Armed Forces Medical College, Pune (May 2024)

Winners of 25th Independence Cup Football Tournament Yenepoya (Deemed to be University) secured 1st place held at Nehru Stadium Football Ground, Mangalore, Karnataka. District Level. (Aug 2023)

Secured 2nd Position in Justice K S Hedge Memorial Trophy, LEATHER Ball Cricket Tournament for MEN organized by BC Alva Sports Complex, Cricket Ground, NITTE State Level (Mar 2024)

Open 13th Nehru Cup Sports Cricket Tournament organized by Department of Physical Education –Regional Level (Mar 2024)

Secured 1st place in JUNIOR PRO KABADDI SEASON 1 kabaddi tournament (Men) organized by Milagres College, Regional Level (Feb 2024)

Intercollegiate Indoor and Outdoor sports and games organized physical Education department Regional Level – (2023)

Winners of Kabaddi tournament held at Prabhu Maidan Sullya organized by Sound, Light and Shamiyana owners Associated R Sullya State Level

AIU SOUTH ZONE INTER UNIVERSITY VOLLEYBALL (MEN) TOURNAMENT, Yenepoya (Deemed to be University) participated in this tournament, held at P.E.S Engineering College, Mandya 2023-24

Participated in **All India Inter University Best Physique National Level Men Championship (2023-24)**, held at Calicut University, Kerala.

National Level Fencing Women's team participated in The **All India Inter University** held at GND University, Amritsar, Punjab (Jan 2024)

Kabaddi team participated in the South Zone Inter University National Level Kabaddi Tournament (Men) 2023-24, held at JNTU Kakinada, Andhra Pradesh (Nov 2023)

Football team Participated in All India Inter University National Level Football (Men) held at SANT BHAG SINGH University, Punjab (Jan 2024)

Football team participated in the All India Invitational open 11' A Side National Level Football Tournament, held at Lele Ground, Tilakwadi, Belgaum (Nov 2023)

TEACHER ACHIEVEMENTS

Professional Award

Dr. Anurag Deokinandan Bhargava, Professor of General Medicine and **Dr. Madhavi Bhargav**, Associate Professor of Community Medicine, received the 'K.V. Desikan Memorial Award 2024' for notable work in the field of infectious diseases by LEPR (2024).

Dr. Hassan Imran Mohtesham, Reader of Oral Pathology, received the 'Global faculty award' from AKS education awards (Nov 2023).

Dr. Jeslee Ann Jose, Lecturer of Conservative Dentistry, received the 'Dr. R.C. Kakar Award' from the International College of Dentists (Feb 2024).

Dr. Lepakshi K, Assistant Professor of Surgical Oncology, received the 'Dr. APJ Abdul Kalam Health Award' in recognition of outstanding achievement and contribution in healthcare (2024).

Dr. Lourdhuraj I, Professor of Physiotherapy, received the 'Academic Excellence Award' at the Mangalore Physiocon 2023 - International Physiotherapy Conference, Mangalore (Sep 2023).

Dr. M R Sivakumar, Associate Professor of Physiotherapy, received the 'Significant Contribution Award' in connect to unlock the potential of Physiotherapy at Mangalore Physiocon-International Physiotherapy Conference, Mangalore (Sep 2023).

Dr. Namratha B, Assistant Professor of Chemistry, received the 'Dr. K. V. Devadiga Best Lecturer Award – 2023' from Dr. K. V. Devadiga Charitable Trust (R) Mangalore (Nov 2023).

Dr. Niyaz P, Assistant Professor of Linguistic Studies, received the 'Samanvaya Shikshaka Prashasthi' on the occasion of National Education Day organized by Samanvaya Shikshakara Sangha, Mangalore. (Nov 2023).

Dr. Niyaz P, Assistant Professor of Linguistic Studies, received the 'JC Sadhanashree Prashasthi' award from JCI Madanthyar, D K District (2023).

Dr. Niyaz P, Assistant Professor of Linguistic Studies, received the 'Outstanding Performance Award' in the Research Conclave organized by Srinivas University, Mangalore (Jul 2023).

Dr. Sajjad AR Ebrahim, Associate Professor of Physiotherapy, received the 'Young Achievers Award' at Mangalore Physiocon - International Physiotherapy Conference, Mangalore (Sep 2023).

Dr. Uma Kulkarni, Professor of Ophthalmology, received the 'Outstanding Ophthalmic Teachers of India' at Seventh National Assembly of Forum of Ophthalmology Teachers of India organized by Dr R P Centre for Ophthalmic Sciences, AIIMS, New Delhi (Jan 2024).

Dr. Vijayalakshmi Subramaniam, Professor of ENT, received the Dr. V Parameshvara Memorial creative Music Therapist Award 2024 from the Meera Centre for Music Therapy Education and Research Manollasini trust, Bangalore (May 2024).

World Record

Dr. Kalpana B, Professor of Physiology, participated in International Yoga Day with Habuild organized by World Records Union (Jun 2024).

Travel Award

Dr. Anurag Deokinandan Bhargava, Professor of General Medicine, and **Dr. Madhavi Bhargav**, Associate Professor of Community Medicine, received International Travel Support for participating in the World Conference on Lung Health in 2023 at Paris organized by Global Health Strategies (Nov 2023).

Sports Award

Dr. Navyashree R, *Assistant Professor of Pharmacology*, won gold medal in the D.K. Masters Athletics champions organized by Mangalore Masters Athletic Association (Regd) (Oct 2023).

Outreach Award

Mrs. Jyothi, *Lecturer of Commerce*, received the 'Best Youth Red Cross Program Officer' - 2023 award from the **Indian Red Cross Society**, Dakshina Kannada District Branch, Mangalore (2023).

Dr. Poonam Ramesh Naik, *Professor of Community Medicine*, received the 'Excellence Award' from the Nava Chethana Friends Club, Mangaluru (Nov 2023).

Dr. Rachana Prabhu, *Additional Professor of Oral Medicine & Radiology*, received the 'Community Service 2023 Individual award' from the Indian Academy of Oral Medicine and Radiology (2023).

Office Bearer of Professional Society

Dr. Prabha Adhikari M R, *Professor of Geriatrics*, was appointed as advisor to the executive committee of the Geriatric Society of India (2023-2024).

Dr. Prashanth Shenoy, *Professor of Oral Medicine and Radiology*, was elected as the General Secretary at Indian Academy of Oral Medicine and Radiology (2023).

Dr. Mariam Anjum Ifthikar, *Associate Professor of Surgical Oncology*, was appointed as Secretary by Mangalore Obstetric & Gynecological Society 2024-25.

Assessor of Institutional Standards

Dr. Ajantha Shivaji Koteekar, *Professor of Roganidana*, was invited by National Assessment and Accreditation Council to assess an institution. (Feb 2024).

Dr. Ajay Bhat U, *Associate Professor of Kayachikitsa*, was invited by National Assessment and Accreditation Council to assess an institution. (Jun-Jul 2023).

Dr. Akshatha K, *Associate Professor of Shalaky Tantra*, was invited by National Accreditation Board for Hospitals and Healthcare providers to assess an institution. (Sep 2023).

Dr. Leena K C, *Professor of Community Health Nursing*, was invited by National Assessment and Accreditation Council to assess an institution. (Nov 2023).

Dr. Vidya Bhat S, *Professor of Prosthodontics*, was invited by National Assessment and Accreditation Council to assess an institution. (Jun 2024).

Dr. Zenica D'souza, *Professor of Kayachikitsa*, was invited by National Assessment and Accreditation Council to assess an institution. (Feb 2024).

Editorial Board Member

Dr. Asir John Samuel, *Professor of Physiotherapy*, was appointed to the editorial board of Journal of Physiotherapy Research (2023).

Dr. Asir John Samuel, *Professor of Physiotherapy*, was appointed to the editorial board of Frontiers in Rehabilitation Sciences (2023).

Dr. Asir John Samuel, *Professor of Physiotherapy*, was appointed as an academic editor of PLOS ONE (2024).

Dr. Jaideep Pandurang Desai, *Professor of Surgery*, was appointed to the editorial board of Edwin Group of Journals (Dec 2023).

Dr. Madhavi Bhargav, *Associate Professor of Community Medicine*, was appointed to the editorial board of Indian Journal of Medical Ethics (IJME) (Jun 2024).

Dr. Rachana Prabhu, *Additional Professor of Oral Medicine & Radiology*, was appointed as Associate Editor of 'Indian Academy of Oral Medicine and Radiology 2023' (2023).

Dr. Uma Kulkarni, *Professor of Ophthalmology*, was appointed as the ethics expert for the journal 'Archives of Medicine and Health Sciences' (2024).

Dr. Yashodhar P Bhandary, *Professor of Research Centre*, was appointed as the associate editor of the journal "Inflammation" (2024).

External Expert of an Institutional Committee

Dr. Anil Kakunje, *Professor of Psychiatry*, was appointed as the external member for the board of undergraduate and postgraduate studies in psychiatry of Sri Devaraj Urs Academy of Higher Education & Research, Kolar (Feb 2024).

Dr. Grrishma B, *Professor of Physiology*, was appointed as external subject expert for departmental curriculum committee of NITTE KS Hegde Medical Academy (Mar 2023).

Dr. Irene Veigas, *Associate Professor of MSW*, was appointed as external member for Prevention of Sexual Harassment Committee of Karnataka State Reserve Police, Mangalore (Jul 2023).

Dr. Leena K C, *Professor of Community Health Nursing*, was appointed as the national subject matter expert for validating the competency assessment framework of Sathyabama Institute of Science and Technology (Deemed

to be university), Chennai (Nov 2023).

Dr. Megha Rani, *Associate Professor of Pharmacology*, was appointed as external member of institutional ethics committee of Netra Jyothi Eye Hospital, Udupi (2023).

Dr. Nagapati Prabhakar Bhat, *Professor of Pharmacology*, was appointed as the external member of the board of studies in medical para- clinical subjects of Adichunchanagiri University (Mar 2024).

Dr. Poonam Ramesh Naik, *Professor of Community Medicine*, was appointed as an independent expert by Indian Association of Preventive and Social Medicine (Oct 2023).

Dr. Priya Reshma Aranha, *Associate Professor of Pediatric Nursing*, was appointed as the external member of the board of studies in nursing subjects of Adichunchanagiri University (Mar 2024).

Dr. Rachana Prabhu, *Additional Professor of Oral Medicine & Radiology*, was appointed as executive committee member for felicitation committee for the year 2024 by Indian Academy of Oral Medicine and Radiology (Jan 2024).

Dr. Roopa P Nayak, *Professor of Pharmacology*, was appointed as the chairperson of the institutional ethics committee of NGSM Institute of Pharmaceutical Sciences, Mangalore (May 2024).

Dr. Sindhu Priya E. S., *Assistant Professor of Pharmacology*, was appointed as the external member for the Institute Animal Ethics Committee of Nitte Gulabi Shetty Memorial Institute of Pharmaceutical Sciences, Mangalore.

Dr. Vijayalakshmi Subramaniam, *Professor of ENT*, was appointed as the external member for board of undergraduate and postgraduate studies in otorhinolaryngology of Sri Devaraj Urs Academy of Higher Education & Research, Kolar, Karnataka.

Best Scientific Presentation

Mr. Abdul Rahamanulla, *Assistant Professor of Pharmaceutical Chemistry*, secured the Second Position for best E-Poster at Krupa PharmaCon 2024, conference organized by Krupanidhi College of Pharmacy, Bangalore (Feb 2024).

Dr. Aboobakar Sidheque, *Lecturer of Conservative Dentistry*, secured the first position in the scientific paper presentation at Third World Dental and Facial Aesthetics Conference organized by the Himachal Dental College, Himachal Pradesh (Nov 2023).

Dr. Akshatha K, *Associate Professor of Shalakya Tantra*, secured the Best Paper Award at International Ayurveda Seminar organized by 5th Global Ayurveda Festival at Thiruvananthapuram, India (Dec 2023).

Dr. Amra Fathima, *Tutor in Yenepoya Dental College*, secured the second position in the scientific paper presentation at the 9th World Dental Sciences and Oral Health Conference Organized by CynoDent & ISD in Collaboration with Indira Gandhi Government Dental College, Jammu (Feb 2024).

Dr. Anu Babu, *Lecturer of Oral Medicine and Radiology*, secured the first position in the scientific paper presentation at 21st National Symposium 2024 organized by Indian Academy of Oral Medicine and Radiology (IAOMR) at SCB Dental College and Hospital, Cuttack (Mar 2024).

Dr. Apeksha S Bhandary, *Assistant Professor of Homoeopathic Materia Medica*, secured the third prize in poster presentation at the National Homoeopathic Conference - Provenio 23 organized by Alva's Homoeopathic College, Moodbidri (Aug 2023).

Dr. Asha Parvathi V, *Associate Professor of Streeroga*, secured the second place in paper presentation at the 6th National Seminar

Stanyamritam-2023 organized by Department of Kaumarbhritya, Parul University, Gujarat (Aug 2023).

Dr. Aysath Aphiya A, *Lecturer in Conservative Dentistry*, secured the second position in scientific paper presentation at the 11th World Dental Sciences and Oral Health Conference organized by CynoDent, ISD, and Subharti Dental College, Meerut (Sep 2023-Mar 2024).

Dr. Aysath Aphiya A, *Lecturer in Conservative Dentistry*, secured the First Position in the scientific poster presentation at 11th World Dental Sciences and Oral Health Conference organized by CynoDent & ISD in Collaboration with Subharti Dental College at Swami Vivekanand Subharti University, Meerut (Sep 2023-Mar 2024).

Dr. Binsha Pappachan C, *Professor of Psychiatric Nursing*, was the Best Paper Presenter at International Conference 2024 on Nursing 2.0: The integration of innovation in Nursing Practice, Education, Management & Research at T. John School & College of Nursing, Gottigere, Bangalore (Feb 2024).

Dr. Faseeh Muhammed Bin Farooqh, *Lecturer in Conservative Dentistry*, secured the second Position in the scientific paper presentation at 11th World Dental Sciences and Oral Health Conference organized by CynoDent & ISD in Collaboration with Subharti Dental College at Swami Vivekanand Subharti University, Meerut (Sep 2023-Mar 2024).

Dr. Faseeh Muhammed Bin Farooqh, *Lecturer in Conservative Dentistry*, secured the First Position in the scientific poster presentation at 11th World Dental Sciences and Oral Health Conference organized by CynoDent & ISD in Collaboration with Subharti Dental College at Swami Vivekanand Subharti University, Meerut (Sep 2023-Mar 2024).

Dr. Haseena K A, *Assistant Professor of Shareera Kriya*, secured the third place in paper

presentation at the 6th National Seminar Stanyamritam-2023 organized by Department of Kaumarbhritya, Parul University, Gujarat (Aug 2023).

Dr. Jeenu Joseph, *Associate Professor of Forensic Medicine and Toxicology*, secured the third place in paper presentation at the Scientific Seminar LUCIDIUM 2023 organized by Indian Homoeopathic Medical Association, Coimbatore (Jul 2023).

Dr. Kavya S R, *Associate Professor of Streeroga*, secured the Second Position in Paper Presentation at ANKURA 2024 - Workshop on Endometriosis - An Integrated Approach held at Alva's Ayurveda Medical College & Hospital, Moodbidri (Jun 2024).

Dr. Mohammed Aleemuddin, *Lecturer in Conservative Dentistry*, secured the Second Position in the scientific paper presentation at 9th World Dental Sciences and Oral Health Conference Organized by CynoDent & ISD in Collaboration with Indira Gandhi Government Dental College, Jammu at IGGDC Jammu (Feb 2024).

Dr. Mohammed Aleemuddin, *Lecturer Of Conservative Dentistry*, secured the first position in the scientific poster presentation at the International Dentists Convention & 8th World Dental Sciences and Oral Health Conference organized by Cynodent & ISD in collaboration with Department of Periodontology FODS, King Georges Medical University at Atal Bihari Vajpayee Scientific Convention Center, KGMU, Lucknow, UP (Sep 2023).

Dr. Mohammed Zahid, *Reader of Prosthodontics*, secured the first place for paper presentation at 49th Karnataka State 8th Inter-state Dental Conference organized by Indian Dental Association, Karnataka State Branch, at Manipal College of Dental Sciences, Mangalore (Dec 2023).

Dr. Mrudula K S, *Associate Professor of Streeroga*, secured the best paper award at National Seminar on Dermatology & Cosmetology TVAKSHUDDHI 2023 organized by Muniyal Institute of Ayurveda Medical Sciences, Manipal (Dec 2023).

Dr. Namratha K, *Lecturer of Oral Medicine and Radiology*, secured the first position in the scientific paper presentation at 21st National OOO Symposium organized by SCB Dental College and Hospital, Cuttack (Mar 2024).

Finishing Touches- Program I Orientation program on *"Quality issues for Undergraduate students"* organized by YDC on 24th June 2024 to 28th June 2024.

Faculty Development Programme on *"Academic Innovations in Digital India"* organized Faculty Development Unit, YSAHS on 19th June 2024.

Webinar Series on *"RISE-Research Interactions for Student Enrichment, Enhancement and Encouragement"* organized by Research and Development Cell of YHMCH on 19th June 2024.

Workshop on *"Embracing 5Rs: Empowering animal research with innovative instruments and alternatives to lab animals"* organized by Department of Pharmacology, YMC from 13th

June 2024 to 14th June 2024.

Workshop on *"Navigating the future of Medical Tourism"* organized by Department of Hospital Administration on 13th June 2024.

Faculty Orientation Program on *"Guru Dakshta - 3.0"* organized by Staff Welfare Committee, YPCRC on 10th June 2024.

Orientation program on *"Quality issues for undergraduate students"* organized by YNC on 08th June 2024.

First Aid Training Awareness Program organized by Department of Community Medicine, Department of Practice of Medicine and Youth Red Cross Unit of YHMCH on 08th June 2024.

Workshop on *"Geriatrics Inter professional Education Program, Brainstorm/Validation Session"* organized by Yenepoya Dental Education Unit, YDC in association with YENFDC on 06th June 2024.

Career Guidance Session on *"Profile Building and Exploring Global Perspectives in Physiotherapy"* organized by YPC on 05th June 2024.

An Undergraduate Research Training Series "Shodh 2.0" organized by Yenepoya Dental Education Unit in association with YENFDC & Research Cell, YDC on 04th June 2024.

Faculty Development Programme on *"Getting started with YENGAGE learning management system"* organized Faculty Development Unit, YSAHS on 03rd June 2024 to 05th June 2024.

Staff Development Program for Non-Teaching Staff and Teaching Staff on *"Soft skills and Good clinical practices"* organized by Staff Welfare Committee, YPCRC from 03rd June 2024 to 04th June 2024.

Yoga Training Program organized by Department of Physiology, YMC on 03rd June 2024.

Workshop on “*Emergency Nursing and Life Support Course (ENLS)*” organized by YNC collaboration with ACTS-YEN and Jeevaraksha Trust, Bengaluru on 29th May 2024 to 14th June 2024.

Intensive Summer Workshop on “*Ethics and Research*” organized by Centre for Ethics from 27th May 2024 to 30th May 2024.

Conference on “*Boosting Entrepreneurial Culture: Exploring New-Age Business Possibilities*” organized by Department of Hospitality Science, YIASCM from 24th May 2024 to 25th May 2024.

Workshop on “*Basic course in Medical Education*” organized by Medical Education Unit, YMC from 20th May 2024 to 22nd May 2024.

Training Program on “*IBM Cyber Security*” organized by Department of Computer Science, YIASCM from 13th May 2024 to 16th May 2024.

Conference on “*Prakruti Chikitsa Siddhanta*” organized by YNYSCH from 11th May 2024 to 12th May 2024.

Training Program on “*Fire and Safety*” organized by Department of Audiology and Speech Language Pathology, YMC on 10th May 2024.

Virtual Webinar on “*Life style changes: How diet, excise and the environment impact Asthma*” organized by Respiratory Therapy Unit, YSAHS on 07th May 2024 and 10th May 2024.

Fire Safety Awareness Program organized by Department of Community Medicine and Youth Red Cross Unit of YHMCH on 07th May 2024.

Workshop on “*Laparoscopic Cholecystectomy*” organized by Department of General Surgery, YMC on 07th May 2024.

Foundation Maxfac and Skill Course organized by Department of Oral & Maxillofacial Surgery, YDC on 06th May 2024 to 09th May 2024

Workshop on “*Precision in Practice: Advancing skills Assessment*” organized by Department of Nursing Education, YNC on 04th May 2024.

Continuing Medical Education program on “*Extreme hypofractionation (SBRT)- The new normal in Radiation Oncology practice*” organized by Department of Radiation Oncology, YMCH on 04th May 2024.

Training Program on “*Data Science*” organized by Department of Computer Science, YIASCM from 02nd May 2024 to 06th May 2024.

Workshop on “*Pharma Pulse 3.0*” organized by Department of Pharmacology, YPCRC on 02nd May 2024.

Hands on Workshop on “*Designing and Validating Multiple Choice*” organized by Medical Education Unit, YMC on 30th April 2024.

Skill Training Program on “*Intestinal Anastomosis - Learn the Technique*” organized by the Department of General Surgery, YMC from 27th April 2024 to 29th April 2024.

Training program on “*Hospital Infection Control*” organized by Department of Hospital Administration on 25th April 2024.

Workshop on “*Research Methodology*” organized by Scientific Review Board, YPCRC from 24th April 2024 to 25th April 2024.

Workshop on “*Ethicsphere: Ethical compass for responsible research - session 2*” organized by Department of Hospital Administration and YSAHS in association with Centre for Ethics on 23rd April 2024.

Workshop on “*Mastering patient monitoring*”

and ventilator management in ICU & Suturing techniques" organized by Unit of Physician Associate, YSAHS on 23rd April 2024.

Faculty Development Programme on "Crafting effective learning objectives with blooms taxonomy" organized Faculty Development Unit, YSAHS on 19th April 2024.

PRE-CONFERENCE COURSE on "Cleft Rhinoplasty", INDOCLEFTCON - 2024, Mangalore organized by YDC on 17th April 2024.

Skill Training Program on "Basic Laparoscopic Skill Training Module III" organized by Department of General Surgery, YMC on 17th April 2024.

Slide Seminar organized by Department of Pathology, YMC on 16th April 2024.

Module-3 Certification Course on "Orthodontic Clear Aligners" organized by Department of Orthodontics and Dentofacial Orthopedics, YDC on 15th April 2024.

Cadaver Dissection Workshop on "Temporal Bone and Lateral Skull Base" organized by Department of Otorhinolaryngology, YMC from 08th April 2024 to 09th April 2024.

Training session on "Ayushman Bharat Digital Mission (ABDM) and Registration for ABHA, Health Professionals Registry (HPR) and Health Facility Registry (HFR)" organized by National Service Scheme NSS Unit-1, YDC on 08th April 2024.

Skill Training Program on "Basic Laparoscopic Skill Training Module II" organized by Department of General Surgery, YMC on 06th April 2024.

Program on "IBM Ice Day and Hackathon" organized by Department of Computer Science, YIASCM from 05th April 2024 to 06th April 2024.

Hands on Surgical Training on "Fresh Frozen Cadavers – Functional Endoscopic Sinus Surgery and Head & Neck Surgery" organized by Department of Otorhinolaryngology, YMC on 05th April 2024.

Awareness program on "My Health, My Right" organized by Department of Hospital Administration on 04th April 2024.

Workshop on "Counselling" organized by Department of Social Work, YDU from 1st April 2024 to 2nd April 2024.

Webinar titled "Yen Audicon'24: An in- depth Insight into Auditory Rehabilitation through Cochlear Implantation" organized by Department of Audiology and Speech Language Pathology, YMC on 30th March 2024.

Workshop on "Operating Room Emergencies" organized by Anesthesia and Operation Theatre Technology Unit, YSAHS in Collaboration with ACTSYEN from 29th March 2024 to 30th March 2024.

Workshop on "Exhumations in Medico - Legal Settings" organized by Department of Forensic Medicine and Toxicology, YMC on 29th March 2024.

Short-term course in "Drosophila Genetic Techniques" organized by Division of Neuroscience, YRC from 28th March 2024 to 30th March 2024.

Workshop on "REZUM" organized by Department of Urology, YMC on 28th March 2024.

Awareness Program on "Pharmacovigilance in ASU & H Drugs" organized by Department of Homeopathic Pharmacy, YHMCH on 27th March 2024.

Workshop on "Project /Dissertation-Learning by doing" organized by Department of Social Work, YIASCM on 25th March 2024 and 26th March 2024.

Health Talk on *"Updates in Tuberculosis Management"* organized by Department of Community Medicine, YMC on 25th March 2024.

Basic Laparoscopic Skill Training Program Module I organized by Department of General Surgery, YMC on 23rd March 2024.

Webinar on *"Comparative analysis of Oral Health Systems: Lessons from Australia and Implications for Global Health"* organized by Department of Public Health Dentistry, YDC on 22nd March 2024.

Workshop on *"Unveiling the Future: Innovatrics ABIS -9th Generation"* organized by Department of Forensic Science, YIASCM on 19th March 2024.

Faculty Lecture on *"Updates in the Management of Haemorrhoids"* organized by Department of General Surgery, YMC on 19th March 2024.

FOM Workshop on *"Arch Expansion in Mixed Dentition"* organized by Department of Pediatric and Preventive Dentistry, YDC on 16th March 2024.

Workshop on *"operation and maintenance of STP"* organized by Centre for Environmental Studies, YDU in collaboration with Environmental Management and Policy Research Institute, (EMPRI), Bangalore, on 15th March 2024.

Conference on *"Kidney Tech Revolutionizing Dialysis Practices"* organized by Renal Dialysis Technology Unit of YSAHS on 15th March 2024.

Seminar on *"Research Funding and Publications in High Impact Journals: Opportunities and Challenges"* organized by YNC on 13th March 2024.

Hands on Workshop on *"Self defense"* organized by Gender Sensitization Cell, YHMCH on 13th March 2024.

Workshop on *"Prakruti Vijnana – The Science of Naturopathic Diagnosis"* organized by YNYSCH on 11th March 2024 and 12th March 2024.

Workshop on *"AR / VR Science, Technology Application"* organized by Department of Computer Science, YIASCM on 11th March 2024.

Workshop on *"Drosophila Melanogaster - A versatile Animal Model In Biological Research"* organized by Department of Pharmacognosy, YPCRC on 09th March 2024.

Training Program on *"Ethical Hacking and Penetration Testing"* organized by Department of Computer Science, YIASCM from 08th March 2024 to 11th March 2024.

Pre Conference Workshop on *"Procedures in Neonatology"* organized by Department of Pediatrics, YMC on 08th March 2024.

Training Program on *"Internet of Things (IoT)"* organized by Department of Computer Science, YIASCM from 07th March 2024 to 09th March 2024.

Training Program on *"Cyber Security"* organized by Department of Computer Science, YIASCM from 05th March 2024 to 07th March 2024.

Awareness Program organized by Department of Otorhinolaryngology, YMC on 04th March 2024.

Public Awareness Program organized by Department of Audiology and Speech - Language Pathology, YMCH on 04th March 2024.

Workshop on *"Exploring the Innovative Pedagogical Approach for Facilitators of ASLP"* organized by Department of Audiology & Speech Language Pathology, YMC on 01st March 2024 and 02nd March 2024.

Workshop on *"Electronic Medical Records-*

Through the lens of an Administrator" organized by Department of Hospital Administration, on 29th February 2024.

Workshop on *"Herbarium Preparation"* organized by Department of Pharmacognosy, YPCRC on 26th February 2024.

Workshop on *"Questionnaire Building and Data Management Using the Dockare Platform"* organized by Department of Community Medicine, YMC 24th February 2024.

Motivational session on *"Research in Homeopathy: Why? And How?"* organized by Research and development Cell, YHMCH on 23rd February 2024.

Training Program on *"Cloud Computing"* organized by Department of Computer Science, YIASCM from 22nd February 2024 to 24th February 2024.

Workshop on *"Practice Changing Updates in RCC ? (ASCO-GU2024)"* organized by Department of Urology, YMC on 21st February 2024.

Training Program on *"Emerging Trends in Finance"* organized by Department of Computer Science, YIASCM from 19th February 2024 to 21st February 2024.

Training Program on *"Machine Learning and Artificial Intelligence"* organized by Department of Computer Science, YIASCM from 19th February 2024 to 23rd February 2024.

Basic Neonatal Resuscitation Programme (BNRP) organized by Department of Pediatrics, YMC on 18th February 2024.

Workshop on *"Systematic Review and Meta Analysis"* organized by Department of Ophthalmology, YMC on 16th February 2024 and 17th February 2024.

Workshop on *"Statistical Guidelines for*

Research Publications" organized by Department of Statistics in Collaboration with the Yenepoya Centre for Faculty Development (YEN-FDC), on 14th February 2024.

Workshop on *"Staplers in Urology"* organized by Department of Urology, YMC on 14th February 2024.

Workshop on *"Soft Skills"* organized by Department of OBG Nursing, YNC on 12th February 2024.

Live Colposcopy Workshop on *"Scopemasters Forum: Illuminating Excellence in Colposcopy"* organized by Department of Surgical Oncology, YMC on 10th February 2024.

Conference on *"Integrating Technology in Public Health: The Way Forward"* organized by Community Health Nursing, YNC on 09th February 2024.

Continuing Medical Education Program on *"Scentia 2024"* organized by Department of General Medicine, YMC on 03rd February 2024 and 4th February 2024.

Workshop on *"AGRS - Assend Robotic"* organized by Department of Surgical Oncology, YMC on 2nd February 2024 and 3rd February 2024.

Workshop on *"First Aid"* organized by Department of Nursing Foundation and Youth Red cross, YNC on 30th January 2024 and 31st January 2024.

Webinar on *"RISE - Research Interaction for Student Enrichment, Enhancement and Encouragement"* organized by Research and development Cell, YHMCH on 30th January 2024.

Boot Camp on *"Cyber Forensics"* organized by Department of Forensic Science, YIASCM from 23rd January 2024 to 24th January 2024.

Conference on *"MiCON-2024 on the theme*

Microbes for Sustainable Future" organized by Yenepoya Research Centre from 23rd January 2024 to 24th January 2024.

Workshop on *"Change for Restoring Human Dignity"* organized by Department of Humanities & NSS Unit-10, YIASCM on 23rd January 2024.

Webinar on *"Managing Ethics in Business"* organized by Department of Hospital Administration, on 23rd January 2024.

Continuing Medical Education Program on *"SURGYEN 2024"* organized by Department of General Surgery, YMC on 20th January 2024.

Workshop on *"Self-employment"* organized by Centre for Environmental Studies on 18th January 2024 and 19th January 2024.

Inter Departmental Integrated Teaching organized by Department of Anesthesiology, YMC on 15th January 2024.

Hands on Workshop on *"RESPICARE '24"* organized by Respiratory Therapy Unit, YSAHS from 14th January 2024 to 15th January 2024.

Webinar on Business Ethics on *"Ethics in Operational Management"* organized by Department of Hospital Administration, on 13th January 2024.

Orientation Programme on *"Introduction to Internet of Things"* organized by Department of Computer Science, YIASCM from 11th January 2024 to 13th January 2024.

Faculty Development Programme organized by Yenepoya Homeopathic Medical College in Association with Yenepoya Centre for Faculty Development, on 10th January 2024 and 11th January 2024.

Microsoft Training Session organized by Department of Computer Science, YIASCM from 8th January 2024 to 12th January 2024.

Workshop on *"Infection Control in Oncology"* organized by Department of Haemato/

Medical Oncology, Zulekha Yenepoya Institute of Oncology & Infection Control Team, YMCH on 05th January 2024.

Workshop on *"Research Methodology"* organized by Scientific Review Board Committee, YSAHS from 03rd January 2024 to 5th January 2024.

Workshop on *"Musical Workshop"* organized by Department of Geriatric Medicine, YMC on 23rd December 2023.

Workshop on *"Intestinal Anastomosis"* organized by Department of General Surgery, YMC on 23rd December 2023.

Webinar series on *"RISE - Research Interactions for Student Enrichment, Enhancement, and Encouragement"* organized by Research and development Cell, YHMCH on 22nd December 2023.

36th Annual Conference of Geriatric Society of India (GSI) organized by Department of Geriatric Medicine, YMC on 16th December 2023 and 17th December 2023.

Faculty Development Program on *"Internet of Things Sensors and Technologies"* organized by Department of Computer Science, YIASCM from 12th December 2023 to 13th December 2023.

Workshop on *"Blue printing of question paper & question bank preparation"* organized by YNC on 12th December 2023.

Continuing Medical Education Program on *"Aware Minds - Navigating Antimicrobial Stewardship"* organized by Department of Pharmacology and Microbiology, YMC on 12th December 2023.

Continuing Dental Education program organized by Department of Pediatric and Preventive Dentistry, YDC on 11th December 2023.

Conference on *"Medical Imaging -*

YENRAD'23" organized by Medical Imaging Technology Unit, YSAHS on 09th December 2023.

Continuing Dental Education Program on *"Face Makeover - A journey Through Facial Esthetics"* organized by Department of Oral & Maxillofacial Surgery, YDC on 08th December 2023.

Workshop on *"Introduction to IOT and its applications, programming, and simulations"* organized by Department of Computer Science, YIASCM from 06th December 2023 to 08th December 2023.

Basic in Research Methodology Workshop - Epitychia-4.0 organized by Yenepoya Dental Education Unit (YDEU), YDC from 05th December 2023 to 07th December 2023.

Workshop on *"Basics in Research Methodology"* organized by Yenepoya Dental Education Unit (YDEU) in association with Yenepoya Center for Faculty Development & Department of community Medicine, YMC on 05th December 2023 to 07th December 2023.

Conference on *"INFOCON-2023"* organized by Data Analytics, Bioinformatics and Structural Biology division, YRC on 02nd December 2023.

Outreach Program on *"Awareness on Benefits and risks of Microorganisms"* organized by Department of Pharmacognosy, YPCRC on 24th November 2023.

Workshop on *"Innovations in Anatomy: Exploration of Advanced 3D printing Technologies"* organized by Department of Anatomy, YMC on 20th November 2023.

Conference on *"CLEFTHON - A holistic Approach in Managing Children with Cleft lip and palate"* organized by Department of Audiology and Speech Language Pathology, YMC on 17th November 2023.

Workshop on *"Advanced Methods Systematic*

Reviews and Meta- analysis Workshop (AMSAW)" organized by Department of Community Medicine, YMC from 09th November 2023 to 11th November 2023.

Workshop on *"Communication Skills"* organized by Department of Psychiatry, YMC from 09th November 2023 to 11th November 2023.

Continuing Dental Education Program on *"Novel Biomaterials and their development for periodontal applications"* organized by Department of Periodontology, YDC on 08th November 2023.

Health talk on *"Breast cancer awareness and Breast self - Examination"* organized by Department of Community Medicine, YMC on 07th November 2023.

Training Program on *"Introduction to Data Analytics"* organized by Department of Computer Science, YIASCM from 06th November 2023 to 9th November 2023.

Workshop on *"Introduction to HTML & WebGL"* organized by Department of Computer Science, YIASCM from 06th November 2023 to 8th November 2023.

Continuing Medical Education Program on *"Pediatric gastroenterology - An Update"* organized by Department of Pediatrics, YMC on 05th November 2023.

Workshop on *"Relevance of Indian Knowledge System (IKS) in contemporary Dental Practice"* organized by Department of Oral Medicine and Radiology, YDC on 04th November 2023.

Training Program on *"Introduction to cloud Computing"* organized by Department of Computer Science, YIASCM from 03rd November 2023 to 05th November 2023.

Workshop on *"Capacity building for Humanitarian ethics in forensic Investigation, reporting and research publications dealing with cadavers in the Indian context"* organized

by Department of Forensic Medicine and Toxicology, YMC from 02nd November 2023 to 05th November 2023.

Training Program on "*Hazard Analysis and Critical Control Points (HACCP)*" organized by Department of Computer Science, YIASCM from 28th October 2023 to 31st October 2023.

Continuing Medical Education and Postgraduate Teaching Program organized by department of Orthopedics, YMC on 22nd October 2023.

Continuing Dental Education Program on "*Orofacial Pain and TMD: Knowledge is empowering*" organized by Department of Prosthodontics, YDC on 18th October 2023.

Outreach and Awareness program on "*World Food Day*" organized by NSS Unit, YRC on 16th October 2023.

Workshop on "*ICMR Neuro-Psychiatry Battery*" organized by Department of Geriatric Medicine, YMC on 12th October 2023.

Training Program on "*Cyber security and Ethical hacking*" organized by Department of Computer Science, YIASCM from 09th October 2023 to 13th October 2023.

Hands on training in "*Pre- Hospital trauma care workshop*" organized by Trauma Care Management Unit in collaboration with ACTSYEN, YSAHS from 06th October 2023 to 07th October 2023.

Workshop on "*SOAR (Student Onboarding for administrative Readiness)*" organized by Department of Hospital Administration on 06th October 2023.

Workshop on "*Professional Development Program on Legal Implications for Hospitals*" organized by Department of Hospital Administration on 05th October 2023.

Short term course in "*Cell Culture Techniques*" organized by Division of Cancer

Research and Therapeutics, YRC from 03rd October 2023 to 10th October 2023.

Training Program on "*IBM Soft Skills*" organized by Department of Computer Science, YIASCM from 02nd October 2023 to 05th October 2023.

Symposium on "*Yendermamind - 2023 - National Medical under Graduate symposium*" organized by Department of Dermatology, Venereology & Leprosy and Department of Psychiatry, YMC on 02nd October 2023.

Continuing Dental Education Program on "*Writing an effective grant proposal*" organized by Department of Public Health Dentistry, YDC on 30th September 2023.

Training Program on "*Good Clinical Practice*" organized by Centre for Ethics, Yenepoya (Deemed to be University) from 25th September 2023 to 29th September 2023.

Workshop on "*YEN RAW 2023 - Regional Anesthesia*" organized by Department of Anesthesiology, YMC on 24th September 2023.

Awareness program on "*Investment Strategy*" organized by Department of Management, YIASCM on 23rd September 2023.

Workshop on "*Selecting the right journal for publication*" organized by Yenepoya Research Centre 22nd September 2023 to 23rd September 2023.

Workshop on "*Capacity building for Humanitarian ethics in forensic Investigation, reporting and research publication dealing with cadavers in the Indian context*" organized by Department of Forensic Medicine and Toxicology and Centre for Ethics, Yenepoya (Deemed to be University) from 20th September 2023 to 23rd September 2023.

Training on "*Basic Life Support*" organized by NABH Dental Cell, YDC in association with

ACTS-Yen from 18th September 2023 to 22nd September 2023.

Session on *"Gender sensitization for equity and better outcomes at the workplace"* organized by Yenepoya Research Centre on 15th September 2023.

Continuing Medical Education Program on *"Application of Organon in Clinical Practice"* organized by Department of Organon of Medicine & Homoeopathic Philosophy, YHMCH on 13th September 2023.

Workshop on *"Vestibular Rehabilitation"* organized by YPC on 10th September 2023.

Hands on Workshop into *"Digital Investigation"* organized by Department of Forensic Science, YIASCM from 07th September 2023 to 09th September 2023.

Training Program on *"Good Clinical Practice"* organized by Centre for Ethics, Yenepoya (Deemed to be University) from 07th September 2023 to 08th September 2023.

Webinar on *"Improving Patient Care and Outcomes of Hemodialysis"* organized by Renal Dialysis Technology Unit, YSAHS on 04th September 2023.

Training Program on *"Good Clinical Practice"* organized by Centre for Ethics, Yenepoya (Deemed to be University) from 25th August 2023 to 26th August 2023.

Training Program on *"Application of Minnesota Protocol (2016) in Crime Scene Investigation (CSI)"* organized by Department of Forensic Medicine and Toxicology and Centre for Ethics, Yenepoya (Deemed to be University) on 24th August 2023.

Continuing Dental Education Program on *"Implementing concepts of prevention in dental practice"* organized by Department of Pediatric and Preventive Dentistry, YDC on 21st August 2023.

Training Program on *"Advanced Laproscopic"* organized by Department of General Surgery, YMC from 20th August 2023 to 22nd August 2023.

Training Program on *"IBM Training"* organized by Department of Computer Science, YIASCM on 16th August 2023 to 21st August 2023.

Workshop on *"Ensemble model for classification: Hands on Training using R"* organized by Department of Statistics, Yenepoya (Deemed to be University) on 12th August 2023.

Module-wise Certification Program on *"Orthodontic Clear Aligners"* organized by Department of Orthodontics and Dentofacial Orthopedics, YDC from 11th August 2023 to 12th August 2023.

Continuing Dental Education Program on *"Optimizing the restorative-tissue interface in challenging esthetic treatments"* organized by Department of Prosthodontics, YDC on 11th August 2023.

Training Program on *"Basic Life saving methods of transport of injured patients"* organized by Department of Orthopedics, YMC on 04th August 2023.

Training Program on *"Laboratory Management Systems and Internal Audit as per IS/ISO 15189:2022"* organized by Department of Pathology, YMC on 02nd August 2023 to 05th August 2023.

Awareness program on *"Capital Market"* organized by Department of Commerce, YIASCM on 31st July 2023.

Workshop on *"Demonstration of Synergy Homeopathy Software"* organized by Department of Repertory, YHMCH on 27th July 2023.

Workshop on *"Infection Control"* organized by Department of Pathology and Microbiology,

YHMCH on 27th July 2023.

Continuing Medical Education Program on *"Different approaches of prescribing in surgical case through homoeopathy"* organized by Department of Surgery, YHMCH on 26th July 2023.

Short-term Course in *"Grant Proposal writing"* organized by Yenepoya Research Centre from 25th July 2023 to 02nd August 2023.

Webinar on *"Research grant proposal writing & India Centric Research Funds"* organized by Department of Pharmaceutics, YPCRC on 25th July 2023.

Training program on *"Resume Writing"* organized by Employment and Placement Cell, YDC on 20th July 2023.

Workshop on *"Mass Spectrometry-based Metabolomics"* organized by Centre for Systems Biology and Molecular Medicine, YRC from 06th July 2023 to 08th July 2023.

Workshop on *"Intellectual Property Rights (IPR) & Patents and Design filing"* organized by Research and Development Committee, YDC on 06th July 2023.

Certificate Course in *"Aesthetic Dentistry"* organized by YDC from 03rd July 2023 to 08th July 2023.

Guest Lecture Series

Guest Lecture on *"Strive to Thrive"* organized by Department of Organon of Medicine, YHMCH on 28th June 2024.

Guest Lecture on *"Exploring Patent Potential in Alternative Medicines and Pharma"* organized by Yenepoya Technology Incubator on 28th June 2024.

Guest Lecture on *"Navigating Patent Protection and Technology Transfer"* organized by Yenepoya Technology Incubator

on 27th June 2024.

Guest Lecture on *"Yoga and Meditation for Personality Development"* organized by YAMCH on 21st June 2024.

Guest Lecture on *"ABO Blood Group Discrepancies"* organized by Department of Pathology, YMC on 21st June 2024.

Guest Lecture on *"Assessment and Evaluation of Breast lesions: What to do and What not to"* organized by Department of General Surgery, YMC on 21st June 2024.

Guest Lecture on *"Assessment of nutritional status in individual"* organized by Department of Swasthavritta and Yoga, YAMCH on 17th June 2024.

Guest Lecture on *"Emergency Medicine: The Trump card of all Specialties"* organized by Department of Emergency Medicine, YMC on 12th June 2024.

Guest Lecture on *"A guest lecture on Auriculotherapy"* organized by YNYSCH on 08th June 2024.

Guest Lecture on *"Low Vision Rehabilitation"* organized by Optometry Unit YSAHS on 08th June 2024.

Guest Lecture on *"Presentation skills for the modern professional"* organized by Department of Orthodontics, YDC on 07th June 2024.

Guest Lecture on *"The Power early Investing: Building Wealth and Financial Freedom"* organized by YPC on 03rd June 2024.

Guest Lecture on *"Importance of Understanding Drugs in Naturopathy"* organized by YNYSCH on 25th May 2024.

Guest Lecture on *"Management of Early Breast Cancer"* organized by Department of General Surgery, YMC on 22nd May 2024.

Guest Lecture on *"Digital India in education. A roadmap for transformation of India"*

organized by YDC on 21st May 2024.

Guest Lecture on *"Molecular Biology"* organized by YNYSCH on 20th May 2024.

Guest Lecture on *"Auriculotherapy"* organized by YNYSCH on 20th May 2024.

Guest Lecture on *"SARS-CoV-2 evolution, Pathogenesis and Tissue-specific reprogramming determine the disease pathophysiology"* organized by Yenepoya Research Centre on 20th May 2024.

Guest Lecture on *"Health benefits and Introduction to Chromo & Magnetotherapy"* organized by YNYSCH on 14th May 2024.

Guest Lecture on *"Midwives: A vital climate solution"* organized by Department of OBG Nursing, YNC on 11th May 2024.

Guest Lecture on *"Role of Psychologist in Oncology"* organized by Clinical Psychology Unit, YSAHS on 09th May 2024.

Guest Lecture on *"Accessibility of Government Sponsored welfare services for the Mentally Challenged Children"* organized by Department of Child Health Nursing, YNC on 08th May 2024.

Guest Talk on *"Significance of Anaerobes"* organized by Department of Pharmacognosy, YPCRC on 03rd May 2024.

Guest Lecture on *"Introduction about Parkinson's disease"* organized by Department of Neuroscience Technology, YSAHS on 30th April 2024.

Guest Lecture on *"Climate Change and Health Care"* organized by Centre for Environmental studies on 29th April 2024.

Guest Lecture on *"Beyond Classrooms- Changing perspectives about student hood"* organized by Clinical Psychology Unit, YSAHS on 29th April 2024.

Guest Talk on *"Planet vs. Plastics"* organized by NSS Unit, YSAHS on 24th April 2024.

Guest Lecture on *"Psychosocial issues in Palliative Care"* organized by Department of Community Health Nursing, YNC on 22nd April 2024.

Guest Lecture on *"Surgical anatomy of lateral skull base"* Organized by Department of Otorhinolaryngology, YMC on 09th April 2024.

Guest Lecture on *"Anatomy of temporal bone and tricks and trade for dissection"* Organized by Department of Otorhinolaryngology, YMC on 08th April 2024.

Guest Lecture on *"Breast Cancer Hub"* organized by Department of Surgical Oncology, YMC on 02nd April 2024.

Guest Lecture on *"Occupational Therapy in Autism"* organized by Department of Kaumarabhritya, YAMCH on 02nd April 2024.

Guest Talk on *"The Utilization of Available Advanced Software Present In the Library for Teaching, Learning and Research"* organized by Scientific Review Board YPCRC on 26th March 2024.

Guest Talk on *"Updates in Management of drug sensitive and Drug Resistant TB"* Department of Community Medicine, YMC on 26th March 2024.

Guest Lecture on *"Artificial Intelligence in Dentistry – A new frontier"* organized by YDC on 22nd March 2024.

Guest Lecture on *"Leveraging Water for Peace"* organized by Centre for Environmental Studies on 22nd March 2024.

Guest Lecture on *"Anaemia: A basic approach and role of laboratory investigations"* organized by Department of Medical Laboratory Technology, YSAHS on 21st March 2024.

Guest Lecture on *"Turning the Tides IV Fluids in ICU - a Brief Review of Current Literature"* organized by Department of Anesthesiology, YMC on 20th March 2024.

Guest Lecture on *"Beyond the Basics: Exploring Special Stains in Histopathology"* organized by Department of Pathology, YMC on 19th March 2024.

Guest Talk on *"Anti- Ragging Awareness"* organized by Anti- Ragging Committee, YHMCH on 09th March 2024.

Guest Lecture on *"Hearing Loss: Why, When and What to do?"* organized by Department of Shalaky Tantra, YAMCH on 06th March 2024.

Guest Lecture on *"Introduction of Hyatt International Brand and Career Benefits"* organized by Department of Hospitality Science, YIASCM on 05th March 2024.

Guest Lecture on *"Global Career Exploration Opportunities in Medical Imaging"* organized by Department of Medical Imaging Technology, YSAHS on 01st March 2024.

Guest Talk on *"Emerging Trends in Finance"* organized by Department of Hospitality Science, YIASCM on 29th February 2024.

Guest Lecture on *"Introduction To Innovation"* organized by YDC on 27th February 2024.

Guest Lecture on *"Approach to arrhythmias"* organized by Department of Cardiovascular, YSAHS on 24th February 2024.

Guest Lecture on *"BUB1: a multifaceted kinase and its role in DNA damage signaling"* organized by Yenepoya Research Centre on 19th February 2024.

Guest Lecture on *"Critical Analysis of Nitya Sevaniya Dravyas in Present era"* organized by Department of Swasthavritta and Yoga, YAMCH on 19th February 2024.

Guest Lecture on *"Dixit Lifestyle for Weight Loss and Diabetes Reversal"* organized by Department of Community Medicine, YMC Mangalore in Collaboration with IAPSM, Karnataka State Chapter on 07th February 2024.

Guest Lecture on *"An overview on Diagnosis and Management of Rheumatoid Arthritis"* organized by Department of Roganidana, YAMCH on 05th February 2024.

Guest Lecture on *"Legal, Social & Ethical Issues Concerning End-of-Life Care"* organized by Department of Pathology, YMC on 03rd February 2024.

Guest Lecture on *"An insight into the world of birds and birding"* organized by Centre for Environmental Studies on 02nd February 2024.

Guest Talk on *"Stage Tales"* about theatre and Folklore. Unveiling the folklore behind the curtain organized by Department of Linguistic Studies under Literary Club activities, YIASCM on 31st January 2024.

Guest Talk on *"Our Planet Theirs Too"* organized by Eco Club and Youth Red Cross, Balmatta Unit, YIASCM on 25th January 2024.

Guest Lecture on *"Neurophysiological Effects of Pranayama"* organized by YNYSCH on 24th January 2024.

Guest Talk on *"Language and Literature"* organized by Department of Linguistic Studies, YIASCM in association with the Literart Club on 17th January 2024.

Guest Talk on *"India - US Research collaboration: Solving Diabetes & its Complications"* organized by Department of Ophthalmology, YMC on 17th January 2024.

Guest Talk on *"Bird's Eye View on Radiation Therapy"* organized by Department of Anatomy, YMC on 05th January 2024.

Guest lecture on *"Gene therapy: A Paradigm shift in cell therapy"* organized by Department of General Medicine, YMC on 27th December 2023.

Guest Lecture on *"Role of yoga and naturopathy in the management of Constipation - An evidence based approach"*

organized by Department of Clinical Naturopathy, YNYSCH on 27th December 2023.

Guest Lecture on *"Management of Constipation through Yoga and Naturopathy"* organized by Department of Clinical Naturopathy, YNYSCH on 22nd December 2023.

Guest Lecture on *"Constipation is the mother of diseases"* organized by Department of Clinical Naturopathy, YNYSCH on 21st December 2023.

Guest Lecture on *"Innovation pulp management in Pediatric Dentistry"* organized by Department of Pediatric and Preventive Dentistry, YDC on 11th December 2023.

Guest Lecture on *"Febrile Seizure"* organized by Department of Pediatrics, YMC on 09th December 2023.

Guest Lecture series on *"Towards precision medicine - prostate cancer genomics"* organized by Department of Urology, YMC on 05th December 2023.

Guest Lecture on *"AIDS awareness"* organized by Yenepoya Naturopathy and Yogic Science College and Hospital on 01st December 2023.

Guest Lecture on *"Homoeopathy- The pharmacology of personalized Nanomedicine"* organized by Department of Organon of Medicine with Homoeopathic Philosophy, YHMCH on 25th November 2023.

Guest Lecture series on *"Management of Functional Adrenal Tumours"* organized by Department of Urology, YMC on 25th November 2023.

Guest Lecture on *"Wealth Management"* organized by YPC on 23rd November 2023.

Guest Lecture on *"Naturopathy for Modern Era"* organized by Yenepoya Naturopathy and Yogic Science College and Hospital on 18th November 2023.

Guest lecture on *"Gastroesophageal Reflux Disease"* organized by Department of General Surgery, YMC on 10th November 2023.

Guest Lecture on *"Professional Attitude and Patient Safety in Radiology"* organized by Department Medical Imaging technology, YSAHS on 08th November 2023.

Guest Lecture on *"Biomedical waste - Management"* organized by Department of Maintenance on 26th October 2023.

Guest Lecture on *"Role of Physiotherapy in Arthritis"* organized by Department of Panchakarma, YAMCH on 12th October 2023.

Guest Lecture on *"Creating Hope through Action"* organized by Department of Mental Health, YNC on 07th October 2023.

Guest Talk on topic *"Insight career Guidance for Medical Students"* for first MBBS students of 2022-2023 batch organized by Department of Anatomy, YMC on 06th October 2023.

Guest Lecture on *"World stroke day - management of stroke"* organized by Department of B.Sc. Neuroscience Technology, YSAHS on 03rd October 2023.

Guest Lecture on *"ECG Interpretation- Basics to Advance"* organized by Department of Perfusion and Cardiovascular Technology, YSAHS on 30th September 2023.

Guest Talk on *"Management of Acute URTI: AMR perspective"* organized by Department of ENT, YMC on 22nd September 2023.

Guest Lecture on *"Clinical Homoeopathy with special reference to modern diagnosis"* organized by Department of Materia Medica, YHMCH on 15th September 2023.

Guest Lecture on *"Fixing the Ozone layer and reducing climate change"* organized by Centre for Environmental Studies, on 15th September 2023.

Guest Lecture on "*Peripheral Vascular Disease*" organized by Department of General Surgery, YMC on 12th September 2023.

Guest Lecture on "*The Necessity of Sanskrit in Yogic Science*" organized by Department of Sanskrit, YNYSCH on 31st August 2023.

Guest Lecture on "*Testosterone and Prostate*" organized by Department of Urology, YMC on 30th August 2023.

Guest Lecture on "*Management of BPH*" organized by Department of General Surgery, YMC on 25th August 2023.

Guest Lecture on "*Are all fever Infectious*" organized by Department of Roganidana, YAMCH on 11th August 2023.

Lecture on "*Chronic pelvic Pain*" organized by Department of Urology, YMC on 10th August 2023.

Guest Lecture on "*Preparation for AIAPGET and Scope of Post- Graduation in Ayurveda*" organized by Department of Roganidana, YAMCH on 03rd August 2023.

Guest Lecture on "*Radiological approach to Obstetrics and Gynaecology*" organized by Department of Obstetrics and Gynecology, YHMCH on 02nd August 2023.

Guest Talk on "*Relevance of Indian Accounting standards in everyday life*" organized by Department of Commerce and Management, YIASCM on 02nd August 2023.

Guest Lecture on "*Basics of Pharmacognosy*" organized by Department of Homoeopathic Pharmacy, YHMCH on 31st July 2023.

Guest Lecture on "*Antibiotic stewardship program*" organized by Department of Pharmacology, YMC on 29th July 2023.

Guest Lecture on "*Anatomical & clinical aspects of Hepatobiliary system*" organized by Department of Shareera Rachana, YAMCH on 28th July 2023.

Guest Lecture on "*An overview on the approach to diseases of mouth and oral cavity*" organized by Practice of Medicine in association with Department of Public Health Dentistry, YDC on 28th July 2023.

Guest Lecture on "*Hepatitis B & C approach to the patient*" organized by Department of General Medicine, YMC on 27th July 2023.

Guest Lecture on "*PET CT in Urological Malignancy Semilive*" organized by Department of Urology, YMC on 27th July 2023.

Guest Lecture on "*Biochemistry - An overview*" for 1st year students organized by Department of Physiology and Biochemistry, YHMCH on 24th July 2023.

Guest Lecture on "*Biomedical waste –Management*" organized by Centre for Environmental Studies on 21st July 2023.

Guest Lecture on "*Treating TB Infection-is it a priority in India*" organized by Department of General Medicine and Community Medicine, YMC on 21st July 2023.

OUTREACH ACTIVITIES

NATIONAL SERVICE SCHEME

Dr. Ashwini Shetty
NSS Program Coordinator

The National Service Scheme (NSS) was established in 2011 with 5 units and 500 volunteers. Currently, NSS has 64 units with 6400 volunteers wholly supported by the Ministry of Youth Affairs and Sports, Government of Karnataka.

The NSS unit at Yenepoya (Deemed to be University) is actively involved in various projects, emphasizing its dedication for creating a positive impact on the community. A notable achievement is the ongoing **Tribal Non-Communicable Disease Screening Project** in association with the Government of Karnataka. The project has reached 204 villages and screened nearly 9444 tribal community. The project was also involved in creating health awareness.

As a part of routine community engagement, 800 volunteers from 16 units actively participated in a week long **Special Camp** in the villages adopted by the University (Chembugudde, Ambedkar Nagar, Jokatte, Boliyar, Kalavar, Kavathar, and Sajipanadu). The activities of the camp included yoga session, awareness programs, cultural programs, and cleanliness drive of school buildings. Furthermore, NSS units organized healthcare outreach events such as blood collection drive, free health camp, and health awareness programs. Special emphasis was given to Cancer Awareness. ASHA workers were trained to spread awareness about prevention and early detection of cancer. In the adopted villages, NSS units observed commemorative days for creating awareness on AIDS, drug abuse, suicide etc.

During the year, NSS volunteers (85) participated in State and National level

programs such as Republic Day Parade, National Integration Camp, and National Youth Festival.

The NSS units organized various initiatives in the University including "Beti Bachao Beti Padhao," "Swachh Bharat Mission," Digital India, "Mera Yuva Bharat," "Ujjwala Yojana," "Samagra Shiksha," "Environmental Conservation," "POCSO Act," and "Jan Dhan Yojana."

During year, the NSS volunteers received **Late Mukesh Hariram Punjabi NSS Yuva Yodha Award** from Krisha Foundation, Mumbai, and selected to participate in the South Zone NSS Pre-Republic Day Parade Camp.

The best practice of the NSS unit is to link the NSS volunteers with rural school students through the **Granthamithra Project**. Through this initiative, the NSS volunteers, offer coaching classes in subjects such as Mathematics and Science to the rural school students.

The NSS at Yenepoya University showcases a strong commitment to community service and social impact through a variety of health, educational, and awareness programs. The growth of the program and the recognition received reflect the dedication of both the volunteers and the coordinators to making a meaningful difference in society.

YOUTH RED CROSS

Dr. Harinarayanan A
Nodal Officer (i/c)

Youth Red Cross (YRC) was established at the University level in 2022 with units in all the constituent units. The core activities of YRC include conduct of programs on health awareness and hygiene, leadership and communication skills, emergency first aid, disaster preparedness and mitigation, and blood donation camps. The University has entered into a memorandum of understanding with the Indian Red Cross Society of Dakshina Kannada district for the collaborative activity.

During the academic year 2023-24, YRC conducted Blood Donation Drives, Swach Sagar Program, internship at the Red Cross help desk, Wenlock District Hospital, First Aid Training for YRC volunteers, staff of Mangalore Refinery and Petrochemicals Limited, and Peace Public School, Ullal, a district level street play competition on cancer awareness, Cancer Awareness program, Road Safety Awareness program, National Youth Day Celebration. All these activities were held in and around Mangalore city. A total of 500 students and 20 teachers participated in these programs.

Artificial Limb Donation Drive and Awareness on Road Safety program (26.08.2023) were organized by the YRC unit of YIASCM. World Blood Donor Day (05.10.2023) and World AIDS Day (15.12.2023,) were observed by the YRC unit of YSAHS.

Conferment of 'Best Youth Red Cross Unit' Award

Road Safety Awareness Program

The impact of the work carried out by YRC was recognized through the receipt of 'Best Youth Red Cross Unit' and 'Best Program Officer' awards from the Indian Red Cross Society, Dakshina Kannada district branch.

RURAL HEALTH CARE AND DEVELOPMENT CENTER

Dr. Poonam Naik
Deputy Director

The centre was established in 2009 with an aim to provide comprehensive and holistic health care to the rural community of Dakshina Kannada and neighboring districts through its 31 satellite centres located in different villages. The center is also coordinating the family adoption program by MBBS and BDS students.

During the year the centre organized health awareness programs, multispecialty camps, school health checkups, blood grouping and blood sugar checkup activities. Together, there were 1444 extension and outreach activities covering 23,346 beneficiaries.

The centre organized 61 health awareness programs by involving 35 teachers and 65 students. These programs covered 2,434 beneficiaries. The centre organized 52 multispecialty camps by involving 56 teachers and 591 students. These camps covered 5,374 beneficiaries. The centre organized 18 school health checkups by involving 18 teachers and 68 students. These programs covered 4,774 beneficiaries. The centre organized 132 blood grouping activities covering 5,520 beneficiaries and blood sugar checkup activities 1,181 covering 5,244 beneficiaries.

The impact of the center's work was highlighted by the appreciation and the excellence awards given by the Navachethana Friends Club of Someshwar Village, BJP Mahila Morcha of Jokatte Village, and Prajna Counseling Centre, Mangalore.

AUDITOR'S REPORT

1.I have audited the attached Balance Sheet of Yenepoya (Deemed to be University), University Road, Deralakatta, Mangalore – 575018 as at 31st March, 2024, and also the Income and Expenditure Account for the year ended on that date annexed thereto.

2.These financial statements are the responsibility of the university's Management. My responsibility is to express an opinion on these financial statements based on my audit.

3.I conducted my audit in accordance with auditing standards generally accepted in India. Those Standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion, and I report that:

a) I have obtained all the information and explanations, which to the best of my knowledge and belief were necessary for the purpose of my audit.

b) In my opinion, proper books of account have been maintained by the University so far as appears from my examination of such books of account.

c) In my opinion and to the best of my information and according to the explanations given to me, the said accounts give a true and fair view:-

(i) in the case of the Balance Sheet, of the state of affairs of the above named University as at 31st March, 2024, and

(ii) in the case of the Income and Expenditure Account, of the Excess of Expenditure over Income for the year ended on that date.
