

REPORT ON COASTAL CLEAN UP DRIVE

Yenviron Club in Association with International Eco Club Student Chapter

07 May 2023, The Yenviron Club in Association with International Eco Club Student Chapter had organised Coastal Clean Up Drive on behalf of our Constituent Unit, The Yenepoya Institute of Arts, Science, Commerce and Management to Tannir Bhavi Beach, Mangalore with the students. The Clean up drive was focused on the objective of Social Responsibility and Community engagement wherein students got to know their responsibility to social service.

The Clean Up Drive was organised by Ms. Sharmila P. Nayak, Co-ordinator of Yenviron Club. Nearly 30 students had taken part in this drive along with Three Faculty and four University Co-ordinator from International Eco Club members. Dr. Bhagya Sharma University Co-ordinator of Environmental Study Centre, Yenepoya (Deemed to Be) University Lead this event. Mr. Niyaz P, Co-ordinator accompanied by Ms. Akshatha, Department of Linguistic studies took active participation in this event. Dr. Arun Bhagwath, Principal of the Yenepoya Institute of Arts, Science, Commerce and Management encouraged the team in conducting this successful event. The visit to Tannir Bhavi Beach started at sharp 6:30 a.m. from Balmatta college campus. The Students were assigned to prepare study report and create blogs on this cleaning drive through attractive collection of photography and videos by different course streams. The event came up with treasure of knowledge of awareness and thoughts of responsibility.
