

YENEPOYA
(Deemed to be University)
Mangalore, India

HOSPITAL ADMINISTRATION INTERNSHIP FOR INTERNATIONAL STUDENTS

*For students of business administration, hospital administration,
public health, social work and related disciplines*

(2 weeks duration)

Programme Outcome:

By the conclusion of the visit, students will gain valuable insights into the following key areas:

- Operational strategies and management practices of large teaching hospitals in developing countries
- Frameworks for healthcare accessibility and service delivery, addressing the needs of both local populations and medical travelers
- Effective resource allocation and management within clinical and administrative settings
- The critical role of quality assurance, patient safety, and accreditation in the delivery of healthcare services
- Financial operations and revenue cycle management within the teaching hospital environment

Activities

- Structured hospital walkthroughs covering key departments involved in clinical, administrative, and support functions.
- Field visits to community health centers to explore tiered healthcare delivery systems and outreach initiatives.
- Interactive sessions with functional heads from Operations, Human Resources, Finance, Quality, and Medical Administration.
- Insight into hospital-wide processes related to quality assurance, accreditation, and patient safety.
- Overview of financial management operations, including billing procedures, insurance coordination, and revenue cycle management.

About the University:

Yenepoya (Deemed to be University) is located in the coastal town of Mangalore in the southern state of Karnataka, India.

The University is recognized by the University Grants Commission of India and accredited by the National Accreditation and Assessment Council with A+ grade. Also, the university has consistently appeared among top 100 institutions in the National Institutional Ranking Framework carried out by the Government of India. Also, the University is a member of the Association of Indian Universities. The University offers over 130 programs across 12 disciplines. Over 17000 students are currently enrolled in the University. Our constituent units are recognized by respective regulatory bodies like Dental Council of India, National medical Commission, Indian Nursing Council, Central Council of Indian Medicine, Central Council of Homeopathy, Pharmacy Council of India, and All Indian Council for Technical Education. The University has collaborations with over 30 overseas institutions and organizations.

Our constituent units:

- Yenepoya Dental College
- Yenepoya Medical College
- Yenepoya Nursing College
- Yenepoya Physiotherapy College
