POST GRADUATE DIPLOMA IN CLINICAL ETHICS (PGDCE)

Call for registration 2025 Batch

Centre for Ethics, Yenepoya (deemed to be University), Mangalore, India was established in February 2011 with the objective of fostering a renaissance in ethics education in India.

Clinical Ethics is a specialized application branch of bioethics that enhances the quality of healthcare by resolving dilemmas and conflicts between the various stakeholders and thereby restoring the trust of society in the healthcare system. A clinical ethicist is trained in clinical ethics and can provide unbiased solutions to ethical dilemmas in healthcare settings.

Course eligibility

Bachelor's degree in any discipline relating to health, science, law, social sciences, philosophy and humanities.

Submission of Letter of intent

Course completion requirement

Timely submission of assignments and project, 80% attendance for exam eligibility

Course objectives

To develop competency in ethical reflections based on ethical theories
To develop competency in identifying and resolving complex healthcare-related ethical issues and dilemmas
To familiarize the basics of applied ethics (with emphasis on clinical ethics)

Course structure

- ◆ 3 contact programs (5 days each in Jan, May, Oct)
- ◆ Blended learning (Field trips, interactive sessions, movies, role plays)
- ◆ Yengage online platform
- ◆ Project submission: Nov
- ◆ Assessment: Theory, viva and project defense (Dec)
- ◆ Interaction during the modules

Course outcomes

- Successful participants
- Enrich their professional work;
 - Enhance quality of their research work;
 - Become members of ethics committees
 - Conduct AETCOM sessions
 - To be able to resolve clinical ethics dilemmas
