Report on Student Council Installation Ceremony

The Student Council Installation Ceremony of the Yenepoya Institute of Arts, Science, Commerce and Management was organized on February 26, 2021 at fourth floor, B block, Yenepoya complex, Balmatta.

The event was graced by our honourable Principal, Dr. Parvadhavardhini Gopalakrishnan, Vice Principal, Dr.Shareena P, Ms.Carol Benlyn who organized the event and other faculty members along with the Student Council members.

The event was hosted by Ms.Yashaswini and Mr.Naif and it started with the lamp lighting ceremony. The Principal welcomed the gathering and also motivated the Student Council members with her enlightening words of wisdom. The Principal also highlighted the crucial responsibilities and duties of the council members. She stated that the council members needed to be holistic while representing an issue rather than working for individual benefit and should be disciplined and alert at all times. Then vice principal Ms. Shareena talked about the importance of the authority given to the council members and explained their duties and obligations.

The Principal gave the council members their badges with their assigned positions. Then the Principal and the council members took the oath, promising to fulfill their responsibilities dutifully and serve the college sincerely. Then the Student President of YIASCM Mr.Nihal Rahman spoke a few words about his unique position and how he will be going to carry out his responsibilities and duties.

The Cultural & Student council committee conducted the Cultural competitions for both students and staff on 28th August and 4th September 2020 at Yenepoya Pharmacy College and Research Centre. The competitions included Picture quote, Innovative brand advertisement, Waste or worth, Facemask making and Pookalam competition. Among which the pookalam competition was organised for the teaching and non-teaching staff. The main objective of the competitions were to divert the mind of students and faculty from the regular online studies towards showcasing talent embedded within. It was a creative event in which the participants got an opportunity to share their talent.

The registration for the student competitions were collected using a google form link which was displayed in the college website (www.yperc.in). The rules and regulations for the competitions were also displayed along with the poster and registration link. A total of 28 students registered for various competition of their choice without any limit for entry.

One separate google form link was also created for the participants to upload their submissions. The participants were earlier informed to submit good clarity images and one short video as proof that they did not take help from others. We received good submissions with creative and innovative ideas. The committee selected four different judges from different colleges. The Judges were Mrs. Shycil Mathew (YNC), Mrs. Reshma Priya (YNC), Dr. Bhagya Sharma

Respected Sir

Sub: Report of 'Dentertainment'- YDC Online Cultural Competitions
Ref: No.Y/REG/ACA/Online program 2020 dated 05-08-2020

On behalf of Students and faculty members of Yenepoya Dental College, members of cultural committee of YDC would like to express our sincere gratitude for giving permission to conduct the online cultural competitions for dental students and also providing financial support for the same.

As proposed in request letter, online cultural week conducted for dental students from 7th August to 14th August. Regular online classes were cancelled from 1th to 15th August in order to allow students to attend the program.

Total 27 competitions were conducted with different objectives and more than 50% of students participated. In addition to the competition items, through an event 'Yenepoyans got talent' students were given an opportunity to showcase how they effectively utilized the lock down period. The program was well appreciated. We are happy that through this cultural event, we could provide them a blend of curricular and co-curricular activities during this Covid 19 lock down period and a good break from regular academic activities.

The details of the events, Prize winners and the prize money distributes as Amazon gift vouchers are attached here with.

Thanking you

Yours sincerely

Report on Plantation of Saplings

The whole world is facing the problem of global warming. Trees are the primary source for producing the oxygen in our surroundings. They absorb oxygen and give out carbon dioxide.

On 17th January, 2020, The Yenepoya Institute of Arts, Science, Commerce and Management, Balmatta, successfully planted saplings to observe Swachhata Pakhwada 2020, with the National Service Scheme (NSS) at the college premises. It was attended by Dr. Parvadhavardhini Gopalakrishnan, Principal, Ms Naseem Banu, administrator, Ms Shalini Sequeira and Mr Niyaz P, NSS program officer, faculty and more than 50 student volunteers.

The event began with the welcome speech by the Principal. In her message, she motivated the volunteers to plant trees and protect the environment by being responsible citizens of society.

The Principal's speech was followed by planting of saplings namely aloe vera and snake plant which absorb high amount of carbon dioxide. The saplings were planted by the Principal along with the administrator, faculty and the student volunteers.

Merin Roy, I BBA (Aviation and Logistics), compered the program and Mirza Ibad Baig, NSS leader, II BCom proposed the vote of thank

Discussion session

The matters raised were discussed class wise.

I B.Sc Nursing

- There is no availability of hot water in the college and also its not been frequently filled.
- More cultural events should be included.
- Last three benches are not comfortable to sit.
- Projector is not working properly.
- Need more vacation.

Principal said that all the above matters are rectified but vacation is scheduled as per the INC requirement of theory and practical hours.

II B.Sc Nursing

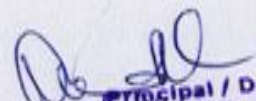

- Need for a bus for nursing college only.
- Need to wear aprons with our color dresses.
- Request to arrange classes from 9 am to 4 pm.
- During screening time, students need only the faculty members and SNA bearers to be there.
- For all programs they are collecting more money and we students are not having enough fun and enjoyment.
- Faculties are not allowing we students to encourage and enjoy the programs even though we are having only few events.
- Wash rooms are not proper that there is no proper water supply, doors are not proper, flush is not working, not enough lighting is arranged.
- There is no washing facility.

Principal said that all the above matters are taken into consideration. Maintenance related matters are communicated.

III B.Sc Nursing

- Food has to be improved.
- Don't take away the phones when they are caught.
- Duties are not up to time that some sisters are asking us to stand after 4 pm for duty.
- Staff nurse should maintain a good IPR with the students.
- Drinking water is not proper that there is a soil taste for the water.

ACTIVITIES

DRUG BANK

The working members of the drug bank receive sample drugs from doctors, PGs ,medical reps and students .These drugs are sorted and maintained in our **drug bank**(SAMRAKSHA office-5th floor EMD building), which provide free drugs for the needy patients of Yenepoya Medical College.

Drug boxes are kept in every OPD.

BLOOD BANK

We arrange blood donors for patients in emergencies and life threatening conditions, when the patient party is unable to arrange blood or a specific group is not available in our hospital blood bank.

PALLIATIVE CARE AND PEDIATRIC PLAY AREA

It was established by SAMRAKSHA under the guidance of Dr.PrabhaAdhikari, HOD Geriatrics.

The members of Palliative care aim at providing support for patients with life limiting illnesses and their families. The students organize small entertainment programmes and games in the wards involving the patients, once in two weeks, which provides relief from symptoms and stress of the illness and improve the quality of life for both the patient and their family.

A play area has been made in the pediatric ward for entertainment of the young patients and kids.

ART FOR CHARITY – 2018

'Art for Charity' is an event conducted by SAMRAKSHA every year. 'Art for Charity' – 2018 was hosted by 2016 batch of the Yenepoya university. SAMRAKSHA Charitable Society works anonymously to supply drugs to the poorest of the poor patients that are admitted in Yenepoya Medical College Hospital. SAMRAKSHA also runs their own blood bank. Each year the second year undergraduate students of Yenepoya University work together for the benefit and success of the society. The medical, dental, physiotherapy and nursing students of the 2016 batch worked in great unity as the active members of the SAMRAKSHA Charitable Society in the year 2017-2018.

The event was held in the indoor auditorium and examination hall of the academic block of the Yenepoya Medical College on October 30th 2018. It was inaugurated by Honourable Vice Chancellor Dr. M Vijaykumar and the event was inaugurated at 10:00am and extended up to 4:00pm in the evening. The hall was filled with excitement, brightened by the theme of Halloween.

The so called program basically conducted a variety of games and food stalls and wherein the students from every batch and course arrived and profit was raised.

Games were set up but the main feature was the brains that needed to be working to solve the mysterious quiz in the most famous games we call as escape room.

Moving on to the food stall, there was a wide array of delicious mouth watering delicacies from all across the states and another highlight that needs to be mentioned was the Arabian souk that brought forth the cultures from the middle east to the highest of levels, reaching what we call, just like being in the U.A.E.

The unity of the hosting batch and the support of the students, teachers and non-teaching staff helped in the success of the event.

RENAISSANCE 2019

Report

Renaissance 2019, the Intercollege Fest of Yenepoya Deemed to be University was held between 25th April 2019 and 28th April 2019. Named “**Jamboree**” and inspired by Carnival as a theme, the event was a resounding success and a Fest to be remembered.

Jamboree 2k19 was hosted by 2016 Batch and officially began on 25th April 2019. The Inauguration was a riot of colour and sound, beginning with a performance by a Tambola band and a guest performance by Shan Mass, famous for his hit single Kaserock. His stunning performance was followed by the energetic and colourful dances by the hosting batch. The day ended with a DJ performance by the renown Sjana Catherine and Tibin Joy of Sunburn. Suffice to say, **Jamboree** began with a bang.

Each following day had its own dress theme, with ethnic wear, mismatched attire and formal wear making an appearance. The University was a sight to see on those four days, with everyone dressed in their best. All the performances put on display were simply stunning, and the talents of the students and staff of Yenepoya made themselves known.

The students of Yenepoya deemed to be University shone on stage, displaying sensational dances, resplendent musical performances and glittering walks down the runway. The excitement was palpable in the air in every venue, from the quieter events like Mehendi to the action packed Variety Entertainment. A stunning show at every turn, where not a single act was disappointing. The Batch of 2016 won Variety and Fashion Show, the biggest events of the fest, and managed to snag the overall championship, with the Batch of 2017 running a close second.

One cannot not mention the performance of the staff in Yentity 2019, events conducted exclusively for the staff of Yenepoya University. Yentity was heated this year, each constituent college posing stiff competition. Dazzling and astounding are words that cannot do justice to the acts that the fraternity performed. The competition was fierce in Anthakshari and Rangoli and every stage performance was nothing short of phenomenal. At the end of the day, Yenepoya Dental College defended their positions as reigning champions, followed by Runners Up Yenepoya Admin Block.

Jamboree 2k19 wound down on the 28th of April, and closed on a note of success. The event had been an uproar of laughter, joy and colour, and is a memory dear to everyone's heart. Our thanks to all the souls who put in their heart and effort into making this Fest possible.

BEST OUT OF WASTE

"Creativity, as has been said, consists largely of rearranging what we know in order to find out what we do not know. Hence, to think creatively, we must be able to look afresh at what we normally take for granted."--- George Kneller. B

BEST OUT OF WASTE is one such craft which follows this environmental friendly principle and at the same time creates useful and picturesque objects out of waste products. In order to make students aware of uses of waste material, and to give them a lesson on reducing waste to save our future, a 'Best out of Waste' competition was organized in our college under Fine Arts Association on 14th March 2019. Time allotted for competition was 90minutes. Hands and imaginative minds came together in a creative burst of energy. Mind-blowing, beyond expectation, fantabulous ideas were demonstrated by students. They prepared very creative and innovative models and art items from different waste materials. They used reusable and recyclable materials like news papers, shoe boxes, bangles, ice cream stick's and much more. From these items, they created an amazing array of display items and useful everyday objects leaving everyone totally impressed.

The participants represented their houses in a group of three. The first place was bagged by Zainab , Razeena & Shakira from house of Star, Second place was bagged by Shaz A K, Fathima Niha & Naveeda anjum from the house of Star, and III Place won by Samreen z sheikh, Murshida naz & Nazeefa from the house Sun.

Staff in-charge **Ms. Pratheeksha** and **Ms. Somya**, Lecturer in Commerce co-ordinated the event and the judge for the event was **Mr. Neekshitha Shetty**, Lecturer in Management.

Principal **Dr. Parvadhavardhini Gopalakrishnan** appreciated the efforts of the students and congratulated the winners.

Comic strip

“We are what we repeatedly do. Excellence, then, is not an act, but a habit.” - Aristotle's Nicomachean. A comic strip is a sequence of drawings arranged in interrelated panels to display brief humor or form a narrative, often serialized, with text in balloons and captions. Comic strip is a great way to help students to develop their imagination, spark creativity and love their selves. In the view of this Fine Arts Association of our college organized comic strip competition on 11th March 2019. Time allotted for competition was 90minutes. The participants sketched variety of strips based on the theme of Mr. Bean- Love Yourself. The participants represented their houses in a group of two.

The first place was shared by Zainab & Razeena from house of Star and Haleema Riham & Nazeefa from the house of Sun, Second place was bagged by Shaz A K & Nafid from the house of Star, and III Place won by Afridi & Faris from the house Moon.

Cooking without Fire

Tuesday, on 5th March, 2019 fine arts committee organised a competition on cooking without fire. The students exhibited their culinary skills to the best use to compete in the 'Cooking without Fire' competition. The students represented their houses in groups of three. The atmosphere was filled with excitement and anticipation. The students made a pretty picture and displayed their skill, knowledge and creativity by making delicious dishes. Their team work was commendable as they successfully presented their dishes in an innovative manner. The dishes had been given creative names and list of ingredients and recipes was displayed for the judges. The judges, Principal Dr Parvadhavardhini Gopalakrishnan and Mr. Mohan, faculty of BSc (HS), faced the biggest challenge of selecting the best ones from the multitude of delicious and nutritious preparations. The judges evaluated the dishes based on parameters like taste, presentation, nutritional value, ease of making, preparation time, ingredients etc. The event generated a lot of positive interest in the student.

Principal appreciated the efforts of the students and congratulated the winners.

8. Students were fascinated by the array of pictures clicked by the speaker himself and were keen to learn more about the art. The talk was followed by an interactive session and a visit to the art gallery of the speaker. Students got the opportunity to ask questions and learn from the experienced photographer and gain some tips from him. The esteemed guest list included Mr. Kandan G, Mr. Gurumurthy (professor) and Mrs. Swetha.

Over 30+ students from Swaroop Education and Research Centre attended the talk. The school stands out for its unique way of teaching where emphasis is given on the child's creativity and curiosity.

Overall, the talk gave us a glimpse into the creative minds of artists and the art of photography.

ACTIVITIES

DRUG BANK

The working members of the drug bank receive sample drugs from doctors, PGs, medical reps and students. These drugs are sorted and maintained in our drug bank (SAMRAKSHA office-5th floor EMD building), which provide free drugs for the needy patients of Yenepoya Medical College.

Drug boxes are kept in every OPD.

BLOOD BANK

We arrange blood donors for patients in emergencies and life threatening conditions, when the patient party is unable to arrange blood or a specific group is not available in our hospital blood bank.

PALLIATIVE CARE AND PEDIATRIC PLAY AREA

It was established by SAMRAKSHA under the guidance of Dr. Prabha Adhikari, HOD Geriatrics.

The members of Palliative care aim at providing support for patients with life limiting illnesses and their families. The students organize small entertainment programmes and games in the wards involving the patients, once in two weeks, which provides relief from symptoms and stress of the illness and improve the quality of life for both the patient and their family.

A play area has been made in the pediatric ward for entertainment of the young patients and kids.

ART FOR CHARITY – 2018

'Art for Charity' is an event conducted by SAMRAKSHA every year. 'Art for Charity' – 2018 was hosted by 2016 batch of the Yenepoya university. SAMRAKSHA Charitable Society works anonymously to supply drugs to the poorest of the poor patients that are admitted in Yenepoya Medical College Hospital. SAMRAKSHA also runs their own blood bank. Each year the second year undergraduate students of Yenepoya University work together for the benefit and success of the society. The medical, dental, physiotherapy and nursing students of the 2016 batch worked in great unity as the active members of the SAMRAKSHA Charitable Society in the year 2017-2018.

The event was held in the indoor auditorium and examination hall of the academic block of the Yenepoya Medical College on October 30th 2018. It was inaugurated by Honourable Vice Chancellor Dr M Vijaykumar and the event was inaugurated at 10:00am and extended up to 4:00pm in the evening. The hall was filled with excitement, brightened by the theme of Halloween.

The so called program basically conducted a variety of games and food stalls and wherein the students from every batch and course arrived and profit was raised.

Games were set up but the main feature was the brains that needed to be working to solve the mysterious quiz in the most famous games we call as escape room.

Moving on to the food stall, there was a wide array of delicious mouth watering delicacies from all across the states and another highlight that needs to be mentioned was the Arabian souk that brought forth the cultures from the middle east to the highest of levels, reaching what we call , just like being in the U.A.E.

The unity of the hosting batch and the support of the students, teachers and non-teaching staff helped in the success of the event.

The guidelines should be followed before doing any trial on animals. She questioned whether it is ethical to keep pets and the members discussed and deliberated on freedom of pets and the ethical issues thereof. She opined that animals too have an emotional value and suggested all to be humane and ethical towards animals. She also added that loving animals means not just pets but love should be extended to all kind of animals. A good discussion on the topic was held throughout the presentation.

CANCERTHON 17

Report:

CANCER is a disease that is slowly turning out to be the number one killer; The important aspect of this deadly disease is that they could all be cured, provided everyone is educated to be proactive and know the various warning signs of cancer.

A marathon was organized - the CANCERTHON 17 on 12.02.2017.

If you are wondering why a marathon? because it helps you discover the strengths you never knew you had, and finishing it is a state of mind that says anything is possible. At Cancerthon we wanted people to run against the deadly disease, not against other runners and certainly not against time.

We had more than 7000 people run for the cause, an event that saw every member of Yenepoya University come together in solidarity, reassuring the citizens of Mangalore, that we are committed in our fight against cancer. This event also saw a young, perseverant and truly enduring team who made sure that CANCERTHON 17 did achieve what it was set out to and is going to be an event we will remember for a long time.

The Program was presided by the Honorable Chancellor of Yenepoya deemed to be university Mr Yenepoya Abdulla Kunhi. The Honorable Vice Chancellor Dr M Vijay Kumar addressed the gathering. Dr Mohan Alva, Chairman of Alva's education foundation, Mr. BM Farookh, Managing Director Fiza group were the chief guests of the program. Mrs Sahana Kumari Olympian and Mrs Vandana Shanbhag ex Olympian were the brand ambassadors of the event. Dr Hasan Sarfaraz the President of Cancerthon 17 welcomed the gathering and Dr Sandeep Shetty, the Secretary of Cancerthon 17 delivered the vote of thanks.

Hostel problems

1. Regarding attendance taking in the hostel -the specific timing should be followed for the attendance to avoid delay in food and mess timings and to avoid overcrowding in mess.
2. Lack of sufficient food counters- For non-vegetarian, only one food counter is available. It makes us to be in long queue every time. During nights, we are getting food after 9.30 and all. In Friday afternoon it will take 2.30 to get food. Almost all the days there is food shortage also. After coming from library, we are not getting food.
3. TV room should be made available.
4. More than 40 students in 3rd year have taken Wi-Fi connection for their research purpose after paying Rs.1500. For the same Wi-Fi modem/device should be fixed. It was reported to warden and IT section several times and no actions were taken till now.
5. In emergency situations ambulance is delayed, and it usually comes 30-45mins after requesting. So, this need to be taken care
6. Visitors are not allowed to be with the students for more than 1hr. Visiting time need to be flexible.
7. adequate fan facilities required to promote good ventilation as it is six members sharing room
8. sufficient number of dustbins in bathroom to dispose food and other waste items separately and should have a proper label.

Discussion: The SNA President/Principal, Dr. Asha P Shetty responded to all the concerns of students and it was decided to conduct a meeting with the wardens regarding hostel matters and to solve all the student issues. Academic concerns of students also noted and discussed with the students.

Session / Activity	<p>A Special Meeting of ENCIRCLE, Walkathon, Walk for Ethics was held on 12th November 2016. The members of ENCIRCLE along with the key speakers walked from the college entrance to Yendurance. The walk was headed by Dr. Vina Vaswani who enlightened the participants on ethical problems each and everyone faces. She explained how one can justify an act and make right decisions. Throughout the walk there was a good discussion on existing ethical issues.</p>  <p>Walkathon headed by Dr. Vina Vaswani</p>

There was an exchange of ideas on many situations which are happening around us. Though it was a sensitive topic, members were able to openly come up with solutions and ideas to tackle them. The entire presentation ended up with a slogan “Think twice before you act, nothing comes for free”.

Students of ENCIRCLE Club exchanging ideas

Ms. Shifali Shetty, student, 3rd year MBBS gave a presentation on “Look out for enticements” at the Yendurance zone mini-theatre. It was about current affairs regarding doctors and the medical representatives and how our patients might possibly be affected by business tactics of drug companies. There was exchange of ideas and many situations which are happening around us. Though it was a sensitive topic, members were able to openly come up with solutions and ideas to tackle them. The entire presentation ended with a slogan “Think twice before you act, nothing comes for free”.

ENCIRCLE-The Ethics Club of Yenepoya University (Sixth meeting)

Title	Report on Sixth encircle meet
Date	19 July 2016
Participants	Students: 21 Staff: 11
Session / Activity	<p>The topics for the day were:</p> <ol style="list-style-type: none">Ethical issues with Surrogacy by Dr. Vina Vaswani, Director, Centre for Ethics;Ethical Issues in Medical Futility by Ms. Tejaswini, 2nd year MBBS student from Yenepoya Medical College <p>Ms. Tejaswini in her presentation gave a brief note about medical futility which is a point in the management of a seriously ill patient wherein any intervention is unlikely to produce any significant benefit to the patient. She mentioned about two types of medical futility, i.e quantitative futility where the likelihood of an intervention to benefit the patient is exceedingly poor and qualitative futility where the quality of benefit an intervention will produce is exceedingly poor. She stressed upon the importance of communication required with regard to interventions that are being withheld or withdrawn and explain the rational behind them. She stressed the importance of having conversations with compassion.</p>

Ms. Tejaswini giving a presentation on Medical fertility

Dr. Vina Vaswani highlighted ethical issues related to surrogacy. She elaborated on advances in medical technology, impact of technology on society, fertility and infertility and then broadly briefed about some new medical technologies which are developed have the potential to change our bodies, our brains, our emotions and help in longevity.

She informed that 50 million girls and women are missing from India's population as a result of systematic gender discrimination in India and one in every five girls is being eliminated at the foetal stage. Mentioning about the increasing trend in surrogacy, Dr. Vina said how far surrogacy uphold human rights and dignity and it makes some people instrument for another. She questioned whether the choice made by surrogate mother is truly a free choice - (autonomy) - or is it a form of subtle coercion? Is it safe in short term as well as long term? There was a good discussion amongst the speakers and the members of the club.
