

## Centre for Environmental Studies Yenepoya (deemed to be University)

World Environment Day  
05.06.2023

World Environment Day was organized by plantation of saplings. Three saplings of *Mangifera indica*, *Artocarpus heterophyllus* and *Annona muricata* are planted by the Centre for Environmental Studies in the Munnur Higher Primary School, Kuttar. The saplings was planted by students of the school. Reserved police personnel also joined in the plantation drive.

*Plantation of saplings*
