Sir,

Sub: Introducing ICT to have relation with your Institution on charity basis.

Islamic charitable trust, kanhangad started functioning in December 2006. We provide treatment to poor patients having severe diseases like cancer, Heart diseases and kidney diseases. We provide them continuous treatment. We have already provided treatment for about 250 patients.

Islamic charitable trust is a Registered Institution bearing No:90/2008. We submit annual audit report prepared by chartered Accountants to the authorities.

There are 22 trustees. we have no particular political lenience and we have a secular policy on providing treatments.

Dialysis Centre

We have started a Dialysis Centre at kanhangad since 2014 at Arimala Hospital. There are six units working in full swing. 90% of the Dialysis at these six units, we provide freely for the poor patients.

We have contact with Periyaram Medical College Hospital, JayaDev Hospital Bangalore, Regional Cancer centre Trivandram, Malabar Cancer Centre Thalasserry, Arimala Hospital kanhangad and Manzoor Hospital Kanhangad. They provide concessions on treatment for the patients we refer to them.

We have sent some patients to Yeanopoyya Medical College Hospital, Derlekatte also.

We are spending about Rs 15,00,000/- (fifteen lakhs rupees) per year for the purpose

Source of income : Periodical Donations from individuals, Ramzan special collections, Zakath contributions, Sadakha contributions and charity Box collection from houses.

Now we desire to have contacts and relation with your institution also for the purpose.

Expecting favourable reply.

with regards

Your sincerely

Chairman

Islamic charitable trust

Forwarded to COO
This NHO is founded to help pt's suffer from cancer kidney and heart diseases. If the pt. needs the criteria fixed for help treatment the NHO will take care to meet the need under your help.
